A Letter From The Commissioner

The Indiana High School Athletic Association celebrates the opportunity to participate in the lives of young Hoosiers through the provision of education-based athletics through our member schools. It is our belief that through involvement in these activities, the future leaders of our society will be shaped.

Currently in Indiana, over 160,000 students from 410 different IHSAA member schools participate in high school athletics. While the thrill of donning the colors of the local school is both honorable and exciting, the educational experience gained from this participation is paramount. There are many concepts to be learned through education-based athletics such as, self-discipline, the value of teamwork, the importance of dedication and commitment. Whether it's the ability to deal with success or persevere through great adversity, the critical lessons learned here will last a lifetime.

For an organization such as ours, integrity is of primary importance. An uncompromising adherence to the principles of fair play and impartiality form the core of our value system. Pure, wholesome, amateur, educational, inexpensive, local high school athletics has always been the objective. It is what we mean when we say...Pure Spirit. Pure Sport!

Your IHSAA staff is thankful for the opportunity to serve our member schools and provide the quality of services that each of you have come to expect.

On behalf of the entire IHSAA family, we spread our best wishes and trust you are looking forward to the 2014-15 school year with the same expectancy and enthusiasm as the IHSAA staff and Board of Directors.

Cordially,

Bobby Cox

About IHSAA Membership

As stated in Article III of the IHSAA By-Laws & Articles of Incorporation

Section 1.

All Memberships Are Voluntary. An Indiana-based secondary school may become a member of this Corporation by meeting the requirements for membership, by subscribing to all rules and regulations of the Corporation, and by completing and submitting a membership application form to the Commissioner, accompanied by a Two Thousand dollar (\$2,000.00) initiation fee, on or before August 1.

Section 2.

Full membership in this Corporation shall be open to all public, private, parochial, boarding, and institutional high schools of the state offering and maintaining two or more years of high school work, provided they meet the requirements of the Corporation and also subscribe to its rules and regulations. A school to be eligible for membership in the IHSAA must (a) have Full Accreditation or Freeway Accreditation from the Indiana Department of Education or be fully accredited by the Commission on Accreditation and School Improvement or by another national or regional accrediting agency recognized by the Indiana Department of Education for purposes of the School Scholarship Program under Ind. Code §20-51 and approved by the IHSAA, provided the school meets the graduation qualifying requirements of the state of Indiana and (b) must have previously provided and continue to maintain at least one team in an IHSAA sponsored sport for each gender during each sports season. A school shall neither become a member nor remain a member in the IHSAA whose detailed financial (athletic or otherwise), scholastic and attendance records are not readily made available, as requested, to the IHSAA during an investigation.

Section 3.

Any school upon being granted membership in the Association shall not be permitted to participate in IHSAA tournaments for a period of four years from the date of admittance.

NOTE: Existing IHSAA member schools that consolidate or divide into multiple schools shall be excluded from said rule.

Section 4.

Junior membership may be extended to a school which is accredited by the Department of Education, which offers ninth grade, but which is not eligible for full membership.

Section 5.

Each full member school shall have one vote.

Section 6.

The Committee shall determine the status of all memberships.

Section 7.

As a condition of membership, all members and their administrators, faculty, and students consent to the exclusive jurisdiction and venue of courts in Marion County, Indiana for all claims and disputes between and among the IHSAA and a member school, its administrators, its faculty, and its students, including, but not limited to, any claims or disputes involving membership, eligibility, rule violation or injury.
