Class 2A Championship Game Quotes

Harding Coach Al Gooden

"I thought the kids did a pretty good job, I thought they fought hard until we got to the third quarter when we lost our composure a little bit when they got a seven point lead against us. In the fourth quarter we bounced back and did some good things."

"We had some good shots and good looks at the basket, we just didn't put them down. Once we got it back under control we were hitting some shots....I think we lost our composure a little bit down the stretch."

"To come down here and play for a state championship and lose such a tight one I think it wears and tears on the kids."

On comparing Forest Park to the competition they have played this year

"I told you guys all along they were a good team. They match up well with us, and they did some good things. I think my kids did a great job guarding their guards. Their guards didn't hurt us. It was the two big kids getting a couple of offensive rebounds."

On Selwyn Lymon

"He's a great basketball player and as good as a player he is, he's double as good a football player. You're going to see some great things out of him next year. I wish I had him back for another year, I can use him."

"They were kind of pressuring our wing guys and they left the penetration move open. We were doing a good job of getting it down into the paint and scoring and dishing it off. We'll take anything we can get."

"We settled down a little bit in the fourth quarter but it was just too much to overcome. We missed some free throws down the stretch and missed a couple lay-ups and open jump shots that we usually knock down. I thought the kids did a heck of a job--I'm proud of my kids."

Forest Park Coach Tom Beach

"Harding has a great team. Coach Gooden does an outstanding job. He has a lot of experience of being down here. But, they are a young team...a lot like us with size, quickness and shooters, but we thought we were better. We just had to prove it."

"I thought the first half was really good. Rodney (Bell) stepped up for them and had a big first half. We were going to give up the three-point shot to him and he proved to us that was a mistake. We had to make some adjustments and we did."

"In the third quarter I thought my team could have folded. We could have lost our composure. We were missing shots that we usually make and they were scoring. To be down 10 points to that good of a team (Harding), it would have been very easy for our guys to quit. But we kept our poise and composure and concentrated on our defense. All we talked about at the end of the third quarter was defense. Defense is going to take you there...defense got you here...and defense has to finish it."

(On Brandon Hopf)

"I thought he (Brandon) played great at both ends of the court. He showed a lot of leadership and was outstanding on their guards."

(On all the missed lay-ups)

"I think we probably set a state record for missed lay-ups. I don't have an answer for that. At one point I turned to our JV coach and said I think we have missed the most 'bunnies' in the state during this game."

"I haven't said anything yet about our bench...but they were huge. And they have been that way all through the tournament. We dress ten guys and play nine and I expect them all to contribute. Sometimes I don't know who is going to stink it up before the game starts but I'll have it figured out by the fourth. I'm going to have my five best on the floor at the end."

#40 Brandon Hopf

"It's hard to put into words what I'm feeling. Last week, after semi-state, we had a big pep rally and I said I wouldn't be satisfied with another 'red' ring...I wanted a 'blue' one. Endurance was a key to the game. I thought early Harding played their game but I kept tuned in the entire game and you saw the outcome."

(On missing lay-ups)

"I don't think it was their size that bothered us. We just hurried our shots a bit, but then again, maybe it was a little bit mental."

#20 Matt Atkins

(On guarding Harding's Rodney Bell)

"I looked at the tapes and noticed he was only shooting about 20% from long range. So early, I just tried to keep in front of him and you saw what happened in the first half. In the second half, I tried to be more aggressive playing tighter on him, and still not letting him break me down off the dribble."
