Quotes from Vince Lorenzano, Ritter coach:

Jimtown was ready. We knew it was going to be a defensive battle with a lot of hard hitting.

We've run the ball all year and we just tried to play our game. Give the ball to Shane Thomas (the state's leading scorer and rusher).

Jimtown was very strong up front and they also had a lot of quick kids. It was probably the best coached team we faced all year. We knew there were some things we wouldn't be able to do.

I thought we were still in pretty good shape with the ball on the 45 and 1:00 to go. The interception (by a lineman) was a good defensive play on their part.

On Jimtown's deciding TD the first down on our 9 was just a poor defensive effort on our part. We knew what was coming and we just didn't react.

Quotes from Bill Sharpe, Jimtown coach:

We have been a big play offense pretty much all year (commenting on the first touchdown series).

We didn't execute after that first series and Ruben Carpenter (Jimtown's best running back) was going half speed. He was injured last week but we tried to keep it quiet. The good thing was we got three good quarters out of Ruben.

Ruben might be the only fullback in the state in the T formation with twice as many carries as the tailback.

On Shane Thomas: That kid is a great running back. We had to get a lot of people on him in a big hurry. We committed 10 kids to the run-- two to the counter play and eight to Thomas. On that interception at the end, when Shane Thomas goes out into the flat you'd better have somebody out there.

They

On the screen pass, big play on the winning drive: We've run that for 12 years. I stole it from J.R. Bishop when he was at Lawrence Central. I always said if I'm ever a head coach that would be the first pass play I put in.

We thought up North there were 5 schools that could get to the Dome. Our kids have been through the wars --so many close games. We were in the position we wanted to be with a 6-point lead and our defense on the field.
