## **Class A Game Quotes**

### **Coach Kathie Layden**

Tri-Central Head Coach Kathie Layden

"Was it exciting enough for you? I thought in the third quarter, when we got our 10-point lead we were playing with a lot of confidence. We were taking good shots and taking care of the ball like we have all season. But when we got into foul trouble it kind of changed our game plan. We were lucky to pull it out at the end."

On defending the last play

"We wanted to protect the basket by playing a tight man-to-man inside. They had good movement, which kind of broke us down, and they were able to get a couple of shots off. And me, I had my eyes closed."

Overall play in the second half and the last few possessions

"I thought we had the momentum going into the locker room at halftime. Things were going our way and I thought we were in control until the very end. We got the ball to the right people at the right time to score. They made it tough on us to get the ball inbounds, something that we haven't had a problem with all year. I give a lot of credit to the Northeast Dubois defense. I think we all had the jitters and we were very fortunate to pull it out at the end."

Rebounding as a key to the game

"They (Northeast Dubois) were very aggressive on the boards. We watched a lot of film on them and I knew that they weren't going to fast break on us. So, I told the girls to go ahead and crash the boards and that worked to our advantage and at the same time kept them from trying to fast break."

#24 Meranda Burnett

"I felt like I was going to be easier to get the ball to others rather than get my own shots. I knew if I could get the ball inside to Kaci (Allen) she would draw the foul or make the shot."

On her third consecutive state finals appearance

"It helps to know what's going on and what to expect once you get here. I think we are a tourney team. We always set our minds on winning the game."

On the last possession (2.4 seconds)

"I saw my life flash before my eyes on that final possession."

### **Coach Alan Matheis**

"It took us awhile, that first half, to adjust to their intense pressure. The second half we talked about how to handle the pressure and be a stronger offensive team."

"In the first quarter we took the lead but made a mistake at the end—we should've had more of a lead. They hurt us in that second quarter. Tri-Central took control of the game in the second quarter and I knew we needed to make some adjustments at halftime."

"In the third quarter, we ran the offense better and were able to handle their pressure. We were able to get our shots and play more under control. By adjusting in the third quarter, we were able to get the lead back. But, when they got the lead back in the fourth quarter, we had to change our attack."

"Our kids are in good shape and athletic. I thought we played well enough in the fourth quarter to win the basketball game. We have come back all year in the fourth by putting on full-court pressure. We then made some big plays and got the game closer. We had a couple of chances to win it at the end."

"It looked like we got fouled maybe twice in the last two seconds and they didn't call either one. But, I don't want to take anything away from Tri-Central or our team. We played a good game and Tri-Central played a tremendous game. It's a shame it had to come down to a situation like that."

"Leigh-Ann (Kluesner) played well, especially in the second half. But, it was a team effort. We brought a huge amount of fans along and that was a big support to us, especially in the fourth quarter."
