Ten names to watch. One reason to cheer. The IHSAA is proud to announce the 2007 Centennial Scholarship Award Winners. These are ten of Indiana's brightest stars, and their achievements in both athletics and the classroom embody everything that's right about high school sports. For their hard work and dedication, we're pleased to present each of these talented seniors with a \$2,500 scholarship. The real pleasure will be watching them succeed in life.
