**MEDIA ENTRANCE:** To gain admittance, the 2006-07 IHSAA Girls Basketball State Finals Media Media Credential is required. **MEDIA WORKROOM:** As in previous years, the media workroom at Consecro Fieldhouse will be open all day and be available to working media members. The work area contains wireless internet access as well as complimentary phones that will accept credit card and 800 calls. Soft drinks and snacks will be available.

**LIVE TELEVISION CUT-INS:** Spot news reports showing live game action are prohibited. Stand-up reports for newscasts are permitted from inside the building provided that no live action is shown.

**POST-GAME GUIDELINES**

With the exception of the IHSAA's Championship Radio and Television networks, its official photographer (Visual Sports Network), all media members are asked to remain off the playing floor and behind the ropes during the post-game awards ceremonies.

The post-game ceremonies order will be as follows:

- Mental Attitude Award presentation
- Runner-Up medals and trophy presentation
- Championship medals and trophy presentation
- Team Photographs by Visual Sports Network

**Following the Class A, 2A and 3A awards ceremonies,** coaches and selected players will be escorted to the Media Interview Room for a formal press conference which is located on playing floor level just off the media entrance elevator. We ask your assistance to use the press conference as the appropriate time to conduct interviews. The runner-up team coach and selected players will go first followed by the championship team coach and players.

**Because of newspaper deadline issues at the end of the 4A contest,** no press conference will be scheduled and news media will be allowed to conduct interviews on and around the floor after the awards ceremonies. For those working on deadline, the IHSAA will distribute "quick quotes" in the media work room taken from the IHSAA Television and Radio Network interviews as soon as possible after the game.

### Something Interesting About You Personally or Professionally That People Might Not Know?

"I am a very strict and demanding coach. I look for perfection in all my players. Some days, they can't satisfy my expectations... but at the end of every single day, they all know how much I care about them as individuals and how much I respect them for their efforts. Once you have played for me, you'll always be 'one of my girls.'"

### Something Interesting About You Personally or Professionally That People Might Not Know?

Two of my most memorable sport moments occurred in North Side Gym (Elkhart). Obviously winning the 2007 IHSAA 3A Semi State Championship over No. 1 St Joseph's, and the other, when my daughter Shanna Zolman-Crossley (husband Andrew) became the all time leading scorer in Indiana Girls' Basketball history, going for 50 in the memorable game. It's a joy to be able to share the game of basketball with so many athletes over the years, along with my son Josh (wife Bria) and my wife of 27 years, Lynette.

## Patricia L. Roy Mental Attitude Award Recipients

At the conclusion of each championship game, members of the IHSAA Executive Committee presents the Patricia L. Roy Mental Attitude Award to an outstanding senior participant.

The recipients of this award, who were nominated by their principals and coaches, must excel in mental attitude, scholarship, leadership and athletic ability in basketball.

Ms. Roy joined the IHSAA executive staff in 1972, was responsible for girls basketball from the inception of the tournament series in 1976 until her retirement in June 1999. Regarded both statewide and nationally as a pioneer in girls athletics, Roy served on the IHSAA executive staff longer than anyone in the history of the Association.

Indiana Farm Bureau Insurance, IHSAA corporate partner, presents a \$1,000 scholarship to the school in the name of the recipient.
