Quotes from Matt Lindsay, Fort Wayne Luers coach:

We've been on this mission for a year since we were here a year ago as state runner-up. I commend them for the job they've done in the last year.

Defensively, when you shut somebody out in a championship game you've done a great job. Westfield was a fine ball cut when they dropped back to pass our pass rush was in their face. We never gave up anything big and we made some big plays ourselves. We were patient on offense.

Pete Krause came in and did a wonderful job for injured QB Andy Boxberger. Pete would have been our quarterback but he had a ruptured appendix in August that almost killed him.

A year ago we lost our quarterback in the game. Fortunately this year we had someone to come in who was just as good.

I think we wore Westfield down. They had nine kids playing both ways. They were good kids but that takes its toll.

We're a lot different than most 2A schools. We play in a big conference and we have to play hard to be competitive.

This was a group on a mission to win.

This was Lindsay's second state championship as Luers head coach and the school's third. Lindsay said, "The first one was special and this one even more special because it was something we had to do and we did it."

Mental Attitude Award--

Jeff Goeglein, Fort Wayne Luers (2A) . . . presented by Steve
Riorday of IHSAA Executive Committee

Quotes from Dick Parker, Westfield coach:

I think it was clear who the best 2A team in the state is. They beat us soundly. Their defense was just a little too swarming for us. We knew they'd be quick and strong, but we didn't realize they'd be that quick and that strong. That first drive showed that.

The difference was defensively we couldn't contain them and protect the football. We haven't seen that quickness with that size all year.

But don't get me wrong, I think we deserved to be here. We beat some ranked teams, including the No.1-ranked team. But it looks to me like Luers should have been ranked No. 1 all along.
