When we review activities of 1931, we discover that the year has been an eventful one for the Indiana High School Athletic Association. Certain achievements chronicled below seem to be outstanding.

1. A great volume of routine business has been conducted faithfully, and with dispatch by the Commissioner and his assistants.
2. State indoor field and swimming meets were promoted for the first time, the purpose of these being to offer diversified sports for additional high school students. The events aroused unusual interest and proved to be quite successful.
3. A re-registration of officials has been completed and the list revised to date. In this field the association is constantly striving for higher standards. A number of clinics have been held for coaches and officials throughout the state.
4. An intensive study and collection of data relative to injuries incurred in athletic contests has been undertaken as a basis for considering insurance rates with old line insurance companies.
5. The publication of the State Course of Study in Health, 7,500 copies, was financed for the Department of Public Instruction by the Indiana High School Athletic Association.
6. Consistent with the needs of the day, provision has been made for all high schools to participate in one charity game in football and basketball in 1931-32. Every community in Indiana will benefit by this regulation.
7. The financial resources of the Association have always been invested in Liberty Bonds and Government Securities thus insuring safety and no loss of principal during the present financial depression. According to present plans a portion of these resources will be divided among our member schools in 1932.

8. The fundamental laws of the Association have been revised somewhat to meet new conditions and a new body, the Athletic Council, is now in control of the affairs of the organization. Membership in this Council is such that all types of schools are guaranteed representation; a splendid spirit of cooperation now exists throughout the State, among all classes.

When under attack by various outside agencies during the years, friends in large numbers have rallied willingly and voluntarily to the support of the I. H. S. A. A. from every part of the State. For this endorsement we are truly grateful.

It has been a rare privilege and a distinct pleasure to serve with this fine group of Indiana School Men and Women.

NORTH CENTRAL ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS

REGULATION 5—Athletics—"No new school will be accredited whose program of interscholastic athletics is not in accord with the standards and recommendations of the Association, or is under discipline for violating any regulations of the State athletic association."

STANDARD 10—Athletics—"No accredited school shall participate in any national or inter-state athletic meet or tournament or in any invitational athletic tournament or meet not approved by the state athletic association. Accredited schools not eligible to membership in the state athletic association are accepted."

RECOMMENDATION 6—Athletics—

(a) The program of interscholastic athletics in high schools should be so organized and administered as to contribute to the health, leisure time, citizenship and character objectives of secondary education. The aim should be to develop sufficient skill in one or more sports among all its pupils to provide an enjoyable form of recreation in later life.

(b) All athletic competition should grow out of and form an integral part of the physical education program of the high school.

(c) The administration of all athletic contests in the high school program should be entirely controlled by properly constituted school officials.

(d) Fair play, courtesy, generosity, self-control and friendly feelings for the opposing school should not be sacrificed in the desire to win.

(e) The Association recommends that girls do not participate in any form of interscholastic basketball games or tournaments.

(f) The Association further recommends that no interscholastic athletic contest played at night be scheduled on a night preceding a school day."

**MANAGEMENT**—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Two or more officials for each tourney will be selected by the Board and every attempt will be made to choose none but fair, disinterested and competent men. These officials will work each game alternating as referee and umpire. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of all participating principals, with the exception that border-line schools may be transferred later.
ence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press; and International News Service, and no changes will be made in them.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season.

PROTESTS—All protests against teams or individuals must be made in writing by the Principal and filed with the Commissioner on or before 11 A. M. Thursday, February 26. Protests must be accompanied by evidence rather than mere rumor. Eleventh hour protests are usually unfair, as such do not give the team or individual time to meet the protest. If you have any information that the Board of Control has evidence to substantiate, the protest shall be considered final. The decisions of the game officials will be considered final. Schools entering the tourneys enter with this understanding.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. The Center Principals have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 7 a. m. Friday, March 6, and continue, if necessary, to 8 a. m. Sunday, March 8. Printed schedules will be sent to each competing school by the Center Principals in plenty of time to arrange for making the trip. All competing schools are requested to ask for no less entertainment than is necessary, but all schools are entitled to entertainment throughout the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, March 2, (2) transportation only, one round trip, shall be paid in lieu of each night's lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) the transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide it, (5) rest rooms for the day when lodging is taken at home shall be an expense of the school securing such and not an expense of the tourney.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts.

2. The Center High School shall receive one hundred dollars ($100).

3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)

4. The Center High School shall receive one hundred dollars ($100).

5. The I. H. S. A. A. shall receive one per cent (1%) of the fourth balance.

6. One-half of the fifth balance shall be divided pro-rata among the participating schools, the Center School sharing.

7. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 6:00 p. m. Thursday, March 5. Season tickets sold after this hour and date can not be counted in finding the share of any one school.

8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

9. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the school sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Monday, February 23. These blanks should be sent between February 14 and 21. Do not mail entry blanks later than February 21, 1931. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted.

ADMISSION FEE—The admission fee to all tourney games shall be forty (40) cents for single session tickets and one dollar fifty cents ($1.50) for season tickets, and no more shall be received for said tickets. No more tickets shall be sold than the seating capacity of the house will justify. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, March 2. Much ticket information can be secured prior to —19—
this date. Center Principals and participating Principals should com-
This responsibility is mutual. All Principals have duties in this matter. Any
fair methods or prices higher than those mentioned in this an-
nouncement should be reported to the Board of Control with evidence.
The division on season ticket sales shall be made on the basis of such
tickets being sold and paid for on or before 6:00 p.m. Thursday, March
5. All schools must observe this provision. Season tickets sold after
this hour and date should not be credited to any one school in the
sharing and should be reported separately.

WARNING—Entries close Monday, February 28, and can not be
changed nor received afterwards. An entrance fee of one dollar
($1.00) must accompany each entry blank. Special privileges will not
be granted to anyone. Send all entry blanks and checks to Arthur L.
Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be
given on entry blank. Get all right the first time and on time, but do
not send blanks too early. Late entry blanks or incomplete entry
blanks can not be accepted.

SUGGESTIONS—Center Principals and participating Principals
should work with each other prior to the tourney, during the tourney
and after the tourney. A conference several days prior to the tourney
of all Principals would result in an agreement on all points such as
meals, lodging, transportation, rest rooms, seating, tickets, reports,
prices, etc. etc. Agreements reached prior to tourney prevent difficulties
during and after tourneys. Make and keep copies of all agreements.

TOURNEY INFORMATION

GENERAL:

This Bulletin carries full information about the sectional, regional and final tourneys. If you desire your questions answered, kindly consult this Bulletin. In giving information to the public and to your students, give it out as printed in this Bulletin. The wording has been carefully done and the information is accurate. Inform your public definitely now and frequently. The decisions of officials will be considered final in all tourneys. Schools entering these tourneys enter with this understanding. Give this information to your students and fans as often as necessary.

Contracts have been made with the Center Principals to hold our sectional, regional and final tourneys. The stipulations of these contracts have been published and are known to all. All of us have rights and we also have duties in these tourneys. Some things are guaranteed to all of us and some things are required of all of us. If all of us want to exhibit fairness we can do so and there will be no difficulties. The spirit of honest dealings must pervade everything we do.

The Board of Control desires to assure all Principals and communities that preparations have been made to safeguard all tourneys in every way. Constructive suggestions are still welcome, however, and questions will be gladly answered.
STATE FINAL TOURNAMENT

Date—Friday and Saturday, March 20 and 21, 1931.
Place—Butler Field House, Indianapolis.
Location—Former site of Fairview Park, in northwest part of Indianapolis, at west end of Forty-ninth Street. Forty-ninth Street is a cross-town street, running from Keystone Avenue to the east to the Butler Field House on the west.
Directions—Get on Forty-ninth Street and go west.
Radio Service—WFMB and WKBF, Indianapolis Radio Stations, will broadcast all games. These stations have agreed to cooperate with other stations over the state.

Street Cars From Down Town—Take the Central Avenue "Meridian Heights" "High School Basketball Tournament" car and get off at Forty-ninth and Pennsylvania Streets. Go west six squares. Take the Illinois "Fairview" "High School Basketball Tournament" car and get off at Butler University.
Buses—"High School Basketball Tournament" Buses will operate between Monument Circle downtown and the Field House.
Management—The Board of Control has designated the Commissioner as Manager, and K. V. Ammerman, Broad Ripple High School, and Fred R. German, Technical High School, as Assistants, of this tourney. The phone numbers are as follows:
Commissioner—Riley 7270
Ammerman—Broad Ripple High School 2781
German—Cherry 2949

During the tourney the I. H. S. A. A. Field House Office will be at Gate 6.

Tickets—All tickets will be handled through the I. H. S. A. office according to the following scheme:
1. Season tickets and these only will be sold prior to Friday, March 20, 1931. According to past experience all tickets will be sold prior to this date. The price for a season ticket will be three dollars ($3.00) and such a ticket will entitle the purchaser to attend the games in the morning, afternoon and evening sessions of both days of the tourney. If the capacity of the house is not sold in season tickets, day tickets at $1.50 each and session tickets at 75c each will be sold on the days of the tourney.
2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to properly distribute these tickets to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than three dollars per season ticket will jeopardize the standing of their school.
3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.
4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. Please do not send money. The limitations below must be observed as given:
- a. Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, March 9, to and including Tuesday, March 18, 1931, will be accepted if received not later than Wednesday, March 18, 1931. This arrangement gives Principals one whole week in which to order tickets. Principals should order early in this week, however.
- b. Each High School Principal having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1931 may order tickets to six (6) percent of his High School enrollment as submitted to the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. You are requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. If there are questions, ask them now. In all computations fractions will not count for tickets. All enrollments will be checked with the report herein mentioned.
- c. All tickets remaining unsold after the High School Principals have ordered according to the privilege of their enrollment quota will be distributed pro rata among the Principals of the 64 sectional tourney winning schools. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets other than the tickets remaining after the enrollment quota orders are honored are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed.

MISCELLANEOUS
1. All seats will be reserved.
2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the members in each block being assigned to the front of the block.
3. No pass-out tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they cannot re-enter until the next session. The seats will be cleared between sessions.
4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.
5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.
6. Eating facilities will be arranged in the Field House.
7. Comfort accommodations will be found on each floor at each end of the Field House.
8. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Field House look for the Gate Number above the door corresponding to the one on your ticket.
9. Sixteen blocks of seats immediately around the playing floor, and with about 280 seats to the block, will be reserved for the sixteen schools whose teams are in the tourney until Monday, March 16. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 16, and make definite arrangements about these seats or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control. The drawings have been made by the Board already and will be executed as soon as the sixteen winners are known. These tickets will be sold with the definite understanding that they will be properly distributed by the Principals having teams in the tourney. Principals are obligated to order only such tickets as they can properly distribute. The full names and addresses of the purchasers are to be kept on file by the High School Principal for the information of the Board should such be desired. The drawings resulted as follows:

School No. 1 drew Block No. 10; No. 2 drew Block 7; No. 3 drew Block 2; No. 4 drew Block 12; No. 5 drew Block 13; No. 6 drew Block 8; No. 7 drew Block 15; No. 8 drew Block 14; No. 9 drew Block 1; No. 10 drew Block 4; No. 11 drew Block 9; No. 12 drew Block 16; No. 13 drew Block 3; and No. 14 drew Block 5. The names of the winning schools will be arranged alphabetically and numbered from 1 to 16 when known, then matched with the drawings here given.

10. First Aid Rooms will be located in the east end of the Field House. Look for sign. Physicians and a nurse will be available.
11. Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tournament to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis .................................. Martinsville 1917
Ralph Esarey .................................. Bloomington 1918
Walter Cross .................................. Thorntown 1919
Harold Laughlin ............................... Bedford 1920
Ralph Marlowe ................................ Sandusky 1921
Reece Jones .................................. Vincennes 1922
Maurice Robinson ............................. Anderson 1923
Philip Kessler ................................ Richmond 1924
Russel Walter ................................ Kokomo 1925
Richard Williams .............................. Evansville, Central 1926
Franklin Prentice ............................ Kendallville 1927
Robert McCarness ............................ Logansport 1928
Emmett Lowery ............................... Technical, Indpls. 1929
Kenneth Young ................................ LaPorte 1930
Norman Cottom ............................... Wiley (Terre Haute) 1931

These boys have been chosen by committees appointed by the management of the State Tournament and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

SECTIONAL TRACK AND FIELD MEETS

May 16

The following bases were used in selecting centers:

1. Location—geographical with reference to schools desiring to participate;
2. Transportation accommodations;
3. General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.;
4. Rotation.

Schools have been assigned by counties, and the accompanying scheme gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the scheme if necessary. Entry blanks are necessary.

Management—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal.

The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. All meets shall begin at 1:30 o'clock and follow the order of events here given. Places on the track must be assigned by lot. Spalding's National Collegiate Athletic Association Track and Field Rules shall govern except as modified in this announcement regarding scoring, eligibility, events and order of events.

Open Contest—These meets are open to all members of the Association, irrespective of their season's record.

Protests—All protests against teams or individuals must be made in writing and filed with the Commissioner on or before May 13 at 11 a.m. Protests must be accompanied by evidence.

Entertainment—Two men for each event, four men for each relay team and a faculty manager from each competing school will be entertained by the Center Principal. Entertainment will begin if necessary at 9 a.m. Saturday, May 16, and continue if necessary to 7 p.m. Saturday, May 16. All competing schools are requested and expected to ask for no longer entertainment than is necessary. Only actual contestants and their faculty manager from each school will be entertained. Since Track and Field Meets usually produce little revenue, all schools are requested to be exceedingly careful in their expenditures.

Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All contestants and one faculty manager for each team are admitted free to the meet.

Eligibility—The eligibility of each player must be certified to by the Principal of the school sending the team. The regular blank of the I. H. S. A. A. must be used and all data must be given. Entries positively will close Thursday, May 7. This means that they must be in the hands of the Commissioner, complete in every detail, on that date.

Admission Fee—The admission fee to all meets shall be not more than fifty (50) cents.

Prizes—Suitable ribbons shall be given to the winners of first, second and third places in each event, and to each member of the winning relay teams. No other prizes shall be given.

Warnings—Entries close Thursday, May 7, and can not be changed afterwards. Special privileges will be granted to no one. Send all entry blanks to the Commissioner.

BASEBALL

A large number of leagues were formed and full schedules were played. Some school leagues played their games in two parts, one in the fall and the other in the spring.

The following statements were authorized by the I. H. S. A. A. Board of Control to govern baseball playing during the summer months:

a. High School students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I. H. S. A. A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I. H. S. A. A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I. H. S. A. A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I. H. S. A. A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal.

f. The I. H. S. A. A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case.

g. The participation of a student on an independent or non-High School team during the school year makes the student ineligible for the High School team in that sport for that season.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Penrey, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are seven hundred ninety-nine (799) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.
Supt. Lotus D. Coffman, Salem.

Supt. Henry J. Reid, Monticello.
Prin. Robert Lambert, Columbus.
Prin. W. S. Fellmy, Edwardsport.
Coach Harold Newgent, Lawrenceburg.
Prin. Herman Hallett, New Richmond.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 23, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constitute this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passes on all proposals submitted by the High School Principals. It is the law making body of the Association. The scheme is considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the twenty-five years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.
LEBANON SCHOOL BUILDING ADDITION

On the evening of November 25, 1931, Lebanon dedicated an addition to its High School building and plant. The civil city and the school city deserve congratulations for building this excellent addition to their school plant at the present time. The arrangement of the class rooms, gymnasium, auditorium, seating, shops, heating plant, shower rooms, etc., is excellent. Probably, Lebanon has received more for their money than any Indiana School City in several years. Those who contemplate similar facilities will do well to make a visit to Lebanon.

Supt. Paul Van Riper, who deserves much credit for the idea, planning, construction and multiple uses of the rooms, shops, gymnasium, auditorium and central heating plant, submitted the following information. Pictures of the gymnasium-auditorium appear in this book.

The new school unit consists of a central heating plant with a 90-foot radial brick stack, library, chemistry and physics laboratory, principal's office, domestic science rooms, two recitation rooms, wood work shop, room for mechanical drawing and art, auto and farm mechanics shops, locker and shower rooms, and a combined auditorium and gymnasium.

MINUTES OF I. H. S. A. A. BOARD OF CONTROL
MEETINGS

I. H. S. A. A. BOARD OF CONTROL MEETING

Lafayette, Indiana, November 22, 1930.

REGIONAL MEETING OF NATIONAL FEDERATION

It was decided that the Board Members and the Commissioner should, if conveniently possible, attend this meeting scheduled for 2:30 o'clock Saturday afternoon, November 29, 1930, in the Sherman Hotel, Chicago. Discussion was given to the following topics with agreements as indicated:

1. Federation Ball Project—Support the position already taken by the Legislative Body that entangling alliances with commercial organizations should be avoided.

2. Inter-State Meets—The I. H. S. A. A. requires all meets, games and tourneys to be held under High School auspices or under the auspices of the I. H. S. A. A. Recommend that other states make the same requirement or that the National Federation eliminate inter-state meets entirely.

3. Cooperative Action Regarding Football and Basketball Rules—Willing to cooperate in matters for the good of the games and along lines not already cared for.

4. Registration of Officials—Willing to accept certification of other states as a reference for approval in Indiana.

Referendum—A vote ballot form was approved for use in case the requirements are met for such a vote on the question of "eighteen or twenty games of basketball on the regular schedule of any team or player."

Nashville-Elletsville—This case concerned the score of a basketball game played at Nashville November 1, 1930. The correspondence in the case was submitted at the request of Principal Joseph Haines of Nashville and showed that some errors may have been made by the game officials and that some errors may have been made in the selection of these game officials.

Decision—The game should stand as played, officiated and scored at the end of the game, 18 to 17 in favor of Elletsville.

Game Scores—The Board affirmed its policy of long standing that games should stand as played, officiated and scored.
Benefit Games—The Commissioner reported that he had extended the rules and regulations of the I. H. S. A. A. to Indianapolis, New Albany, Evansville and Lafayette regarding benefit games, and that no rules or regulations of the I. H. S. A. A. had been waived in any case. The Board of Control approved the action of the Commissioner and instructed him to answer all questions about benefit games by extending the rules and regulations of the I. H. S. A. A. as they concern other games.

Trophies—The Commissioner reported that he was requesting schools desiring to accept a trophy or a prize from outside sources to present their proposals in definite and written form for approval or disapproval in order that a record of the matter will be on file in the I. H. S. A. A. office.

Swimming and Indoor Track Meet—The Commissioner was instructed to investigate the facilities for such a meet and the advisability of holding such a meet this school year.

Annual Report—Copies of the annual report of the I. H. S. A. A. by Ernst and Ernst for the year ended November 14, 1930, were given to the Board Members.

Huntington Township Case—Discussion was given to this case and the decision was left with the Commissioner.

Meeting Dates were set as follows: Board Meetings—December 6, 10:00 A. M.; December 13, 1:30 P. M.; December 27, 10:00 A. M.
Legislative Body Meeting—December 13, 2:30 P. M.
The Board adjourned to meet at 10:00 A. M., December 6, in the I. H. S. A. A. office.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 6, 1930.

Minutes of the two previous meetings approved.

National Federation Meeting—Mr. Reid and Mr. Lambert made a report of the meeting held in Chicago last Saturday and the Commissioner submitted the minutes as sent by Manager Whitten.

Swimming and Indoor Track Meet—It was decided to hold such a meet at Butler University Field House under the lease of the facilities held by the I. H. S. A. A. on Saturday, April 4, 1930, with the understanding that Friday, April 3, would be used also if necessary. The Commissioner was authorized to act as General Manager and to secure the necessary help for handling the details of the meet. Mr. Lambert offered any help that he might give due to his experience in handling swimming meets and the offer was gladly accepted.

Butler Field House Bleachers—The Commissioner submitted letters from Mr. A. H. Moore, City Civil Engineer of Indianapolis, Mr.
Hugh J. Baker and Mr. H. D. Fatout of the Hugh J. Baker & Company, Structural Engineers of Indianapolis, stating in effect that the bleachers are safe. Suggestions were made for some additional steps toward safety prior to the State Tourney. It was agreed that the suggestions should be followed and that a careful inspection of the bleachers should be made prior to the tourney.

Management of I. H. S. A. A. Tourneys and Meets—It was agreed that the Commissioner should act as General Manager of I. H. S. A. A. state tourneys, meets and games and that competent help should be secured by him to handle such tourneys, games and meets.

Robbery and Burglary Insurance—The Commissioner was authorized to secure robbery and burglary insurance to cover the contents of the bank vault in which the holdings of the I. H. S. A. A. are kept.

Kendallville—The Commissioner submitted the case of Lee Holbrook for the consideration of the Board of Control and stated that in his judgment the available evidence would not support a charge of undue influence and that the school should not be suspended. The judgment of the Commissioner was sustained and he was authorized to settle the case.

Washington—The Commissioner submitted the cases of Carl Hart and Paul Gross for the consideration of the Board of Control and stated that in his judgment the available evidence would not support a charge of undue influence in either case and that the school should not be suspended but that Carl Hart was ineligible for athletics in Washington the second semester of 1927-1928 and all of the school year 1928-1929. The judgment of the Commissioner was sustained and he was authorized to settle the case.

I. H. S. A. A. Budget—Itemized statements covering the expenses and receipts for the last six years were submitted for budget purposes.

Tourney Centers and Assignments of Schools—Careful consideration was given to this work and a number of agreements were reached. The Commissioner was instructed to outline the state according to the agreements reached and to submit everything, including additional information, for final consideration at the next meeting if possible.

Sectional, Regional and Final Tourneys—The following points were either affirmed or agreed upon regarding the State Basketball Tourneys for 1931:

   b. Set aside 12 seats for each of the 16 participating teams.
   c. Take out complimentary tickets.

8. Liability and Employees Insurance to be carried on all tournaments, as has been done for the last two years.

The consensus of opinion was that Carl Hart should be declared ineligible for basketball at Washington for the present school year and that the basketball games in which he has played since the question about his enrollments above reached Principal Fulkerson of Washington should be forfeited.

Flora—The Commissioner submitted an agreement for a Kenneth Beckner Memorial, signed by Tony Beckner, the father, Superintendent George McCain, Principal Jesse Landis and Commissioner Arthur L. Trestler.

Gimbel Prize—Decision made to continue the giving of the prize in 1931.

Athletic Council Elections—The Commissioner submitted complete data regarding the members as of January 1, 1931, the district class vacancies and a scheme to adjust the elections to the Athletic Council Proposal as passed by the Legislative Body December 13, 1930. It was decided that the proposal was in effect as passed and that steps for its early and complete inauguration and establishment should be arranged at the next meeting of the Board of Control.

Budget—The Commissioner submitted a tabulation showing the receipts and itemized expenditures of the I. H. S. A. A. for the last six years. It was decided that the maximum expenditures for any of these years should constitute the budget for the ensuing year.

State Basketball Tourneys—The arrangements and provisions agreed upon in the meeting of December 6, 1930, were discussed in detail and affirmed with the following understandings in addition: (1) State Tourney tickets to be sold to the High School Principals having teams entered in the sectional tourneys; (2) Percent enrollment apportionment of state tourney tickets to be made on the basis of the enrollment of the High Schools having teams in the sectional tourneys; (3) Principals to be obligated for the proper distribution of the tickets in their own school districts before making any distribution otherwise or elsewhere, and to keep on file a list of the purchasers with the number of tickets purchased by each; (4) Tickets remaining after the quota apportionments to be sold pro rata to the 64 sectional winners.

Tourney Centers and School Assignments—The Commissioner submitted the invitations that had been extended, information about gymnasiums and past tourneys, the attendance and satisfaction in tourneys of past years and the letters and petitions that had been received regarding tourneys and assignments of schools. Centers for all tourneys were selected and school assignments were made with the understanding that slight adjustments might be necessary later and if so should be made in the assignments of schools in order to equalize sizes of tourneys.

It was decided to withhold all information and publicity regarding these selections and assignments until they were printed and distributed in an I. H. S. A. A. Bulletin.

The meeting adjourned to meet at 10:00 o'clock Saturday morning, January 3, 1931.

G. RAY SHARP, Pres.

Present—President F. I. McMurray, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Fellmey and the Commissioner.

Minutes of the last meeting were approved.

1. The Athletic Council scheme should be put in operation as soon as practicable.

2. The statement in the proposal, "County Superintendents who are hold-overs shall be considered 'members-at-large' from their districts, and not allocated to any class" was accepted as worded.

3. The present members of the Athletic Council, other than the County Superintendents, were classified according to the enrollment scheme in the proposal.

Meeting Dates—February 14, 10 A. M.; February 27, 1 P. M.

Meeting adjourned.

FLOYD I. McMURRAY, Pres.
I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 24, 1931.

Present—President Floyd I. McMurray, Henry J. Reid, Robert Lambert, W. Nelson Snider, W. S. Fellmy and the Commissioner.

The minutes of the last meeting were approved.

Officials—A list of available officials for sectional tourneys was submitted by the Commissioner for the consideration of the Board. The entire list was read. Additions, subtractions and qualifications to the list were made and the Commissioner was instructed and authorized to employ a sufficient number of officials for sectional tourney purposes, giving due consideration to the statements made in the meeting and to the records of the officials. He was also authorized to make a tentative assignment of these officials for the consideration of the Board of Control later.

Enrollments—The Commissioner reported that he had secured from the official reports on file in the Inspection Department of the office of the State Superintendent of Public Instruction the enrollments in the 9th, 10th, 11th and 12th years of school work for all of the High Schools in the state and that these enrollments would be considered official in the computation of tickets for the State Basketball Tournament in 1931. In all cases the official reports of the schools, as filed in the State Superintendent's office for 1930-1931, will govern.

It was reported that the 6% enrollment quota distribution was secured by dividing the number of available tickets by the number of students enrolled in the schools participating in the sectional tourneys last year, plus the students enrolled in the schools that presented late entry blanks last year.

Meetings—Dates were affirmed as follows: February 14, 10:00 o'clock; February 27, 1:00 o'clock; February 28, 9:00 o'clock.

New Albany—Salem—Jeffersonville—Charges had been made that Sam Rauth, Raymond Weber and Bradford Lair, students and players on the basketball teams of the Jeffersonville High School, were ineligible under I. H. S. A. A. rules and regulations, and a hearing was held. Principal Katterjohn, Superintendent Beerk, Coach Thom and Coach Ballard, of New Albany; Principal Brooks and Coach Schanlaub, of Salem; Principal Voigt, Superintendent McCullum and Coach Francis, of Jeffersonville; and Mr. M. B. Lair, of Monticello, Kentucky, appeared as interested parties in one or all of these cases.

1. Sam Rauth played basketball on an independent team on December 10, 1930, and on a team representing the Jeffersonville High School on January 16, 1931. He was a member of the High School on both dates. According to the rules and regulations of the I. H. S. A. A. Sam Rauth was clearly ineligible to participate in High School basketball in the present season after December 10, 1930.

2. Raymond Weber, according to the record submitted in evidence attended the St. Xavier High School, Louisville, Kentucky, from September, 1924, to June 14, 1927, and took the following work there: Religion—5 years; English—3 years; Algebra—1 year; Arithmetic—1 year; Bookkeeping—2 years; Shorthand—2 years, and Typewriting
- 2 years. This boy lived in Jeffersonville at all times during the above attendance and lives there at the present time. He entered the Jeffersonville High School in January, 1930. There has been no change of residence of his parents. According to the rules and regulations of the I. H. S. A. A. Raymond Weber changed High Schools from St. Xavier to Jeffersonville without a change of residence of his parents and could not become eligible for athletics until he had been enrolled two full semesters.

The Board of Control is of the opinion that this boy was enrolled in High School four times of twenty or more days each between December 1 and March 1 prior to the present school year. Accordingly, he must be considered a five-year man during the present school year and hence ineligible.

3. Bradford Lair attended the Monticello, Kentucky, High School, according to the record submitted in evidence, from September, 1927, to October 1, 1930, and entered the Jeffersonville High School on October 3, 1930. The father, Mr. M. B. Lair, and a daughter continued to live in their home at Monticello, Kentucky, after October 3, 1930. The mother came to Jeffersonville at that time and the boy has lived with her since that time. The Monticello, Kentucky, High School is a four-year High School, having a high ranking among the High Schools of Kentucky.

The Board of Control is of the opinion that the conditions surrounding the change of High Schools by Bradford Lair from Monticello, Kentucky, to Jeffersonville are unusual and at least questionable as far as the I. H. S. A. A. rules are concerned. The reasons for a change of High Schools by this boy remain in doubt. The undue influence rule in the I. H. S. A. A. reads as follows:

"The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A."

Decision—The Jeffersonville High School is suspended from the I. H. S. A. A. until June 1, 1931, for failure to follow carefully the observance of its rules and regulations, and membership may be secured at that time, if desired, by making application. The Commissioner was instructed to return the membership fee of $1.50 to Principal Mary K. Voigt, this amount having been paid as the membership fee of the Jeffersonville High School for the calendar year 1931.

The Board of Control believes that if looseness in determining the eligibility of students prevailed among the High Schools in the I. H. S. A. A., the State Association would be an association without any function.

The meeting adjourned to meet at 10 o'clock February 14, 1931.

FLOYD I. McMURRAY, Pres.
I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 31, 1931.

Additional speakers were considered and the Commissioner was instructed to ascertain the availability of Dr. Williams of Columbia University and Director Huff of Illinois University.

Officials—a list of available officials for Regional Tournaments was submitted and considered. Additional, substitutions and qualifications were made to the list and the Commissioner was instructed to employ a sufficient number of officials for the Regional Tournaments, giving due consideration to all statements made, and to submit a tentative assignment of officials to Tournaments later.

Officials for the State Final Tournament were considered, but no selections were made or authorized.

Relay Race (Purdue)—The Commissioner reported that Director Cleveitt of Purdue University had proposed a relay race there between two I. H. S. A. A. Schools under the auspices of Purdue. The Board authorized the Commissioner to extend the statement that all athletic contests in the I. H. S. A. A. should be held under the auspices of the I. H. S. A. A. or under the auspices of the High Schools concerned.

Leesburg—Principal Carl Harman submitted the case of the eligibility of Emra Stuckey to the Commissioner, and the Commissioner had stated on January 10, 1931, that Emra Stuckey made himself ineligible for any High School basketball during the present season when he participated on a team other than his High School team during the present season. Principal Harman requested that the case be presented to the Board of Control for consideration.

The case and the correspondence in the case were submitted to the Board and the Board approved the opinion of the Commissioner as being in accord with the rules and regulations of the I. H. S. A. A. The Board adjourned to meet at 10:00 o’clock Tuesday morning, February 3, 1931.

FLOYD I. MCMURRAY, Pres.

The Board adjourned to meet in the State House at 2:30 o’clock. FLOYD I. MCMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 14, 1931.

Present—President Floyd I. McMurRAY, Henry J. Reid, Robert Lambert, E. Nelson Snider, W. S. Fellmy and the Commissioner.

The minutes of the last meeting were approved.

It was decided to leave the price of tickets at all sectional tournaments as announced in Bulletin No. V.
The question of bands at tourneys was discussed and it was decided that, in the main, this should be decided by the Center Principal and the participating schools with the understanding that the members of a band from one school should buy tickets, but that a county or a tourney band, made up of students from all of the schools, might be admitted free by general agreement if the seating capacity of the gymnasium would permit without causing difficulties. The Board was unanimously opposed to any band at the State Final Tourney.

The Commissioner was authorized and instructed to secure Liability and Compensation Insurance for all Sectional, Regional and Final Tourneys.

The question of a golf tourney was discussed but it was decided that the I. H. S. A. A. would not hold any state golf tourney this year.

The question had been asked regarding football games between schools in the spring and the Board extends the rule in the I. H. S. A. A. stating that the football season shall close November 30 of each year, with the decision that the rule prevents football games between schools in any school year after November 30 of that school year.

Senate Bill 268 and House Bill 476 were discussed and it was suggested that immediate attention should be given by all concerned to these bills. The Commissioner reported on the actions he had taken in connection with these bills.

The duties of the I. H. S. A. A. Treasurer were discussed and the whole matter was postponed until a later meeting.

The item of entertainment at tourneys was discussed and the statements under “Entertainment” in Bulletin No. V were affirmed with the understanding that no longer entertainment should be requested by any school than is necessary, and that lodging for Saturday night of the tourneys should be granted only for good and sufficient reasons and not for money considerations only. The Commissioner was authorized to check all tourney reports and reports by participating schools accordingly.

Transfer of Schools—The sectional tourney centers and the assignments of schools to centers were considered carefully and the following transfers and arrangements were authorized:

Clinton—Bellmore, Bridgeton, Rockville, Judson and Marshall transferred to the Greensburg Tourney.

Greensburg—Warren Township transferred to the Greensburg Tourney.

New Albany—Either or both Palmyra and Depauw transferred to the Paoli Tourney if found necessary to reduce the New Albany Tourney to sixteen teams.

The schedules for all tourneys were considered and it was decided to make no change in them. A request had been made to change the schedule for the Boswell Tourney.

It was found necessary to transfer a few schools. Lowell and Crown Point were transferred from the Gary Tourney to the Valparaiso Tourney. Churubusco was transferred from the Kendallville Tourney to the Garrett Tourney.

A request to transfer the schools in Union County from Connersville to Richmond was considered but the original assignment was affirmed.

Officials for the sixty-four sectional tourneys were considered and assignments of officials to tourneys were made.

The sectional, regional and final basketball tourney schedules were drawn by the I. H. S. A. A. Board of Control members in the presence of representatives from the Indianapolis Times, Indianapolis News, Indianapolis Star, Associated Press, United Press and International News Service.

Michigan City—The Commissioners reported the case of Perle Bowyer, a student who formerly lived with his parents in New Troy, Michigan, and recently enrolled in the Michigan City High School, making his home with an uncle. The Board considered the enrollment rule as binding on all of us in this case and as such the boy should be considered ineligible for athletics in the Michigan City High School until he has been enrolled two full semesters.

The topics of Girls’ Athletics and a State Girls’ Athletic Association was discussed and it was the consensus of opinion that the High School Principals belonging to the I. H. S. A. A. should administer
athletics for girls as well as for boys, both within their schools and in the I. H. S. A. A., as the rules and regulations of the I. H. S. A. A. govern girls as well as boys.

A list of complimentary tickets to Board Members, Ex-Board Members, Athletic Council Members, press, etc., was considered and sanctioned.

The Commissioner reported that he had secured Miss Anne Hodgkins, Secretary of the National Amateur Athletic Association, Women's Division, and Dr. Williams, of Columbia University, for speakers for the Annual Meeting in 1931. The Commissioner was authorized to complete the program.

Information on file regarding the Pine Village-Attica-Rochester case, touching the eligibility of Lewis Eberly, was submitted by the Commissioner.

Officials for the Regional Basketball Tourneys were discussed and the Commissioner was authorized to assign these officials to tourneys.

Officials for the State Basketball Tourney were selected and the Commissioner was given the authority to determine the time and manner in which publicity should be given to these selections.

All nominating petitions for membership on the I. H. S. A. A. Athletic Council were submitted and the Board decided to reject all nominating petitions mailed later than February 15, 1931. The petition of Principal Freeman R. Cox, of Attica, and the petition of Principal O. R. Bangs, of Bluffton, were rejected since they were mailed later than February 15, 1931. The Commissioner was authorized to conduct the elections, requiring votes to be returned on or before April 1, 1931.

Principal Mary K. Voigt, of Jeffersonville, requested that enough tickets be sent to the Jeffersonville High School so that the members of their basketball team could attend the State Basketball Tourney. The Board affirmed the regulation in Bulletin No. V stating that State Tourney tickets should be distributed to High Schools having teams entered in the sectional basketball tourneys.

The Commissioner was authorized to secure an increase in the amount of Fidelity Insurance covering him as custodian of I. H. S. A. A. moneys and holdings.

The Board decided that the Board would be considered in session if the Commissioner were informed regarding the locations of the Board Members during the sectional tourneys on March 6 and 7. This information was given to the Commissioner.

The Commissioner was authorized and instructed to purchase U. S. Liberty Bonds with the money coming to the I. H. S. A. A. from tourneys as soon as the money has been received.

It was decided that the duties of the Treasurer of the I. H. S. A. A. would consist in checking the moneys, books and holdings of the I. H. S. A. A. at such times as he desires and to make such reports to the I. H. S. A. A. Board of Control as he desires.

Dates Set:

1932 Basketball Tournaments

Sectional—March 4 and 5

These arrangements were made with the understanding that, should the tourney scheme be changed so as to include an additional week end, the final tourney could be held March 25 and 26.

1932 Outdoor Track and Field Meets

Sectional—May 14
Final—May 21

It was decided to hold an indoor track meet and a Swimming Meet in 1932, arrangements, dates, etc., to be considered and settled later.

The states authorizing the Board of Control for baseball playing during the summer when school is not in session were extended to cover track and field participation also. These statements appeared in Bulletin No. VIII, April 18, 1931.

The reports, financial and otherwise, of the meets and tourneys for the year were submitted to the Board of Control by the Commissioner; and the holdings of the I. H. S. A. A., in the amount of $138,000.00 in Liberty Bonds, were checked by the Board and found correct.

The Commissioner reported that all arrangements were being completed for the Final Outdoor Track and Field Meet Saturday, May 23. It was agreed that the Board decided at their last meeting to use the regulation of permitting a student to enter and compete in only three events. It was decided to serve the noon meal and the evening meal at the Meridian Heights Presbyterian Church in North Indianapolis.

The question of membership in the Sportsmanship Brotherhood, having headquarters in New York City, was discussed and it was decided not to accept membership in this organization at the present time.

The question of responsibility and liability of the I. H. S. A. A. in connection with injuries to athletes in games, meets and tourneys was considered, and it was thought that the I. H. S. A. A. could not be held liable for such injuries unless negligence or gross carelessness were proved. It was decided that the I. H. S. A. A. should assume no obligations in connection with the expenses of athletic injuries.

The Board adjourned to meet Saturday, May 23, at the Final Track and Field Meet, Butler University, at a time to be fixed on that date.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 23, 1931.

Present—Floyd I. McMurray, President, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Fellmy and the Commissioner.

A meeting date for the organization of the I. H. S. A. A. Athletic Council was considered and, since no time was provided in the Athletic Council Proposal for an earlier meeting, the Board of Control decided that the date for this meeting should be the date of the next regular meeting of the Athletic Council.

Director J. E. Gilroy of Gary appeared before the Board and requested the consideration of the Board on the following Section in the
Constitution of the I. H. S. A. A. and on the ruling of the I. H. S. A. A. Board of Control regarding this section:

"Section 3, Article VII—All games, meets, tourneys and interscholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the High Schools concerned or under the direct supervision, management and auspices of the I. H. S. A. A."

Decision—Section 3, Article VII considered binding on the Board of Control, and the decision of this Board on April 19, 1930, affirmed.

The Board adjourned to meet at 10:00 o'clock Saturday morning, June 6, 1931.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, June 6, 1931.

Present—Floyd I. McMurray, President, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Fellmy and the Commissioner.

Indoor Track and Swimming Meet—It was decided to hold the Boys' 1932 Indoor Track Meet and the Boys' 1932 Swimming Meet on the same date, and Saturday, April 9, 1932, was set as the date. The Commissioner was instructed to check the facilities and their availability for use by the I. H. S. A. of Purdue, Indiana and Butler Universities.

Outdoor Track and Field Meets—The financial reports of the fifteen sectional meets and the final meet were submitted for the information and consideration of the Board. It was decided to drop the rain insurance on the sectional track meets for next year and to guarantee one-half of the deficit in each sectional meet up to a total legitimate deficit of fifty dollars ($50.00).

Re-registration of Officials—It was decided to re-register the approved officials in the I. H. S. A. A. during the summer, charging a fee of $1.00 for each re-registration and requiring re-registration on or before August 15, 1931, cancelling the approval cards of all officials who have not re-registered according to the scheme and printing a list of re-registered officials as soon as possible after August 15, 1931. A re-registration card was submitted and approved. The Commissioner was authorized to secure additional clerical help if such is needed to complete this re-registration.

1932 Basketball Tourneys—This topic was discussed briefly, but no decision was reached.

Incorporation of I. H. S. A. A.—The Commissioner reported the results of his conference with Attorney Wade Free of Anderson and the whole matter was discussed for some time. It was decided to secure additional opinions from other Attorneys and other persons.

Athletic Council Meeting—It was decided that the Athletic Council meeting should be held at 7:30 o'clock Wednesday evening, October 21, 1931, in Indianapolis.

Division of I. H. S. A. A. Money—This topic was discussed at length but no decisions were reached.

Jeffersonville—The application for membership in the I. H. S. A. A. by Principal Mary K. Voigt, of the Jeffersonville High School, was presented to the Board. At the time this High School was suspended from the I. H. S. A. A. an I. H. S. A. A. check for $1.50 was sent to Principal Voigt, the same being the amount given the I. H. S. A. A. for membership for 1931. This check has never been returned to the I. H. S. A. A. The Commissioner was authorized to accept the membership of the Jeffersonville High School in the I. H. S. A. A. when the I. H. S. A. A. check for $1.50 has been returned, or when a satisfactory explanation has been given regarding the check.

The Board adjourned to meet at 10:00 o'clock Saturday morning, July 11, 1931.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, July 11, 1931.

Present—Floyd I. McMurray, President, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Fellmy and the Commissioner.

Basketball Tourney Schemes—Considerable discussion was given to this topic but no definite action was taken other than to secure actions and opinions regarding different schemes from Principals and other school officials.

Physical Education and Health Work—The Commissioner reported that there had been a Committee of school men and women, the I. H. S. A. A. being represented, working under the State Department of Public Instruction, and that material for a pamphlet on Physical Education and Health Work was ready for printing. It was also reported that the Committee had requested the I. H. S. A. A. to finance the printing of the pamphlet since money, sufficient in amount, was not available in the State Department.

The Board of Control, in line with its long standing policy of promoting Physical Education and Health Work, authorized the financing of this pamphlet on Physical Education and Health by the State Department.

FLOYD I. McMURRAY, Pres.
Department of Public Instruction out of the I. H. S. A. A. funds, provided satisfactory understandings were made with the State Superintendent of Public Instruction. The Commissioner was authorized to complete these understandings.

Re-registration of Officials—A report was made as to the progress of this work and the Board thought it would be a good thing to expend any balance of money resulting from re-registration fees in the improvement of officials and officiating over the state. A rating card, to be used in securing data when desired about an official, was considered and approved.

Indoor Track and Swimming Meet. The Commissioner was instructed at the last meeting to investigate the facilities and their availability for such a meet of Indiana, Purdue and Butler Universities. The following report was made:  
1. Indiana University has very satisfactory facilities and they are available.
2. Purdue University does not have satisfactory facilities for such a meet.
3. Butler University has an excellent swimming pool and a satisfactory indoor field provided all bleachers are removed. The Commissioner reported that Butler had agreed to remove the bleachers if the expense did not exceed $600.00 for their removal and rebuilding.

It was decided to hold the meet at Butler provided satisfactory arrangements could be made.

I. H. S. A. A. Incorporation—This matter was discussed and the Commissioner was instructed to request Attorney Free to list the advantages and disadvantages, together with his recommendations as to desirability and method at an early date.

and that a printed list of officials as of August 15, 1931, would be sent to all Principals in the membership soon.

I. H. S. A. A. Incorporation—A letter regarding this point by Attorney Wade Free of Anderson was read and discussed at length. It was decided to refer this whole proposition with the information and recommendation of the Board of Control to the Athletic Council at their next meeting. The Commissioner was instructed to present this question to the members of the Athletic Council in the letter covering the proposed business of the next meeting of this Council.

Butler Bleacher Seats. Data was presented by the Commissioner to show that, by changing the playing floor in the Butler Field House to run north and south and by installing new wood bleachers, 6,170 bleacher seats instead of the present 4,732 seats could be provided at a cost of $1.25 per seat. The proposition was discussed but no action was taken.

The distribution of State Tourney tickets was discussed and it was decided that the distribution on an enrollment in High School basis, as was done last year, should be used in 1932.

Information regarding the Physical Welfare Conference at Indiana University October 2nd and 3rd was submitted and it was decided that the members of the Board should attend this meeting.

Enrollment or Residence Rule—This rule and its applications were discussed at length, and it was decided that the Commissioner should continue to execute the rule as worked and as it has been interpreted.

Insurance of Athletes—This topic was discussed but no action was taken. It was considered of vital importance, however, and one deserving of careful consideration.

Bluffton. The Commissioner had extended the “Enrollment or Residence Rule” to Principal O. R. Bangs regarding Robert Lepper, a student entering the Bluffton High School from another High School without a change of residence of the parents to the Bluffton school district. The boy has been living with his father but intends to live with an uncle.

Principal Bangs asked that this case be reviewed by the Board of Control.

The case was reviewed by the Board of Control and the action of the Commissioner was sustained as it was taken according to the rules and regulations in the I. H. S. A. A. covering such cases.

The Board adjourned to meet at 10:00 o'clock Saturday morning, September 26, 1931, and to hold a meeting at Indiana University on October 2 or 3 if found necessary.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, September 26, 1931.

Present—President Floyd I. McMurray, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Fellmy and the Commissioner.
The minutes of the last meeting were approved.

A meeting with a Committee of the State Board of Education at 4:00 o'clock Thursday afternoon, October 1, 1931, in the Columbia Club, Indianapolis, was discussed at length and it was decided to meet with this Committee for personal and Board opinions and decisions until careful consideration could be given in an official I. H. S. A. A. Board Meeting later.

The Commissioner reported that the program for the Annual Meeting had been completed as follows:

"The Athletic Coach As a Teacher"—Dr. Coleman R. Griffith of Illinois University.

"A Phase of Health and Physical Education"—Jesse Feiring Williams, Columbia University.

High School Credits—It was decided that the Commissioner should be governed largely by the standards and requirements of the State Department as they concern the granting of High School credits for work done at any time, reserving the right to investigate any cases of doubtful school procedure in the granting of credits and to give weight to the results in reaching decisions.

Enrollment or Change of High School Rule—Several cases, differing in some part, were considered and the Commissioner was instructed to make decisions according to the rule as it is worded and as it has been interpreted at different times.

It was decided that the marriage of a student and the establishment of a home by such student, thus causing a change of High Schools without a change of residence of the parents, does not satisfy the requirement for eligibility in athletics under the Enrollment Rule. It was the opinion of the Board that the husband in the family should be considered the head of the family as far as the I. H. S. A. A. is concerned in residence cases.

The Commissioner was instructed to consider eligible students sent to the reformatory then later released to the parents, as far as the enrollment rule in the I. H. S. A. A. is concerned, the reformatory being considered "in loco parentis."

Huntington—The regularly licensed and regularly employed football coach, Mr. Clam Bucher, at Huntington, was seriously hurt recently. Superintendent Scudder and Principal Byers requested the Board of Control to grant an emergency permit to use Mr. Ed Hughes as coach in football until the regular coach is able to take up his duties. The emergency permit was granted.

Huntington Twp. (Huntington)—Principal Schultz was present and presented the cases of Harry Buzzard and Albert Fulton. Harry Buzzard failed to pass in Geometry for the second semester of 1930-1931. During the summer Paul Updike, the Principal last year, gave Harry Buzzard permission to make up his back work in Geometry. Glenn Updike, the teacher, gave this boy an outline of work to be done in Geometry and stated that the boy satisfied his deficiency in Geometry. A passing grade was entered on the permanent record of this boy by the present Principal, Herman I. Shultz, prior to the opening date of the present semester.

Decision—The Commissioner was authorized to consider the credit mentioned valid or otherwise toward eligibility according to whether the State High School Inspector would sanction or not sanction the way in which the credit was granted.

Albert Fulton's parents lived in Huntington until October 9, 1930, when they moved to Huntington Township outside of Huntington. The boy not only finished semester one in the Huntington High School but also finished semester two in the Huntington High School. He entered the Huntington Township High School at the beginning of the present semester.

Decision—The Enrollment Rule in the I. H. S. A. A. makes this boy ineligible for any athletics in the Huntington Township High School until he has been enrolled two entire semesters.

Use of Approved Officials—The Commissioner was instructed to emphasize this requirement of the I. H. S. A. A. in the next I. H. S. A. A. Bulletin.

Basketball Tourney—It was decided that a health study, similar to the one made by the I. H. S. A. A. in 1927 of the participants in the State Final Basketball Tourney, should be made in 1932.

Bleacher Seats—This topic was discussed but no action was taken.

Football Injury Blank—The Commissioner submitted a blank to secure information to assist in the consideration of an insurance scheme regarding injuries to football players in practice and games for the present season. The blank and its use were sanctioned.

The Commissioner was instructed to continue considering the date schools actually open in the fall, rather than the organization date, as the opening date of the school year. It was thought, however, that this policy should be changed next year, considering the organization date as the opening date of the school year for athletic purposes.

The advisability of holding a State High School Cross Country Run was considered but no action was taken.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, October 1, 1931.

Present—President Floyd I. McMurray, Henry J. Reid, Robert Lambert, R. Nelson Snider, W. S. Felhmy and the Commissioner.

A meeting with a committee of the State Board of Education was discussed prior to the time of the meeting, 4:00 o'clock.

The Board of Control met with the committee of the State Board of Education. President L. N. Hines and Superintendent William
Wirt of this committee were present. Miss Whitaker and Mrs. Holland, members of the State Board of Education, were present for a part of the meeting. Mr. Gilroy was present during all of the meeting. There was considerable discussion about athletics, physical education and education in general but no action was taken at the time of the meeting or afterwards by the I. H. S. A. A. Board of Control.

The Board of Control re-considered the case of Jennings Moore, a student in the Monticello High School, and affirmed their former decision that the boy would be ineligible for any athletics in the Monticello High School for two full semesters under the enrollment rule of the I. H. S. A. A.

The Board met to select members of the Board of Control from the Athletic Council membership to represent Class 1, Class 3 and Class 4 on the Board of Control. Herman Hallett, Harold Newgent and R. B. Julian were selected for these classes respectively.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, November 5, 1931.

A meeting was held with the State Board of Education. Open discussion was given to the topics of Physical Education, Health Work, and Athletics. The advisability of presenting a list of standards regarding these topics by both Boards to the High School Principals of the state received careful consideration but no definite action was taken.

No action was taken by the I. H. S. A. A. Board of Control regarding this meeting.

Pre-season Game Rule—It was decided that this rule should take effect on September 1, 1932, for the school year 1932-1933 rather than on the “opening day of school” as given in the rule.

Change of School Rule and Provision—The Commissioner was instructed to submit information and data regarding this whole matter, listing the conditions by case groups for the consideration of the Board, with the understanding that decisions already made under this rule and other decisions necessary until the Board sets new and different regulations should be considered in effect.

Note—The “10 day enrollment” rule will be executed according to the above scheme also, unless the Board rules otherwise. This rule was not discussed in the meeting, however.

FLOYD I. McMURRAY, Pres.
I. H. S. A. A. BOARD OF CONTROL MEETING

Bloomington, Indiana, November 21, 1931.

The meeting with the State Board of Education on November 5, 1931, was discussed but no action was taken.

The rule reading—"The enrollment of a student for ten days or less in any semester, followed by permanent withdrawal from school, shall not be considered as enrollment" was interpreted to refer to the scholarship of a student and as amending the 12th Interpretation in the Constitution.

Change of High School Rule and Proviso—It was decided after careful consideration to execute this rule as worded and as interpreted in the Constitution of the Association and to not exercise the power given the Board of Control in the Proviso reading: "The Board of Control shall have the power, upon the application of the Principal of the school to which the pupil moved and with the consent of the Principal of the school in which the student was last enrolled, to suspend the operation of this rule in the case of children who, by force of circumstances, must change schools without changing residence."

The Commissioner reported that an I. H. S. A. A. blank had been prepared and was being used in the arrangements for charity games.

The Board of Control approved the interpretation of the Commissioner in the opinion given to Superintendent John Chewning of Evansville that only one game of football by a High School for charity out of season for the present school year is permitted by the rule and that a tourney or a series of football games, in which a High School team played in more than one game, would be a violation of the spirit and wording of the rule.

The Commissioner reported that some non-approved officials had represented themselves as approved officials and had officiated in games, then had attempted to call in question the records of the I. H. S. A. A. The Commissioner was instructed to handle the applications of such officials on their merits with the understanding that false and incorrect representations by officials be strongly disapproved and such action by officials be taken into account in the consideration of the applications of such officials.

The National Federation Conference scheduled for 3:30 o'clock Saturday morning, November 28, in the Morrison Hotel, Chicago, was discussed and it was considered advisable for the President and such other Board Members as desired to attend this meeting. In this connection the Commissioner stated that he had always followed the policy of attending these and similar meetings whenever he considered such attendance necessary or advisable. The Board of Control approved this policy.

The Commissioner reported that he had submitted the following topic for the program of the February meeting of the National Federation—"How far and in what ways should a State Athletic Asso-

I. H. S. A. A. BOARD OF CONTROL MEETING

Bloomington, Indiana, November 21, 1931.

The meeting with the State Board of Education on November 5, 1931, was discussed but no action was taken.

The rule reading—"The enrollment of a student for ten days or less in any semester, followed by permanent withdrawal from school, shall not be considered as enrollment" was interpreted to refer to the scholarship of a student and as amending the 12th Interpretation in the Constitution.

Change of High School Rule and Proviso—It was decided after careful consideration to execute this rule as worded and as interpreted in the Constitution of the Association and to not exercise the power given the Board of Control in the Proviso reading: "The Board of Control shall have the power, upon the application of the Principal of the school to which the pupil moved and with the consent of the Principal of the school in which the student was last enrolled, to suspend the operation of this rule in the case of children who, by force of circumstances, must change schools without changing residence."

The Commissioner reported that an I. H. S. A. A. blank had been prepared and was being used in the arrangements for charity games.

The Board of Control approved the interpretation of the Commissioner in the opinion given to Superintendent John Chewning of Evansville that only one game of football by a High School for charity out of season for the present school year is permitted by the rule and that a tourney or a series of football games, in which a High School team played in more than one game, would be a violation of the spirit and wording of the rule.

The Commissioner reported that some non-approved officials had represented themselves as approved officials and had officiated in games, then had attempted to call in question the records of the I. H. S. A. A. Tourney Officials—The Commissioner submitted an application form to be used by officials desiring to make formal application to officiate in basketball tournaments.

Garfield (Terre Haute)—Gerstmeyer (Terre Haute)—Clinton—
The correspondence regarding the difficulties connected with the Garfield-Gerstmeyer football game and the Garfield-Clinton football game this season was submitted and it was decided to suggest to Principal Charles Zimmerman of Garfield High School that court charges be brought against Everett McDaniels soon and that a full report of this action and the results be made to the Board of Control at an early date.

Lafayette—The Commissioner reported that William Neal was used by L. E. Singer, Principal last year, in some football games when he was ineligible due to length of enrollment in the Catholic High School of Lafayette and in the Lafayette High School. Mr. Morris E. McCarty, Principal this year and who introduced the case, was requested by the Commissioner to forfeit all football games in which this boy played last year. Letters are on file from the opponent schools stating that forfeit letters have been received by them from Principal McCarty. The case was dropped.

Orleans—Case continued pending additional information. Orpha Freed considered ineligible for athletics until final decision is made.

The Commissioner reported that Hammond and East Chicago had used non-approved officials in baseball in 1930 and that Topeka, Wolcottville, Brighton, Mingo, Lima and Shipshewana High Schools had used non-approved officials in baseball in the fall of 1931. It was decided to place all of these schools on probation in the fall of 1931.

Fort Wayne—A proposed basketball tournament, including teams from Central, South Side, North Side and the Catholic High Schools, was considered a violation of the provision in the I. H. S. A. A. that member schools may play against non-public High School, College, Y. M. C. A. and independent teams in single games but not in tournaments, meets and league.

The Commissioner was authorized to tabulate the vote cards for Athletic Council Members and announce the results.

Butler Bleacher Seats—Due to the fact that Butler University had not agreed to construct a new playing floor but had repaired the old floor instead, and also due to the difficulties in installing bleachers and a floor during the playing season of basketball, the proposition of purchasing new bleachers was dropped.

Annual Audit—The Commissioner reported that copies of the audit of the finances of the I. H. S. A. A. from November 14, 1930, to November 14, 1931, were available.

Annual Handbook—The contents were discussed and it was decided to print the I. H. S. A. A. Constitution in compact form in sufficient copies for general distribution in addition to the copies of the annual handbook.
drew Section 2; School No. 12 drew Section 5; School No. 13 drew Section 10; School No. 14 drew Section 6; School No. 15 drew Section 9; School No. 16 drew Section 13. When the sixteen schools are known they will be arranged alphabetically and numbered from 1 to 16 so that the tickets may be distributed.

**Basketball Tourneys (1932)**

The following points were decided as given:

1. Scheme—64 sections with 8 to 16 teams each (by counties if possible), 16 regionals with 4 teams each and a final with 16 teams.

2. The contracts, prices of tickets, salaries and number of officials, and schedules to remain the same as for the 1931 tourneys.

3. Broadcasting as a news service may be permitted in all tourneys.

4. Members of bands, candy vendors, etc., required to purchase regular tickets in all tourneys.

5. The Commissioner to be considered Manager with K. V. Ammerman and Fred Gorman Assistant Managers for the State Final Tourney. These men were given authority to secure competent help to handle the tourney and to arrange the details of the tourney.

6. Ticket scheme for the Final Tourney to be the same as for the 1931 Tourney with the understanding that an adjustment be made in the period dates for purchasing tickets to provide more time, and with the understanding that the Principal in each High School be considered the person responsible for the proper distribution of tickets and for the conduct of the persons using the tickets from his school or community.

7. Liability and compensation insurance to be secured for all tourneys.

8. The decisions of officials in all tourneys to be considered final and the entry blanks and the tourney announcement to carry this information.

9. All schedules of all tourneys to be drawn by lot by the Board in the presence of representatives of the Associated Press, United Press, International News, Indianapolis Times, Indianapolis Star and Indianapolis News.

10. No prizes of any kind to be permitted in connection with the sectional and regional tourneys. In connection with the Final Tourney the I. H. S. A. A. will give a shield or similar trophy to the winning school and individual awards to the members of the winning team and will permit the "Gimbel Prize for Mental Attitude" to be given. All other prizes will be barred.

11. The bases used for the selection of tourney centers for 1931 were agreed upon for 1932.

It was decided to invite any newly elected Board Members, whose terms begin January 1, 1932, to the next meeting.

The Board adjourned to meet at 9:30 o'clock Saturday morning, December 28, 1931.

District V—L. C. Campbell, J. A. Mohler, Elmer Posey and Ben H. Watt.

The minutes of the last meeting were approved.
The main business of the meeting was to consider the report of the two committees appointed by the President in October. The report of these committees was submitted. Principal Ralph Sparks of Freeland Park moved its adoption, Superintendent C. A. Noble of Rockville seconded the motion and the vote was recorded as follows:

Not Voting—G. Ray Sharp, President, Henry J. Reid, Floyd I. McMurray (Absent) and F. E. Day (Absent).

The proposal was considered passed, the committees were congratulated and discharged and the Board of Control was authorized to put the scheme in operation as soon as possible. The proposal in full follows:

I. H. S. A. A. ATHLETIC COUNCIL PROPOSAL

1. For the purpose of election and administration there shall hereafter be five I. H. S. A. A. districts as at present provided, which may from time to time be modified by the authority of the Athletic Council of the I. H. S. A. A.

There shall be five classes of high schools in each I. H. S. A. A. District as follows:

Class I—Schools having enrollments of 1—75.
Class II—Schools having enrollments of 76—120.
Class III—Schools having enrollments of 121—250.
Class IV—Schools having enrollments of 251—600.
Class V—Schools having enrollments of 601—up.
(The determination of the Class of any high school shall be based upon the enrollment reported to the State Board of Education in the last official report requested by that body.)

2. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the I. H. S. A. A. except as hereinafter provided. During the inauguration of this plan, there shall be for a few years what shall be known as an “Adjustment Period” during which duplicate memberships in the various classes shall in certain cases necessarily be allowed whenever hold-over memberships from any district or districts shall happen to fall in the same enrollment class or classes. (County Superintendents who are hold-overs shall be considered “members-at-large” from their districts, and not be allocated to any class.)

3. As soon as practicable after the elections of December 10, 1939, the Legislative Body of the I. H. S. A. A. shall provide for special elections to be held as soon as convenient at which there shall be elected a new member of the Athletic Council from each unrepresented Class in each I. H. S. A. A. District for terms of such length as will the soonest fit into the scheme on the accompanying table, which is to be considered an integral part of this amendment. These terms may be from one to five years, but they shall in no case exceed five years. When the scheme is in full operation all elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in cases of a vacancy.

4. Vacancies in the Athletic Council shall be filled by the Athletic Council, the appointees to serve until the successors chosen at the next annual election take office. Such persons must be from the same Class and District High School as the member originally chosen.

5. The Athletic Council shall choose a Board of Control of five members from the membership of the Athletic Council. All five classes of high schools shall be represented on the Board of Control, except as hereinafter stated for members who change their high school class after being elected. (During the adjustment period the Board of Control shall consist of the present hold-over members, together with such other members as may be necessary to provide representation for all five classes of high schools.) No member of the Board of Control shall serve more than three years, unless re-elected by the Athletic Council. Expiration of membership on the Athletic Council shall automatically terminate membership on the Board of Control. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall choose the successors.

Both the Athletic Council and the Board of Control shall choose its own presiding officer, who may or may not be the same individual. The duties of the Athletic Council shall be the same as provided in the present constitution for the Legislative Body, and the duties of the Board of Control shall remain the same as already provided, except as herein altered.

6. Any eligible person from a High School in good standing in the I. H. S. A. A. may have his name submitted, not later than November 15 of each year, on a nominating petition signed by five high school principals in his district, at least two of whom shall be in his high school class, to the Commissioner of Athletics for election to the Athletic Council from the district in which his school is located. Such person shall be from the class of high school from which the selection is to be made in that particular year. The Commissioner shall send printed ballots listing all such names to all principals of high schools in good standing in that district who constitute the electorate in the said district. The person receiving the largest number of votes shall be declared duly elected by the Board of Control, who shall constitute the canvassing board. In case of a tie, the vote shall be taken again, printed ballots listing only the names of those tied being sent out by the Commissioner, with a return date designated by the Board of Control.

7. Removal from an I. H. S. A. A. district, withdrawal from the teaching profession, resignation, suspension or expulsion of his school, or a lapse of membership of his school in the I. H. S. A. A. shall constitute a vacancy to be filled in the manner herebefore provided. A person elected to represent a certain class high school, who changes to a school of a different class or whose school changes from class to class due to a decrease or increase in enrollment, shall continue to serve out his term as long as he remains in his original district.

8. Each year on the third Saturday in December the Athletic Council shall meet to reorganize for the ensuing year. At this meeting there shall be elected members of the Board of Control to fill the places which will be vacated by retiring Board Members on the following January 1.

9. All sections or parts of sections of the present constitution which are in conflict with the present amendment are hereby repealed and declared of no effect.

Respectfully,

J. A. Mohler, Chairman

The President was authorized to appoint a committee to study and recommend improvements in the wording of the eligibility rules in the I. H. S. A. A.

The publicity regarding the meeting was left in the hands of the Commissioner.

Informal discussion was given to the distribution of State Tournament Basketball tickets.

The meeting adjourned to meet next October or upon call of the President.

G. RAY SHARP, Pres.
MINUTES OF I. H. S. A. A. ATHLETIC COUNCIL
MEETINGS
Indianapolis, Indiana, October 21, 1931.

Present—
District I—Ralph Sparks, H. L. Woodard, A. D. Schonfeld, R. B. Julian, J. S. McConan and Henry J. Reid.
District IV—Harry Armstrong, Clifford French, Harold Newgent and Robert Lambert.
District V—W. S. Fellmy, J. A. Mohler, H. C. Gilmore and Mark Wakefield.

Absent—
District II—Frank E. Day.
District IV—W. Stanley Porter.

President Floyd I. McMurray of the Board of Control was elected President of the Athletic Council.

A closed executive session was ordered. The minutes of the last meeting were approved.

It was decided to give publicity to the actions of the meeting through the office of the Commissioner at 9:00 o’clock Thursday morning, October 22, 1931.

A majority vote of the members present was ordered as legal for any and all motions in the meeting.

Board of Control Membership—It was decided that the Board of Control should select members from the Athletic Council to fill the vacancies on the Board, in classes having no representation, to hold office until January 1, 1932.

(Note: The Board of Control made the following selections:
Class 1—Herman Hallett.
Class 2—Harold Newgent.
Class 4—R. B. Julian.)

Athletic Council Elections—It was decided that elections should take place between December 1 and 10, 1931, not only for all regular vacancies but also for Class 4, District II, and Class 4, District III, these latter classes being not represented due to late petitions at the last election time.

Proposals—The following affirmative actions were taken:
1. The “Provoio” paragraph or the second paragraph of Section 1 under “Enrollment” in the Constitution was stricken out.
2. Section 1 under “Participation” in the Constitution was changed to read: “Any student of a High School, who participates in an athletic contest as a member of another similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.”

3. Section 1 under “Age” in the Constitution was changed to read: “Students shall be ineligible for any athletic competition upon reaching twenty years of age.”

(Note: This rule is understood to take effect for all students entering High School for the first time during and after the second semester of the school year 1931-1932. It is not retroactive and does not apply to students who have entered High School prior to the second semester of the present school year.)

4. “Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.”

(Note: This will be listed as the “Conduct Rule.”)

5. Pre-season Games—“No games may be played prior to the opening of the school year in the fall.”

(Note: This rule refers to inter-school games and the opening of school as here used is defined as the first day of regular class room instruction.)

6. “The enrollment of a student for ten days or less in any semester followed by permanent withdrawal from school shall not be considered as enrollment.”

7. Amendment to Article IX, Section 1—“The Board of Control shall have the power, upon the application of the principal of the school to which the pupil moved and with the consent of the principal of the school in which the student was last enrolled, to suspend the operation of this rule in the case of children who, by force of circumstances, must change schools without changing residence.”

All other proposals failed to pass.

The Board of Control was instructed to permit the names of twelve boys to be placed on the entry blanks for the Sectional, Regional and Final Tournaments, with the understanding that only ten of these boys may participate in the tournament.

Charity Games—
a. One post-season game of football may be played by a school in 1931 for charity purposes, provided all such games are held under the direct supervision, direction and administration of the High School Principals concerned.

b. One game of basketball, above the twenty games permitted on the regular schedule for the present season, may be played by a school during the regular season for charity purposes, provided all such games are held under the direct supervision, direction and administration of the High School Principals concerned.

(Note: It is understood that these regulations hold for the football and basketball seasons of the present school year only.)

The Catholic High School Athletic Association of Indiana was officially recognized by the I. H. S. A. A. Athletic Council and the Board of Control was authorized to negotiate a working scheme between the Catholic High School Athletic Association and the Indiana High School Athletic Association.

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the “Indiana High School Athletic Association.” (The abbreviation of this name is understood to be I. H. S. A. A.)

ARTICLE II

MEMBERSHIP

Section 1. Membership in this association shall be limited to the public High Schools of the State and each school shall have one vote.

Section 2. Any public High School in Indiana may become a member of this association by subscribing to these rules and regulations and by paying the annual dues of one dollar fifty cents ($1.50) to the Commissioner on or before January 1 of each year.

Section 3. Limited membership may be extended to colored High Schools desiring to join the I. H. S. A. A. with the understanding that limited memberships shall extend to colored High Schools the privilege of participating in single athletic games and contests with other High Schools belonging to the I. H. S. A. A. but not in meets and tournneys in which more than two teams participate except in meets and tournneys in which only the teams from the High Schools of the same city participate.

Section 4. All memberships lapse on January 1 of each year unless the annual dues are paid.

ARTICLE III

ADMINISTRATION

Section 1. I. H. S. A. A. Districts—

For the purpose of administration only, the State shall be divided by counties into the following districts:

Third District—Boone, Clay, Clinton, Fountain, Hamilton, Hendricks, Marion, Montgomery, Morgan, Owen, Parke, Putnam, Tipton, Vigo, Vermillion and Warren.

Fourth District—Bartholomew, Dearborn, Decatur, Delaware, Fayette, Franklin, Hancock, Henry, Jay, Jefferson, Jennings, Johnson, Madison, Ohio, Randolph, Ripley, Rush, Shelby, Switzerland, Union and Wayne.

Fifth District—Brown, Clark, Crawford, Daviess, Dubois, Floyd, Gibson, Greene, Harrison, Jackson, Knox, Lawrence, Martin, Monroe, Orange, Perry, Pike, Posey, Scott, Spencer, Sullivan, Vanderburgh, Warren and Washington.

Section 2. Athletic Council—

1. For the purposes of election and administration there shall thereafter be five I. H. S. A. A. districts as at present provided, which may from time to time be modified by the authority of the Athletic Council of the I. H. S. A. A.

There shall be five classes of high schools in each I. H. S. A. A. District as follows:

Class I—Schools having enrollments of 1-75.

Class II—Schools having enrollments of 76-150.

Class III—Schools having enrollments of 151-250.

Class IV—Schools having enrollments of 251-400.

Class V—Schools having enrollments of 401 up.

(The determination of the Class of any high school shall be based upon the enrollment reported to the State Board of Education in the last official report requested by that body.)

2. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the I. H. S. A. A. except as hereinafter provided. During the inauguration of this plan there shall be for a few years what shall be known as an “Adjustment Period,” during which duplicative memberships in the various classes shall in certain cases necessarily be allowed whenever hold-over memberships from any district or districts shall happen to fall in the same enrollment class or classes. (County Superintendents who are holdovers shall be considered “members-at-large” from their districts, and not be allocated to any class.)
3. As soon as practicable after the elections of December 10, 1930, the Legislative Body of the I. H. S. A. S. shall provide for special elections to be held as soon as convenient at which there shall be elected a new member of the Athletic Council from each unrepresented class in each I. H. S. A. A. District for terms of such length as will be the most convenient for the best management of its work. These terms may be from one to five years, but they shall not exceed five years. When the scheme is in full operation all elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in cases of a vacancy.

4. Vacancies in the Athletic Council shall be filled by the Athletic Council, the appointees to serve until the successors chosen at the next annual election take office. Such persons must be from the same class and District High School as the member originally chosen.

5. The Athletic Council shall choose a Board of Control of five members from the membership of the Athletic Council. All five classes of high schools shall be represented on the Board of Control, except as hereinafter stated for members who change their high school class after being elected. During the Adjustment Period the Board of Control shall consist of the present hold-over members, together with such other members as may be necessary to provide representation for all five classes of high schools. No member of the Board of Control shall serve more than three years, unless re-elected by the Athletic Council. Expiration of membership on the Athletic Council shall automatically terminate membership on the Board of Control. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall itself choose the successors.

Both the Athletic Council and the Board of Control shall choose its own presiding officer, who may or may not be the same individual. The duties of the Athletic Council shall be the same as provided in the present constitution for the Legislative Body, and the duties of the Board of Control shall remain the same as already provided, except as herein altered.

A person eligible person from a high school in good standing in the I. H. S. A. A. may have his name submitted, not later than November 15 of each year, on a nominating petition signed by five high school principals in his district, at least two of whom shall be in his high school class, to the Commissioner of Athletics for election to the Athletic Council from the district in which his school is located. Such person shall be from the class of high school from which the selection is to be made in that particular year. The Commissioner shall send printed ballots listing all such names to all principals of high schools in good standing in the district who constitute the electorate in the said district. The person receiving the largest number of votes shall be declared duly elected by the Board of Control, who shall constitute the canvassing board. In case of a tie, the vote shall be taken again, printed ballots listing only the names of those tied being sent out by the Commissioner, with a return date designated by the Board of Control.

7. Removal from an I. H. S. A. A. district, withdrawal from the teaching profession, resignation, suspension or expulsion of his school, or a lapse in membership of his school in the I. H. S. A. A. shall constitute a vacancy to be filled in the manner hereinbefore provided. A person elected to represent a certain class high school, who changes to a school of a different class or whose school changes from class to class due to a decrease or increase in enrollment, shall continue to serve out his term as long as he remains in his original district.

8. Each year on the third Saturday in December the Athletic Council shall meet to reorganize for the ensuing year. At this meeting there shall be elected members of the Board of Control to fill the places which will be vacated by retiring Board Members on the following January 1.

9. All sections or parts of sections of the present constitution which are in conflict with the present amendment are hereby repealed and declared of no effect.

10. No member of the Athletic Council shall be eligible for a longer term on the Athletic Council than the one he is serving until the expiration of his term.

11. This Athletic Council may amend the Constitution and shall make the rules governing the I. H. S. A. A. Upon written petition signed by twenty (20) High School Principals from each of the five (5) I. H. S. A. A. Districts, the amendments and rules of the Athletic Council shall be subject to a referendum vote of the Principals in the membership.

12. The Commissioner of High School Athletics shall serve as secretary of the Athletic Council.

13. The annual meeting shall be a meeting for the explanation and interpretation of rules and regulations, for inspirational addresses by recognized leaders, for committee reports and for constructive work.

14. All expenses of the Athletic Council shall be paid out of the I. H. S. A. A. funds.

15. Minor details in connection with the workings of the Athletic Council shall be handled by the Athletic Council.

16. A majority of the members shall constitute a quorum.

17. After the initial elections all elections shall take place each year between December 1 and December 10, all votes being mailed to the Commissioner on ballots prepared by him.

18. All newly elected officers shall assume the duties of their office on the first day of January next following their election.

ARTICLE IX
ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. The enrollment of a student for ten days or less in any semester followed by permanent withdrawal from school shall not be considered as enrollment.

Section 4. Back work may be made up, providing that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

(a) For the current semester the average of the period grades up to the time of certification must be passing;
(b) For the current or school grading period the average of the daily or weekly grades must be passing;
(c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for two full semesters, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

The Board of Control shall have the power, upon the application of the principal of the school to which the pupil moved and with the consent of the principal of the school in which the student was last enrolled, to suspend the operation of this rule in the case of children who, by force of circumstances, must change schools without changing residence.

Interpretation—
(a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for two full semesters, unless there are definitely marked school districts and his parents actually change their residence to the new school district.
(b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.
(c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section.
(d) Parts of two semesters do not make a full semester.

Section 2. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 3. The enrollment of a student who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

(b) Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.
(c) Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered High School for the first time during the second semester of a school year and who did not participate in any game or meet during this second school year shall not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more interscholastic games, in which case he shall be regarded as having engaged in athletics for that season.
Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 6. In order to be eligible for athletic competition during any semester a student must have entered some public High School within the first twenty school days of the semester in which the contest occurs.

Participation

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more interscholastic games in any season shall be regarded as having engaged in athletics for that season.

Parents and Physicians' Certificates

Section 1. On and after January 1, 1927, a student who participates in any interscholastic football, basketball or track contest, shall have on file in the Principal's office a certificate of physical fitness and a certificate giving the written consent of the father, mother or guardian for such athletic participation as is specified therein. The physical examination shall be made during the season of each of the three sports by a regularly licensed physician.

Previous to the participation, the Principal shall certify to the I. H. S. A. A. that the certificates required in this proposal are on file in his office.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post-graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma providing the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, providing they meet all other eligibility rules of the I. H. S. A. A.

Age

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty-one years of age.

Note—This rule was changed to "twenty years of age" October 21, 1931, and the new rule will take effect for all students entering High School for the first time during and after the second semester of the school year 1931-1932. It is not retroactive and does not apply to students who entered High School prior to the second semester of the school year 1931-1932.

Amateurism

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Injunction Suits

The Athletic Council deplores the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

Automatic Withdrawal

A. treasury of $100,000.00 as soon as reasonable financing will permit, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.

2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. membership of the amounts accumulated above a $100,000.00 surplus and above the amount legitimately necessary for the running expenses of the I. H. S. A. QUESTIONS AND ANSWERS REGARDING THE I. H. S. A. A. RULES AND REGULATIONS

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the Commissioner has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the Board of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

    A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

11. Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet tourney or game outside of Indiana?
    A. All games, meets, toursneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

12. Q. May High School students take part in toursneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?
    A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games
held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal.

13. Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"
   A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

14. Q. What is considered the school year?
   A. A school year covers all time from the first day to the last day of the school year, including vacations.

15. Q. Are tourney schedules drawn or arranged?
   A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control and no schedule has ever been arranged or "fixed."

16. Q. Does the Commissioner have a vote in the Board of Control and in the Athletic Council?
   A. The Commissioner is not a member of either group and has no vote in any of their deliberations.

17. Q. May a married student be considered eligible?
   A. Yes.

18. Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester?
   A. No. Such student is a failure for his last semester in High School.

19. Q. How are the funds of the I. H. S. A. A. invested?
   A. In U. S. Government Bonds.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Year Ended November 14, 1931.

Mr. Arthur L. Trester, Commissioner,
The Indiana High School Athletic Association, 
Indianapolis, Indiana.

Dear Sir:

We have examined the records pertaining to the recorded cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION—INDIANAPOLIS, for the year ended November 14, 1931, and submit herewith our report.

A detailed statement of the recorded cash receipts and disbursements is attached hereto. Cash on deposit at November 14, 1931, was verified by direct correspondence with the Fletcher Trust Company, Indianapolis, and the amount reported to us was reconciled to the book balance. All recorded cash receipts for the period under review were compared with the deposits as shown by bank statements on file and all disbursements for the same period were supported by canceled bank checks, except for those outstanding on November 16, 1931, the date to which our examination of the cash transactions was extended. We also examined invoices and other data in support of disbursements and no discrepancies were noted.

We were informed by the Arcus Ticket Co., of Chicago, Illinois, that 14,006 tickets were printed for the 1931 state tourney. According to the records these tickets were disposed of as follows:

14,006 tickets $39,665.50

The $6,000.00 payment to Butler University represents the annual payment on a ten-year contract for the use of the field house.

U. S. Government securities, as shown in a separate exhibit attached hereto, were presented for our inspection. Interest coupons falling due within the period under review were properly accounted for. The proceeds from all securities sold during the year were traced into the cash receipts records.

The fidelity bonds totaling $115,000.00 on Mr. Arthur L. Trester and the policy covering safe deposit box burglary and robbery insur-
ance in the amount of $12,000.00 each, were presented for our inspection. The minute book of the Board of Control Meetings was read and all resolutions pertaining to the cash transactions have been complied with.

We hereby certify, that we have examined the recorded cash transactions of the Indiana High School Athletic Association—Indianapolis, for the year ended November 14, 1931, as herein outlined, and in our opinion, the attached statement of cash receipts and disbursements reflects the cash transactions as recorded in the records.
