ATTENTION IHSAA COACHES & UMPIRES

IHSAA Officials must check to make sure the bat(s) bear the 2000 or 2004 ASA logo.
If the bat(s) do not have the 2000 or 2004 ASA logo/mark - they are banned.

The bats depicted below bear either the 2000 or 2004 logo/mark BUT have been banned by the ASA and IHSAA.

Umpires must also ring and inspect the bats for any dents, cracks, proper grips and knobs.

NOTE: This document replaces the previous document with multitude of banned bats.
Those bats do not bear the 2000 or 2004 ASA logo/mark.
