### Guidelines To Follow When You Are The Home Team

When you are playing away from home you appreciate the accommodations available and the hospitality extended to you. Likewise, you want to reciprocate when you are the host. Following are some suggestions which may improve your relations with visiting teams:

1. Have the playing field well groomed before the visitors arrive.
2. Have visitor's player-bench in readiness. Provide drinking water and inform them about restroom and dressing room facilities. If they use your showers, they would appreciate towel services.
3. Permit them to use the playing field as soon as they arrive, and have your practice completed by the time they arrive.
4. When your umpires arrive, supply them with the official line-up cards so that they may secure the official starting line-up from each coach. You may either design your own line-up cards, or secure them from the IHSAA.
5. Arrange for the official scorer in advance so that no delays will be encountered involving the securing of all line-ups. Have your scoreboard properly labeled.
6. Start your game on time and assist in keeping the game moving.
7. Provide balls and a rosin bag. Have ball chasers well-informed of their duties.
8. Notify the umpires of the starting time of the game.
9. Have available a first aid kit, extra balls, extra anchor straps for bases, towels, official scoresheets, official line-up cards, rosin bag, implements for maintenance of grounds, etc.
10. Assure your visitors that you are at their service and will assist them in all ways.

## IHSAA By-Laws Review

- Q1. What is an open facility program?  
A. Open facility programs are defined as those where the gymnasium or field is open to all students for participation and is announced in advance so any and all students have an opportunity to participate.
- Q2. How many licensed officials must be contracted to officiate girls softball games?  
A. Two. A plate umpire and a base umpire.
- Q3. When an interschool contest requires more than one official (baseball, softball) and an official fails to show up, what procedure should the member school follow?  
A. The contest may be held so long as there is evidence that a full contingent of officials was contracted. If this situation occurs, the member school shall notify the association office regarding this matter. It is never permissible to hire less than the required number of officials.
- Q4. When an officials association is used to assign umpires to a baseball and/or softball contest and no contract has been signed, what procedure should the member school follow?  
A. The umpires are required to sign a contract prior to the start of the contest.
- Q5. Is it permissible for a coach to play with or against his/her athletes during out-of-season open facility programs?  
A. Yes, (only) in an open facility setting.
- Q6. Is it permissible for a coach to work up to two individuals at a time in an out-of-season session in team sports?  
A. Yes, in an open facility setting and provided that the coaching staff, which includes all coaches present, work with no more than two athletes at any one time.
- Q7. May a coach outline and distribute to players a written recommended individual workout schedule for the athletes to use out-of-season?  
A. Yes, to be used on an individual basis.
- Q8. May an individual or team sport athlete receive private individual (1-on-1) instruction in the skills of a sport from persons NOT affiliated with the school during school year out-of-season or summer?  
A. Yes.
- Q9. May a team sport athlete receive private individual (1-on-1) instruction in the skills of a sport during school year out-of-season from their high school coach?  
A. No.
- Q10. May a team and/or individual sport coach transport his/her athletes to or from a non-school league program held during the school year out-of-season or summer?  
A. No. Neither the school nor the coach may provide transportation.
- Q11. May a team sport coach provide transportation for an individual student-athlete or group of athletes to attend an open facility program in other communities?  
A. No.
- Q12. May a softball player participate in both the junior varsity and varsity game on the same day?  
A. Yes. Players may change levels of play at the completion of both games. However, the student shall be charged with 2 games of participation.
- Q13. May girls who participate on a school softball team this spring participate in non-school league softball games at the same time?  
A. No. However, IHSAA rules would not prohibit a girl from signing up for a summer non-school league. BUT she may not practice, play in a game or scrimmage, etc. for the non-school team until her school season is complete.

- Q14. May tennis players, whose families are members of a tennis club, participate in club activities during the high school tennis season so long as the activity involves only club members and not individuals from outside the club?
- A. No. However, club membership may continue. Participation in any official or unofficial competition for that club during the IHSAA contest season is a violation of IHSAA Rule 15, unless an outstanding student participant waiver form is submitted.
- Q15. May a tennis player with remaining IHSAA eligibility receive and accept a tennis racket through a sporting goods dealer "free list" or "loan list"?
- A. No. A tennis player who receives merchandise of any kind (or cash) in recognition of athletic achievement makes himself/herself ineligible in tennis.
- Q16. May a girl play for her school's fast pitch softball team and the slow pitch park league team at the same time during the IHSAA authorized season?
- A. No, the IHSAA considers slow pitch and fast pitch softball as the same sport; therefore the girl must wait until her school's fast pitch season is finished before participating with a non-school slow pitch team.
- Q17. May students participate in independent 'road races'?
- A. (a) During the track season—Yes, provided they do not violate their amateur status.  
(b) During cross country season—No, unless an outstanding student participant waiver form is submitted.
- Q18. Do students who receive money for service as a lifeguard, caddie, camp or clinic counselor, summer recreation supervisor or official, jeopardize their eligibility in high school?
- A. No, provided they merely receive reasonable and legitimate wages for services actually rendered.
- Q19. May a boy or girl run in a charity 5K run during the IHSAA authorized contest season in track.
- A. Yes.
- Q20. May baseball players participate in non-school basketball during the IHSAA authorized baseball contest season.
- A. Yes. IHSAA rules do not prohibit athletes who may be out for baseball from playing non-school basketball at the same time.
- Q21. May a booster club defray the expenses for a member school's boys basketball team to attend a summer camp?
- A. No. The cost of attending a specialized camp must be paid by the student or parents/guardian of the student except for underprivileged students.

- B. **RADAR GUNS** – **The use of radar guns by schools for scouting purposes is strictly forbidden.**
- C. **CONDUCT OF COACHES AND PLAYERS:**
  - 1. No coach, player or other person officially connected with the team shall be permitted to use tobacco in any manner on the bench or playing field either during practice or while a game is in progress.
  - 2. No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.
  - 3. Except for those coaches or eligible players who may be serving as coaches at first or third base and players legally in the 'next batter' boxes, all other coaches, managers, substitutes and players awaiting their turn at bat shall remain on the players' bench. Umpires will be instructed to enforce this rule to the limit.
  - 4. The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.
  - 5. Abusive remarks to game officials by coaches or players shall be regarded as unsportsmanlike conduct. The offender or offenders shall be disqualified and restricted to dugout or removed from the bench and the playing field.
- D. **DECISIONS OF UMPIRES** – The decisions of the umpires are final and binding.
- E. **ENDING A GAME**
  - 1. **Season**
    - a. A regulation season game consists of 7 innings unless extended because of a tie score or unless shortened during innings 5, 6 or 7 because the home team needs none of its half of the 7th inning or only a fraction of it; or because of weather, darkness or similar conditions. When and if the game is resumed, it must start over. During season play, there are no suspended games except for conference games. Conferences may adopt the tournament procedure for suspended games.
    - b. **A Regulation Season Game Called With a Tie Score** – shall be a tie game. Batting and fielding records are counted but the game is not counted in computing percentages of games won and lost.
    - c. **10 Run Rule** – A season game shall end when, after 5 innings, a team is 10 or more runs behind and has completed its turn at bat. This rule may be waived by mutual agreement of the 2 head coaches prior to the start of the game or when extenuating circumstances exist to shorten a game.
  - 2. **IHSAA Tournament Series**
    - a. A regulation tournament game consists of 7 innings unless extended because of a tie score or unless shortened because the home team needs none of or only a fraction

of its 7th inning or unless 1 team is leading 10 runs after 5 innings.

- b. **A Regulation Tournament Game Called With a Tie Score** – is considered a suspended game.
- c. A tournament game shall end when, after 5 innings, a team is 10 or more runs behind and has completed its turn at bat. (Exception: in state final championship game there will be no limitation.)
- d. **Suspended Tournament Games** – when weather, darkness or similar conditions cause a game to be called before it is a regulation tournament game, it shall be considered a suspended game and shall be continued from point of suspension at a later date. Such IHSAA tournament series games must be rescheduled for the following playable date and should take precedence.

F. **PITCHING LIMITATIONS**

1. A pitcher may not pitch more than 10 innings in any 3 consecutive calendar days.
2. To determine the eligible number of innings for a pitcher on a given day – total the number of innings pitched in during the 2 previous calendar days and subtract from ten. A partial inning pitched must be counted as 1 inning.

12. In case of an injury or sickness, substitutions will follow the IHSAA tournament format. This format cannot be used more than two (2) consecutive matches or a one (1) day tournament. For any player removed because of disciplinary reasons, the line-up will be adjusted by moving players up a position if necessary.
13. Exception for Late Arrival to a Contest:  
When extenuating circumstances exist that cause the late arrival of a school team to the playing site, the match shall be played. When play begins in a match, there shall be no default for late arrival. This holds true for the tournament series.
14. "Exhibition" competition is not allowed in any sport. Every competition must be reflected in the team score for that session.
  - a. In **junior varsity competition only**, teams may give as many players as possible a chance to compete in any given team match; however, all individual matches that are played must be counted in the team score.
  - b. A junior varsity player can play a maximum of two 8-game pro sets during one team match. It is permissible for a player for Team A to compete in an 8-game pro set (in singles or doubles) against an opponent from Team B and then to compete in a second 8-game pro set (singles or doubles) against a different opponent from Team B. The results from both matches must be counted in the team score.
  - c. No player who competes in a varsity match is eligible to play in a junior varsity match during the same team match.
  - d. No junior varsity player is allowed to participate in a second 8-game pro set unless the second set is against an opponent that would not otherwise have an opportunity to play.

## B. Tournament Series

1. During the tournament series, only the head coach and one (1) designated assistant coach will be permitted to coach at any one time. This excludes "tournament" volunteer coaches or tennis professionals. (See #8 above for specifics.) The word 'coaching' includes advice or instruction.
2. **Singles & Doubles**
  - a. *To qualify to play in the No. 1 doubles position for the tennis doubles tournament, both participants must have played in the No. 1 or No. 2 doubles position for a minimum of 50% of their teams' total playing opportunities during the regular season (dual matches and season tournament matches).*
    - (1) Any competition against players from another school, regardless of the scoring format, constitutes one match.

- (2) Each round of a tournament counts as a separate match.
- b. To advance in the singles/doubles tournament series, the #1 singles and #1 doubles players must remain undefeated and play every schedule match. No substitutions.
- c. During the singles and doubles tournament series, the head coach may (when facilities permit) sit on the court, but must follow coaching guidelines as stated in #8 above.
- d. Tennis Waiver -- The IHSAA shall have the authority to grant a waiver to the 50% rule when, in the opinion of the IHSAA, the student's school provides satisfactory proof to the IHSAA that:
  - (1) the student missed compliance with the 50% rule by a minimal number of her team's season contest or matches;
  - (2) the student's failure to meet the 50% criteria was for clear, verifiable reasons, such as a debilitating injury or illness and;
  - (3) the student's failure to meet the 50% criteria was the result of reasons which were beyond the control of the student, the parents, the coach and the school.

The IHSAA will waive the 50% rule only in extraordinary and compelling cases and only when the request is submitted in writing to the IHSAA at least one week prior to the beginning of the TEAM TOURNAMENT. *With the change in the doubles rule, there will be very few waivers granted.*

#### C. Sportsmanship

1. It is the responsibility of the high school **COACH** to teach his/her **PLAYERS, PARENTS** and **FANS** the etiquette of the game of tennis.
2. Poor sportsmanship cannot be tolerated in the educational environment. Coaches are teachers **FIRST** and therefore responsible and accountable for the behavior of their student-athletes. Encouraging and promoting good sportsmanship and fair play should be incorporated into the day-to-day coaching instruction.

#### D. Point Penalty System – Change

1. Code Violation – the three stages of discipline are now POINT, GAME, MATCH. For example, on the first offense for a profanity violation or a racket throw, the player is penalized one point instead of given a warning.
2. The warning is no longer a part of the penalty. Host coaches should plan to “warn” the tennis players prior to the match starting with a general statement about expected behavior and an overview of the penalty system.
3. The change in the Point Penalty System is a perfect match with the high expectations of behavior for high school athletes as espoused by the IHSAA.
4. *The use of the Lord's Name in vain, in any variation AND IN ANY LANGUAGE, shall be considered unsportsmanlike conduct and shall be penalized using the Penalty Point System. The use of "Jesus", "Christ", "Jesus Christ", "God", or any other variation of the Lord's name by a high school tennis player, even in a foreign language, shall be penalized through the use of the PPS. It is the responsibility of the coach to set sportsmanship expectations for the student-athletes and to enforce penalties when those expectations are not met.*

**Singles** – When the score becomes 6-6 in any set, the 12 point tie-breaker system will be used. The player who receives 7 points is declared winner 7-6. The procedure for using this system is: A

serves first point from Right court; B serves points 2 and 3 (Left and Right); A serves points 4 and 5 (Left and Right); B serves point 6 (Left) and after they change ends, point 7 (Right); A serves points 8 and 9 (Left and Right); B serves points 10 and 11 (Left and Right), and A serves point 12 (Left). If points reach 6-all, players change ends and continue as before. A serves point 13 (Right); B serves points 14 and 15 (Left and Right); etc., until 1 player establishes a margin of 2 points. Players change ends for 1 game to start the next set, with Player B to serve first.

**Doubles** – Follows the same pattern, with partners preserving the sequence of their serving turns.

**(Assuming A & B vs. C & D)** Player A serves first point (Right); C serves points 2 and 3 (Left and Right); B serves points 4 and 5 (Left and Right); D serves point 6 (Left) and after teams change ends, point 7 (Right) ... A serves points 8 and 9 (Left and Right); C serves points 10 and 11 (Left and Right), and B serves point 12 (Left). If points reach 6-all, teams change ends and continue as before B serves point 13 (Right); D serves points 14 and 15 (Left and Right); etc., etc., until 1 team establishes a margin of 2 points. Teams change ends for 1 game to start the next set with team C & D to serve first.

If a ball change is due on the tiebreaker game it will be made. A tiebreaker game counts as 1 game in reckoning time between ball changes.

**BOYS AND GIRLS**

**XXI TIMING (Sectionals, Regionals, State)**

A. See Rule 3-9-5, 3-9-6 and 3-9-7 of current National Federation Track and Field Rules which state:

1. Time pieces shall be calibrated so that at least 1/10 of a second is measurable. Electric or digital timers which measure 1/100 of a second may be used. **However, unless it is a fully automatic system, times registered in 1/100 of a second shall be rounded up to the next tenth of a second.**

(Example: 10.42 will be recorded at 10.5 unless fully automatic electronic timing is used.) If FAT and manual times must be integrated, the hand-held times shall first be rounded up to the slower  $\frac{1}{10}$  of a second. Then a conversion factor of .24 must be added (i.e.  $MT + .24 = FAT$ ). A record shall not be granted unless the time is recorded by FAT.

2. In fully automatic timing (FAT), the equipment shall be started automatically by the discharge of the starter's pistol or similar device, and it shall record the finish time automatically when any part of the competitor's body or torso (as distinguished from the head, neck, arms, hands, legs or feet) reaches the perpendicular plane of the nearer edge of the finish line.

3. **When fully automatic timing is used**, time shall be recorded in 1/100 of a second. In determining qualifiers for a subsequent round, timing to one-thousands (1/1000) of a second may be used. The fully automatic timing operator shall not recall a start unless designated by the games committee.

NOTE: A timing device which operates automatically at either the start or the finish, but not both, shall not qualify as FAT. Such devices shall be considered to produce manual times.

4. When hand-held times are used, use the following to convert same to automatic times.
  - a. Add .24 for distances of 200 meters or less
  - b. Add .14 for distances of 400 meters
  - c. Make no changes for distances above 400 meters.

**BOYS AND GIRLS**

**XXII TIES** – must be broken for **1st place and for the last qualifying position**. Names of the winners must be clearly designated on result sheet.

A. In running events –

1. For the last qualifying place – a run-off shall be held at the end of the meet and/or after a sufficient rest period.

B. In field events –

1. Use Rule 2-2-2 for 1st thru last qualifying place.
2. If after exhausting all steps in Rule 2-2-2 and a tie still exists for any place other than 1st place, competitors shall be awarded

the same place and all tied contestants shall advance to the next tournament level.

- C. Team points will be divided equally for any tie between 2 or more competitors.
- D. In the event of a tie for the team championship, both teams will be recognized as winners and duplicate awards will be provided for both teams.
