Our association has enjoyed a splendid and substantial growth. Founded upon correct principles, loyalty, patience, and wholesouled cooperation have been characteristic of the organization. The smaller number of disciplinary cases coming before the Board each year is indicative of the general respect for the rules and regulations as well as for the administration of the association.

School men have given the association their fullest co-operation and have always rallied to its support voluntarily and unhesitatingly when under attack by various outside agencies. A good example of this support was the loyal response of school men to the recent attack made upon our tournament system. They were quick to accept the challenge and rally to the defense of the cause. Under the pretense of protecting the health of our boys, deeper and more sinister motives were evident. Numerous suggestions were made and discussions held, most prominent of which was the series of meetings held throughout the state by members of the Council at which time, principals were invited to offer the results of their thinking. They accepted the issue as their individual problem rather than a matter merely to be settled by their representatives. Clear and constructive thinking was very much in evidence and much good came from these meetings. As the direct result, a modification of our tournament system was made in which play is extended over four weeks. This plan represents the combined thinking of our school men, and its enthusiastic endorsement by them is indicative of general satisfaction with the new plan.

The future will continue to present additional problems and issues. We must be progressive and yet sane in our thinking. It must constantly be remembered that our association belongs to our boys and girls, and their common good must always be kept in mind. Unselfishness and harmony must be our motto and the continued success of our organization will be assured.

BASKETBALL

James Lyboult, Morton High School, Richmond, was selected as winner of the “Gimbel Prize for Mental Attitude” by the I. H. S. A. A. Board of Control.

The following data give interesting information about schedules, finances, tourneys and officials.

ANNOUNCEMENT OF
SECTIONAL, REGIONAL AND FINAL
BASKETBALL TOURNEYS, 1935

THE TWENTY-FOURTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full.

SECTIONAL TOURNEYS
March 1 and 2

The following bases were used in selecting sectional and regional centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Railway, interurban and automobile road facilities. (3) General conditions,—attitude of local authorities, floors and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tournneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected by the Board and every attempt will be made to choose none but fair, disinterested, and competent men. Two officials will be assigned to tournneys having 8, 9, 10, 11 or 12 teams, and three officials will be assigned to tournneys having 13, 14, 15 or 16 teams. These officials will work each game alternating as referee and umpire. All schedules of hours, games, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the
presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

TOURNEY REQUIREMENT—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 8 a. m. Friday, March 1 and continue, if necessary, to 8 a. m. Sunday, March 3. Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. All competing schools are requested to ask for no longer entertainment than is necessary, but all schools are entitled to entertainment throughout the tourney. Lodging for Saturday night will be allowed in emergency cases only. Fairness by all parties must prevail in this matter of entertainment.

Money spent for entertainment decreases the amount to be divided among the schools.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 27, (2) transportation only, one round trip, shall be paid in lieu of each night’s lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) rest rooms for the day when lodging is taken at home by a school shall be an expense of the school securing such and not an expense of the tourney.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys, according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts if sufficient. If not, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars ($100).
3. The transportation shall be paid. (The Board of Control has decided on four (4) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars ($100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.
8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 6:00 p. m. Thursday, February 28. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.
9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Friday, February 15. These blanks should be sent between February 8 and 14. Do not mail entry blanks later than February 14, 1935. Blanks mailed according to these instructions should reach the I. H. S. A. A. office in time to be accepted. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees to all tourney games shall be as follows:

Four-session tourneys—season ticket $1.00, session ticket 35 cents;
Five-session tourneys—season ticket $1.25, session ticket 55 cents;
Six-session tourneys—session ticket $1.50, session ticket 55 cents.
No more shall be received for said tickets. No more tickets shall be sold than the seating capacity of the house will justify. All requirements of the State Fire Marshall and the City Fire Marshall shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 25. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 25. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 6:00 p.m. Thursday, February 28. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

EXTRA PERIODS—The games shall be played in eight-minute quarters. Each overtime period shall be three minutes, using as many such periods as may be necessary to break the tie. One minute intermission shall be allowed before each extra period.

WARNING—Entries close Friday, February 15, and can not be changed nor received afterwards. An entrance fee of one dollar ($1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entries blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

REGIONAL TOURNEYS
March 9
Each of the sixteen (16) Regional Tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) Regional Tourneys will constitute the sixteen (16) teams for the Final Tourney. The centers and the assignments of the sectional winners follow:

ENTRIES—Teams are limited to ten (10) men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. These teams may or may not be made up of the same men that participated in the Sectional Tournaments.

Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. These are due in the hands of the Commissioner on Monday, March 4, complete in every detail. If you desire to change your sectional tourney blank, send a definite telegram giving all data on or before this date. One entry fee covers all tourneys. The sectional entry blank will suffice for regional tourneys and will be used as made unless you instruct us otherwise on Monday, March 4.

ENTERTAINMENT—The Regional Center Principals have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 9 a.m., Saturday, March 9, and continue, if necessary, to 8 a.m., Sunday, March 10. All competing schools are requested to ask for no longer entertainment than is necessary. (See Sectional Tourney statements.) The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If not, legitimate expenses shall be considered an obligation of the Center Principal.

2. The Center High School shall receive one hundred fifty dollars ($150).

3. The transportation shall be paid. (See sectional contract.)

4. The Center High School shall receive one hundred dollars ($100).

5. The I. H. S. A. A. shall receive ninety per cent (90%) of the balance.

6. The remainder shall be divided equally among the competing schools.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

ADMISSION FEE—The admission fee shall be fifty cents (50¢) for single session tickets and seventy-five cents (75c) for season tickets.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: $72.00 for lodging, $72.00 for meals, $300.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The transportation mileage shall be considered the most direct and reasonable distance by automobile from the High School of the participating school to the Circle in Indianapolis.

ADMISSION FEE—The admission fee shall be $2.50 for a Season Ticket. See detailed information regarding tickets in back of this folder under “Tourney Information.”
PRIZES—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual trophy. A medal, known as the “J. Gimbel Prize for Mental Attitude,” will be given to the boy showing the best mental and moral qualities at the tourney. No other prizes shall be awarded.

CONDUCT OF PERSONS DURING STATE TOURNEY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

TOURNEY PARENTS AND PHYSICIANS’ CERTIFICATE—The Board of Control will require each Principal having a team in the tourney to file a Parents and Physicians’ Certificate in the I. H. S. A. A. Office on or before Wednesday, March 13, 1935, for each of the players listed on his tourney blank, the examination of each player to be made after the Regional Tourney date (March 9, 1935) by a regularly licensed physician. The blank certificates will be given to these Principals by the Regional Tourney Principals as soon as the Regional winners are known. Winning School Principals should ask the Regional Tourney Principals for these certificates Saturday evening, March 9, 1935.

WARNINGS—Entries are due Monday, March 11, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

TOURNEY INFORMATION

GENERAL:

This Bulletin carries full information about the sectional, regional and final tourneys. If you desire your questions answered, kindly consult this Bulletin. In giving information to the public and to your students, give it out as printed in this Bulletin. The wording has been carefully done and the information is official. Inform your public definitely now and frequently. The decisions of officials will be considered final in all tourneys. Schools entering these tourneys enter with this understanding. Give this information to your students and fans as often as necessary.

Contracts have been made with the Center Principals to hold our sectional, regional and final tourneys. The stipulations of these contracts have been published and are known to all. All of us have rights and we also have duties in these tourneys. Some things are guaranteed to all of us and some things are required of all of us.

If all of us want to exhibit fairness we can do so and there will be no difficulties. The spirit of honest dealings must pervade everything we do.

The Board of Control desires to assure all Principals and communities that preparations have been made to safeguard all tourneys in every way. Constructive suggestions are still welcome, however, and questions will be gladly answered.

STATE FINAL TOURNEY

Date—Friday and Saturday, March 15 and 16, 1935.
Place—Butler Field House, Indianapolis.
Location—Former site of Fairview Park, in northwest part of Indianapolis, at west end of Forty-ninth Street. Forty-ninth Street is a cross-town street, running from Keystone Avenue on the east to the Butler Field House on the west.
Directions—Get on Forty-ninth Street and go west.
Radio Service—WFBM, WIRE and WOWO, Radio Stations, will broadcast all games. These stations have agreed to cooperate with other stations over the state.
Buses—“High School Basketball Tournament” Buses will operate between Monument Circle down town and the Field House.
Management—The Board of Control has designated the Commissioner as Manager, and K. V. Annerman, Broad Ripple High School, and Fred R. Gorman, Technical High School, as Assistants, of this tourney. The phonenumbers are as follows: Commissioner—Riley 7270
Annerman—Humboldt 2781
Gorman—Cherry 2949

During the tourney the I. H. S. A. A. Field House Office will be at Gate 4.
Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:
1. Season tickets and these only will be sold prior to Friday, March 15, 1935. In recent years, last year being an exception, all tickets were sold prior to this date. The price for a season ticket will be two dollars and fifty cents ($2.50) and such a ticket will entitle the purchaser to attend the games in the morning, afternoon and evening sessions of both days of the tourney. If the capacity of the house is not sold in season tickets, day tickets at $1.25 each and session tickets at 60c each will be sold on the days of the tourney.
2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to properly distribute these tickets to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than two dollars and fifty cents per season ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

a. Orders for tickets having official Post Office stamp marks on the envelopes including and from Thursday, February 28, to and including Thursday, March 7, will be accepted if received not later than Friday, March 8, 1935. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings. This arrangement gives Principals one whole week in which to order tickets. Principals should order early in this week however.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in the order here given.

c. Incorrect orders are returned with instructions.

d. Orders will be filled by drawing the tickets as follows and in the order given: (1) Beginning with Section 9 and proceeding to the right around the 1st balcony in blocks with about 10% of each block in the front rows of the block; (2) Beginning with Section 1 and proceeding to the right around the bleachers, if there are available tickets after the 16 participating schools receive their allotments, and (3) Beginning with Section 11 and proceeding to the right around the second balcony.

e. This method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No passes or tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each. Each overtime period shall be three minutes, using as many such periods as may be necessary to break the tie. One minute intermission shall be allowed before each extra period.

6. Eating facilities will be arranged in the Field House.
7. Comfort accommodations will be found on each floor at each end of the Field House.

8. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Field House look for the Gate Number above the door corresponding to the one on your ticket.

9. Sixteen blocks of seats immediately around the playing floor, and with 290 seats to the block, will be reserved for the sixteen schools whose teams are in the tourney until Monday, March 11. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 11, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control. The drawings have been made by the Board already and will be executed as soon as the sixteen winners are known. These tickets will be sold with the definite understanding that they will be properly distributed by the Principals having teams in the tourney. Principals are obligated to order only such tickets as they can properly distribute. The full names and addresses of the purchasers are to be kept on file by the High School Principal for the information of the Board should such be desired. The drawings resulted as follows:

School No. 1 drew block No. 2; School No. 2 drew block No. 13; School No. 3 drew block No. 14; School No. 4 drew block No. 3; School No. 5 drew block No. 6; School No. 6 drew block No. 4; School No. 7 drew block No. 1; School No. 8 drew block No. 5; School No. 9 drew block No. 7; School No. 10 drew block No. 10; School No. 11 drew block No. 8; School No. 12 drew block No. 9; School No. 13 drew block No. 16; School No. 14 drew block No. 12; School No. 15 drew block No. 11; School No. 16 drew block No. 15. When participating schools are known their names will be arranged alphabetically and the blocks of seats will be assigned according to the drawings, the blocks of seats beginning with No. 1 at the south end of the west bleachers and extending around the floor to the right.

10. First Aid Rooms will be located in the east end of the Field House. Look for sign. Physicians and a nurse will be available.

11. Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tournament to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the “Gimbel Prize for Mental Attitude” has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis .......... Martinsville ........ 1917
Ralph Esarey .......... Bloomington ........ 1918
Walter Cross .......... Thorntown ........ 1919
Harold Laughlin ...... Bedford ........ 1920
Ralph Marlowe ......... Sandusky .......... 1921
Reese Jones .......... Vincennes .......... 1922
Maurice Robinson ...... Anderson .......... 1923
Philip Kessler ......... Richmond ........ 1924
Russel Walter .......... Kokomo .......... 1925
Richard Williams ...... Evansville (Central) 1926
Franklin Prentice ...... Kendallville .... 1927
Robert McCarness ..... Logansport .... 1928
Emmett Lowery ........ Technical (Indpls.) 1929
Kenneth Young ......... LaPorte .......... 1930
Norman Cottom .......... Wiley (Terre Haute) 1931
Jess McAmaly .......... Greencastle ...... 1932
James Seward .......... Shortridge (Indpls.) 1933
Arthur Gosman .......... Jasper .......... 1934
James Lyboult .......... Richmond ....... 1935

These boys have been chosen by committees appointed by the management of the State Tourney and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

The above, together with a mile relay and a half mile relay, will constitute the events of the meets. Winning a first place in any event in the final meet counts five points; second place, four points; third place, three points; fourth place, two points; and fifth place, one point. Winning a first place in any event in the sectional meet counts five points; second place, three points; and third place, one point. Points in the relays will be counted in determining the winning team. In case of a tie in any event the points shall be divided and the places awarded by lot. No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races.

The 1935 N.C.A.A. Track and Field Rules recommend some changes in the hurdle events for high schools. These recommendations have been accepted with merit, but the Board of Control decided to follow the rules rather than the recommendations for the present year.

The order of events is as follows:

**Track Events**—100-yard dash trial; 120-yard hurdle trial; 100-yard dash final; one mile run; 440-yard run; 120-yard hurdle final; 220-yard dash trial; 220-yard hurdle trial; 880-yard run; 220-yard dash final; 220-yard hurdle final; mile relay; half mile relay.

**Field Events**—Running high jump; shot put; pole vault; running broad jump.

### SECTIONAL TRACK AND FIELD MEETS

May 11

The following bases were used in selecting centers:

1. Location—geographical with reference to schools desiring to participate;
2. Transportation accommodations;
3. General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.;
4. Rotation.

Schools have been assigned by counties, and the accompanying scheme gives the Centers and the counties assigned to each Center. The name of your county located your Center. The Board reserves the right to readjust the scheme if necessary. Entry blanks are necessary.

**Management**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal.

The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. All meets shall begin at 1:30 o'clock and follow the order of events here given. Places on the track must be assigned by lot. Spalding's National Collegiate Athletic Association Track and Field Rules shall govern except as modified in this announcement regarding scoring, eligibility, events and order of events.

**Open Contest**—These meets are open to all members of the Association, irrespective of their season's record.

**Entertainment**—Two men, if actual contestants, for each event, four men, if actual contestants, for each relay team and a faculty manager from each competing school will be entertained by the Center Principal. Entertainment shall consist of one meal at noon, dressing rooms, lockers and shower facilities. The meal provided by the Center Principal shall constitute the only meal allowed.
Expenses—There will be no entry fee. Traveling expenses must be paid by the competing schools.

Privileges—All actual contestants and one faculty manager for each team are admitted free to the meet.

Eligibility—The eligibility of each player must be certified to by the Principal of the school sending the team. The regular blank of the I. H. S. A. A. must be used and all data must be given. Entries positively will close Thursday, May 2. This means that they must be in the hands of the Commissioner, complete in every detail, on that date.

Admission Fee—The admission fee to all meets shall be not more than twenty-five cents, but may be any amount less than twenty-five cents.

Prizes—Suitable ribbons shall be given to the winners of first, second and third places in each event, and to each member of the winning relay teams. No other prizes shall be given.

Warnings—Entries close Thursday, May 2, and can not be changed afterwards. Special privileges will be granted to no one. Send all entry blanks to the Commissioner.

FINIAL MEET, SATURDAY, MAY 18
Butler University Field, Indianapolis

Entrants—The winning relay teams and all men winning first and second places in each event in the Sectional Meets shall constitute the participants in the Final Meet. In case of a tie in first or second place, the right to enter the Final Meet goes to the winner of the badge who will be determined by lot by the Referee of the Sectional Meet.

Entertainment—Entertainment for actual contestants will begin, if necessary, at 8:00 p. m., Friday, May 17, and continue, if necessary, to 5:00 p. m., Saturday, May 18. All competing schools are requested and expected to ask for no longer entertainment than is necessary. Traveling will be at the expense of the competing schools. Since track and field meets usually produce little revenue, all schools are requested to be exceedingly careful in expenditures. Only actual contestants and one faculty manager from each school will be entertained. The I. H. S. A. A. will serve the noon meal on Saturday and will not be obligated for meals taken elsewhere at this time. Friday and Saturday evening meals will not be allowed as I. H. S. A. A. expenses. The I. H. S. A. A. had a deficit in the State Meet last year of $943.40. Not more than $1.00 for lodging and 50 cents for meals will be allowed. Fred R. Gorman, Technical High School (Phone Cherry 2949) and K. V. Ammerman, Broad Ripple High School (Phone Humboldt 2781) are Assistant Managers of the State Meet.

Trial Events—Trials will be held beginning at 10:00 o'clock Saturday morning in the following events: 100-yard dash, 220-yard dash, 120-yard hurdle, 220-yard hurdle, pole vault, shot put, broad jump and high jump.

Races—The following events will be run in two races in the afternoon: 440-yard run, 880-yard run and one mile run. Points and medals will be given for first, second, third, fourth and fifth place winners in each of the two races for each event. The afternoon events will begin at 1:30 o'clock.

Privileges—All actual contestants and one faculty manager for each team are to be admitted free to the meet.

Admission Fee—The admission fee to the meet shall be fifty cents ($0.50).

Management—The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Meets.

Prizes—The I. H. S. A. A. will award the winning school a shield or cup; medals of gold, silver and bronze to the winners of first, second, third, fourth and fifth places in each event; and medals to the members of the winning relay teams. No other prizes shall be given.

Registration—All teams must be checked in at the Butler Field House by the Coach or Principal. The check-in gate, No. 4, will be open at 7:00 a.m. on Saturday. Principals are responsible for the proper registration of their teams on time. Late registrations will not be accepted. Correct expense statements must be filed at the time of registration.

BASEBALL PLAYING

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.
BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers’ Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are seven hundred ninety-eight (798) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.

Prin. E. F. Fribley, Auburn.
Prin. J. A. Mohler, Scottsburg.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.
The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals by mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed a disenrolling vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the twenty-five years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title “Permanent Secretary,” established in 1906, was changed to “Commissioner of High School Athletics” in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.
Lowell-Valparaiso Game—The Commissioner was instructed to request the presence of Referee Vincent McGrath of Gary, and Principal M. E. Goodwin and Coach Jim Crow of Lowell to the meeting of the Board of Control in the I. H. S. A. A. office at 2:30 o'clock Saturday afternoon, December 15, 1934.

I. H. S. A. A. Office—The commissioner was authorized to secure a lease on the present space for three years at $150.00 per calendar month.

New Albany—Principal C. C. Katterjohn presented a newspaper account of a basketball game in which a Junior High School team participated during the second semester of 1930-1931. The names of Scott and Stocksdale appear in the list of substitutions. James Scott and Robert Stocksdale, 9-B students at that time, state that they do not remember that they participated in this game. Principal Katterjohn states that there were other pupils by the same last name in the Junior High School at the time.

Decision: The responsibility of proving that James Scott and Robert Stocksdale are not the Scott and Stocksdale whose names are given in the list of substitutions in a basketball game in March, 1931, belongs to Principal Katterjohn. The Board is of the opinion that the evidence indicates that these are the same boys.

Hobart—Principal R. A. Nuzum as Secretary of the Lake County High School Association requested a meeting with the Board of Control. The Board set 1:30 o'clock Saturday afternoon, December 15, 1934, in the I. H. S. A. A. office for this conference and extended an invitation to any or all of the Principals of the high schools in Lake County to attend the meeting.

Gary—The Commissioner was instructed to send a letter to each of the High School Principals in Gary requesting at an early date the information called for below:

1. Names of boys, if any, who participated in any interschool athletics when ineligible after and under the interpretation regarding the scholarship rule as printed in an I. H. S. A. A. Bulletin October 3, 1934, was received; and after and under the interpretation regarding the same rule as sent to Director Gilroy in a letter dated October 25, 1934; and after and under the letter regarding the same rule dated November 12, 1934, was received.

2. Explanations or reasons for the participation of such students.

3. Games and dates of games in which these boys played.

4. Statements to clarify data, if needed.

Central-Burris (Muncie)—Permission was given by the Central school officials to the Calumet Club and the T. M. C. Club in the Central High School to play a preliminary game of football. A student in the Burris High School played on one of these teams. The Commissioner was instructed to secure additional information but to consider all of these boys ineligible for interschool athletics until the case is finally decided.

Warsaw—Raymond Parker participated in a basketball scrimmage at Leesburg, Tuesday night, October 30, 1934, as a member of one of the teams of an independent club there.

Decision: Raymond Parker considered ineligible for any high school basketball for all of the present school year.

The Board adjourned to meet at ten o'clock (10:00) Saturday morning, December 8, 1934.

H. H. NEWGENT, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 8, 1934.

Superintendent Julian was made Chairman in the absence of President Newgent.

Green Township—This case was considered but no action was taken.

Muncie—Principal Addison reported that two of the Central High School clubs were given permission to play a football game preliminary to the Kokomo-Central game on October 5, 1934, and that one boy from the Burris High School played on one of the teams.

Decision: Principal Addison considered somewhat lax in the consideration and management of the game in question, and the whole situation turned over to the Principals concerned to take such action as they think it deserves.

Elnora-Scotland—This case concerns the withdrawal of the Elnora team from a game by Principal Kennedy. The Commissioner was instructed to invite Principal Kennedy of Elnora, Principal Steele of Scotland and Referee Goodman of Linton to a hearing in the I. H. S. A. A. office at 3:00 o'clock Saturday afternoon, December 15, 1934.

Scholarship Rule—The following statement was submitted by the Commissioner and considered by the Board but final action was not taken:

"The combination of two subjects, whose total credit value is equal to one full semester credit, may be counted toward eligibility in athletics for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted."
It was decided to give additional consideration to this statement following a hearing scheduled for Saturday, December 15, 1934, with the Lake County Principals.

Basketball (Extra Periods)—It was decided to use the following scheme in the sectional, regional and final tourney:

“Each overtime period shall be three minutes, using as many such periods as may be necessary to break the tie. One minute intermission shall be allowed before each extra period.”

Chrisney—The Commissioner was instructed to inform Principal Ruehle that the eligibility status of Ferdinand Ruehle would be determined by the Board of Control when this boy actually enrolls for regular attendance in his high school.

State Contests—It was decided to present for discussion the matter of Golf, Swimming, Indoor Track and Tennis contests to the Athletic Council.

I. H. S. A. A. Audit—Copies of the 1933-1934 audit by Ernst and Ernst were distributed.

I. H. S. A. A. Office Lease—A three-year lease on the present office rooms at $150.00 per calendar month was signed by Mr. Hallett, President of the Athletic Council, upon instruction and authority of the Board of Control.

Wabash Valley Tourney—The Commissioner was authorized to issue a sanction for this tourney for 1934-1935.

Data regarding tourney invitations, tourney centers and tourney assignments were presented and discussed. Final decisions in these matters were deferred to a later meeting.

The Board adjourned to meet at the close of the Athletic Council meeting Saturday, December 15, 1934.

ROY B. JULIAN, Chairman.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 15-16, 1934.

Superintendent Julian acted as Chairman in the absence of President Newgent.

Scholarship Rule—The Principals of all of the Gary High Schools and the Principal of the Washington High School of East Chicago, representing the Lake County High School Principals’ Association, were present. The Scholarship Rule in the Constitution was carefully considered and the following interpretation was made to take the place of the interpretations recently made regarding this rule:

Interpretation: The part of Section 1, Article IX under Scholarship in the I. H. S. A. A. Constitution reading, “—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week” is interpreted to mean, “—a passing grade in each of three or more regular high school subjects having a full semester credit value and for which a full semester credit is given.” The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Lowell-Valparaiso—This case concerns the football game played at Lowell on Friday, November 9, 1934. The Lowell Coach, Mr. Crow, employed Vincent McGrath of Gary and Mr. Kennedy of Lowell to officiate the game. It was alleged that the officials were incompetent, that Coach Crow protested vigorously, that he went on the field of play to protest during the game and that there were some arguments following the game. Evidence was given by all parties.

Decision: Lowell High School placed on probation in the I. H. S. A. A. until June 1, 1935, due to lack of proper management of the game and the conduct of the Coach during the game.

Elnora-Scotland—This case concerns the game of basketball played at Scotland, November 23, 1934. E. V. Kennedy, Principal and Coach, withdrew his players from the game before the end of the game, alleging that the officiating of Referee Jere O. Goodman of Linton was too loose and very incompetent and that he feared trouble if the game continued. Evidence was submitted by all parties concerned.

Decision: The Elnora High School suspended from the I. H. S. A. A. until April 1, 1935, under the rule in the I. H. S. A. A. Constitution reading: “The I. H. S. A. A. deplores the action of anyone withdrawing a team from an athletic contest. Such action will jeopardize the standing of the school taking such action in the I. H. S. A. A.”

Indoor Track and Swimming Meet—It was decided to hold this meet at Butler University, Saturday, March 30, 1935.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 12, 1935.

Danville-Clayton—This case concerns a game played at Danville, December 7, 1934. The evidence indicates some irregularities were present in the management, attitudes and officiating.

Decision: The game stands as managed, scored, timed and officiated, and a warning is extended to all parties concerned.
Merrillville-Liberty Center—A girls' game and a boys' game of basketball were played at Liberty Center December 14, 1934. A hearing was held. The following persons were present and presented evidence: Principal Lemmel, Coach Robinson, Score Rumbaugh, Timer Houckin and Mr. Hepner of Merrillville; Principal Bockelman and Coach Ulrich of Liberty Center; Referee Barnes of Michigan City. A letter from Umpire Bigelow was read and other correspondence was submitted.

Decision: The evidence indicates that the games were poorly managed and loosely officiated, and that the attitude of the school officials and fans were unsatisfactory.

Both schools and both officials (referee and umpire) placed on probation in the I. H. S. A. A. until June 1, 1935. The Board recommends that the management, coaching and officiating of girls' athletic games be conducted by women.

Prizes and Awards—The Board approved the policy of permitting trophies having symbolic value to be given to individuals, teams and schools if the sections under "Prizes and Awards", Article XI, Sections 1, 2 and 3 in the I. H. S. A. A. Constitution are observed and if copies of all agreements regarding such trophies are filed in the I. H. S. A. A. office bearing the signatures of the Principals of all schools concerned as well as the signature of the donor of the trophy. The agreement must carry the stipulation that any scheme for the giving of a trophy may be canceled at any time by the Principals, the donor or the I. H. S. A. A. No prizes of any kind may be awarded in connection with any I. H. S. A. A. sectional or regional basketball tourneys and the I. H. S. A. A. will have entire charge of any awards in the final tourney. Merchandise prizes are considered the same as cash prizes in the I. H. S. A. A.

East Chicago (Roosevelt)—Principal Myers reported that some of his students carried shop work for three consecutive periods or one half-day and that 3½ hours of credit are entered for each of the three periods, thus making a total of 10 hours per semester for the three periods.

Decision: The work as reported by Principal Myers may be counted as two regular high school subjects toward eligibility in athletics in the I. H. S. A. A.

Veedersburg-Hillsboro—Principal Taylor and Coach Ward reported that Howard Richardson, a player, struck Referee Dickerson when a disqualifying foul was called in a game at Veedersburg, January 4, 1935, and that they had apologized to Principal Cade of Veedersburg and to Referee Dickerson. Principal Cade requested to investigate thoroughly the case of a fan who struck a Hillsboro player and to report at an early date the results of his investigation and the actions that had been taken by him in settlement of the case.

School Health Institute—The Commissioner was authorized to secure one registration at a fee of five dollars ($5.00) for the I. H. S. A. A. in this Institute which is scheduled for Indianapolis, February 16, 17 and 18, and to give the Institute publicity among the Coaches, Principals, Physical Directors and Health Workers. Inter-State Tourneys and Meets—It was decided to publish the sections in the Constitution of the National Federation of State High School Athletic Associations and to check all such meets and tourneys accordingly.

Golden Glove Contests—These contests and similar contests were considered at length and the following statements were made as regulations to guide those concerned:

(1) Participation of a high school student in an athletic contest under auspices and management other than his high school makes the student ineligible in high school for the sport in which the participation took place.

(2) Acceptance of remuneration, directly or indirectly, for athletic participation or playing under an assumed name make a student a professional in the I. H. S. A. A. and thus ineligible for all high school sports.

Boys School (Plainfield)—Superintendent Dill requested membership in the I. H. S. A. A. for this school. The whole matter was carefully considered and the Board of Control believes that under the present rules and regulations of the I. H. S. A. A. it has not the authority to accept the school as a member.

Basketball Tourneys—The following scheme was adopted for the timing in all sectional, regional and final tournaments in 1935:

"Time shall be taken out whenever a foul is called. (a) In case of a technical foul or of a double foul, time shall be resumed when the Referee blows his whistle as he tosses the ball up at center; (b) in case of other fouls, time shall be resumed when the ball leaves the free thrower's hands if only one free throw has been awarded, and when the ball leaves his hands for the last free throw if more than one has been awarded.

"Note—The Referee shall determine upon a signal with the Timekeepers for 'time out' and 'time in', especially in connection with fouls and free throws. The Referee should signal clearly to the Timekeepers the instant the ball leaves the free thrower's hands."
Indoor Track and Swimming—The details of these meets were considered and sanctioned as of last year.

Insurance—The Commissioner was authorized to place the Liability and Compensation Insurance of the I. H. S. A. A. with the company that has been carrying it unless there were convincing reasons for changing.

The meeting adjourned to meet at ten o’clock Saturday morning, February 2, 1935.

FRED R. GORMAN, Pres.

Decision: The action taken by the Hillsboro Principal and Coach accepted and commended. The matter of a school award to the boy turned over to the Hillsboro Principal and Coach to handle as they think advisable.

The Commissioner was authorized to accept the agreement if received soon and if it has sufficient merit for acceptance.

Jeffersonville—The Principal held a basketball tournament in which his own school and three schools from Kentucky participated in violation of a rule of the National Federation of High School Athletic Associations. He stated that he did not know that there was such a rule and also pledged that no more such tournaments would be held by him.

Decision: Case dropped with the explanation given and the pledge extended being filed.

Rushville—In answer to a question as to whether or not the acceptance of remuneration by a high school student for officiating grade school games makes the student ineligible, the Board respectfully refers the school authorities to Sections 1 and 2, Article IX under Amateurism in the I. H. S. A. Constitution and states that these Sections are applicable and that the acceptance of remuneration for officiating is covered therein.

Special Tournament Certificates—The question of special tournament Parent and Physicians’ Certificates for the participants in sectional tournaments was discussed and it was decided not to require this additional certificate but to continue to stress the idea of physical fitness for participation in all games, practices and tournaments. The boy enrolled January 28, 1935, and Principal Lutz requested to know the status of the boy.

Decision: Raymond Ryle considered ineligible for athletics in the Lawrenceburg High School until September 10, 1935, under Section I, Article IX, under Enrollment in the I. H. S. A. A. Extra Periods in Basketball—One of the 1935 sectional tourney basketball games resulted in too many extra periods. This situation had never existed in such manner in any I. H. S. A. A. tourneys and was not anticipated this year by anyone. It may never arise again, but the following ruling has been made by the Board of Control to govern the games in the regional and final tourneys for 1935:

I. No more than two three-minute extra periods may be played in any game.

The Board adjourned to meet at 10:00 o'clock Saturday morning, June 15, 1935.

FRED R. GORMAN, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, June 15, 1935.

The Commissioner presented a letter from Principal Vorgang of Jeffersonville, a student pledge and a clipping regarding steps taken and to be taken as they concern unsolicited visits of high school students.

A letter from Principal Katterjohn of New Albany, regarding a ticket situation at his sectional tourney was also presented.

Horace Mann (Gary)—Nick Militich carried English, Algebra, Health Work, Citizenship and Vocations for twenty-six weeks, three periods per week at Plainfield last year. He withdrew from this high school April 25, 1935, and entered the Horace Mann High School soon thereafter, carrying Shop and Mechanical Drawing Work therein until the end of the school year. Principal Lutz reported that he would grant credits to this boy for the work done at Plainfield, but that no credit would be given for his work in Horace Mann last semester.

Decision: Nick Militich can not be considered eligible, under I. H. S. A. A. Scholarship Rules, for any athletics in the Horace Mann High School until he has been enrolled and has passed in three regular high school subjects for one entire semester.

Clear Spring (Ewing)—This case concerns charges of alleged ineligibility of athletics on account of grades, cooeision in securing contributions from teachers to carry on athletics, coaching activities by a teacher not having license qualifications and the use of undue influence in soliciting basketball players and in securing one basketball player.

A hearing was held by the Board of Control May 17, 1935. Principal H. L. Scott, Mr. Ralph Scott (Assistant Coach), Trustee Louden of Owen Township, Commissioner Ezra Scott, Hamel Goodin, Perry Martin (a teacher at Clear Spring), Edgar Goodin, John Potter, Coach Floyd Stark of Houston, Mr. Roy Pearson, Trustee Oscar Decker of Salt Creek Township, and several others were present.

The Pearson boy of Houston and the Potter boy of Bedford did not enter the Clear Spring High School, but Hamel Goodin of Bedford, did enter and played basketball on the Clear Spring basketball team. The father, John Goodin, and his family moved to Clear Spring last fall. The father was employed to do some painting and repair work at the high school. The family moved back to Bedford during the latter part of March, 1935, but the boy, Hamel, remained at Clear Spring. A number of signed statements were submitted in the case.

Decision: The Clear Spring High School suspended from the I. H. S. A. A. until April 1, 1936, under the rule in the I. H. S. A. A. Constitution reading as follows: "The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the I. H. S. A. A."

The Board decided to distribute the money in the I. H. S. A. A. treasury above the $100,000 surplus and also above the amount necessary for administration expenses on October 1, 1935, on two bases: (1) membership in the I. H. S. A. A. for 1933, 1934 and 1935, and (2) participation in sectional tourneys for the same years with the understanding that a school must have been a member of the I. H. S. A. A. on or before June 1, 1935, to count this year as a member school in this distribution.

Dates for the Outdoor Track Meets were set as follows: Sectional—Saturday, May 9, 1936. Final—Saturday, May 16, 1936.

Dates for the basketball tourneys for 1937 were not definitely fixed but the consensus of opinion was that these tourneys should begin and end one week earlier than the tourneys for 1936.

Discussion was given to the Golf Tournament, the Indoor Track Meet and the Swimming Meet, but definite arrangements were not made for these events.

The schedules, contracts and arrangements for the 1936 basketball tourneys were considered at length and tentative plans were perfected.

FRED R. GORMAN, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, August 24, 1935.

Distribution of Money—A study of the holdings, receipts and expenditures of the Association was made and it was decided to divide approximately $40,000 among the member schools on October 1, 1935. The maximum amount apportioned to a school is $48.00 on the bases of $8.00 for each year of membership and $8.00 for each year of participation in sectional basketball tourneys for the years of 1933, 1934 and 1935. The Commissioner was instructed and authorized to send checks to the Principals and to require their endorsements for their high schools.
Indiana Weekly Press Association—Careful consideration was given to a request made by the officers of the Indiana Weekly Press Association “that the announcement of the drawings (of the basketball tourneys) be made in the Commissioner’s office at least ten days previous to the first day of play.”

The Board of Control has been desirous of spreading in a wide way the information contained in the drawings of basketball tourney schedules and believes that the present scheme, through the radio, the telephone, the telegraph and the daily papers, does disseminate this information quickly and accurately in all parts of the state.

Insurance—Consideration was given to insurance covering the help at the sectional tourneys, but it was decided that such help is not an obligation of the I. H. S. A. A.

“Change of High School” Regulations—A list was included in the minutes of the Board for September 29, 1934, and was printed in the 1934 Handbook. This list was sanctioned with the following changes: Regulation 10 to read: “A student, who changes high schools without a corresponding change of residence of his parents at the time, may be considered eligible when the parents do make such a change of residence provided the change of residence is bona fide and made within a reasonable time after the student changes high schools.” Regulation 17 to be added: “Students enrolled in a high school that is abandoned due to the burning of the building or for other legitimate reasons may enter other high schools with the same eligibility as they possessed in the old school.”

Logansport—Principal Cox requested that his school be permitted to play a game of football on Saturday prior to the opening of school. The Board cited the rule in the I. H. S. A. A. and stated that the rule could not be waived at this time since all schools have had sufficient time to make their contracts accordingly.

Broadcasting—It was decided that broadcasting of the sectional, regional and semi-final tourneys would be denied until the Center Principals were assured that all tickets would be sold.

Clear Spring—Principal Scott appeared before the Board and a review of this case was made. No new evidence was introduced and the decision in the case was affirmed.

Linton—Coach Landis asked if miniature footballs could be given for scholarship, attitude and blocking at the end of the football season. The scheme was considered within the I. H. S. A. A. rules provided the Principal followed the Sections in the Constitution governing “Prizes and Awards.”

The following meeting dates were set: Bloomington, November 23, 1935, 10 A. M., and Indianapolis, September 21, 1935, 10 A. M.

The following rules were cited: (1) High school students from two or more schools can not be combined in athletics; (2) The football season in the I. H. S. A. A. ends on November 30 of each year, but schools may end their season earlier; (3) All high school athletic contests must be held under the supervision and direction of the high schools concerned, the Principals being the responsible parties; (4) The schedules of high schools in all sports are made by the high schools and must conform to the rules of the I. H. S. A. A. office: Coalmont, Cory, Bowling Green, Van Buren Township, Staunton, and Clay City. The matter for consideration will be the playing of games between member schools and non-member schools of the I. H. S. A. A.

Terre Haute—The case of the Laboratory School at Terre Haute was given additional consideration following the receipt of a letter from Principal Zimmerman of Garfield High School, and the disposition already made was affirmed.

Letters by the Principals of the New Albany, Jeffersonville and Silver Creek High Schools, regarding the undesirable visits of students to and from these schools in the past and the steps taken to eliminate such in the future, were presented to the Board.

Woodrow Wilson High School (South Bend)—Principal Felton reported that Julia Balogh and Natalie Lymanover attended the Greene High School last year but are now enrolled in the Woodrow Wilson High School, there being no change of residence of the parents.

I. H. S. A. A. BOARD OF CONTROL MEETING

Coalmont, Staunton, Van Buren Township, Bowling Green, Cory, Clay City—Coalmont did not belong to the I. H. S. A. A. in 1934 and has never belonged in 1935. Staunton has never belonged in 1935. Coalmont applied for membership on or about September 17, 1935, and Staunton applied on September 10, 1935. The other schools were members but played some games of softball this fall with Coalmont and Staunton, non-members. All Principals were requested to be present, but the Principals of Coalmont and Cory were absent. Those present assured the Board that there was no intention on their part to violate or evade any rule of the I. H. S. A. A. and that additional caution would be used in the future.

Decision: All member schools given a definite warning. The Commissioner was instructed to accept the membership of Staunton High School as of date with the understanding that this school maintain a continuous membership in the Association. The Commissioner was further instructed to return the check for $1.50 to the Principal of the Coalmont High School and to refuse his application for membership with the statement that any application for membership by this school in the future must be made by the Principal in person before the Board of Control. The Board expects a satisfactory explanation for the absence at the meeting of Principal L. R. Fair of Cory, at an early date.

RULES FOR CONTESTS

Section 1. Spalding’s Official Football Rules shall govern in football.

Section 2. Spalding’s Official Basketball Rules shall govern in basketball.

Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the Principals:

“The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther line. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line.”

Section 3. Spalding’s National Collegiate Athletic Association Track and Field Rules shall govern with the following exceptions:

(a) Rule 2, regarding a Games Committee shall be void.

Section 9. The football season shall close November 30 of each year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until March 1 of the following year.

Section 10. No games shall be played with public High Schools of this State not belonging to this association. This rule does not prevent a member of the association from playing High Schools outside of the State nor from playing non-high school teams within the State, provided all players on the I. H. S. A. Section 11. All basketball tournaments other than the State Tournaments shall be held prior to February 1 of each year.

ARTICLE IX
ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. Constitution reading, "a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up, providing that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be eligible as he was in the school from which he withdrew.

Interpretation—

(a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

(b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.

(c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section.

(d) Parts of two semesters do not make a full semester.
Section 2. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 3. (a) Any student, who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

(b) Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.

(c) Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more interscholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana, Section 6.

In order to be eligible for athletic competition during any semester a student must have entered some public High School within the first twenty school days of the semester in which the contest occurs.

Participation

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more interscholastic games in any season shall be regarded as having engaged in athletics for that season.

Parents and Physicians' Certificates

Section 1. A student who practices for any interscholastic football, basketball or track contest, shall have on file in the Principal's office a certificate of physical fitness and a certificate giving the written consent of the father, mother or guardian for such athletic participation as is specified therein. The physical examination shall be made prior to the first practice during the season of each of the three sports by a regularly licensed physician (M. D.).

Previous to the first practice, the Principal shall certify to the I. H. S. A. A. that the certificates required in this proposal are on file in his office.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma providing the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, providing they meet all other eligibility rules of the I. H. S. A. A.

Age

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.
Amateurism

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Conduct

Section 1. Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

ARTICLE X

Injunction Suits

The Athletic Council deplores the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

ARTICLE XI

Prizes and Awards

Section 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Section 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Section 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school principals concerned.

ARTICLE XII

Finances

1. There shall be the accumulation and establishment of a surplus in the I. H. S. A. A. treasury of $100,000.00 as soon as reasonable financing will permit, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.

2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above a $100,000.00 surplus and above the amount legitimately necessary for the running expenses of the I. H. S. A. A.; these distributions to be made on October 1, 1932, and on October 1 of and for each three-year period thereafter.

3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, tourneys, meets and athletic contests that are deemed necessary through the years and to administer, execute and control all receipts, expenditures and holding of moneys in connection with the I. H. S. A. A.

Interpretations

1. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

2. Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

3. It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

4. A game is an athletic contest entered into by a member of this association with players or teams not belonging to the member.

5. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

6. By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

7. Mutual agreements to violate the rules of this association shall result in suspension of all schools concerned.

8. Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

9. For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer providing it is done and becomes a matter of final record prior to the opening day of the next semester.

10. The baseball season is defined as beginning and ending with the school year.

11. The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.
12. Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

13. A temporary regulation of the I. H. S. A. A. shall be understood to be a regulation having effect until the next meeting of the Athletic Council at which time it will be subject to the disposal of this body.

14. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.

15. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in both schools, provided adjustments in subject matter and in courses in the new school can not be made at the time the parents change their place of residence.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

   A. A student becomes ineligible for any athletic competition upon reaching twenty years of age.

2. Q. Is a student eligible for a game if he reaches twenty years of age on the day of the game?
   A. No. The day preceding is his last day of eligibility. See No. 1 above.
3. Q. What is considered evidence of age?
   A. One or all of the following documents in the order named:
      (a) Birth certificate.
      (b) Baptismal certificate.

      (d) Written and signed statement by Superintendent of Schools, public health physician, attending physician, parent or guardian.

4. Q. What should be done in cases of doubt as to age?
   A. Submit all evidence to the Board of Control after a complete investigation as outlined in three above has been made. If a certificate or document cannot be secured a signed statement to this effect should be submitted by the proper official.

5. Q. If doubt exists regarding the age of a student should the student be permitted to participate in games pending removal of doubt?
   A. No. The doubt must be removed prior to participation.

6. Q. If, after all available data regarding the age of a student are submitted to the Board of Control, it can not be known definitely about the date of birth of a student, what step is taken?
   A. The Board of Control will establish a date on the data submitted, subject to change should convincing evidence to the contrary be found later.

APPROVED OFFICIALS AND RE-REGISTRATION OF OFFICIALS

Approval cards issued prior to August 15, 1931 are void. Re-registration cards have been issued to all officials who were approved prior to this date and who have re-registered. Principals should not use officials in games whose names do not appear in the printed lists or who can not show approval cards issued later than August 15, 1931 or re-registration cards. Be sure to check all officials carefully and require identification in all doubtful cases. The printed lists of August 1, 1932, August 1, 1933, August 1, 1934, and August 1, 1935, are the only official lists. Consult them and discard all earlier lists.
9. **Q.** Must an official be approved each year?
A. No. Approval is permanent providing the work of the official remains satisfactory. A requirement for re-registration may be made in any year and, if so, will constitute a cancellation of the approval unless re-registration is made.

10. **Q.** Does approval in one sport give the right to officiate in other sports?
A. No. Approval is necessary for each sport.

11. **Q.** What is the policy of the I. H. S. A. A. toward the decisions of officials?
A. The decisions of officials are considered final and binding.

12. **Q.** Does the I. H. S. A. A. regulate the pay of officials?
A. The pay of officials in tourneys and meets arranged by the Board of Control is regulated. In single games, the Principals and officials are expected to have contracts agreed upon prior to the games. The Board will adjudicate difficulties according to contracts.

13. **Q.** When was the approval scheme established in the I. H. S. A. A.?
A. In 1922.

14. **Q.** When were approved officials required to re-register?
A. August 15, 1931.

15. **Q.** What is the difference between an approved and a re-registered official?
A. A re-registered official is an approved official who has re-registered with the Association.

**BASKETBALL PLAYING**

1. **Q.** May students practice basketball before November 1 and after the date of the State Final Basketball Tourney?
A. Practice within the school in basketball may take place at any time.

2. **Q.** Does the twenty-game limitation apply to the first team only?
A. No. Any team—first, second, third, etc.—may play twenty (20) games and no more on its regular schedule.

3. **Q.** May a student play in more than twenty game of basketball on the regular schedule on different school teams?
A. No. The twenty-game limitation applies to individuals as well as to teams.

4. **Q.** In how many tourneys may a team play in addition to the twenty games permitted on the regular schedule?
A. A team may play in the tourneys of the state basketball championship series, and in two other tourneys, provided the games in one of these “two other tourneys” are counted in the twenty games permitted for the regular schedule. This statement applies to individuals also.

5. **Q.** May a High School have a complete schedule for the second team in any sport?
A. Yes. Each school team can and should be considered a representative team of the High School and, as such, be governed by all of the I. H. S. A. A. rules and privileges.

6. **Q.** Has the I. H. S. A. A. established the size of a regulation basketball floor?
A. No. But the I. H. S. A. A. strongly recommends 50'x74'. The state tourney floor has been 50'x74' for years.

7. **Q.** Is there a limit to the number of players a coach may use in a basketball game?
A. No. Except in games and tourneys arranged and managed by the I. H. S. A. A. Board of Control.

8. **Q.** When does the basketball season end for teams and individuals?
A. The basketball season for all teams and all students ends on the final day of the state final tourney or with the end of the season in the school if prior to the final tourney.
9. Q. May High School players and teams play independent basketball in the interim between the sectional tourneys and the final tourney if the season in the school is closed?
A. No. Such playing would constitute a violation.

10. Q. May more than 20 games be played by a team by juggling the players so that no student plays more than 20 games?
A. No. The 20-game requirement holds for teams as well as students.

11. Q. May an "A team" or "1st" team be designated as a "B" team and thus evade the rule?
A. No. The wording of the rule and the spirit of the rule are clear and binding.

3. Q. Are paid coaches permitted in the I. H. S. A.?
A. No. Any remuneration received by a coach must come from the school trustee or the school board from public school money.

CONTRACTS.

1. Q. May a High School cancel a contract for an official or game without making settlement?
A. No. Contracts are binding and a settlement by mutual consent or according to the stipulations of the contract must be made.
A student, who enters High School for the first time at the beginning of semester II, may be enrolled four times of twenty or more days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment.

2. Q. May a student, who has been in High School four full years, but who has not participated in any athletics, participate in athletics?
A. No. Enrollment rather than participation is the determining factor here.

3. Q. Which is the determining factor in eligibility—enrollment or participation?
A. Neither. Both must be considered.

4. Q. If a student changes High Schools, when is he eligible?
A. He is just as eligible in the new school as he was in the old school, provided his parents actually and legitimately change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, provided adjustments in subject matter can not be made in the new school at the time. If they do not actually change their place of residence to the new school district, he will be eligible after he has been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure him as a student or his parents as residents. See “undue influence” rule.

5. Q. When are students, who finish the work given in one High School, eligible in another High School?
A. Students finishing the work in a High School giving less than four years of High School work are just as eligible in a new High School as they were in the old High School.

6. Q. What is a semester?
A. One-half of a school year constitutes a semester in the I. H. S. A. A., and parts of two semesters or a part of one semester does not make a semester in the I. H. S. A. A.

7. Q. When is a student eligible in school “A” if he withdraws from school “A,” enters school “B,” and later returns to school “A,” his parents never changing their place of residence from the district of school “A”?
A. When the student has been enrolled one calendar year, provided he is eligible in all other ways.

8. Q. How can a student gain eligibility in a High School upon entering from another High School?
A. By his parents actually changing their place of residence to the new High School district or by enrollment for one calendar year.

9. Q. Does the twenty-day enrollment requirement mean school or calendar days?
A. School days.

10. Q. If a student fails in all subjects for a semester does this enrollment count as a semester?
A. Yes.

11. Q. Is a student, who has been out of High School for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?
A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

GAMES

1. Q. What is considered a game of basketball?
A. A game of any kind in the I. H. S. A. A. is an “inter” contest as distinguished from an “intra” contest. An admission fee is no part of a game and has no bearing one way or the other.

2. Q. May a member of the I. H. S. A. A. schedule and play games with teams and schools in Indiana not members of the I. H. S. A. A.?
A. Yes. Provided these teams and schools are not public High Schools and also provided the members of the I. H. S. A. A. observe all of the rules of the I. H. S. A. A.
3. Q. What is the difference between a preliminary game and a regular game?
   A. There is no difference as far as the I. H. S. A. A. is concerned, as the same rules and regulations govern.

4. Q. If a “practice” game of basketball is played is it to be counted as one of the twenty games on the regular schedule?
   A. Inter-“practice” games are regular games and must be counted as such. Intra-“practice” games are not counted as regular games. In fact, there are no such things as practice games in the I. H. S. A. A. There are practice games within the school only.

5. Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?
   A. No. Games are “inter”-contests with or without admission charges.

6. Q. Is an alumni game considered a game?
   A. Yes. Such must be counted as one of the 20 games permitted on the regular schedule.

7. Q. What is considered an “inter” game?
   A. Any game in which a High School team plays against students or players not belonging to the High School.

8. Q. What date marks the end of the football season?

   A. No. Girls must play according to girls' rules by Spalding and the three-court plan shall be used, except as mutually agreed otherwise.

3. Q. Is the I. H. S. A. A. opposed to basketball games and tourneys for girls?
   A. No. Special care should be used, however, in such games and tourneys to know that girls are physically fit at all times.

4. Q. May men coach girls in athletic games?
   A. Yes. It is recommended however that women coaches be employed for girls. This applies to officials also.

5. Q. May girls' basketball teams play in state tours or national tours?
   A. No.

PARTICIPATION
1. Q. May a student play on any team other than a High School team?
   A. A student becomes ineligible in High School for the entire season of that sport in which he participates as a member of any team other than the High School team. There is an additional penalty for participation out of season as set out in the rules.

2. Q. What is considered participation in a sport for a season?
   A. Playing in a part of one game in a sport constitutes participation in that sport for that season.

3. Q. May member schools play against non-public High School, College, Y. M. C. A. and independent teams?
   A. Yes, in single games, but not in tourneys, meets, and leagues. In single games the member schools must obey all of the rules of the I. H. S. A. A. and there must not be any public High School students on the opposing teams.
PRIZES AND AWARDS

1. Q. Is a High School permitted to give sweaters to athletes?
   A. Yes. The I. H. S. A. A. recommends that the giving of prizes, gifts, sweaters, etc., be kept within reasonable bounds at all times and that such as are given have a symbolic value only. All prizes should be given by the school. No more than one sweater in each major sport may be given to a High School student for participation in athletics in High School.

   A. Yes. And such may be accepted from outside sources if sanctioned by the High School Principal.

4. Q. When did the sweater rule go into effect?
   A. September 1, 1930.

   A. No. The sweater rule is not retroactive in its applications.

   A. No. The Board has decided that this rule should not be evaded in spirit or intent.

   A. Yes. A professional in one sport is ineligible for all sports.

3. Q. Does a student become ineligible in all sports, if he plays on a team other than the High School team in one sport?
   A. No. A student becomes ineligible only in the sport in which he participates as a member of a team other than the High School team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. 6. Q. Who is a post-graduate?
   A. A post-graduate is a student who has finished his High School work and has received his High School diploma.    A. The last semester for any student is the last semester in which the student was enrolled in any High School for any length of time.

8. Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular High School subjects for this period?
   A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular High School subjects for the current grading period and his average grade in each of three regular High School subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

9. Q. Is a “condition” or an “incomplete” considered a “pass” in the I. H. S. A. A.?

This statement for semesters holds good for grading periods of the semester also.

Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?
A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school work are not passing in their school work.

Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?
A. Yes.

Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?
A. At the end of the next regular grading period in that semester, provided he passes in three regular High School subjects during the period and also provided his average in each subject for all grading periods of the semester are passing in a similar amount of work.

2. The High School Principal in any High School belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.
3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary, to all Principals in the school system having 9th grade students enrolled.
4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.
7. A ninth grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

10. Students below the 9th grade are never eligible for Senior High School teams.
11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.
12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 8-6, 6-3-3, 6-2-4, etc., schemes.
13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.
14. The participation of a 9th grade student in inter-school games as well as his enrollment in the ninth year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.
15. All ninth, tenth, eleventh and twelfth grade students must have been regularly promoted from the eighth grade in order to be considered eligible for athletics.
16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tournaments and meets in which more than two teams compete, except in carnivals, play days, etc., held in the same city school system.

Reasonable meals, lodging and transportation may be accepted by such players, if accepted in service and not in any other way. All such playing should be checked carefully by Principals.
(Note: This answer applies to other summer sports, provided other rules and regulations of I. H. S. A. A. are observed.)

A. recommends summer school work of an approved type for students needing credits. (See standards and requirements of State Board of Education.)

2.
Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?
A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook.

13. Q. This question is often asked: "What will be the penalty for violation of such and such a rule?" A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

Year Ended November 14, 1935

November 21, 1935.

Mr. Arthur L. Trester, Commissioner,
The Indiana High School Athletic Association,
Indianapolis.

Dear Sir:

We have examined the records pertaining to the recorded cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1935.

A statement of the recorded cash receipts and disbursements is attached hereto. Cash on deposit at November 14, 1935 was verified by direct correspondence with the Fletcher Trust Company, Indianapolis, and the amount reported to us was reconciled with the book balance. All recorded cash receipts for the period under review were compared with deposits as shown by bank statements on file and all disbursements for the same period were supported by canceled bank checks, except for those outstanding at November 14, 1935. We also examined invoices and other data in support of disbursements and no discrepancies were noted.

Securities, as shown by a separate exhibit attached hereto, were presented for our inspection. Proceeds from interest coupons and bonds sold were traced into the cash receipts records.

A fidelity bond in the amount of $80,000.00 on Mr. Arthur L. Trester and the policy covering safe deposit box burglary and robbery insurance in the amount of $112,000.00 each, were presented for our inspection. The minute book of the meetings of the Board of Control was reviewed by us and all resolutions therein contained have been complied with.

We have not accounted for the proceeds from the sale of tickets for the State Tourney which is in accordance with the procedure followed in previous years. We were informed that the Board of Control has made a check of the itemized ticket sales.

WE HEREBY CERTIFY that we have examined the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1935, as herein outlined, and in our opinion the attached statement of cash receipts and disbursements properly reflects the cash transactions for that period.
