

2010-11 NFHS Softball Uniform Requirements

NFHS Rule 3-2

Section 2

1. Uniforms of all team members shall be of the same color and style. State associations may, on an individual basis, permit a player to participate while wearing a different style uniform for religious reasons.
2. A number on the back of each player's jersey is required and shall be at least 6 inches high. The number must be of solid color contrasting with the color of the shirt. The numbers may have a contrasting color border, which shall not exceed $\frac{1}{4}$ inch. No players on the same team shall wear identical numbers (0 and 00 are considered the same number).
3. The school's official uniform (including uniform jersey, and/or pants/shorts/skirts, etc. visible undergarments, socks, stockings, caps and headwear) may bear only a single manufacturer's logo/trademark/reference (partial or whole) that does not exceed $2\frac{1}{4}$ square inches on each item.
4. One American flag (2 inch x 3 inch maximum) may be worn on each item of uniform apparel, and either a commemorative or memorial patch, not to exceed 4 square inches and with written state association approval, may be worn on the jersey, provided neither the flag nor the patch interferes with the visibility of the number.
5. Caps, visors, and headbands may be mixed. If worn, they must all be the same color. If worn, a headband must be one piece, and a single solid color. The logo may be any color. Plastic visors and bandannas are prohibited.
6. For individual players, uniform sleeve lengths may vary. However, sleeves of each individual player shall be approximately the same length and shall not be ragged, frayed, or slit.
7. Exposed undergarments, if worn, are considered part of the official uniform. All exposed undergarments shall be black, white, gray or a solid school color.
 - a. Exposed upper-body undergarments do not have to be the same color as exposed lower-body garments.
 - b. All exposed upper-body undergarments shall be the same color, and all exposed lower-body undergarments shall be the same color.
8. A uniform shall not have any dangerous or reflective buttons or ornaments.
9. A pitcher shall not wear any item on the pitching hand, wrist, arm, or thighs which may, in the umpire's judgment, be distracting to the batter.
10. Players shall wear/utilize uniforms/equipment properly and as designated by the manufacturer.
