Note: The home school is responsible for providing a libero tracker for both teams. If the home school does not use a libero, the visiting team may supply their own libero tracker. If the visiting school cannot provide an assistant scorer, the host school must provide one. An individual other than the scorekeeper must be provided to track the entries of the libero player. The assistant scorekeeper (tracker) will record substitutions and replacements above by placing a slash (/) through the number of the player being subbed or replaced, and placing the substitute's number or "L" (for the libero) next to it and to the right. \triangle = Libero Serving Position
