Henry J. Reid

On February 5, 1932, the I. H. S. A. A. lost the valuable services of President Henry J. Reid due to death caused by heart failure. Superintendent Reid was elected to the I. H. S. A. A. Board of Control by the vote of the Principals in his district for three years beginning January 1, 1930, and at the time of his death had served two years, one month and five days of his term. He was elected President of the Board of Control January 1, 1932, and was serving in that capacity when he died.

The minutes of the Board of Control for February 6, 1932, carry the following:

"The Commissioner was instructed to send a floral tribute to the home of Mr. Reid and to send a letter to the widow and children, expressing the sympathy of the Board of Control and the Commissioner for the I. H. S. A. A. It was voted that as many Board Members as could do so should attend the funeral services of Mr. Reid Monday, February 8, 1932."

The following is copied from the letter sent to Mrs. Reid February 9, 1932:

"The members of the I. H. S. A. A. Board of Control, of which your recently departed husband was President, instructed me to extend to you and your children their deepest sympathy in this time of grief and sorrow. You may be assured that the last meeting of this Board of Control was saddened by the news of the sudden and unexpected death of Mr. Reid and no doubt sadness will be present during the meetings in the future.

The work and interest of Mr. Reid as a member of the I. H. S. A. A. Board of Control since January 1, 1930, and as its President since January 1, 1932, are deeply appreciated and his counsel will be missed in the meetings of the Board."

Mr. Reid was born August 10, 1866, in the north part of Jackson Township, White County, Indiana, and was a lifelong resident of that county. He began teaching at the early age of seventeen and completed nearly forty-eight years of work in the teaching profession. He was elected County Superintendent of White County in 1903 and served in that capacity until his death, with the exception of one four-year term. He received his training in the White County Normal, Cook County Normal, Illinois, University of Chicago, Indiana University, Purdue University and Danville Normal.

The Board of Control and the I. H. S. A. A. miss his services very much. He was in attendance at every Board Meeting during his term of office and took a great deal of interest in the affairs of the Indiana High School Athletic Association.
TO THE INDIANA HIGH SCHOOL ATHLETIC
ASSOCIATION

Robert Lambert, President, Board of Control

During the time it has been my privilege to be a member of the
Board of Control of the Indiana High School Athletic Association, im-
portant problems have been met, and a sincere endeavor has been
made by the Commissioner and the Board to get a solution which
would serve the best interests of all the high schools that were mem-
bers. Your Board gave serious consideration to the problem of dis-
tribution of tickets for the State Tournament, with the result that a
plan was devised whereby tickets are now proportioned to high schools
on a basis of enrollment. This scheme has met with universal satis-
faction among high school principals and fans, since it is unques­tion-
ably fair to all schools.

Because of charges that the State Tournament places too great a
strain upon high school boys, your Board directed that a very careful
health study be made of all participants in the State Tournament.
The findings of this study were submitted to a committee of physi-
cians, who interpreted them for the Board. As a result of this study,
the Indiana Medical Association went on record condemning unfair
and unjust criticisms of the I. H. S. A. A. by persons and newspapers
not acquainted with the facts. This association further agreed to co-
operate with the I. H. S. A. A. by means of a committee to study and
promote sound practices in the conduct of athletics in the high schools
of Indiana. Your Board does not consider that it has the final so-
lution to this problem, but it feels justly proud of the progress which
has been made.

Further, a careful tabulation of all injuries in both football and
basketball was made, and the results were presented to a reliable in-
surance company. Your association did not consider going into the
insurance business, but it did want to inform the schools of the prob-
lem resulting from injuries, together with the cost of adequate cover-
age by insurance.

This Board felt keenly the responsibility of arriving at an equit-
able basis for the distribution of approximately forty thousand dol-
ars among the member schools. The money was divided on what
seemed to be a fair basis to all schools concerned.

It has been a pleasure to have been a member of the Board of
Control, because school men have given it their faithful support. They
have endeavored to enforce the rules of the association, thus leaving
the Board free to spend its time upon constructive measures, rather
than in dealing with cases of discipline.

The general respect for the rules and regulations of the associa-
tion and of its management indicates that it is growing in power and
influence, because of the important service it renders. This principle
of service and the fulfillment of a real need will perpetuate your
association.

ROBERT LAMBERT
President Board of Control, February 6, 1932,
to January 1, 1933

ANNOUNCEMENT OF I. H. S. A. A. SECTIONAL REGIONAL AND FINAL BASKETBALL TOURNEYS

THE TWENTY-FIRST ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full.

SECTIONAL TOURNEYS

March 4 and 5

The following bases were used in selecting sectional and regional centers:

(1) Location—geographical and with reference to schools desiring to participate. (2) Railway, interurban and automobile road facilities. (3) General conditions—attitude of local authorities, floors and entertaining facilities. (4) Rotation. (5) Successful and satisfactory management of previous tourneys.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that will probably enter the tourney's. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. These numbers are tentative only. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tourneys rests  
solely with the Board of Control according to the I. H. S. A. A.  
Constitution. Local arrangements have been delegated to the Center  
Principals. Two or more officials for each tourney will be selected by  
the Board and every attempt will be made to choose none but fair,  
disinterested and competent men. These officials will work each game  
alternating as referee and umpire. All schedules of hours, floors,  
teams and officials will be made out and printed by the Board. All
schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

TOURNEY REQUIREMENT—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season.

PROTESTS—All protests against teams or individuals must be made in writing by the Principal and filed with the Commissioner on or before 11 A. M., Thursday, February 25. Protests must be accompanied by evidence rather than mere rumor. Eleventh hour protests are usually unfair as such do not give the team or individual time to meet the protest. If you have any information that the Board should have, send it now rather than later. The decisions of the game officials will be considered final. Schools entering the tourneys enter with this understanding.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 7 A. M. Friday, March 4, and continue, if necessary, to 8 A. M., Sunday, March 6. Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. All competing schools are requested to ask for no longer entertainment than is necessary, but all schools are entitled to entertainment throughout the tourney. Lodging for Saturday night will be allowed in emergency cases only. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, March 1, (2) transportation only, one round trip, shall be paid in lieu of each night's lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) the transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide it, (5) rest rooms for the day when lodging is taken at home shall be an expense of the school securing such and not an expense of the tourney.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys, according to the following scheme and in the following order:
1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts.

2. The Center High School shall receive one hundred dollars ($100).

3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man for the round trip, the school building of the participating school and the gymnasium in which the tourney is held.)

4. The Center High School shall receive one hundred dollars ($100).

5. The I. H. S. A. A. shall receive one per cent (1%) of the fourth balance.

6. One-half of the fifth balance shall be divided pro-rata among the participating schools, the Center School sharing.

7. One-half of the fifth balance shall be divided on the basis of season ticket sales in the local communities on or before 6:00 date can not be counted in finding the share of any one school. Keep the two lists separate at all times.

8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

9. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must data must be given as indicated. Entries will close Friday, February 19. These blanks should be sent between February 12 and 18. Do not mail entry blanks later than February 18, 1932. All students tified, so entry blanks should not be sent too early. Late entry blanks will not be accepted.

ADMISSION FEE—The admission fee to all tourney games shall be forty (40) cents for single session tickets and one dollar fifty cents. No more tickets shall be sold than the seating capacity will justify. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 29. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 29. Each Principals must give their evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 6:00 P. M. Thu., March 5. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

EXTRA PERIODS—The games shall be played in eight-minute quarters. Each overtime period shall be three minutes, using as many such periods as may be necessary to break the tie. One minute intermission shall be allowed before each extra period.

WARNING—Entries close Friday, February 19, and can not be changed nor received afterwards. An entrance fee of one dollar ($1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All school tickets must be on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

REGIONAL TOURNEYS

GENERAL:

TOURNEY INFORMATION

This Bulletin carries full information about the sectional, regional and final tourneys. If you desire your questions answered, kindly consult this Bulletin. In giving information to the public and to your students, give it out as printed in this Bulletin. The wording has been carefully done and the information is official. Inform your public definitely now and frequently. The decisions of officials will be considered final in all tourneys. Schools entering these tourneys enter with this understanding. Give this information to your students and fans as often as necessary.

Contracts have been made with the Center Principals to hold our sectional, regional and final tourneys. The stipulations of these contracts have been published and are known to all. All of us have rights and we also have duties in these tourneys. Some things are guaranteed to all of us and some things are required of all of us. If all of us want to exhibit fairness we can do so and there will be no difficulties. The spirit of honest dealings must pervade everything we do.

The Board of Control desires to assure all Principals and communities that preparations have been made to safeguard all tourneys in every way. Constructive suggestions are still welcome, however, and questions will be gladly answered.

During the tourney the I. H. S. A. A. Field House Office will be
at Gate 6.

Tickets—All tickets will be handled through the I. H. S. A. A.
office according to the following scheme:
1. Season tickets and these only will be sold prior to Friday,
March 18, 1932. According to past experience all tickets will be sold
prior to this date. The price for a season ticket will be three dollars
($3.00) and such a ticket will entitle the purchaser to attend the
games in the morning, afternoon and evening sessions of both days
tickets, day tickets at $1.50 each and session tickets at 75c each will
be sold on the days of the tourney.
2. Tickets will be sold only through the Principals of High
Schools belonging to the I. H. S. A. A. and having teams entered
in the sectional tourneys, obligating them to properly distribute these
tickets elsewhere. Each Principal will be required to keep on file the
full names and addresses of all ticket purchasers for the information
of the Board of Control, should such be desired for checking purposes.
Orders placed otherwise will not be honored. Tickets distributed by
the Board of Control will jeopardize the standing of their school.
3. Tickets will be sold by mail only. Telephone, telegram
and personal call orders will not be honored. A ticket order blank
is enclosed with this bulletin. It is official and you should use it ac-
cording to instructions.
4. Ticket orders must be specific as to number of tickets and a
check for the correct amount of money made to Arthur L. Trester
below must be observed as given:
   a. Orders for tickets having official Post Office stamp marks on
the envelopes including and from Thursday, March 3, to and includ-
ing Friday, March 11, 1932. This arrangement gives Principals one
week in which to order tickets. Principals should order early in this
week however.
5. Each High School Principal having a team entered in an
I. H. S. A. A. Sectional Basketball Tourney for 1932 may order tickets
16, 1931, and as submitted to the Inspection Office of the State De-
partment of Public Instruction last September for the school years
requests to preserve a duplicate copy of this report. Principals
should carefully observe the limitation here placed. If there are ques-
tions, ask them now. In all computations fractions will not count for
mention. All enrollments will be checked with the report herein men-

6. All tickets remaining unsold after the High School Principals
have ordered according to the privilege of their enrollment quota will
be distributed pro rata among the Principals of the 64 sectional tour-
ney winning schools. These Principals should state on their letter,
ordering their quota of tickets according to enrollment, whether or not
they will accept and pay for any tickets that may be distributed to
them as sectional tourney winners. The check for these tickets should
be sent upon receipt of the tickets only. No tickets other than the
tickets remaining after the enrollment quota orders are honored are
offered in this paragraph. There may be no tickets or only a few
tickets so remaining. None are guaranteed.

MISCELLANEOUS

1. All seats will be reserved.
2. Blocks of seats, when sold, will be arranged from front to
back rather than around the playing floor, about ten per cent of the
number in each block being assigned to the front of the block.
3. No pass-out tickets will be issued. Holders of tickets may
leave the Field House when they choose in any session, but they can
not re-enter until the next session. The seats will be cleared between
sessions.
4. All tickets will be printed in coupon form, carrying the state-
ment that coupons will not be good if detached. The I. H. S. A. A.
tickets will be printed in a way that will make duplication very diffi-
cult, but a warning is given against bogus tickets.
5. Ticket holders will be seated prior to the opening game in
each session, between halvies and between games only. All persons
must remain seated in their own seats during the games. All games
will be started on scheduled time and will be played in quarters of 8
minutes each. Each overtime period shall be three minutes, using as
many such periods as may be necessary to break the tie. One minute
intermission shall be allowed before each extra period.
6. Eating facilities will be arranged in the Field House.
7. Comfort accommodations will be found on each floor at each
end of the Field House.
8. Tickets will indicate the Gate, Ramp, Section, Row and Num-
ber. As you approach the Field House look for the Gate Number
above the door corresponding to the one on your ticket.
9. Sixteen blocks of seats will be placed immediately around the playing floor,
and with about 280 seats to the block, will be reserved for the sixteen
schools whose teams are in the tourney. The High School Principals
weary teams are represented should get in
connection with the I. H. S. A. A. Office on Monday, March 14, and
make definite arrangements about these seats or they will be sold to
other parties. These blocks will be assigned by lot by the Board of
Control. The drawings have been made by the Board already and will
be executed as soon as the sixteen winners are known. These tickets
will be sold with the definite understanding that they will be properly
distributed by the Principals having teams in the tourney. Principals
are obligated to order only such tickets as they can properly dis-

---24---
tribute. The full names and addresses of the purchasers are to be kept on file by the High School Principal for the information of the Board should such be desired. The drawings resulted as follows:

School No. 1 drew block No. 8; No. 2 drew block 7; No. 3 drew block 4; No. 4 drew block 11; No. 5 drew block 3; No. 6 drew block 1; No. 7 drew block 15; No. 8 drew block 12; No. 9 drew block 16; No. 10 drew block 14; No. 11 drew block 2; No. 12 drew block 5; No. 13 drew block 10; No. 14 drew block 6; No. 15 drew block 9, and No. 16 drew block 18. When the 16 schools are known they will be arranged alphabetically and numbered from 1 to 16 so that the tickets may be distributed.

10. First Aid Rooms will be located in the east end of the Field House. Look for sign. Physicians and a nurse will be available.

11. Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:
Claude Curtis-Martinsville-1917
Ralph Esarey-Bloomington-1918
Walter Cross-Thorntown-1919
Harold Laughlin-Bedford-1920
Ralph Marlowe-Sandusky-1921
Reece Jones-Vincennes-1922
Maurice Robinson-Anderson-1923
Philip Kessler-Richmond-1924
Russel Walter-Kokomo-1925
Richard Williams-Evansville, Central-1926
Franklin Prentice-Kendallville-1927
Robert McCarness-Logansport-1928
Emmet Lowery-Technical, Indpls.-1929
Kenneth Young-LaPorte-1930
Norman Cottom-Wiley (Terre Haute)-1931
Jess McAnally-Greencastle-1932

These boys have been chosen by committees appointed by the management of the State Tourney and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

FOOTBALL

The 1932 football season resulted in no serious injuries to players and there were fewer injuries of a minor nature. No doubt the reasons for this record are found in (1) the new rules, (2) better officiating, (3) better training, (4) proper facilities, (5) attention to equipment, (6) general realization that football hazards are too great and (7) good luck.

Ninety-nine (99) squads enrolling 4,969 boys played football in 1932. The following data cover the number of schools and players:

8-foot cyclone fence around field .................. 2,768.90
Corner posts and entrances .......................... 800.00

Total to date ........................................ $33,535.90

Description of construction—All work was done by local labor through local contractors. Unemployed men were hired wherever it was possible to use unskilled labor. City engineer supervised all grading and levels in sewers and water lines.

Sod-laying was done by local landscape foreman, the sod being cut and trucked from a farm nine miles from the field. Corner posts and ornamental houses were built of glazed brick by local masons. Corner posts are three feet square, eight feet high, topped by concrete caps and flag pole. Entrance houses are 10x10 inside measurements connected by grilled gates.

Fencing was done by Cyclone Fence Company. Seven feet of woven wire fence with top rail, posts ten feet apart. Angle irons on each post support three strands of barbed wire, making an over all height of 8 feet.

Track was filled with 18 inches of cinders and is a full quarter of a mile with a 220 yard straight a way on one side. Track 18 feet wide with 24 feet in the straight away.

Bleachers are in four sections, two sections on each side of the playing field. Capacity 2,200, knock-down construction.

Lighting furnished by forty 1,500 watt bulbs, total wattage 60,000. Ten steel towers 58 feet high set eight feet in concrete support reflectors, wiring with cable underground, controlled by master switch in entrance house.

Improvements contemplated—Permanent grandstand is planned for the west side of the field, seating 3,000. Time of construction—Uncertain. Tennis courts, playground, wading pool, baseball diamond, football practice field will be provided on the east side of the gridiron. Track, of course, will be completed with concrete curbing on both sides.

Finances—Except original cost of ground, which was borne by the Board of Education, all expenses are being paid from the profits on athletic contests of the Anderson High School."

BASEBALL PLAYING

The following statements have been authorized by the Board of Control:

a. High School students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I. H. S. A. A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I. H. S. A. A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I. H. S. A. A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I. H. S. A. A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I. H. S. A. A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note—Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball in case he so participates. Permission can not be given to violate the rules of the association.
BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred three (803) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1913, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of
Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1929, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the twenty-five years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.

MINUTES OF I. H. S. A. A. BOARD OF CONTROL MEETINGS

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 19, 1931.

The rule regarding extra periods in basketball games in the sectional, regional and final tournaments for 1932 was changed to read as follows:

"When a game is played in 8-minute or 6-minute quarters each overtime period shall be three minutes, using as many such periods as may be necessary to break the tie. One minute intermission shall be allowed before each extra period."

It was decided that the ticket scheme for the distribution of state tournament tickets should be followed and that no special apportionments of tickets should be made to newspapers, organizations or individuals.

The Commissioner was given the authority to adjust the dates for the sale of tickets for the state final tournament in order to give more time to the schools and to the I. H. S. A. A. office.

It was decided to consider the mileage of teams participating in the state final tournament as the accurate and reasonable automobile mileage from the High School of the participating team to the Circle in Indianapolis.

The scheme of giving six complimentary tickets to each Board of Control member and the Commissioner and two complimentary tickets to each ex-Board member and to each member of the Athletic Council was approved for 1932.

The Commissioner was authorized to make detailed arrangements for the Indoor Track and Field Meet and the Swimming Meet for April 9, 1932.

January 30, 1932, was set as the latest date a student can participate on a non-High School or independent team in swimming and still be considered eligible for the State Swimming Meet.

It was moved, seconded and voted that the contract of Arthur L. Trester, Commissioner of High School Athletics, now in force, be continued and considered valid until August 1, 1932, and on that date, August 1, 1932, a new contract, the same in its stipulations as the present one, except that it read "for the two (2) calendar years beginning August 1, 1932" and made this date, December 19, 1931, be considered in effect.

FLOYD I. McMURRAY, Pres.
I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 28, 1931.

Superintendent Henry J. Reid was elected President of the Board of Control to serve from January 1, 1932, to July 1, 1932, and Principal Robert Lambert was elected to serve from July 1, 1932, to January 1, 1933.

The reports on file regarding the State Board of Education and the I. H. S. A. A. were discussed and it was thought advisable to continue to support actively the sentiment expressed in the recent resolution sent to the State Board of Education concerning the management of High School athletics and to urge others to do the same.

Long and careful consideration was given to the tourney invitations, tourney letters and petitions, tourney information and data on file in the I. H. S. A. A. office. The selections of sectional and regional tourney centers, with the assignments of schools to tourneys for 1932, were made by the Board of Control.

The Board adjourned to meet at ten o'clock (10:00) Saturday morning, January 9, 1932.

FLOYD I. McMURRAY, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 9, 1932.

Basketball Tourneys—The selections of tourney centers and the assignments of schools to centers were reviewed and considered made in a final way after careful consideration had been given to tourney invitations, letters, petitions and available information.

The Commissioner reported that the enrollment data of the present school year would not, in all probability, change the per cent of enrollment for the apportionment of state tourney tickets from six per cent (6%) as of last year.

It was decided that late entry blanks would be rejected.

Attorney General Ogden’s Opinion—An opinion was submitted to the effect that school officials could not be held liable for injuries to persons growing out of accidents at athletic contests between students of different schools, unless there is negligent performance or carelessness by the school officials or their agents.

Indoor Track and Swimming Meet—It was decided that a student could not enter both meets, that the price of admission would be fifty (50) cents, that the Commissioner should arrange for the meals and that other arrangements be similar to those of last year.

Annual Meeting—The program was discussed and suggestions were requested regarding it. The Commissioner reported that he had written to Coach ZuPke of Illinois University regarding his availability and charges. Coach Bierman and Coach Hayes were recommended.

Orleans—This case concerns Orpha! Freed.

On October 1, 1931, Supt. Ralston asked about the playing of a boy on a so-called “pick-up” baseball team, other than the High School team, on Sunday. The Commissioner asked Supt. Ralston to send full information and to refrain from using the boy until the case could be decided.

Principal Laughlin of Orleans used the boy in two baseball games and two basketball games before extending the information requested by the Commissioner.

On December 7, 1931, the Board of Control entered the following in their minutes: “Case continued pending additional information. Orpha! Freed considered ineligible for athletics until final decision is made.”

Supt. Ralston, Principal Laughlin and Coach Hodson were given a hearing before the Board on January 9, 1932.

Decision—Orl eans High School placed on probation in the I. H. S. A. A. until March 1, 1932, for the delay in extending information to the Commissioner and for using Orpha! Freed in games during this period of delay. This boy may be considered eligible for athletics.

Burlington—This case concerns Fred Bowman and Gus Clingenpeel.

Principal Stewart of Burlington used these boys in a basketball game with Rockfield during semester one of the present school year when they were clearly ineligible for athletics due to their failure to pass in three regular High School subjects during their last semester in High School. The game was forfeited to Rockfield by Burlington upon the suggestion of the Commissioner.

Decision—Burlington High School placed on probation in the I. H. S. A. A. until March 1, 1932. Fred Bowman and Gus Clingenpeel declined ineligible for basketball for the present school year.

Boxing Tournaments—The Commissioner was instructed and authorized to extend the rules, regulations and policies of the I. H. S. A. A. as they concern amateurism, prizes and awards and eligibility for High School athletics.

A request by President Clara Fedler for financial assistance in connection with the program of the Spring meeting of the State Physical Education Section was denied on the grounds that the I. H. S. A. A. assisted financially with the program of the October meeting of this section.
Scholarship Proposal—Field Goals, a weekly basketball newspaper, Arthur J. Beckman, President, submitted a proposal to give a scholarship of $500.00 to a Senior basketball player in the state, the recipient to be chosen by ballots in “Field Goals” for nominations, then a selection by judges.

The Board of Control considered that the acceptance and consummation of such a scheme would be opposed to the ideals, standards and policies of the I. H. S. A. A. as they concern prizes and awards to athletes.

Catholic High School Athletic Association—
(a) The Commissioner reported that the Press carried information that the Indiana Catholic High School Athletic Association had voted not to enter the National Basketball Tourney in Chicago.

(b) The Commissioner was instructed and authorized to notify the members of the I. H. S. A. A. that they should not participate in athletics against any Indiana Catholic High Schools not belonging to the Indiana Catholic High School Athletic Association.

Wanatah—Louis Orto, who was placed in the home of Mr. John C. and Mrs. Florence Gust of Wanatah May 15, 1931, by the Board of State Charities, considered eligible for athletics as far as change of High Schools is concerned.

Petersburg—John Nordhorn, who was legally adopted by Carrie Nordhorn September 16, 1931, considered eligible for athletics as far as his change of High Schools is concerned.

Ten-Day Enrollment Rule—It was decided that this rule should take effect at the beginning of semester two of the present school year.

Wrestling Meet—It was decided to continue the sanction of a High School Wrestling Meet to be held at Indiana University under the direction of the I. H. S. A. A. if the authorities there so desired.

The playing of a student in a game or tourney offering cash prizes was considered, and it was decided that a student or a team did not jeopardize their standing unless they actually accepted cash prizes, awards or remuneration in some way.

Prizes and Awards—The rules, regulations and policies of the I. H. S. A. A. affirmed.

Meeting Dates Set—Saturday, February 6, 1932, 10:00 o’clock; Friday, February 26, 1932, 1:00 o’clock; Saturday, February 27, 1932, 9:00 o’clock.

HENRY J. REID, Pres.
Flora (Monroe Twp.)—Principal Irick used Harold Sering in athletics during the present school year when ineligible under the enrollment rule. The parents of this boy moved from Logansport to Brinhurst, one and one-half miles from Flora, in August, 1930. The boy chose to remain in the Logansport High School and attended school there all of the school year 1930-1931, although he could have secured a transfer to the Flora High School. He entered the Flora High School in September, 1931.

Decision—Harold Sering declared ineligible for athletics in the Monroe Twp. (Flora) High School until he has been enrolled two full semesters following his enrollment there. The Monroe Twp. (Flora) High School placed on probation in the I. H. S. A. A. until June 1, 1932. Principal Irick requested to forfeit all games in which this boy has participated in the high school, to request them to notify the I. H. S. A. A. office when such letters have been received and to send a copy of the letter sent to the opponent Principals to the I. H. S. A. A. office on or before January 29, 1932.

Students, who change High Schools, must change at the time the parents change their residence, if reasonable adjustments in subject matter can be made at that time, or at the end of the semester, if eligibility for athletics is desired at once. Otherwise, the I. H. S. A. A. rule requires enrollment for two full semesters.

Play Days—Endorsement was given to the I. H. S. A. A. policy of considering the rules and regulations of the I. H. S. A. A., as they concern eligibility and other matters, binding on students who participate in Play Days in which more than one High School is represented.

Moving Picture Film—A letter from Asst. Manager H. V. Porter of the Illinois High School Athletic Association, regarding a film to be used in basketball clinics and costing $50.00, was submitted. It was considered inadvisable to purchase the film.

Fayetteville (Bedford)—The Commissioner authorized to handle this case which concerns the rule regarding Parents and Physicians' Certificates.

Frankfort-Muncie—The Commissioner was instructed to investigate the difficulties in the game between these schools Friday evening, January 22, 1932.

The meeting adjourned to meet at three o'clock (3:00) Saturday afternoon, February 6, 1932.

HENRY R. REID, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 6, 1932.

Due to the death of President Henry J. Reid on February 5, 1932, Robert Lambert was unanimously elected as President of the Board of Control to serve the unexpired term, ending July 1, 1932, of Mr. Reid, and to serve until January 1, 1933.

The Commissioner was instructed to send a floral tribute to the home of Mr. Reid and to send a letter to the widow and children, expressing the sympathy of the Board of Control and the Commissioner for the I. H. S. A. A. It was voted that as many Board Members as could do so should attend the funeral services of Mr. Reid, Monday, February 8, 1932.

President Lambert was authorized to sign the minutes of the Board of Control meetings left unsigned by Mr. Reid.

The Commissioner was authorized to secure compensation and liability insurance for the I. H. S. A. A. Basketball Tournaments in 1932.

A request was presented from Director K. L. Wilson of Northwestern University for a contribution by the I. H. S. A. A. or its members to the American Olympic Team. This whole matter was considered carefully and it was thought advisable to suggest to Director Wilson that he take up this matter with the High School Principals individually.

The division of the money in the I. H. S. A. A., above the sinking fund surplus of $100,000.00, was discussed at some length but no action was taken.

Mr. G. Ray Sharp requested the privilege of purchasing four season tickets to the State Basketball Tourney for 1932 additional to the tickets allotted his High School on the enrollment basis and additional to the two tickets allotted him as an Athletic Council Member. After careful consideration, the Board thought it advisable to follow the scheme as previously arranged for the distribution of tickets.

The Commissioner was authorized to make arrangements for a Health Study of the participants in the State Basketball Tourney along the lines similar to the ones in the Health Study made in 1927.

Information from Principal Young of Frankfort, Principal Martin of Muncie, Referee Miller of Indianapolis and Umpire Vandiver of Marion was submitted regarding an alleged mix-up of Locke and McCullough, players on the Frankfort and Muncie teams respectively, in a recent basketball game at Frankfort. No action was taken and the correspondence in the case was filed.

Coach Paul E. Brown, Principal J. E. Stewart and Trustee Dunn of Burlington appeared before the Board and gave evidence regarding the statements made by Coach Brown about an alleged visit of Coach Wells of Logansport to see Coach Barnes of Flora to secure the return of Harold Sering to the Logansport High School. All information and evidence was evaluated but no action was taken.

The Commissioner reported that he had held a conference with Radio Stations WKBF, WFBM and WOWO, together with the three
Indianapolis daily newspapers, regarding the broadcasting of the 1932 State Tourney. These stations agreed to broadcast the whole tourney and to permit other stations in the state to hook up with their studios.

It was decided to secure information from Director J. E. Gilroy of Gary regarding the games being played between and among the High Schools of Gary to see if all of the rules and regulations of the I. H. S. A. A. are being observed in every way.

Representation of the I. H. S. A. A. Board of Control at the meeting of the National Federation in Washington during the N. E. A. Meeting, beginning February 20, 1932, seemed desirable and the Board Members were authorized to attend if they desire to do so.

It was thought advisable to check the number of charity games played or scheduled by the Anderson High School first and second basketball teams above the twenty games permitted on the regular schedules for these teams.

Bloomingdale was transferred from the Clinton Sectional Tourney to the Greencastle Sectional Tourney, and Rockville was transferred from the Greencastle Sectional Tourney to the Clinton Sectional Tourney.

Officials for the Sectional and Regional Tournaments were considered carefully and the Commissioner was authorized to employ a sufficient number of officials to handle these tournaments, giving consideration to the information on file, the recommendations of the Board of Control and the desires of the officials. The Commissioner was also authorized to make a tentative assignment of these officials subject to the final approval of the Board of Control.

The Board adjourned to meet at 1:00 o'clock Friday afternoon, February 26, 1932.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 26 and 27, 1932.

The entry blanks for the sectional basketball tournaments were checked and all late entry blanks were rejected. Entries from the following schools were late and rejected: Fremont, Morgan Twp. (Porter County), Rolling Prairie, Tippecanoe, West Baden, Millersburg (Chandler), Clay Twp. (Miami County), Sugar Ridge (Clay County).

A tentative assignment of officials for all sectional tournaments was submitted, considered and accepted as final.

The necessary transfer of some schools, in order to have no more than sixteen schools in any tournament, were made. Lynn and Spartanburg were transferred from the Winchester Tournament to the Richmond Tournament. Lowell and Crown Point were transferred from the Gary Tournament to the Valparaiso Tournament.

The schedules for the sectional, regional and final tournaments were drawn by lot by the Board of Control in the presence of the represen-
tatives of the Associated Press, United Press, International News Service, Indianapolis News, Indianapolis Times and Indianapolis Star. Superintendent Medsker requested to be a witness to the drawings and was permitted to serve in that capacity.

Officials for the regional tourneys were considered, suggestions and recommendations were made regarding assignments and the Commissioner was authorized to make all assignments accordingly.

The following officials were chosen for the Final Tourney: B. E. Bayh, Vaughn Russell, Hugh Vandiver, Dale Miller and Carl Burt—Regulars; Glen Adams, Winston Ashley, O. F. Helvie and Paul Williams—Reserves. The Commissioner was authorized to select and employ officials in the reserve list if the need should arise.

The suggestions by Principal Wells of East Chicago, regarding a change in the Gary Tourney schedule to play some games on Thursday, were considered but it was decided to begin all 16-team tourneys Friday morning.

The Commissioner was instructed and authorized to make arrangements for a State High School Golf Tourney under the auspices of the I. H. S. A. A. in Indianapolis on Saturday, May 21, 1932, with the understanding that Technical High School, Indianapolis, will manage and conduct the tourney for the I. H. S. A. A. and subject to I. H. S. A. A. direction.

A brief report was made by Superintendent Julian regarding the meeting of the National Federation in Washington February 23, 1932.

Gary—The Commissioner submitted the request of Director J. E. Gilroy to be permitted to put on a program of inter-school, intra-mural athletic games in the Gary High Schools under the supervision of school supervisors but without observance of all of the rules of the I. H. S. A. A. as they concern inter-school athletics. This program would include only the students who were not included in the first, second, third, etc., teams participating in inter-school games.

The Board decided that they could not waive the rules of the I. H. S. A. A. in inter-school athletic games and that the proposed program would necessitate a change in these rules by the I. H. S. A. A. Athletic Council in order to be legal. The Board assumes that (1) under present rules each High School belonging to the I. H. S. A. A. is considered a unit member, (2) an intra-mural athletic program is a program carried on among and between the students within a unit member and (3) an inter-school athletic program is one carried on between and among unit members.

It was decided that the Board of Control would be considered in session during the sectional and regional tourneys, if the members were available, in case a conference became necessary.

Announcement was made of a brief meeting with the officials for the Final Tourney in the I. H. S. A. A. office at 8:30 P. M. Thursday, March 17, and all Board Members were invited to be present.

Authority was given the President to call a meeting prior to the Final Tourney if thought advisable and necessary.

The Board adjourned to meet at 5:00 P. M. Saturday, March 19, in the I. H. S. A. A. office at Gate 5 in the Butler Field House to select the Gimbel Prize winner.

**I. H. S. A. A. BOARD OF CONTROL MEETING**

**Indianapolis, Indiana, April 8 and 9, 1932.**

Middletown—Principal Byrne and the President of the Middletown High School Board were present to give information regarding the basketball playing of their first team on the regular schedule and in tourneys for 1931-1932. The evidence on file showed that the first team in the Middletown High School had played in twenty games during the regular season and in two tourneys at Alexandria and at New Castle in addition to the I. H. S. A. A. Sectional Tourney. Principal Byrne stated that the evidence on file was correct.

Decision—The rule in the I. H. S. A. A. Constitution regarding the limitation of basketball games in tourneys and on the regular schedule was violated by the Middletown High School during the season of 1931-1932. The evidence on file showed the first team in the Middletown High School had violated the rules of the I. H. S. A. A. until January 1, 1933, with the understanding that membership will be granted at that time upon application to and acceptance by the Board of Control and with the proviso that the Middletown High School shall observe the I. H. S. A. A. rules regarding the limitations on basketball schedules for 1932-1933 and that they play no more than ten (10) games of basketball and in one tourney between January 1, 1933, and the end of the basketball season.

Outdoor Track Meets—The details of these meets were considered and the Commissioner was instructed to arrange for them as in the past with the understanding that no rain insurance be carried on the sectional meets but that such be carried on the Final Meet. It was decided to guarantee to pay out of I. H. S. A. A. funds one-half of the legitimate deficit in each of the sectional meets up to a total maximum deficit of $50.00 on each meet.

---

**Important Dates**—The following dates were set:

2. Outdoor Track Meets, 1933:
   - (a) Sectional, May 13.
   - (b) Final, May 20.

The tabulation of the finances of all tourneys and the treasury was submitted, discussed and passed.

The Commissioner was instructed to employ two physicians to review and interpret the Health Study Examinations on file for the participants in the 1932 Final Basketball Tourney.

New Castle—Principal Valentine asked if gold watches, properly inscribed, might be accepted by the members of his basketball team which won the State Basketball Tourney. The Board referred Principal Valentine to Question and Answer No. 3, page 174 in the 1931 Handbook and gave him permission to act accordingly with the understanding that he file a complete and detailed report of his actions with the I. H. S. A. A. at an early date.

The Commissioner was authorized to investigate the basketball schedules of the following schools for 1931-1932: Straughn, Markleville and Daleville.

Post-Season Basketball—The Board affirmed the policy and regulation of (1) requiring Principals to carefully warn their students regarding the I. H. S. A. A. rules, (2) considering the standing of the High School jeopardized if proper warnings are not given by the Principal and (3) considering ineligible for all athletics until January 1 following all students playing basketball after the basketball season closes in their High School.

**I. H. S. A. A. BOARD OF CONTROL MEETING**

**Indianapolis, Ind., May 7, 1932.**

The Commissioner reported (1) that he had checked the 1931-1932 basketball schedules of Markleville, Straughn and Daleville, at the suggestion of Principal Byrne of Middletown, and found that the schools complied with the rules of the I. H. S. A. A., (2) that he had checked the 1931-1932 basketball game for charity of the Anderson High School and found that only one such game was played and (3) that Principal Zimmermann of Garfield High School, Terre Haute, had recently stated that the fan, who was guilty of causing the trouble at two of Garfield’s football games last fall, had left the city and his location is not known to the Terre Haute authorities.

The question of affiliation of the National Federation of High School Athletic Associations with the A. A. U. was discussed, and the Commissioner was instructed to notify Secretary Whitten that the
Board of Control of the Indiana High School Athletic Association is strongly opposed to such affiliation.

It was decided that member schools of the I. H. S. A. A. should not enter the National High School Track and Field Meet to be held at Chicago University this spring.

The question of golf participation of High School students during the summer months was discussed and it was thought that the rules and regulations regarding baseball playing should govern golf.

The purchase of bleacher seats for the Butler Field House by the I. H. S. A. A. was carefully considered and the Board of Control decided unanimously that the I. H. S. A. A. should not purchase any seats for this Field House.

The Commissioner presented the request of Miss Fedler, President of the Indiana Physical Education Association, for financial assistance in connection with their Annual Meeting in October, 1932. The Commissioner was authorized to give a reasonable amount of financial assistance to the Indiana Physical Education Association for this meeting.

The Board of Control considered the proposition of using football rules made by a committee of the National Federation, but voted unanimously to continue the use of the football rules published by Spalding. Section I, Article VIII of the I. H. S. A. A. Constitution reads, "Spalding's Official Football Rules shall govern in football."

Principal Chas. Zimmerman, Garfield High School, Terre Haute, submitted, through the Commissioner, the suggestion that all eligibility blanks for games and contests in the I. H. S. A. A. call for complete data regarding enrollments, dates of birth, grades, etc. The Board of Control carefully considered the suggestion, but was not convinced that the additional requirement would be justified since the present eligibility blank requires that the Principal certify over his signature that all participants are eligible under the I. H. S. A. A. rules.

Mr. Sharp, President of the Athletic Council, was present and discussion was given to the question of a State Physical Education and Health Program as such concerned the I. H. S. A. A. by a member of the Board of Control.

The Board adjourned to meet at 10:00 o'clock Saturday, June 11, 1932.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 21, 1932.

Evansville (Rolle High School)—Principal Irons requested permission to pay his football coach $300.00 out of the High School Athletic Fund and in addition to the regular salary paid to this coach as a teacher by the School Board, the same to be remuneration for services as Manager of athletics.

The Board referred Principal Irons to the rules of the I. H. S. A. A. concerning "Paid Coaches" and stated that these rules do not permit such an expenditure to a coach as requested.

Winamac—The Commissioner extended a suggestion by Supt. Roudebush of Winamac that prizes be given in the future to members of the runner-up teams in the State Basketball Tourney.

Consideration was given this suggestion but no action was taken.

Junior High School Regulations—Consideration was given to the regulations of the I. H. S. A. A. as they concern 9th grade students and the Commissioner was instructed and authorized to follow the policies and regulations that have been in operation for several years.

It was the consensus of opinion that the I. H. S. A. A. could not have any control of students in grades below the 9th grade unless a provision be made in the I. H. S. A. A. Constitution extending membership.

Anderson—A copy of the letter sent to Supt. W. A. Denny by the Chairman of the Indiana State Committee advising him because of the athletic situation created in the Anderson School system last fall was read.

Health Study Report—The Commissioner submitted the report on the medical examinations of the participants in the State Tourney as filed by Dr. J. K. Berman of Indianapolis. The report was made a matter of business for next meeting.

The Board adjourned to meet at 10:00 o'clock Saturday, June 11, 1932.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, June 11, 1932.

Brazil—Principal George R. Pell, Jr., and Mr. Kerr were present to give evidence regarding the age of Amos James Cockerham, the eligibility of Wayne Nees and Norman Moore for basketball during the season of 1930-1931, and the eligibility of James Owalt for basketball during the season of 1930-1931.

The school record secured from Picayune, Mississippi gives the date of birth of Amos James Cockerham as August 12, 1913. The evidence shows that the marriage application of this boy gives his date of birth as August 12, 1907. The birth certificate and the complete school record of the boy prior to entering Brazil High School were not available.
The case of James Oswalt was considered in 1930-1931. Some new evidence was available for reconsideration and it seemed to show that this boy participated in inter-school basketball during the second semester of the school year 1926-1927 when he was a 9-B student.

The evidence shows that Wayne Nees and Norman Moore entered the 9-B grade at the beginning of semester two, 1927-1928, and that they played in inter-school basketball games during that semester, that they were enrolled in High School in 1928-1929, 1929-1930, 1930-1931 and 1931-1932, and that they played basketball in inter-school games during the season of 1931-1932.

Decision—

(1) No action taken regarding the age of Amos James Cockerham.

(2) The evidence seems to justify the statement that James Oswalt was ineligible for High School basketball during the season of 1930-1931 and that this evidence could have been submitted at that time.

(3) Wayne Nees and Norman Moore were ineligible for inter-school basketball during the season 1931-1932 and the evidence in proof was easily available at any time.

(4) Brazil High School suspended from the I. H. S. A. A. until January 1, 1933 with the understanding that membership will be granted at that time upon application and acceptance by the Board of Control and with the provisions that the Brazil High School shall observe the rules regarding the limitations on basketball schedules for 1932-1933 and that they play no more than 10 games of basketball and in one tournament between January 1, 1933 and the end of the basketball season.

Shelbyville—Coach McCullough of Shelbyville and Coach Houck of Kendallville presented a scheme for the rating of officials and the Board agreed to carefully consider the scheme and the suggestions offered at a later meeting.

New Castle—Principal Roy Valentine asked if watches, properly inscribed with name, date and "State Basketball Champs" might be given to the Coach and the Assistant Coach of the New Castle High School Basketball Team.

Permission to give the watches was granted under the above conditions and with the approval of Principal Valentine.

Football Equipment—This whole matter was considered in the light of the injuries during the season of 1931 and the new rules. It was decided (1) To grant to all schools one season (1932) to make the necessary adjustments in equipment, (2) To require all new equipment to conform in all ways to the new rules and (3) To stress the necessity of taking precaution regarding football fields, equipment, training and physical fitness of the players, officiating and the type of playing.

Health Study Report—The report of Dr. J. K. Berman of Indianapolis, who reviewed and made a written report on the Health Study Blanks submitted for the participants in the 1932 State Basketball Tournament, was submitted and discussed. The most significant statement in the report follows: "From this study it is apparent that the Indiana High School Basketball Tournament has no demonstrable physical effect as judged by examinations herein outlined and performed by several physicians throughout the state. Certainly it has no deleterious effect. Perhaps from the standpoint of posture it has a good effect. However, the time interval between examinations (1 week) is entirely too short and the difference in methods of examination too diverse to draw conclusions."

Insurance for Athletes—The Commissioner submitted the tabulations of the reports submitted by the High School Principals covering athletic injuries in football, basketball and track for the school year 1931-1932. Considerable discussion was given to this matter and it was decided to give it further study.

Outdoor Track—Saturday, May 13, 1932 and Saturday, May 20, 1932, were set as the dates for the Sectional and Final Outdoor Track Meets respectively.

Basketball Clinics—It was decided to assist in the holding of basketball clinics and similar clinics for other sports in a financial way if necessary in 1932-1933.

Richmond—Glenn Bull entered the Richmond High School September 2, 1931, the 15th school day of the semester from the Winetka High School, Illinois, and without a change of residence of his parents to Richmond. He has been in attendance in the Richmond High School since that time. Principal E. C. Cline asked the Board if the enrollment of this boy in semester one of the school year 1931-1932 would count as one entire semester of enrollment.

Decision—Section 1, Article IX under "Enrollment" in the I. H. S. A. A. Constitution and Question and Answer No. 6 under "Enrollment" indicate that a part of one semester or even parts of two semesters do not make a full semester in the I. H. S. A. A. Accordingly, the enrollment of Glenn Bull in semester one, 1931-1932, can not be counted as a full semester in the I. H. S. A. A.

Petersburg-Lanesville—Principal Manhart of Petersburg and Principal Prage of Lanesville reported that Delbert Minnis and Joseph Schickel, respectively, lost their street shoes during the I. H. S. A. A. State Track and Field Meet held at Butler University and that they thought these shoes were removed from the lockers in the Field House.

The Board considered these cases carefully and decided that the I. H. S. A. A. should not be held responsible for the loss of these shoes. It was decided that it would be a bad precedent for the I. H. S. A. A. to assume the responsibility for equipment and apparel of athletes in state contests.
Kingsbury (Union Twp. High School)—Principal J. Harold Tower of Kingsbury and Principal W. Russell Wells of Mill Creek stated that their High Schools played two games of baseball last spring without the use of approved officials.

Decision—The Kingsbury (Union Twp.) High School and the Mill Creek High School placed on probation in the I. H. S. A. A. until January 1, 1933. The Board adjourned to meet at 10:00 o’clock Saturday morning, August 13, 1932.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, August 13, 1932.

Radio Broadcasting—The broadcasting of the games in the Sectional and Regional Tourneys was discussed but final action was postponed. It was thought, however, that all game and tourney broadcasting should be confined to non-commercial purposes.

Federal Tax on Tickets—The Commissioner reported that he had been unable to secure a definite ruling from the Bureau of Internal Revenue on this question.

Distribution of I. H. S. A. A. Money—The Board of Control adopted the decision of the Athletic Council reached April 16, 1932 and also adopted the following regulations for the distribution on October 1, 1932, after a careful study of the holdings, receipts and expenses of the I. H. S. A. A.:—

(1) The maximum amount apportioned to a school for membership and for participation in the years 1928, 1929, 1930, 1931 and 1932 shall be $50.00 on the basis of $5.00 for each year of membership and for each year of participation in a sectional tourney. This will make a total distribution of approximately $40,000.00 as the annual membership will be about 800 for the five years.

(2) Membership resulting in suspension for a part of a year shall count as membership for the year.

(3) Limited memberships shall count as memberships.

(4) A combination of two or more schools shall count as one school.

(5) The check shall be made to the High School and the endorsement shall be required to be for the High School by the Principal.

Basketball Tourneys—Discussion was given to these tourneys, the general scheme, tickets, contracts, lodging, meals, etc. Definite arrangements were postponed, but the scheme used in 1931 and 1932 for the distribution of State Tourney tickets was adopted for 1933.

Basketball Rules—The new rules and the communications on file regarding them were discussed at length. It was decided to refer requests for changes to the Athletic Council with information, since the I. H. S. A. A. Constitution states: “Spalding’s Official Basketball Rules shall govern in basketball.”

Annual Meeting—The Commissioner reported that he had secured two speakers. It was decided to request Coach A. A. Stagg of Chicago University to address the meeting as a third speaker.

Insurance—It was decided to print the tabulation of the 1931-1932 injuries in football, basketball and track in the next I. H. S. A. A. Bulletin and to continue to study the whole insurance question.

Bleacher Seats—It was decided that the I. H. S. A. A. would not be interested at all in the purchase of bleacher seats for the Butler Field House and that the I. H. S. A. A. was entitled under the lease to the same number of satisfactory seats as provided in the last five years.

Meeting Dates Set—1. September 17, 1932, 10:00 o’clock, I. H. S. A. A. office. 2. November 10, 1932, 10:00 o’clock, Lafayette.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, Sept. 17, 1932.

Minutes approved.

Annual Meeting—It was decided to use two speakers on this program.

Broadcasting Sectional and Regional Tourneys—The Board decided to follow the policy of close cooperation with the sectional and regional tourney center Principals and to eliminate commercialism.

High School Student—Interpretation No. 2 reading, “Any student who carries at least 15 hours of regular High School work is a High School student” was amended by adding, “provided such a student has been promoted to High School in the regular way and according to good school procedure.”

Conduct Rule Cases—

Roachdale—Robert Ryan declared ineligible for all inter-school athletics until January 1, 1933. At that time his case will be re-
viewed, upon recommendation of his Principal, and a new decision will be given. This boy was convicted on a charge of larceny in the Putnam County Circuit Court.

Judson—Roscoe Ray declared ineligible for all inter-school athletics until January 1, 1933. At that time his case will be reviewed, upon recommendation of his Principal, and a new decision will be given. This boy was convicted on a charge of larceny in the Court.

Surplus Division—The Commissioner reported that the checking of all schools had been completed and that the checks would be ready to send out on October 1, 1932.

The Board decided that a school that had not paid its dues for 1932 on or before September 1, 1932 should not share in the distribution.

The Commissioner was instructed and authorized to sell a sufficient amount of the I. H. S. A. A. Fourth 4½% Liberty Bonds to meet the amount of the surplus distribution.

Insurance—The Commissioner submitted a proposal by a reliable mid-western company and information about proposals by other companies. It was decided to send this first proposal to the Principals without recommendation or endorsement of the Board of Control and request that the Principals make known their desires at an early date.

Federal Tax on Tickets—The Commissioner submitted a letter from the Deputy Commissioner of the Treasury Department at Washington reading:

"You are advised that high schools qualify as exempt educational institutions providing no part of the proceeds of any admission charges collected by the high schools inure to the benefit of an organization or individual other than the high school."

The Commissioner also reported that "Form 754, Notification to Collector by Lessee where Lessee is Responsible for Collection of Federal Tax on Admissions" should be used by schools who rent their gymnasiums to other parties for athletic games and contests.

Physical Education Course of Study—Director C. L. Murray of the State Department of Public Instruction requested the reaction of the Board of Control toward an I. H. S. A. A. expenditure of $1200.00 to $1500.00 for the printing of a course of study in physical education and health for the elementary schools of the state.

After careful consideration the Board decided that the condition of the finances of the I. H. S. A. A., due to the distribution of a surplus on October 1, 1932 of approximately $40,000.00, would not justify the expenditure requested.

Baseball—It was decided that soft baseball and hard baseball are baseball, and that the rules and regulations of the I. H. S. A. A. govern both in like manner.

Jasonville—Principal Gunn requested that the eligibility status of William Burcham be determined. The permanent school record of this boy and the class books of three teachers were submitted in evidence regarding his enrollment in semester one, 1931-1932. The permanent record shows that the boy withdrew on the fourteenth day of the semester. The class books are marked differently and permit different interpretations.

This boy entered the Jasonville High School at the beginning of semester one, 1931-1932, from a High School in California without any change of residence of his parents being the cause. The father, who was making his home in Kansas, moved to Bloomfield last year and later to Jasonville. The boy was not enrolled at Bloomfield.

Decision—William Burcham ineligible as to scholarship until he has been enrolled and has passed in three regular High School subjects for one entire semester. The evidence is not convincing that the permanent record is not correct. The ten-day enrollment rule in the I. H. S. A. A. applies to students entering High School during and after semester two, 1931-1932 and the old rule governs this boy.

William Burcham ineligible as to change of High Schools from California to Jasonville until he has been enrolled two full semesters according to the enrollment rule in the I. H. S. A. A.

The Board decided that the expenses incurred by Athletic Council Members in sending out questionnaires regarding the new rules in basketball should not be borne by the I. H. S. A. A.

The Commissioner read a resolution that will probably be submitted to the State Meeting of the Indiana Medical Association, and there were no objections or recommendations.

The Board adjourned to meet at ten o'clock (10:00) Saturday morning, October 1, 1932.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, October 1, 1932.

In the absence of President Lambert, Mr. Snider was chosen chairman of the meeting.

A discussion of "organization day" and "opening day" of a school semester or year affirmed the present policy of considering the day on which regular class room instruction begins as the opening day, with the understanding that this whole matter be given additional consideration as it concerns other rules in the Association.

Indoor Track and Swimming Meet—It was decided to abandon this meet. Few, if any, High Schools in the state have indoor fields and a very small number of High Schools have swimming pools.

Outdoor Track Meet—The sectional and final meet dates were approved as May 13 and May 20, 1933 and it was decided to give financial assistance to sectional meets resulting in deficits.
I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, October 20, 1932.

The request of the Blue Key Organization of Indiana University to hold a High School Cross-Country Run was considered but was not granted, the policy of the I. H. S. A. A. being that all High School games, meets and tourneys must be held under the auspices of the High Schools concerned or under the I. H. S. A. A.

The Commissioner was instructed and authorized to negotiate regarding bleacher seats in the Butler Field House with the President and Board of Trustees of Butler University, with the understanding that the I. H. S. A. A. Board of Control would pay increased annual rental for an increased number of seats up to but not to exceed 50% of the price received by the I. H. S. A. A. for each seat sold above the number of 4,732 bleacher seats and for the period of five years or until the seats are paid for if paid for in less than five years out of this increased rental.

The Board voted that divorced students should be bound by the "married students" rule passed by the Athletic Council.

It was decided that the "ten day" rule should be considered in effect for students enrolling in High School during semester two, 1931-1932, and during semester one, 1932-1933, until the action of the Athletic Council in rescinding the rule takes effect upon publication in the Bulletin.

The Board adjourned to meet in Lafayette at ten o'clock Saturday morning, November 19, 1932, the Commissioner to secure and announce the meeting place.

ROBERT LAMBERT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Lafayette, Indiana, November 19, 1932

Discussion was given to the Federation Conference scheduled for the Morrison Hotel, Chicago, at 9:00 o'clock Saturday morning, November 26, 1932 and it was decided that the I. H. S. A. A. Board of Control should be represented by those who could attend the meeting. The Wabash Valley Basketball Tourney for 1932-1933 was sanctioned.

The pre-season game rule was affirmed and considered in effect as worded in the Constitution.

Annulment of a marriage was considered as coming under the provisions of the married rule.

The Board of Control regulation, that High Schools not members of the I. H. S. A. A. in 1932 prior to September 1, 1932 should not
share in the distribution of the surplus made on October 1, 1932, was affirmed.

Swayzee—David Thompson withdrew from the Marion High School and entered the Swayzee High School, the parents living at Swayzee for some time and the boy living with his grandparents outside of Marion when he was attending High School in Marion. The Commissioner had ruled that the boy was ineligible for athletics in the Swayzee High School until he had been enrolled two entire semesters according to the enrollment rule. The Board of Control sanctioned this ruling as being in accord with the I. H. S. A. A. rule.

The Commissioner reported that Butler University was building a new basketball floor running north and south in the field house.

The suspension of the Brazil High School and the Middletown High School ended January 1, 1933. The Commissioner was authorized to accept memberships in the I. H. S. A. A. from these schools at that time and upon evidence that the terms of the suspension were met.

The Board affirmed the regulation that teams made up of grade students and 9th year students could not enter and participate in tourneys or meets.

The problems of eligibility connected with the early closing of High Schools due to lack of money were discussed and the following regulations were adopted:

1. Students, enrolled in a High School that is permanently abandoned may enroll in other High Schools and be considered eligible therein according to I. H. S. A. A. rules. The Commissioner will request a written statement signed by the County Superintendent, the High School Principal and the Trustee stating that the High School is permanently abandoned.

2. Students, enrolled in a High School that is closed early or temporarily, may participate on the teams of this High School during the present school year provided they are supervised and directed at all times by their High School Principal and High School Coach; and also provided they are eligible under the I. H. S. A. A. rules. These students, if they enter other High Schools after their school has closed, can not be considered eligible therein during the present school year, but they may be considered eligible for their home school teams provided the rules and regulations of the I. H. S. A. A. are met.

3. Students, who enter other High Schools due to the early closing of their school year and who choose to remain in their new High Schools next year, even though their home High School is running, can not be considered eligible for any athletics in these new High Schools until they have been enrolled two entire semesters.

4. All cases of students changing High Schools at any time are subject to the undue influence rule.

The Board adjourned to meet at ten o'clock (10:00) Saturday morning, December 10, 1932.

FLOYD L. McMURRAY, Pres.

I. H. S. A. A. ATHLETIC COUNCIL MEETING  
Indianapolis, Indiana, April 16, 1932.

Absent—Riley L. Case.

The minutes of the last meeting were approved.

—129—
Division of Money Surplus in I. H. S. A. A.—The Athletic Council Committee, appointed by the President at the request of the Council to study schemes and to make recommendations to the Athletic Council, submitted its report and recommended the following scheme:

1. One-third of surplus to be divided pro rata among the member schools in good standing on October 1, 1932.
2. One-third of surplus to be divided pro rata on the basis of membership for the last ten years.
3. One-third of surplus to be divided pro rata on the basis of basketball tournament participation for the last ten years, weighting this participation as follows: Sectional—1, Regional—3, and Final—12.

After considerable discussion of this report it was decided to divide the sum of money in the treasury of the I. H. S. A. A. on October 1, 1932, above the fixed surplus of $100,000.00 and above the amount necessary for administration purposes, as follows:

1. One-half of the sum to be divided pro rata by years among the member schools on the basis of membership for the years 1928, 1929, 1930, 1931 and 1932.
2. One-half of the sum to be divided pro rata by years among the schools whose teams participated in the sectional basketball tournaments for 1928, 1929, 1930, 1931 and 1932.

The Board of Control was considered the authoritative body under the Constitution to make and administer this division on October 1, 1932.

The following sentences were added to Part 8, Section 2, Article III, Athletic Council, in the Constitution:

"The Athletic Council shall also meet on the evening prior to the Annual Meeting. At this meeting proposals by High School Principals will be acted upon and other business may be transacted."

The Commissioner was instructed to include in an early Bulletin the information that Principals have the privilege of sending proposals to the Commissioner at any time during the school year and that such will be printed in an early Bulletin thereafter with the understanding that consideration and action will be taken by the Athletic Council in their regular meeting on the evening prior to the Annual Meeting on proposals that have been received in time for adequate publicity prior to the meeting.

The President was instructed and authorized to appoint a Committee of three to confer with a Committee of the State Board of Education regarding a state program in Physical Education and Health Work and to report to the Athletic Council.

A motion to re-draft the Constitution of the I. H. S. A. A. was lost.

The certification of officials for games was turned over to the Commissioner with the suggestion that he make such improvements as seemed desirable from time to time.

Part (b), Section 3, Article VII, "Rules for Contests" in the Constitution, was changed as follows: The sentence reading—"Places in the relay races shall not count for points" was changed to read—"Places in the relay races may count for points."

Gary.—The Commissioner submitted the request of Director J. E. Gilroy to be permitted to put on a program of inter-school, intramural athletic games in the Gary High Schools under the supervision of school supervisors but without the observance of all of the rules of the I. H. S. A. A. as they concern inter-school athletics. This program would include only the students who were not included in the first, second, third, etc., teams participating in inter-school games.

On February 27, 1932, the Board of Control considered this request and ruled that they could not waive the rules of the I. H. S. A. A. in any inter-school athletic games and that the proposed program would necessitate a change in these rules by the I. H. S. A. A. Athletic Council. The Board also stated that (1) under present rules each High School belonging to the I. H. S. A. A. is considered a unit member, (2) an intramural athletic program is a program carried on among and between the students within a unit member and (3) an inter-school athletic program is one carried on between and among unit members.

The Athletic Council approved the opinions and action of the Board of Control.

Several additional questions concerning the I. H. S. A. A. and its workings were freely discussed, but no actions were taken by the Council.

The Council adjourned.

G. Ray Sharp, Pres.

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, October 19, 1932.

Meeting called to order at 7:30 P. M.

The minutes of last meeting were approved.

A closed meeting was voted.

It was decided that the President and the Commissioner should give publicity to the actions of the meeting.

Voting by ballot was adopted with the requirement of 13 votes to carry a motion.

The vacancy in Class 2, District III was considered and the President was instructed to appoint the remaining members in District III as a committee to nominate an eligible person to fill the vacancy. This committee reported and recommended that the person elected at
the next election assume his office upon election and for the unexpired term. The Council accepted the report and the recommendation. The following report was unanimously accepted and the committee discharged:

The committee appointed by President G. Ray Sharp to investigate the advisability of our association financing a director of physical education for the State Department of Education, submits this report:

“We recommend that this matter be referred to the Board of Control, with the further definite recommendation that any action on the matter be postponed indefinitely.”

(Signed) J. S. McCOWAN, K. V. AMMERMAN, R. NELSON SNIDER.

The rules and regulations regarding charity games in effect for 1931-1932 were voted in effect for 1932-1933. They read as follows:

a. One post-season game of football may be played by a school in 1932 for charity purposes, provided all such games are held under the direct supervision, direction and administration of the High School Principals concerned.

b. One game of basketball, above the twenty games permitted on the regular schedule for the present season, may be played by a school during the regular season for charity purposes, provided all such games are held under the direct supervision, direction and administration of the High School Principals concerned.

(Note—It is understood that these regulations hold for the football and basketball seasons of the present school year only.)

The “pre-season” game rule, Section 14, Article VIII, was affirmed as it appears in the Constitution.

A discussion of soft baseball and hard baseball was held, the consensus of opinion being that both games should be considered baseball games and that the rules and regulations of the I. H. S. A. A. should govern in such games.

The proposals as printed in Bulletin No. 2, October 3, 1932, were considered and action taken as follows:

1. “Section 3, Article IX (The enrollment of a student for ten days or less in any semester followed by permanent withdrawal from school shall not be considered as enrollment) shall be rescinded.”

This proposal passed by unanimous vote.

2. “Married students shall not be eligible for participation in inter-school athletic competition.”

This proposal passed, the vote being 17 to 7, and it was decided that it should take effect on January 1, 1933.

3. “On and after January 1, 1933, no school shall give to any member of any athletic team in their school anything of intrinsic value to exceed one dollar.”

This proposal was tabled, the vote being 19 to 6.

4. “The President of the I. H. S. A. A. Board of Control shall be the President of the I. H. S. A. A. Athletic Council, the term of office being not longer than one year in length.”

This proposal passed by a vote of 13 to 12, then it was voted to reconsider it by a vote of 15 to 4; and finally the original proposal worded to be more constitutional failed to pass by a vote of 15 to 10.

5. “The proposal as printed in Bulletin No. 2 regarding the ‘ten-second’ rule in basketball as it concerns floor requirements, the suggestions on file regarding the 1932-1933 rules in basketball and report of the Coaches Committee on basketball rules were carefully considered.

Coach Glenn Curtis of Martinsville, Coach Wendell Ballard of New Albany and Coach Paul Lostutter of Delphi reported that the results of their two questionnaires sent out to the High School Coaches of the State are as follows:

For the 1931-1932 Basketball Rules
- 164
For the 1932-1933 Basketball Rules
- 170
For 42 feet offensive area
- 163
For 37 feet offensive area
- 90

The Committee of Coaches made no recommendations to the Athletic Council.

The proposal as printed was tabled by a vote of 24 to 1. A motion to draw lines 40 feet from each end line was lost by a vote of 16 to 6.

The I. H. S. A. A. Constitution states that Spalding’s Official Basketball Rules shall govern in basketball. The Athletic Council, after careful consideration, affirmed this Section of the Constitution, but instructed the President to appoint a committee to study this whole question and report to the Athletic Council at their next meeting, which will be held the third Saturday in December, 1932.

The Council voted not to be seated on the stage during the Annual Meeting.

The meeting adjourned to meet at ten o’clock in the morning of the third Saturday in December, 1932.

1. For the purposes of election and administration there shall hereafter be five I. H. S. A. A. districts as at present provided, which may from time to time be modified by the authority of the Athletic Council of the I. H. S. A. A.

There shall be five classes of high schools in each I. H. S. A. A. District as follows:

Class I—Schools having enrollments of 1-75.
Class II—Schools having enrollments of 76-120.
Class III—Schools having enrollments of 121-250.
Class IV—Schools having enrollments of 251-500.
Class V—Schools having enrollments of 501 up.

(The determination of the Class of any high school shall be based upon the enrollment reported to the State Board of Education in the last official report requested by that body.)

2. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the I. H. S. A. A. except as hereinafter provided. During the inauguration of this plan there shall be for a few years what shall be known as an “Adjustment Period,” during which duplicate memberships in the various classes shall in certain cases necessarily be allowed whenever hold-over memberships from any district or districts shall happen to fall in the same enrollment class or classes. (County Superintendents who are hold-overs shall be considered “members-at-large” from their districts, and not be allocated to any class.)
3. As soon as practicable after the elections of December 10, 1930, the Legislative Body of the I. H. S. A. A. shall provide for special elections to be held as soon as convenient at which there shall be elected a new member of the Athletic Council from each unrepresented class in each I. H. S. A. A. District for terms of such length as will be the shortest fit into the scheme on the accompanying table, which is to be considered an integral part of this amendment. These terms may be from one to five years, but they shall in no case exceed five years. When the scheme is in full operation all elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in cases of a vacancy.

4. Vacancies in the Athletic Council shall be filled by the Athletic Council, the appointees to serve until the successors chosen at the next annual election take office. Such persons must be from the same class and District High School as the member originally chosen.

5. The Athletic Council shall choose a Board of Control of five members from the membership of the Athletic Council. All five classes of high schools shall be represented on the Board of Control, except as hereinafter stated for members who change their high school class after being elected. (During the Adjustment Period the Board of Control shall consist of the present hold-over members, together with such other members as may be necessary to provide representation for all five classes of high schools.) No member of the Board of Control shall serve more than three years, unless re-elected by the Athletic Council. Expiration of membership on the Athletic Council shall automatically terminate membership on the Board of Control. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall itself choose the successors.

Both the Athletic Council and the Board of Control shall choose its own presiding officer, who may or may not be the same individual. Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. The enrollment of a student for ten days or less in any semester followed by permanent withdrawal from school shall not be considered as enrollment.

(Note—This rule was rescinded by the Athletic Council October 19, 1932.)

Section 4. Back work may be made up, providing that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

residence.

Interpretation—
(a) A student enrolled in one High School of a City or

(b) Students finishing the courses offered in high schools
maintaining less than four years of High School
work are not bound by this section.
(c) The fact that a transfer has or has not been issued
or that the student pays or does not pay his tuition,
has no bearing on this section.
(d) Parts of two semesters do not make a full semester.
Note—On November 21, 1931, the Board of Control
decided that they would not exercise the power given the
Board in the proviso to this rule but would execute the
rule as worded and interpreted.

Section 2. No person, who has been enrolled as a student in an
institution of college standing, and has done work which may be
counted toward a degree in that institution, shall be eligible as a
member of any athletic team under I. H. S. A. A. rules in any game
with any other team, either within or without the State of Indiana.

ineligible for football.
(b) Any student, who has been enrolled twenty (20) or more

not participate in any game or meet during this second semester shall
not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 6. In order to be eligible for athletic competition during any semester a student must have entered some public High School within the first twenty school days of the semester in which the contest occurs.

**Participation**

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

**Parents and Physicians' Certificates**

Section 1. On and after January 1, 1927, a student who participates in any inter-scholastic football, basketball or track contest, shall have on file in the Principal's office a certificate of physical fitness and a certificate giving the written consent of the father, mother or guardian for such athletic participation as is specified therein. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

**Undue Influence Rule**

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

**Post Graduates**

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma providing the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, providing they meet all other eligibility rules of the I. H. S. A. A.

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty-one years of age.

Note—This rule was changed to "twenty years of age" October 21, 1931, and the new rule will take effect for all students entering High School for the first time during and after the second semester of the school year 1931-1932. It is not retroactive and does not apply to students who entered High School prior to the second semester of the school year 1931-1932.

**Amateurism**

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

**Injunction Suits**

The Athletic Council deplores the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.
Automatic Withdrawal

In the event that any High School member of this Association, through its Principal or otherwise, either directly or indirectly, causes a suit to be filed in any court seeking to cancel or modify any ruling or decision of the I. H. S. A. A. Board of Control or seeking to enjoin the enforcement or effect thereof, the filing of such a court action shall be taken as an immediate withdrawal of said High School from membership in the Indiana High School Athletic Association; and in such event a notice of such withdrawal and the occasion thereof shall be given the High School Principals whose High Schools belong to the Indiana High School Athletic Association; and the High School thus withdrawn from the membership shall not be eligible for membership for at least one year thereafter; provided the operation of this rule be subject to the discretion of the Board of Control in cases in which the standing of the High School in the I. H. S. A. A. has been placed in jeopardy by some party or parties not connected with the school.

Finances

1. There shall be the accumulation and establishment of a surplus in the I. H. S. A. A. treasury of $100,000.00 as soon as reasonable financing will permit, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.
2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above a $100,000.00 surplus and above the amount legitimately necessary for the running expenses of the I. H. S. A. A., these distributions to be made on October 1, 1932, and on October 1 of and for each three-year period thereafter.
3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, tourneys, meets and athletic contests that are necessary to establish and maintain the Indiana High School Athletic Association; and the High School thus withdrawn from the membership shall not be eligible for membership for at least one year thereafter; provided the operation of this rule be subject to the discretion of the Board of Control in cases in which the standing of the High School in the I. Married Students

Interpretations

1. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.
2. Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.
3. It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.
4. A game is an athletic contest entered into by a member of this association with players or teams not belonging to the member.
5. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

9. For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer providing it is done and becomes a matter of final record prior to the opening day of the next semester.
10. The baseball season is defined as beginning and ending with the school year.
11. The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.

14. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.

15. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in both schools, provided adjustments in subject matter and in courses in the new school can not be made at the time the parents change their place of residence.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the Commissioner has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

   A. No. This is not permitted under any conditions.

8. Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?
   A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

   "Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

9. Q. May the rules of a school be changed or special examinations be given in order to make students eligible?
   A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of
school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

** * * *

10. Q. Does wrestling come under the rules of the I. H. S. A. A.? A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

** * * *

11. Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana? A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

** * * *

12. Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.? A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal.

** * * *

13. Q. This question is often asked: "What will be the penalty for violation of such and such a rule?" A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails down.

** * * *

14. Q. What is considered the school year? A. A school year covers all time from the first day to the last day of the school year, including vacations.

-172-

15. Q. Are tourney schedules drawn or arranged? A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control and no schedule has ever been arranged or "fixed."

** * * *

16. Q. Does the Commissioner have a vote in the Board of Control and in the Athletic Council? A. The Commissioner is not a member of either group and has no vote in any of their deliberations.

** * * *

17. Q. May a married student be considered eligible? A. No, see rule.

** * * *

18. Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester? A. No. Such student is a failure for his last semester in High School.

** * * *

** * * *

20. Q. How are these Government Bonds protected? A. Burglary and Robbery Insurance are carried on the bank vault box and the Commissioner carries a Fidelity Bond.

** * * *

21. Q. Who examines the financial books of the I. H. S. A. A.? A. Ernst and Ernst, Public Accountants, the Board of Control and any High School Principal so desiring.

** * * *

22. Q. Who audits the financial books of the I. H. S. A. A.? A. Ernst and Ernst, Certified Public Accountants.

-173-
23.  
Q. How often is an audit made?  
A. Annually. The same is printed in the annual Handbooks of the Association.

24.  
Q. Who is eligible for election to the Athletic Council?  
A. Any bonafide faculty representative of a High School belonging to the I. H. S. A. A.

25.  
Q. How are Board of Control members selected?  
A. By the members of the Athletic Council from their own membership.

26.  
Q. Do Board members represent districts?  
A. Not necessarily. They represent enrollment classes of High Schools.

27.  
Q. Do Athletic Council members represent districts or classes?  
A. They represent classes and districts.

28.  
Q. When and how may Principals submit proposals for the consideration of the Athletic Council?  
A. Principals may submit such proposals at any time in a written way to the Commissioner who will submit them to the Athletic Council for consideration and action.

COACHES' MEETING

Manual Training High School Gymnasium, Thursday, October 20, 1932,

3:00 P. M.

Director E. D. Mitchell will address this meeting and there will be a business session following the address.
Dear Sir:

We have examined the records pertaining to the recorded cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION—INDIANAPOLIS, INDIANA, for the year ended November 14, 1932, and submit herewith our report.

A detailed statement of the recorded cash receipts and disbursements is attached hereto. Cash on deposit at November 14, 1932, was verified by direct correspondence with the Fletcher Trust Company, Indianapolis, and the amount reported to us was reconciled to the book balance. All recorded cash receipts for the period under review were compared with deposits as shown by bank statements on file and all disbursements for the same period were supported by canceled bank checks, except for those outstanding on November 17, 1932, the date to which our examination of the cash transactions was continued. We also examined invoices and other data in support of disbursements and no discrepancies were noted.

We were informed by the Arcus Ticket Co. of Chicago, Illinois, that 14,056 tickets were printed for the 1932 state basketball tourney. According to the records these tickets were disposed of as follows:

The $6,000.00 payment to Butler University represents the annual payment on a ten-year contract for the use of the field house.

U. S. Government securities, as shown by a separate exhibit attached hereto, were presented for our inspection. Proceeds from interest coupons and bonds sold were traced to the cash receipts records.

Fidelity bonds totaling $115,000.00 on Mr. Arthur L. Trester and the policy covering safe deposit box burglary and robbery insurance in the amount of $112,000.00 each, were presented for our inspection.

We hereby certify, that we have examined the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION—INDIANAPOLIS, for the year ended November 14, 1932, as herein outlined, and in our opinion the attached statement of cash receipts and disbursements properly reflects the cash transactions for that period.
