FAX: 574-283-8258

About IHSAA Membership

As stated in Article III of the IHSAA By-Laws & Articles of Incorporation

Section 1.

All Memberships Are Voluntary. Any secondary school in the state may become a member of this Corporation by meeting the requirements for membership, by subscribing to all of these rules and regulations of the Corporation, and by completing and submitting a membership application form to the Commissioner on or before September 1 of each year. Applications for membership by non-member schools must be accompanied with a one thousand dollar initiation fee and must be received by the Commissioner no later than August 1.

Section 2.

Full membership in this Corporation shall be open to all public, private, parochial, boarding, and institutional high schools of the state offering and maintaining two or more years of high school work, provided they meet the requirements of the Corporation and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must (a) have Full Accreditation or Freeway Accreditation from the Indiana Department of Education or be fully accredited by the Commission on Accreditation and School Improvement provided the school meets the graduation qualifying examination requirements of the state of Indiana and (b) must have previously provided and continue to maintain at least one team in an IHSAA sponsored sport for each gender during each sports season. A school shall neither become a member nor remain a member in the IHSAA whose detailed financial (athletic or otherwise), scholastic and attendance records are not readily made available, as requested, to the IHSAA during an investigation.

Section 3.

Any school upon being granted membership in the Association shall not be permitted to participate in IHSAA tournaments for a period of two years from the date of admittance. NOTE: Existing IHSAA member schools who consolidate or divide into multiple schools shall be excluded from said rule.

Section 4.

Junior membership may be extended to any school accredited by the Department of Education offering the ninth grade, but not eligible for full or associate membership. Junior membership shall extend the privilege of participating in single athletic games, contests, tourneys and meets with other junior members. Junior membership also shall permit teams from junior members composed of ninth grade students to compete against teams composed of ninth and/or tenth grade students from full and associate members in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs or geographical location within the state. Schools holding junior memberships are not eligible to enter teams or individuals in state tourneys or meets. It must be clearly understood that a junior membership is a membership in the Corporation that requires the principal to subscribe to all of the rules and regulations of the Corporation. Junior members may share in the distribution of tickets to the state final championship basketball tourney and other state final championship meets on a limited basis as determined by the Committee.

Section 5.

Each full member school shall have one vote.

Section 6.

The Committee shall determine the status of all memberships.

Section 7.

As a condition of membership, all members and their administrators, faculty, and students consent to the exclusive jurisdiction and venue of courts in Marion County, Indiana for all claims and disputes between and among the IHSAA and a member school, its administrators, its faculty, and its students, including, but not limited to, any claims or disputes involving membership, eligibility, rule violation or injury.

2009-10 Profile

Full Member Schools: 411
Junior Member Schools: 0
Total Member Schools: 411

Full Members Gained: 3
21st Century Charter School - Gary
Indiana Math & Science Academy
