Quotes From East Central coach Rod Ballart:

I think our kids were prepared, but I think when we first stepped out on the field, I think our offense was a little bit in awe of the fact that we were here. So it took us a while to get on track offensively in the first half.

The second half they felt like they could play football. We came back and I think the offense played real good football.

Defensively, I thought we outquicked them. We stopped the run. I think we're one of the few teams to stop Hobart's running game. But we made some mistakes on the play-action passes they were throwing. I thought their quarterback did an excellent job of throwing the football in a state championship game. Many times we had them like third-and-8 and they'd throw and make that little pass and move the ball down the field.

I think that's basically the whole story. Offensively, we didn't play well in the first half. Defensively, I thought we were quicker but we couldn't stop the pass.

On kickoff receiver's bumping into each other:

That really didn't hurt us that much (when they bumped into each other). That was a freshman substitute in there who made a freshman mental mistake.

But that basically set up the next play (Hobart interception returned for a TD) that did hurt us. A little higher pass and our receiver would have caught it, and maybe turned it into an 80-yard gain. But it was a little lower and it was intercepted. That's football. It's a game in inches.

What Ballart told team after the game:

I told them that they were a part of the first East Central team to make it to the Hoosier Dome. That there were a whole lot of other teams that didn't make it this far. I told them to be proud that they were a part of the East Central team and to walk out of here today with the heads up high.

East Central QB Chris Huey:

First half everybody was kind of in awe of Hobart -- they've been here so many times. Second half, we were thinking, 'Hey, we can play with these guys.' "

East Central tight end Randy Maxwell:

Difference between the halves were that we started getting more confidence in ourselves in the second half.

Quotes from Hobart coach Don Howell:

It's tough to come back here year after year. It might be difficult to get back here next year. But I'll worry about that next year.

Our best runner (Jeff Bloom) got hurt in the first quarter and he went back in in the second half and got it down to the four yard line and probably would have scored. They stopped us but we got that interception (by Joe Clifford) and that was the ball game.

Our quarterback (Joe Leonard) played well especially since we didn't have a running game without Jeff. We ran a lot of play-action pass. We're not a wide-open ball club. We'd rather run than throw. But- Joe's passing got us here to the Dome.

Mental Attitude Award winner Kevin Hammonds:

I always try to do my best in school and on the football field. It means a lot to be a Hobart Brickie and it means a lot to play football for Coach Don Howell.

Howell:

The ingredients for a championship team are always the same. Determination, desire and camaraderie. At Hobart, we've always *been* known as a good line team -- and I'm the line coach. If you dominate the line of scrimmage on offense and defense you're going to be in a lot of ball games and that's what we try to do. The linemen get a lot of recognition at Hobart.

Clifford:

They went to the tight end early in the game and I was almost able to get the ball. I was in man-to-man coverage and saw the ball and went for it.

*4th state championship for Hobart and 10th trip to State Finals
Winner of Phil N. Eskew Mental Attitude Award -- Kevin Hammonds, Hobart
