ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

(W. S. Fellmy)

The I. H. S. A. A. was organized as a purely voluntary association in 1903 by a small group of high school principals in order that interschool athletic contests might be carried on under fair competition and honest dealings. Our organization, like all other worth while organizations, was created out of a real need as interschool athletic contests prior to its formation were conducted in a very unfair manner. Players were used in games who were ineligible as students and some were not students at all. Players were frequently injured by the rough tactics of opponents and not only did the sport suffer but educational interest as well. Our association recognized the problems that were confronting it at the time of its formation and immediately began to formulate rules and policies that would eliminate these evil practices and would place athletic contests on a fair basis. The I. H. S. A. A. has enjoyed a substantial growth because it has successfully met the needs and demands of its membership. No high school has withdrawn voluntarily from the association and no high school, suspended from the association, has remained out of the association at the end of the period of suspension. This fact is very evident that our association is functioning properly and that the principals of the various high schools are satisfied with the services that the I. H. S. A. A. renders.

I. H. S. A. A. is purely a voluntary democratic organization and belongs to the high school principals of the state. The rules and regulations of the organization are made and executed by the high school principals. Here we have government by and with the consent of the governed. Voluntary and intelligent participation in the regulation of the activities of any group is the best type of government as it is most effective and fair. It is safe to say that the morale in high school athletics in Indiana is on the high plane that it enjoys because of the active participation of those governed in the management, legislation, and direction of their own athletic activities. High school principals are and should be proud of their organization and by the co-operation which they have given at all times have made it possible for the association to reach its present status.

The I. H. S. A. A. in formulating its rules and policies has been very careful only to form those that would lend themselves to good school procedure, and has always considered well-conducted athletics an integral part of good school procedure. Our rules and policies have been interpreted and administered in the light of other educational aims and ideals.

With the splendid co-operation of the members of our association and with the same thinking of the Board of Control, I am confident that the I. H. S. A. A. will maintain this elevated position which it now occupies and will continue to render efficient service to its membership.

ANNOUNCEMENT OF
SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL
BASKETBALL TOURNEYS, 1936

THE TWENTY-FIFTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tournaments and announces the scheme in full.

SECTIONAL TOURNEYS
March 5, 6 and 7

The following bases were used in selecting sectional, regional and semi-final centers:

1. Location — geographical and with reference to schools desiring to participate.
2. Railway, interurban and automobile road facilities.
3. General conditions — attitude of local authorities, floors and entertaining facilities.
4. Rotation.
5. Success and satisfactory management of previous tourneys.
6. Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tournaments according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be assigned to tourneys having 13, 14, 15 or 16 teams. These officials will work each game alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board.
All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

TOURNEY REQUIREMENT—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 5 p.m. Thursday, March 5, for teams scheduled to play on this evening, and will begin, if necessary, for other teams at 8 a.m. Friday, March 6, and continue, if necessary, to 8 a.m. Sunday, March 8. Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. All competing schools are requested to ask for no longer entertainment than is necessary. Lodging for Saturday night will be allowed in emergency cases only. Fairness by all parties must prevail in this matter of entertainment.

Money spent for entertainment decreases the amount to be divided among the schools.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) The Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, March 3, (2) transportation only, one round trip, shall be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging. (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) rest rooms for the day when lodging is taken at home by a school shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys, according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts if sufficient. If not, legitimate expenses shall be considered an obligation of the Center Principal.

2. The Center High School shall receive one hundred dollars ($100).

3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)

4. The lodging shall be paid.

5. The Center High School shall receive one hundred dollars ($100).

6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.

7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.

8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 4:00 p.m. Thursday, March 5. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.

9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Friday, February 21. These blanks should be sent between February 14 and 20. Do not mail entry blanks later than February 20, 1936. Blanks mailed according to these instructions should reach the I. H. S. A. A. office in time to be accepted. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.
ADMISSION FEE—The admission fees to all tourney games shall be as follows:

Four-session tourneys—season ticket $1.00, session ticket 35 cents; Five-session tourneys—season ticket $1.25, session ticket 35 cents; Six-session tourneys—season ticket $1.50, session ticket 35 cents.

No more shall be received for said tickets. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, March 2. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, March 2. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 4:00 p.m. Thursday, March 5. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

EXTRA PERIODS—The following method of procedure has been adopted for extra period games in all tourneys:

(1) No more than two three-minute extra periods may be played in any game.

(2) In case of a tie score at the end of the second extra period, each player actually participating in the game at the end of this period shall be given one free throw at his own basket, the team making the most points being declared the winner of the game. The order of throwing by the teams shall be determined by lot by the Referee and Captains, and each Captain shall determine the order of throwing by the boys on his team. The general order of throwing shall be as follows:
   a. Team drawing first—two boys.
   b. Team drawing second—two boys.
   c. Team drawing first—three boys.
   d. Team drawing second—three boys.

(3) The procedure outlined in scheme No. 2 shall be repeated in case of a tie until a winner is determined.

DECISIONS—The decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans as often as necessary.

WARNING—Entries close Friday, February 21, and can not be changed nor received afterwards. An entrance fee of one dollar ($1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.
REGIONAL TOURNEYS
March 14

Each of the sixteen (16) Regional Tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) Regional Tourneys will constitute the teams in the semi-final tourneys according to assignment.

MEMBERSHIP DUES

(Do not compete with Indiana Public High Schools that are non-members or with High Schools in other states that are not members of their State High School Athletic Associations.)

All memberships in the I. H. S. A. A. lapse on January 1 of each year and the membership fee of $1.50 is due for the ensuing year. A membership card was enclosed for your use in Bulletin No. III. If your dues are not paid on or before January 1 of each year your High School can not be considered a member of the association until dues are paid. Member schools can not play non-member public schools in Indiana and a High School is not a member unless the membership fee is paid. If you hold a receipt for your dues from January 1, 1936, to January 1, 1937, you may consider your High School a member of the I. H. S. A. A. Find the membership card in Bulletin No. III, fill it out completely and send it to the I. H. S. A. A. office, accompanied by the membership fee, at once, if you have not paid your dues. If you do not have a membership card, kindly request one at once. Membership may be secured by the use of this card and in no other way.

TOURNEY INFORMATION

GENERAL:

This Bulletin carries full information about the sectional, regional, semi-final and final tourneys. If you desire your questions answered, kindly consult this Bulletin. In giving information to the public and to your students, give it out as printed in this Bulletin. The wording has been carefully done and the information is official. Inform your public definitely now and frequently. The decisions of officials will be considered final in all tourneys. Schools entering these tourneys enter with this understanding. Give this information to your students and fans as often as necessary.
Contracts have been made with the Center Principals to hold our sectional, regional, semi-final and final tourneys. The stipulations of these contracts have been published and are known to all. All of us have rights and we also have duties in these tourneys. Some things are guaranteed to all of us and some things are required of all of us. If all of us want to exhibit fairness we can do so and there will be no difficulties. The spirit of honest dealings must pervade everything we do.

The Board of Control desires to assure all Principals and communities that preparations have been made to safeguard all tourneys in every way. Constructive suggestions are still welcome, however, and questions will be gladly answered.

STATE FINAL TOURNEY

Date—Saturday, March 28, 1936.
Place—Butler Field House, Indianapolis.
Location—Former site of Fairview Park, in northwest part of Indianapolis, at west end of Forty-ninth Street. Forty-ninth Street is a cross-town street, running from Keystone Avenue on the east to the Butler Field House on the west.
Directions—Get on Forty-ninth Street and go west.
Radio Service—WFBM, WIRE and WOWO, Radio Stations, will broadcast all games. These stations have agreed to cooperate with other stations over the state.
Street Cars From Down Town—Take the Central Avenue "Meridian Heights" "High School Basketball Tournament" car and get off at Forty-ninth and Pennsylvania Streets. Go west six squares. Take the Illinois "Fairview" "High School Basketball Tournament" car and get off at Butler University.
Buses—"High School Basketball Tournament" Buses will operate between Monument Circle down town and the Field House.

Management—The Board of Control has designated the Commissioner as Manager, and K. V. Ammerman, Broad Ripple High School, and Fred R. Gorman, Technical High School, as Assistants, of this tourney. The 'phone numbers are as follows:

1. Commissioner-Riley 7270
2. Ammerman-Humboldt 2781
3. Gorman-Cherry 2949

During the tourney the I. H. S. A. A. Field House Office will be at Gate 4.

Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 28, 1936. In recent years all tickets were sold prior to this date. The price for a season ticket will be one dollar and twenty-five cents ($1.25) and such a ticket will entitle the purchaser to attend the games in the afternoon and evening sessions of the tourney. If the capacity of the house is not sold in season tickets, session tickets at 75 cents each will be sold on the day of the tourney.

2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to properly distribute these tickets to students in their districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than one dollar and twenty-five cents per season ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

1. Orders for tickets having official Post Office stamp marks on the envelopes, including and from Thursday, March 5, to and including Thursday, March 12, will be accepted if received not later than Friday, March 13, 1936. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings. This arrangement gives Principals one whole week in which to order tickets. Principals should order early in this week however.

2. Each High School Principal having a team entered in an I. H. S. A. Sectional Basketball Tournament for 1936 may order tickets to six (6) per cent of his High School enrollment as of September 16, 1935, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. If there are questions, and you are new in this, please do not order any tickets. In all computations fractions will not count for tickets. All enrollments will be checked with the report herein mentioned. Be sure you are right.

6. All tickets remaining unsold after the High School Principals have ordered according to the privilege of their enrollment quota will be distributed pro rata among the Principals of the 64 sectional tourney winning schools. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these
tickets should be sent upon receipt of the tickets only. No tickets other than the tickets remaining after the enrollment quota orders are honored are offered in this paragraph. There may be no tickets or only a few tickets remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:
   a. Ticket orders from Principals are due any time from March 3 to March 12 inclusive. Post office stamp marks will determine.
   b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in the order here given.
   c. Incorrect orders are returned with instructions.
   d. Orders will be filled by drawing the tickets as follows and in the order given: (1) Beginning with Section 9 and proceeding to the right around the 1st balcony in blocks with about 10% of each block in the front rows of the block; (2) Beginning with Section 1 and proceeding to the right around the bleachers, if there are available tickets after the 16 participating schools receive their allotments, and (3) Beginning with Section 11 and proceeding to the right around the second balcony.
   e. This method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot.
2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.
3. No pass-out tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they cannot re-enter until the next session. The seats will be cleared between sessions.
4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.
5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.
6. Comfort accommodations will be found on each floor at each end of the Field House.
7. Tickets will indicate the Gate, Ramp, Section, Row and Number.
8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor having 500 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 23. Twelve blocks of seats immediately around the playing floor and with 200 seats to the block will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 23, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.
9. First Aid Rooms will be located in the east end of the Field House. Look for sign. Physicians and a nurse will be available.
10. Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

These boys have been chosen by committees appointed by the management of the State Tourney and by the Board of Control. These committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

In case of a tie in any event the points shall be divided and the places awarded by lot. No contestant will be permitted to enter or participate in more than three events, and no contestant will be permitted to enter or participate in both relay races.

The 1936 N.C.A.A. Track and Field Rules require some changes in the hurdles events for high schools. Consult this guide at once.

The order of events is as follows:

**Track Events**—100-yard dash trial; 120-yard hurdle trial; 100-yard dash final; one mile run; 440-yard run; 120-yard hurdle final; 220-yard dash trial; 200-yard hurdle trial; 880-yard run; 220-yard dash final; 200-yard hurdle final; mile relay; half mile relay.

**Field Events**—Running high jump; shot put; pole vault; running broad jump.

**SECTIONAL TRACK AND FIELD MEETS**

**May 8 or 9**

The following bases were used in selecting centers:

1. Location—geographical with reference to schools desiring to participate;
2. Transportation accommodations;
3. General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.;
4. Rotation.

Schools have been assigned by counties, and the accompanying scheme gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the scheme if necessary. Entry blanks are necessary.

**Management**—The management of these meets rests solely with the Board of Control. Local arrangements have been delegated to the Center Principals. All meet officials will be selected by the Center Principal.

The Center Principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. All meets shall begin at 1:30 o'clock Saturday afternoon May 9 unless the Center Principal secures the consent of the participating schools in his meet to hold the meet Friday afternoon or Friday evening May 8. If such consent is secured the Center Principal will announce the hour of starting his meet. Places on the track must be assigned by lot. Spalding's National Collegiate Athletic Association Track and Field Rules for 1936 shall govern except as modified in this announcement regarding scoring, eligibility, events and order of events.

**Open Contest**—These meets are open to all members of the Association, irrespective of their season's record.

**Entertainment**—Two men, if actual contestants, for each event, four men, if actual contestants, for each relay team and a faculty manager from each competing school will be entertained by the Center Principal. Entertainment shall consist of one meal at noon, dressing rooms, lockers and shower facilities. The meal provided by the Center Principal shall constitute the only meal allowed.

**Expenses**—There will be no entry fee. Traveling expenses must be paid by the competing schools.

**Privileges**—All actual contestants and one faculty manager for each team are admitted free to the meet.

**Eligibility**—The eligibility of each player must be certified to by the Principal of the school sending the team. The regular blank of the I. H. S. A. A. must be used and all data must be given. Entries positively will close Friday, May 1. This means that they must be in the hands of the Commissioner, complete in every detail, on that date.

**Admission Fee**—The admission fee to all meets shall be not more than twenty-five cents, but may be any amount less than twenty-five cents.

**Prizes**—Suitable ribbons shall be given to the winners of first, second and third places in each event, and to each member of the winning relay teams. No other prizes shall be given.

**Warnings**—Entries close Friday, May 1, and cannot be changed afterwards. Special privileges will be granted to no one. Send all entry blanks to the Commissioner.

**FINAL MEET, SATURDAY, MAY 16**

**Butler University Field, Indianapolis**

**Entrants**—The winning relay teams and all men winning first and second places in each event in the Sectional Meets shall constitute the participants in the Final Meet. In case of a tie in first or second place, the right to enter the Final Meet goes to the winner of the badge who will be determined by lot by the Referee of the Sectional Meet.

**Entertainment**—Entertainment for all teams in the Final Meet located within a radius of 50 miles of the Butler Field shall consist of no more than the noon meal on Saturday. Entertainment for other
teams shall consist of no more than the dinner meal on Friday, lodging for Friday night and three meals on Saturday. The I.H.S.A.A. will serve the noon meal on Saturday and will not be obligated for meals taken elsewhere at this time. No more than 50 cents for a meal and one dollar for a lodging will be allowed. All competing schools are requested and expected to ask for no longer entertainment than is necessary. Traveling will be at the expense of the competing schools. Since track and field meets usually produce little revenue, all schools are requested to be exceedingly careful in expenditures. Only actual contestants and one faculty manager from each school will be entertained. Fred R. Gorman, Technical High School (Phone Cherry 2949), and K. V. Ammerman, Broad Ripple High School (Phone Humboldt 2781) are Assistant Managers of the State Meet.

**Trial Events**—Trials will be held beginning at 10:00 o'clock Saturday morning in the following events: 100-yard dash, 220-yard dash, 120-yard hurdle, 200-yard hurdle, pole vault, shot put, broad jump and high jump.

**Races**—The following events will be run in two races in the afternoon: 440-yard run, 880-yard run and one mile run. Points and medals will be given for first, second, third, fourth and fifth place winners in each of the two races for each event. The afternoon events will begin at 1:30 o'clock.

**Privileges**—All actual contestants and one faculty manager for each team are to be admitted free to the meet.

**Admission Fee**—The admission fee to the meet shall be fifty cents (50c).

**Management**—The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Meets.

**Prizes**—The I. H. S. A. A. will award the winning school a shield or cup; medals of gold, silver and bronze to the winners of first, second, third, fourth and fifth places in each event; and medals to the members of the winning relay teams. No other prizes shall be given.

**Registration**—All teams must be checked in at the Butler Field House by the Coach or Principal. The check-in gate, No. 4, will be open at 7:00 a.m. on Saturday. Principals are responsible for the proper registration of their teams on time. Late registrations will not be accepted. Correct expense statements must be filed at the time of registration. Principals are responsible for these statements.

BASEBALL PLAYING

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principals on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers’ Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Peary, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and five (805) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.
Principal J. T. Giles, Marion.
Principal W. A. Denny, Anderson.
Principal F. D. McElroy, Hammond.
Principal Isaac E. Neff, South Bend.
Principal Arthur L. Trester, Alexandria.
Principal E. W. Montgomery, Mt. Vernon.
Principal C. V. Haworth, Kokomo.
Principal W. A. Denny, Anderson.
Principal F. D. McKivoy, Hammond.
The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the twenty-five years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of School Athletics" in October, 1928, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.
MINUTES OF I. H. S. A. A. BOARD OF CONTROL
MEETINGS

I. H. S. A. A. BOARD OF CONTROL MEETING

Bloomington, Indiana, November 23, 1935.

Bloomington—Principal Tatlock presented information about the use of William Covington in six football games when he was ineligible due to the fact that he was carrying only two subjects. The case was continued pending receipt of additional information about this boy and also information about the eligibility status of a boy by the name of Hacker.

Montpelier—Principal Kingsolver presented information about the case of Paul Rouse, a student who attended the Hartford City High School until the present school year. Case postponed for further consideration.

Austin—The parents of Robert Lynch lived in Jeffersonville and the boy attended this high school for about nine weeks in semester one of the school year 1934-1935. He did not pass in any subject for that semester. The parents moved to Austin and the boy entered this high school at the beginning of semester two of last year, participating in athletics in semester two of last year.

Decision—Robert Lynch clearly ineligible for semester two of last year due to the fact that he did not pass in three regular high school subjects for semester one of the year. The boy declared ineligible for all of semester one of the present school year and the Austin High School placed on probation until June 1, 1936.

Jackson Twp. (Randolph County)—Lowell Snyder attended the Madison Township (Randolph County) High School in 1933-1934 but attended no high school last year. There has been no change of residence of the parents to Jackson Township. The Commissioner gave an opinion that the boy is ineligible for one calendar year. The case was reviewed by the Board of Control and the boy considered ineligible for any athletics in the Jackson Township High School until he has been enrolled therein one calendar year.

Marshall Twp. (Bedford)—The parents of Gerald Skinner lived in Linton and the boy attended high school there. At the beginning of semester one, 1934-1935, the boy enrolled in the Marshall Township High School, the parents remaining in Linton. On or about September 15, 1934, the parents moved to Oolitic and Gerald went to live with them. A short time later the boy enrolled in the Oolitic High School and attended classes one day. He then returned to the Marshall Township High School and has been enrolled therein since. The parents live within one block of the Oolitic High School and about one and one-half miles from the Marshall Township High School. A transfer has been issued to this boy but the reasons for it and the efforts made to secure it are not fully understood.

Decision—Gerald Skinner considered ineligible for any high school athletics until June 1, 1936, and the Marshall Township High School placed on probation until June 1, 1936.

Clayton—The eligibility status of John Cushman was considered but a decision was postponed pending receipt of additional information.

Losantville—The parents of Frederick and Ralph Hutchens moved into Nettle Creek Township last summer. The Modoc School is a joint high school and supported by Nettle Creek and West River Townships. Losantville is located in Nettle Creek Township. Principal Ross of Modoc states, “The boys selected the Modoc School, enrolled and attended the first day of school,” Principal Austill says that the boys enrolled in the Losantville High School on the afternoon of the same day that they enrolled at Modoc. It is evident that both schools desired to have the boys as students.

Decision—Ralph Hutchens and Frederick Hutchens considered ineligible for athletics in the Losantville High School until they have been enrolled therein one calendar year in compliance with the “change of high school” rule in the I. H. S. A. A.

Evansville (Central)—Principal Shrode requested the Board to determine the eligibility status of James Butler.

James Butler has been living with his grandparents in Spurgeon for several years and attended the Spurgeon High School for the last two years. The mother died several years ago and the father has been living in Evansville. The boy entered the Central High School at the beginning of the present semester.

Decision—James Butler considered ineligible for athletics in Central High School until he has been enrolled therein one calendar year in compliance with the “change of high school” rule in the I. H. S. A. A.

Terre Haute (Wiley)—Consideration was given to the use of some boys in football who were ineligible due to the change of districts in Terre Haute following the establishment of the Laboratory School district. Decision postponed.

Broadcasting (Tourney)—It was decided that the privilege to broadcast the games of the regional, semi-final or final basketball tourneys would be granted to stations on the condition that they broadcast all of the games of a tourney.
It was decided to print and distribute some standards of the I. H. S. A. A. regarding officiating and some official interpretations of the 1936-1938 Basketball Rules.

The Board adjourned to meet Saturday afternoon and evening, December 21, and Sunday morning, December 22, if necessary.

FRED R. GORMAN, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 21-22, 1935.

Bloomington—The Commissioner reported the results of his visit to check the eligibility of some students and it was decided to invite Principal Tatlock and Superintendent Binford to the next Board of Control meeting.

Montpelier—The father of Paul Rouse died several years ago. The mother has continued to live in Hartford City and the boy attended school there in the grades and in the high school until the present school year. A brother of Paul lived just outside of Hartford City in Licking Township. Last summer the brother moved to Jackson Township and Paul entered the Montpelier High School. No tuition or transfer was tendered the Hartford City High School for this boy at any time. The Hartford City school authorities considered and now consider the boy entitled to school privileges there because his mother lives there. The evidence shows that Paul spent some time at the home of his mother and some time at the home of his brother. The boy has played in some games at Montpelier.

Decision—Paul Rouse considered ineligible for athletics in the Montpelier High School for one calendar year under the “change of high school” rule in the I. H. S. A. A. Constitution.

Terre Haute (Wiley)—Principal Forney reported that he used three boys on his second team in football and that he had written to the opponent Principals informing them that the boys were ineligible and forfeiting the games. Mr. Forney says that it was negligence on his part not to discuss with his Coach the conditions outlined in a letter by the Commissioner to Principal Jamison regarding the regulations due to the establishment of the Laboratory School at the State Teachers’ College. These regulations were extended after school began last fall.

Decision—Principal Forney requested to be exceedingly careful about the eligibility of his students on all teams at all times. Leniency is here shown because of the recency of the regulations cited.

Plainfield—Principal Girard reported that he used Charles Morris in football games when he was ineligible due to changing high schools from Mooresville to Plainfield. Explanatory letters forfeiting the games were written and letters from the opponent Principals are on file in the I. H. S. A. A. office.

Decision—The actions already taken at the request of the Commissioner approved. Charles Morris considered ineligible in the Plainfield High School for athletics for one whole semester following the date he would have been eligible by meeting the enrollment requirement of one calendar year. This boy is penalized one whole semester for his participation when he was ineligible.

Clarks Hill—John Morin’s parents are dead. John lived with his brother and sister in West Lafayette and attended high school there last year. The brother moved to New York and the sister moved to Indianapolis. John is living with a tenant on their farm in the Clarks Hill district and attends school there.

Decision—John Morin considered ineligible at Clarks Hill until he has been enrolled one calendar year under the “change of high school” rule in the I. H. S. A. A. Constitution.
Union Twp. (Huntington County)—There are two points in this case. Guy Caley did not enter any high school within the first 20 days of semester one of the present school year and has been considered ineligible for the present semester on this count. The parents of this boy lived in Huntington Township and moved to Union Township September 6, 1934. The boy lived with a brother in Huntington Township and attended school there in 1934-1935. The boy moved to the home of his father in Union Township last summer or fall and the boy entered the Union Township High School October 7, 1935.

Decision—Guy Caley considered ineligible for athletics in the Union Township High School until he has been enrolled therein one calendar year under the “change of high school” rule in the I. H. S. A. A. Constitution.

Stewartsville—Organization day was August 30 and the first day of class work was September 3. Thomas Rutledge enrolled September 10. He was present 9 out of 19 days during the first month, and 5 out of 19 days during the second month. He was considered eligible in scholarship for six games during the third month. Principal Sanders says that the grading for the weeks of a month follows the county scheme for the grading of the months of a semester. The evidence on file supports this statement.

Decision—Thomas Rutledge considered ineligible for the games cited and Principal Sanders requested to send explanatory letters soon to the opponent Principals forfeiting the games and requesting these Principals to notify the I. H. S. A. A. office that they have received his letters, and to send a copy of his letters to the I. H. S. A. A. office. The boy is considered ineligible for one whole semester following the present semester. This is a penalty for playing when ineligible. The Commissioner’s letter to Principal Sanders stating “that the County scheme of monthly and semester grading seems to put a premium on absence rather than on attendance” approved.

Butler—Robert Knox attended Auburn High School last year and enrolled in Butler in September of the present year. The parents moved to Butler on November 18, 1935. The evidence failed to show any good reason for the boy’s changing high schools before his parents changed their place of residence.

Decision—Robert Knox considered ineligible for athletics in the Butler High School until he has been enrolled for one calendar year under the “change of high school” rule in the I. H. S. A. A. Constitution.

Rushville—Three students are working under N. Y. A. in the gymnasium—checking, storing and issuing equipment. Principal Sellers asked whether or not the eligibility of these boys would be jeopardized if they received a proportionate amount of money for officiating intramural games.

Decision—The rules and regulations regarding amateurism in the I. H. S. A. A. Constitution considered binding on all parties in this case.

Broadcasting—Requests from Stations WSBT of South Bend and WKRV of Richmond to broadcast the Final Tourney were read. It was decided to investigate all angles of the broadcasting situation and to discuss the matter at the next meeting.

Bluffton—The evidence shows that four 9-B boys, Max McAfee, Virgil Zoll, Jim McCray and Lew Smith, played on a basketball team made up of 7th, 8th and 9th grade students against a school team from Rock Creek Township in the gymnasium of the Bluffton Community Building January 27, 1932. Mr. Charles W. Decker, not connected with the schools, says that he arranged for a game between the consolidated schools in Rock Creek Township and the Public Schools of the City of Bluffton. The date, January 27, 1932, was in semester two of that school year and the boys mentioned participated in that semester which was their first semester in high school.

Decision—The participation in basketball by the 9-B boys mentioned in the game January 27, 1932 considered high school participation and as such should be counted as one of the four years of basketball opportunity belonging to them under the rules and regulations of the I. H. S. A. A. If these boys were enrolled in high school during 1932-1933, 1933-1934 and 1934-1935, they are considered ineligible for any basketball beginning with the present school year.

Jeffersonville—Principal Vorgang submitted information and signed statements regarding the playing of baseball on independent teams by Hugh (Bud) McCulloch. He also gave information about the enrollments, eligibility and participations in athletics of this boy for all of his high school career. The evidence shows that this boy participated in high school during semester two of 1933-1934 when he was ineligible due to his playing on an independent baseball team during semester one when he was ineligible on the basis of scholarship.

Decision—Hugh (Bud) McCulloch considered ineligible for one whole semester or his semester following the present semester because he participated during semester two, 1933-1934, when he was ineligible. This boy will be 20 years of age December 4, 1936. The eligibility of this boy under the rule of amateurism will be decided upon request at the conclusion of the ineligibility period already assigned.

National Federation—The proposition of the printing of the rules for football and other sports by the National Federation was discussed. It was decided to keep in touch with the actions along this line but the advisability of adopting such rules for the I. H. S. A. A. was not in evidence.
The dates of the Sectional Basketball Tourneys on the first Friday and Saturday in March of each year was affirmed.

It was decided to meet at 1:00 o'clock Friday afternoon, February 28, 1936, to complete the drawings for the tourneys. The Commissioner was instructed to invite the representatives of the Press to be present at 3:00 o'clock on the same day.

Consideration and discussion were given to sectional, regional and semi-final tourney matters with the understanding that final actions would be taken at the next meeting.

The Board adjourned to meet at 9:00 o'clock Friday morning, December 27, 1935.

FRED R. GORMAN, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, December 27, 1935.

Bloomington—A hearing was held with Principal Tatlock and Superintendent Binford regarding some eligibility situations in the Bloomington High School. The evidence shows the following:

(1) William Covington was used in six football games during the first grading period of the present semester when he was ineligible on the basis of scholarship. The boy was carrying only two regular high school subjects and the method used to check the eligibility of students did not disclose that the boy was carrying only two subjects until the end of the first six weeks period. Principal Tatlock sent explanatory letters to the opponent Principals and forefeited the advantages gained through the use of the boy in the games cited and also notified the I. H. S. A. A. office.

(2) The teacher of Don Hacker in Algebra I for semester two of the school year 1934-1935 gave on her teacher's record a "D", "D", "F" and "F" for the first, second and third grading periods and the final examination respectively. In the space for the semester credit grade something was written and erased. The teacher and the Principal said that the agreement was at the close of semester two last year that the Principal should handle the semester credit grade. The principal said that he gave the boy a "D" for the semester and so entered it prior to the opening of the present semester. The boy enrolled in Algebra II for semester two of the present school year and was withdrawn soon after the end of the first grading period for some reason. He was re-enrolled in Algebra I. This Algebra I subject of last semester was one of the three subjects necessary for eligibility for the present semester. The boy played in some football games.

(3) Robert Cummings received a "D", "D", "F", "F" and "F" and "Failed" on the teacher's record in English for semester two, 1934-1935. Later the teacher wrote "Passed on Second Exam. Sept. 14." School opened September 15.

(4) Claude Calvert received a "C", "C", "F", "F", and "Condition" on the teacher's record in English for semester two, 1934-1935. Later the teacher wrote "condition removed."

The teacher said that she gave Robert Cummings and Claude Calvert an examination covering the English subject Saturday, September 14, then passed them. These boys participated in football last fall.

Decision. —The methods used to determine and check eligibility, as evidenced by these cases, considered loose and ineffective. Bloomington High School placed on probation in the I. H. S. A. until June 1, 1936 upon assurance by the Superintendent and Principal that better methods of determining and checking eligibility would be used in the future.

Basketball Tourney Arrangements. —The details of the several tourneys were reviewed and arranged and it was agreed that publicity about these arrangements would be held until the announcement bulletin has been printed and distributed.

The broadcasting of the several tourneys was considered and it was voted that the arrangements for last year be continued.

President Gorman and the Commissioner were authorized to check the validity of the enrollments in the State Department and to apportion tickets accordingly.

Indoor Track and Swimming. —These meets were discussed. It was the consensus of opinion that state meets in Indoor Track and Swimming should not be held this year but that proposals to hold invitational meets would receive consideration.

Board Meeting Dates and Hours —
January 11, 1936—10:00 o'clock.
February 1, 1936—10:00 o'clock.
February 28, 1936—1:00 o'clock.

It was moved, seconded and unanimously voted that the contract of Arthur L. Trester, Commissioner of High School Athletics in the I. H. S. A. now in force, be continued and considered in effect for the two (2) calendar years beginning August 1, 1936. This action was taken in accordance with Article III, Section 3, Part (k) under "Powers and Duties of the I. H. S. A. Board of Control."

The Board adjourned to meet at 10:00 o'clock Saturday, January 11, 1936.

FRED R. GORMAN, Pres.
I. H. S. A. A. BOARD OF CONTROL MEETING

Terre Haute—Attorney Stanley E. Stohr requested information about the playing of a benefit football game on Saturday preceding Easter by the first and second Wabash Valley Football teams. The Board extended the following information in answer:

2. The football season in the I. H. S. A. A. covers football after the season closes for one year and the opening of school for the next year.

3. The I. H. S. A. A. rule—“No games may be played prior to the opening of the school year in the fall” covers football after the season closes for one year and the opening of school for the next year.

4. The playing of the proposed game of football would be considered a violation of I. H. S. A. A. rules and regulations.

Mr. Fribley and Mr. Russell made a report on the meeting held in Chicago by the football rules committee of the National Federation on Friday, January 10, 1936.

The Commissioner presented a letter from Principal Johnson of Union Township, Huntington, regarding the decision of the Board in a recent case in his high school, and a letter by Superintendent Goldman of Mt. Vernon regarding the decision of the Board in the Stewartsville case of recent date. The decisions of the Board in these cases were affirmed.
Hammond (High)—James Crosbie attended high school last year at the Aruba High School, Aruba, Netherlands, West Indies. The boy came to Hammond and entered high school there last fall, there being no change of residence of his parents to Hammond.

Decision—The “change of high school” rule in the I. H. S. A. A. Constitution considered binding on all parties.

Broadcasting—This topic was discussed in the light of some recent information, but no changes were made in the policies already adopted by the Board.

1. Four Participating Teams in Final Tourney:

   - School Number 3 drew Block No. 1
   - School Number 4 drew Block No. 3

2. Other Twelve Teams:
   - School Number 1 drew Block No. 12
   - School Number 2 drew Block No. 5
   - School Number 3 drew Block No. 2
   - School Number 4 drew Block No. 8
   - School Number 5 drew Block No. 6
   - School Number 6 drew Block No. 9
   - School Number 7 drew Block No. 1
   - School Number 8 drew Block No. 3
   - School Number 9 drew Block No. 10

   - School Number 12 drew Block No. 11

When the names of the schools are known they will be arranged alphabetically and the blocks assigned according to the drawings.

Indoor Track Meet—Information regarding such a meet was presented and it was thoroughly discussed. It was decided that no State Indoor Track Meet would be held this year, but that increased financial assistance would be given to the Sectional and Final Outdoor Meets.

Questionnaire—It was decided to prepare and send to the High School Principals in the membership this spring, after the basketball tourneys, a questionnaire intended to secure reactions regarding basketball playing—season schedules, tourneys, state championship series and relevant points.

Arlington—It was reported by Principal Patton of Westland that Omer Richey of Arlington failed to appear to officiate a scheduled game according to contract at Westland on January 3, 1936, and that no explanation was given by Mr. Richey. A letter to Mr. Richey by the Commissioner dated January 22 remains unanswered.

Decision—The approval card of Omer Richey to officiate games in the I. H. S. A. A. revoked and notification of such act sent to Principal Patton and to Mr. Richey.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 15, 1936.

The Commissioner reported the conditions governing high school students participating in the American Bowling Congress, as explained by President Crosier, and it was decided that such participation would not affect the eligibility of the students or jeopardize the standing of their high schools, provided the conditions were observed.

Track and Field—It was decided to follow the N. C. A. A. Rules as they concern the hurdles and the hurdle events for high schools.

The dates May 9 and May 16 for the sectional and final track meets and the Golf Tournament were confirmed for 1936.

Austin-Central (Madison)—This case was considered and the Commissioner was instructed to secure additional information.
Union Center (Merkle)—Charles Dickerson entered the Union Center High School from Rock Creek High School at the beginning of semester one, 1935-1936. His parents moved to Huntington and then to the Union Center school district January 30, 1936, fourteen days after semester two opened. The Commissioner had given his opinion that the boy would be ineligible until he had been enrolled in the Union Center High School one calendar year under the "change of high school" rule in the I. H. S. A. A. Constitution. The Board of Control agreed with this opinion.

Bloomington—The Commissioner reported the publicity in connection with this case which was decided December 27, 1935.

Tourney Officials—The applications, recommendations, records and data regarding officials for all tourneys were studied and a sufficient number of regular and reserve officials for all tourneys was selected. The Commissioner was instructed and authorized to employ a sufficient number of officials for all tourneys from the number selected by the Board and to assign these officials to tourneys, keeping all recommendations in mind.

I. H. S. A. A. Tourney Broadcasting—The I. H. S. A. A. Board of Control of five members has decided on the following regulations for the broadcasting of the sectional, regional, semi-final and final basketball tourneys for 1936:

1. The sectional tourney Center Principal may permit broadcasting when he is assured that the capacity of his gymnasium will be sold in season tickets, or when he is assured that 2,601 season tickets will be sold provided consent of the Principals of the participating schools is secured and also provided the whole tourney is broadcast.

(Note—The number 2,601 was secured by dividing the total seating capacities of the 64 sectional tourney gymnasiums by 64.)

2. The regional tourney Center Principal may permit broadcasting when he is assured that the capacity of his gymnasium will be sold in season tickets, or when he is assured that 4,050 season tickets will be sold provided consent of the Principals of the participating schools is secured and provided the whole tourney is broadcast.

(Note—The number 4,050 was secured by dividing the total seating capacities of the 16 regional tourney gymnasiums by 16.)

3. The semi-final tourney Center Principal may permit broadcasting when he is assured that the capacity of his gymnasium will be sold in season tickets, or when he is assured that 6,000 season tickets will be sold provided consent of the Principals of the participating schools is secured and provided the whole tourney is broadcast.

(Note—The number 6,000 was secured by dividing the total seating capacities of the 4 semi-final tourney gymnasiums by 4.)

4. Permission to broadcast the Final Tourney has been granted to WPBM, WIRE and WOWO Radio Stations with the understanding that these stations will permit hook-up privileges to any station in Indiana. This permission was granted after it was known that satisfactory hook-ups could be effected.

5. No fee shall be accepted by any Center Principal or by any one connected with the I. H. S. A. A. from any Radio Station for the privilege of broadcasting any tourney.

6. The broadcasting shall be fair, unbiased, accurate, courteous and free from any objectionable features.

Richmond—On January 20th Principal Cline reported that Robert Brinker was a pupil in the St. Andrews Parochial School until the end of his tenth grade and that he played baseball on the St. Andrews High School team when enrolled in the seventh and eighth grades. He desired to know about this participation and also about the “change of high school” rule since the boy had entered the Public High School. Information was given that the baseball playing of this boy on the high school team when he was enrolled in the seventh and eighth grades must count as high school participation in baseball and that the “change of high school” rule was applicable to the student.

On February 27th Principal Cline reported that Robert Brinker played basketball on the St. Andrews High School team when he was enrolled in the eighth grade in 1931-1932 and that he had been enrolled in high school since that year.

Decision—The playing of basketball by Robert Brinker on the St. Andrews High School team when he was enrolled in the eighth grade considered high school participation in basketball and the boy considered ineligible in basketball for all of the present school year. Principal Cline requested to take the following steps at an early date: Write explanatory letters to the opponent Principals in basketball games in which this boy has participated during the present school year, forfeiting the games and requesting these Principals to notify the I. H. S. A. A. office as soon as they have received such letters. Principal Cline also requested to send a copy of his letters to the I. H. S. A. A. office.

1. The contract with the Center Principals of the Sectional Meets to be the same as last year.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, May 15, 1936.

All of the correspondence, memoranda and information regarding the Milan case was considered and filed.

It was decided to follow the policy of permitting member high schools to play baseball games with other member high schools and independent organizations during the summer, provided (1) the school teams are under the supervision and administration of their Principals (2) the rules and regulations of the I. H. S. A. A. are observed and (3) that no graduating seniors are used.

The questionnaires regarding basketball games, tourneys and schedules were considered but final decisions were postponed until a more complete discussion can be given to all of the factors in these matters.

The Commissioner was instructed to execute the rule requiring Parents and Physicians' Certificates prior to the first practice in football, basketball and track with the interpretation that actual practice, participation or scrimmage shall constitute practice. The protection of the students, the school and the sports is considered fundamental.

Peru-Noblesville—Principal Mueller of Noblesville and Principal Dawald of Peru filed their correspondence, contracts and memoranda regarding a two-year contract for football games at Noblesville November 8, 1935 and at Peru November 7, 1936 and requested the Board of Control to review the whole matter as it concerns the proposal by Noblesville to cancel the game at Peru upon the payment of ten dollars. The game scheduled at Noblesville was played.

After careful consideration the Board recommended that the game scheduled for Peru November 7, 1936 be played according to contract, or that the game be cancelled by mutual consent of the Principals. The Board of Control recognizes that it will be necessary for both schools to follow the policy of "give and take" in the settlement of this matter.

The Commissioner was instructed to write a letter to the Managers of the Radio Broadcasting Stations in the state, requesting information about the broadcasting of games, tourneys and contests in the I. H. S. A. A.
(3) A student of a high school who signs a contract in professional athletics, reports, practices and receives expenses.

I. H. S. A. A. Audit—The policy of employing Ernst and Ernst, National Public Accountants, to audit the I. H. S. A. A. books annually was considered in the light of information received from the Indiana Association of Public Accountants to the effect that this association felt that the I. H. S. A. A. should use an Indiana firm, but no action was taken.

Basketball Tourney Scheme—After careful consideration of the questionnaires received from 534 of the 800 Principals and after an intensive study of the increased attendance and success of the tourney scheme in 1936, the Board of Control adopted the following scheme for 1937:

II. Sixteen Regional Tournaments of 4 teams each on Saturday, March 13.

It was decided to schedule a meeting of the Managers of the radio stations with the Board of Control next fall for consideration of the questions regarding the broadcasting of games, meets and tournaments.

The establishment of a scheme providing for a State Health and Physical Education Director out of Federal funds and working with the State Board of Education was discussed.

The Peru-Butler Township and the Peru-Noblesville situations were discussed but no action was considered necessary at this time.

The Board adjourned to meet at 10:00 a.m. Saturday morning, September 5, 1936.

W. S. FELLMY, Pres.

State Cross-Country Meet—The question of a State Cross-country Meet was discussed and it was decided to not hold such a meet this year.

Pimento—Bob Neff lived with his grandparents at Pimento and attended that high school last year. Soon after school started this year he left the home of his grandparents and went to live with his father at Terre Haute but continues to attend the Pimento High School. He has been accepting transportation to and from school from Coach Yaw, who lives in Terre Haute.

The Board informs Principal Cox that accepting transportation to and from school by a player from a Coach is looked upon with disfavor and that a change in this matter should be made if he desires to consider the boy eligible for athletics.

Clayton—Dean Ward changed high schools from Monrovia to Clayton without a change of residence of his parents. The parents lived in the Clayton school district last year but the boy attended the Monrovia High School last year. This year the boy entered the Clayton High School.

Decision—The boy was considered ineligible at Clayton until he has been enrolled one calendar year under the "change of high school" rule.

The Board adjourned to meet at the Purdue University Union Building at 10:00 o'clock Saturday morning, November 21, 1936.

During the inauguration of this plan there shall be for a few years what shall be known as an “Adjustment Period,” during which duplicate memberships in the various classes shall in certain cases necessarily be allowed whenever hold-over memberships from any district or districts shall happen to fall in the same enrollment class or classes. (County Superintendents who are holdovers shall be considered “members-at-large” from their districts, and not be allocated to any class.)
c. As soon as practicable after the elections of December 10, 1930, the Legislative Body of the I. H. S. A. A. shall provide for special elections to be held as soon as convenient of which there shall be elected a new member of the Athletic Council from each unrepresented class in each I. H. S. A. Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the Principals:

"The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther line. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line."

Section 3. Spalding's National Collegiate Athletic Association Track and Field Rules shall govern with the following exceptions:

(a) Rule 2, regarding a Games Committee shall be void.

Section 9. The football season shall close November 30 of each year. The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until March 1 of the following year.

Section 10. No games shall be played with public High Schools of this State not belonging to this association. ARTICLE IX
ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. Constitution reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up, providing that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretation—

In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Interpretation—

(a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

(b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.

(c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section.

Previous to the first practice, the Principal shall certify to the I.

H. S. A. A. that the certificates required herein are on file in his office.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and has received his diploma providing the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, providing they meet all other eligibility rules of the I. H. S. A. A.

Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Conduct

Section 1. Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

ARTICLE X

Injunction Suits

The Athletic Council deprecates the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

ARTICLE XI

Prizes and Awards

Section 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Section 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Section 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school principals concerned.

ARTICLE XII

Finances

1. There shall be the accumulation and establishment of a surplus in the I. H. S. A. A. treasury of $100,000.00 as soon as reasonable financing will permit, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.

2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above a $100,000.00 surplus and above the amount legitimately necessary for the running expenses of the I. H. S. A. A., these distributions to be made on October 1, 1938, and on October 1 of and for each three-year period thereafter.

3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, meets and athletic contests that are deemed necessary through the years and to administer, execute and control all receipts, expenditures and holding of moneys in connection with the I. H. S. A. A.

Interpretations

1. When a contestant, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.

2. Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

3. It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

4. A game is an athletic contest entered into by a member of this association with players or teams not belonging to the member.

5. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer providing it is done and becomes a matter of final record prior to the opening day of the next semester.

10. The baseball season is defined as beginning and ending with the school year.

11. The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.
12. Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

13. A temporary regulation of the I. H. S. A. A. shall be understood to be a regulation having effect until the next meeting of the Athletic Council at which time it will be subject to the disposal of this body.

14. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.

15. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in both schools, provided adjustments in subject matter and in courses in the new school can not be made at the time the parents change their place of residence. QUESTION AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

**APPROVED OFFICIALS AND RE-REGISTRATION OF OFFICIALS**

Approval cards issued prior to August 15, 1931 are void. Re-registration cards have been issued to all officials who were approved prior to this date and who have re-registered. Principals should not use officials in games whose names do not appear in the printed lists or who cannot show approval cards issued later than August 15, 1931 or re-registration cards. A. By writing to the Commissioner.

ENROLLMENT
(See Undue Influence Rule. It Takes Precedence.)

1. Q. What is a five-year man?
A. Students who have been enrolled in High School for twenty or more days between September 1 and December 1, between December 1 and March 1 or between March 1 and June 1 for four times are ineligible for football, basketball and spring athletics, respectively, with the following exceptions:

A student who enters High School for the first time at the beginning of semester II of any school year, may be enrolled four times of twenty or more days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment.
A student who enters High School for the first time at the beginning of semester II, may be enrolled four times of twenty or more days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment.

2. Q. May a student, who has been in High School four full years, but who has not participated in any athletics, participate in athletics? A. No. Enrollment rather than participation is the determining factor here.

3. Q. Which is the determining factor in eligibility—enrollment or participation? A. Neither. Both must be considered.

4. Q. If a student changes High Schools, when is he eligible? A. He is just as eligible in the new school as he was in the old school, provided his parents actually and legitimately change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, provided adjustments in subject matter can not be made in the new school at the time. If they do not actually change their place of residence to the new school district, he will be eligible after he has been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure him as a student or his parents as residents. See "undue influence" rule.

5. Q. When are students, who finish the work given in one High School, eligible in another High School? A. Students finishing the work in a High School giving less than four years of High School work are just as eligible in a new High School as they were in the old High School.

6. Q. What is a semester? A. One-half of a school year constitutes a semester in the I. H. S. A. A., and parts of two semesters or a part of one semester does not make a semester in the I. H. S. A. A.

7. Q. When is a student eligible in school "A" if he withdraws from school "A," enters school "B" and later returns to school "A," his parents never changing their place of residence from the district of school "A"? A. When the student has been enrolled one calendar year, provided he is eligible in all other ways.

8. Q. How can a student gain eligibility in a High School upon entering from another High School? A. By his parents actually changing their place of residence to the new High School district or by enrollment for one calendar year.

9. Q. Does the twenty-day enrollment requirement mean school or calendar days? A. School days.

10. Q. If a student fails in all subjects for a semester does this enrollment count as a semester? A. Yes.

11. Q. Is a student, who has been out of High School for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester? A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

GAMES

1. Q. What is considered a game of basketball? A. A game of any kind in the I. H. S. A. A. is an "inter" contest as distinguished from an "intra" contest. An admission fee is no part of a game and has no bearing one way or the other.

2. Q. May a member of the I. H. S. A. A. schedule and play games with teams and schools in Indiana not members of the I. H. S. A. A.? A. Yes. Provided these teams and schools are not public High Schools and also provided the members of the I. H. S. A. A. observe all of the rules of the I. H. S. A. A.
3. Q. What is the difference between a preliminary game and a regular game?
A. There is no difference as far as the I. H. S. A. A. is concerned, as the same rules and regulations govern.

4. Q. If a "practice" game of basketball is played is it to be counted as one of the twenty games on the regular schedule?
A. Inter-"practice" games are regular games and must be counted as such. Intra-"practice" games are not counted as regular games. In fact, there are no such things as practice games in the I. H. S. A. A. There are practice games within the school only.

5. Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?
A. No. Games are "inter"-contests with or without admission charges.

6. Q. Is an alumni game considered a game?
A. Yes. Such must be counted as one of the 20 games permitted on the regular schedule.

7. Q. What is considered an "inter" game?
A. Any game in which a High School team plays against students or players not belonging to the High School.

8. Q. What date marks the end of the football season?
A. November 30 of each year.

GIRLS' ATHLETICS

1. Q. Are girls, as well as boys, bound by the rules and regulations of the I. H. S. A. A.?
A. Yes. All students on all teams in High Schools belonging to the I. H. S. A. A. are bound absolutely by its rules and regulations.

2. Q. May girls play basketball according to boys' rules?
A. No. Girls must play according to girls' rules by Spalding and the three-court plan shall be used, except as mutually agreed otherwise.

3. Q. Is the I. H. S. A. A. opposed to basketball games and tourneys for girls?
A. No. Special care should be used, however, in such games and tourneys to know that girls are physically fit at all times.

4. Q. May men coach girls in athletic games?
A. Yes. It is recommended however that women coaches be employed for girls. This applies to officials also.

5. Q. May girl's basketball teams play in state tourneys or national tourneys?
A. No.

PARTICIPATION.

1. Q. May a student play on any team other than a High School team?
A. A student becomes ineligible in High School for the entire season of that sport in which he participates as a member of any team other than the High School team. There is an additional penalty for participation out of season as set out in the rules.

2. Q. What is considered participation in a sport for a season?
A. Playing in a part of one game in a sport constitutes participation in that sport for that season.

3. Q. May member schools play against non-public High School, College, Y. M. C. A. and independent teams?
A. Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the I. H. S. A. A. and there must not be any public High School students on the opposing teams.
PRIZES AND AWARDS

1. Q. Is a High School permitted to give sweaters to athletes?
   A. Yes. The I. H. S. A. A. recommends that the giving of prizes, gifts, sweaters, etc., be kept within reasonable bounds at all times and that such as are given have a symbolic value only. All prizes should be given by the school. No more than one sweater in each major sport may be given to a High School student for participation in athletics in High School.

2. Q. May schools give gifts to students for scholarship, sportsmanship, and conduct?
   A. Yes. And such may be accepted from outside sources if sanctioned by the High School Principal.

3. Q. What gifts, awards, and prizes may athletes receive?
   A. The I. H. S. A. A. recommends that the giving of awards, prizes, medals, etc., be kept on a reasonable basis at all times, and that such as are given have a symbolic value only and be given by and with the consent of the school authorities.

4. Q. When did the sweater rule go into effect?
   A. September 1, 1930.

5. Q. If a student received a sweater in a sport prior to September 1, 1930, should it be counted as the one sweater permitted in that sport?
   A. No. The sweater rule is not retroactive in its applications.

6. Q. May the sweater rule be evaded by giving coats or other gifts?
   A. No. The Board has decided that this rule should not be evaded in spirit or intent.

PROFESSIONALISM

1. Q. What constitutes professionalism in the I. H. S. A. A.?
   A. Accepting remuneration, directly or indirectly, for playing on athletic teams, officiating in athletic games or managing athletic teams, or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

2. Q. If a student violates his amateur standing in one sport does he become ineligible for all sports?
   A. Yes. A professional in one sport is ineligible for all sports.

3. Q. Does a student become ineligible in all sports, if he plays on a team other than the High School team in one sport?
   A. No. A student becomes ineligible only in the sport in which he participates as a member of a team other than the High School team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing out of season carries a penalty.

RESPONSIBILITY

1. Q. Who is the responsible party in I. H. S. A. A. athletics?
   A. The High School Principal is the responsible party as far as the I. H. S. A. A. is concerned.

2. Q. Who is the proper official to sign contracts for games?
   A. The High School Principal always. He may delegate this authority, but the Principal will be held responsible for contracts. It is recommended that this authority be not delegated.

3. Q. Who may manage a High School team?
   A. A High School Principal or teacher authorized by him. Student management is not permitted.
SCHOLARSHIP

1. Q. May back work be made up and counted toward eligibility?
   A. Yes. Back work cannot be made up, however, during a grading period or semester for eligibility during that grading period or semester. Special privileges should not be granted to athletes. (See Summer School Work.)

2. Q. Would a student, declared ineligible by one principal, be ineligible under another principal?
   A. Yes. If the student is ineligible according to the rules of the I. H. S. A. A. The I. H. S. A. A. has no jurisdiction unless its rules are violated.

3. Q. May a student, who receives his High School diploma, be eligible afterwards?
   A. No. The granting and acceptance of a High School diploma makes a High School graduate.

4. Q. May an ineligible student practice with the regular team?
   A. Yes. At home in regular practice, but ineligible students should not appear in athletic suits at games.

5. Q. Does the I. H. S. A. A. have a passing mark for scholarship?
   A. No. The passing marks of the schools are usually honored, but the Board of Control reserves the right to check the validity of grades and credits and to act on their findings.

6. Q. Who is a post-graduate?
   A. A post-graduate is a student who has finished his High School work and has received his High School diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

7. Q. What constitutes the last semester in eligibility?
   A. The last semester for any student is the last semester in which the student was enrolled in any High School for any length of time.

8. Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular High School subjects for this period?
   A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular High School subjects for the current grading period and his average grade in each of three regular High School subjects for all of the grading periods in that semester must be passing. A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

9. Q. Is a "condition" or an "incomplete" considered a "pass" in the I. H. S. A. A.?
   A. No. The I. H. S. A. A. considers a "pass" to mean that all work has been done and has been made a matter of final record at the end of the grading period or semester.

10. Q. Is a student, who carries three regular High School subjects and one or more eighth grade subjects, considered a High School student?
    A. Yes. A student who carries fifteen hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

11. Q. Is a student, who has made sufficient credits to graduate at the end of semester one, eligible for athletics during semester two?
    A. Yes. Provided he is eligible in all other respects and does not actually graduate at the end of semester one. Such a student must carry regular work during semester two.

12. Q. Are the same standards of eligibility required for intra-school games as for inter-school games?
    A. No. The I. H. S. A. A. has no such requirements, but such are strongly recommended.

13. Q. Is a student, who has been ineligible for a semester on account of scholarship, eligible for the night of the last day of the semester?
    A. Yes. Provided he has passed in three regular High School subjects and his credits have been made a matter of final record in the Principal's office prior to the contest.

181
14. Q. What constitutes scholarship eligibility?
   A. In order to be eligible for a current semester a student must have passed in three regular High School subjects in his last semester of enrollment in any High School and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

15. Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?
   A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school work are not passing in their school work.

16. Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?
   A. Yes.

17. Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?
   A. At the end of the next regular grading period in that semester, provided he passes in three regular High School subjects during the period and also provided his average in each subject for all grading periods of the semester are passing in a similar amount of work.

18. Q. When is a student, who intends to enter High School, eligible?
   A. When he actually enters, provided all other requirements have been met.

19. Q. If a student becomes ineligible on Friday at the end of a grading period is he eligible for that night?
   A. No. A student is ineligible whenever he becomes ineligible.

   A. Yes, the books are considered closed at the end of the semester.

23. Q. If a student passes in three regular High School subjects during the last grading period of a semester but fails in three regular High School subjects for the semester, will he be eligible at all for the next semester?
   A. No, the books are considered closed at the end of the semester.

SENIOR AND JUNIOR HIGH SCHOOL TEAMS AND PLAYERS

1. Q. May a ninth grade student play on the Senior High School team if he is enrolled in the Junior High School?
   A. Yes, provided he is not a member of the Junior High School team also. Students in the 9th, 10th, 11th and 12th years of school work are considered eligible students in the I. H. S. A. A.

JUNIOR AND SENIOR HIGH SCHOOL ATHLETIC REGULATIONS

1. The Indiana High School Athletic Association covers the students, boys and girls, in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any High School belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary, to all Principals in the school system having 9th grade students enrolled.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and cooperate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A ninth grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A ninth grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of seventh, eighth and ninth grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals.

10. Students below the 9th grade are never eligible for Senior High School teams.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the ninth year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All ninth, tenth, eleventh and twelfth grade students must have been regularly promoted from the eighth grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in carnivals, play days, etc., held in the same city school system.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request. * * *

BASEBALL

1. Q. Does a High School student violate the rules of the I. H. S. A. A. by playing Independent Baseball during the summer?
A. High School students may play Independent Baseball during the summer months, when school is not in session, without jeopardizing their standing in High School, provided they do not accept remuneration directly or indirectly and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players, if accepted in service and not in any other way. All such playing should be checked carefully by Principals.

(Note: This answer applies to other summer sports, provided other rules and regulations of I. H. S. A. A. are observed.)
2. Q. Is a student who plays on an Independent Baseball team during semester one, ineligible for High School baseball during semester two?
   A. Yes. Such a student is ineligible for baseball for both semesters as baseball is a school year sport.

**SUMMER SCHOOL WORK**

1. Q. Does summer school work in a school other than his home school jeopardize the standing of a student?
   A. No, provided the home school authorities recognize the work of the non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits. (See standards and requirements of State Board of Education.)

2. Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?
   A. Back work during the summer may be counted toward eligibility provided: (1) it be done according to the regular rules of the school and according to good school procedure (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal. (See standards and requirements of State Board of Education.)

**MISCELLANEOUS**

2. Q. May students, who are ineligible for the first team, play on teams of lower ranking?
   A. No. Ineligibility for one team means the same for all teams.

3. Q. Are Parents and Physicians' Certificates required in all sports?
   A. No. They are required in football, basketball, track and field for all players—boys and girls.

4. Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?
   A. No. Other than a recommendation that reasonable prices be made at all times for all games.

5. Q. Is a student, who is expelled from High School one semester, eligible for the following semester?
   A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See Conduct rule.

6. Q. May a High School support a grade team out of its funds?
   A. Yes.

7. Q. May two or more High Schools combine to form one athletic team?
   A. No. This is not permitted under any conditions.

8. Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?
   A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

   "Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

9. Q. May the rules of a school be changed or special examinations be given in order to make students eligible?
   A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of
school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

12. Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.? A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook.

* * * *

13. Q. This question is often asked: “What will be the penalty for violation of such and such a rule?” A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails down.

* * * *

14. Q. What is considered the school year? A. A school year covers all time from the first day to the last day of the school year, including vacations.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS
THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA
Year Ended November 14, 1936
November 21, 1936.

Arthur L. Trester, Commissioner,
The Indiana High School Athletic Association,
Indianapolis.

Dear Sir:

We have made an examination of the records pertaining to the recorded cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1936.

A statement of the recorded cash receipts and disbursements is attached hereto. Cash on deposit at November 14, 1936 was verified by direct correspondence with the Fletcher Trust Company, Indianapolis, and the amount reported to us was reconciled with the book balance. All recorded cash receipts for the period under review were compared with deposits as shown by bank statements on file, and all disbursements for the same period were supported by canceled bank checks, except for those outstanding at November 14, 1936. We examined invoices and other data in support of disbursements and no discrepancies were noted.

Securities, as shown by a separate exhibit attached hereto, were presented for our inspection. Proceeds from interest coupons and sales of bonds were traced into the cash receipts records. The purchase of $30,000 par value bonds was made a matter of record in the minutes of the Board of Control meetings.

A fidelity bond in the amount of $80,000.00 on Mr. Arthur L. Trester, a policy covering safe deposit box burglary and robbery insurance in the amount of $12,000.00 each, a workmen's compensation and employers liability policy (coverage $20,000.00 to $100,000.00) were presented for our inspection.

We have not accounted for the proceeds from the sale of tickets for the State Tourney, which is in accordance with the procedure followed in previous years. The minute book of the Board of Control states that the Board of Control has made a check of the itemized ticket sales and approved the Commissioner's report thereon in every detail.

In our opinion, based upon our examination, the attached statement of cash receipts and disbursements properly reflects the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1936.

ERNST & ERNST,
Certified Public Accountants.
