Quotes from Bill Sylvester, Roncalli Coach

Playing hard from whistle to whistle was what won it for us.

There were a lot of big plays and a lot of funny plays. We had a lot of things happen for us offensively and we stuck it to em on defense.

I wasn't real sure who got that last TD for us until I walked into this (interview) room and asked somebody. It was our noseman Brian Stewart.

We played a lot of close ones like this during the regular season. You've got to attribute it to the same thing. Our kids played with a lot of heart.

Quotes from Mike Tolle, Tipton coach:

I thought my ball club played a great game. We made too many mistakes and then we gave em that last touchdown.

They got a lucky touchdown and we should have had a couple of touchdowns early. I thought we controlled the line of scrimmage most of the way and I can't discredit our performance.

We took their running game away almost completely.

They got us on one long pass (67 yards) in the first half when our defensive back turned the wrong way. They got the other touchdown in the fourth quarter when our quarterback got knocked down and the ball was kicked 7 feet in the air. I don't see how you could call it an interception. But that's football.

Tipton quarterback Jeff Beck won the Mental Attitude Award for Class 3A.
