ADDRESS TO
INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
(G. Warren Phillips)

During the recent past the I. H. S. A. A. has received the generous and formal endorsements of numerous important educational groups over the state. This support is both gratifying and significant. Through its thirty-seven years of existence your state athletic organization has earned these tributes because it has clung to the fundamentals for which it was founded. It believes, as it has always believed, that athletics must be conducted upon the basis of good school procedure and that athletic policies must always be viewed in the light of the whole school. Its rules and regulations, fairly arrived at and fearlessly enforced, have never deviated from this course. The I. H. S. A. A. sees and believes in the whole school program and the whole school child.

While these evidences of respect for the I. H. S. A. A. are gratifying, and a review of the history of our organization is satisfying, a sober observance of the future must be made. Success and courage often bring opposition. If school men desire to maintain and retain control of the same democratic plan where authority is placed in the hands of those who are responsible for the whole school program—where the governed govern; if they wish the continuation of the progress of athletic policy of the past thirty-seven years, they must be willing not only to endorse but also to defend their association from any attack that may come from those groups or individuals who desire control for selfish and non-educational ends. It is not enough that school men understand the aims, policies, and structure of the I. H. S. A. A. These must be made clear to the communities as well as the schools, to school patrons, to the press, to boards of education, to school trustees, to state legislators, and to civic and service organizations. The time for action is now. Delay might be costly, even fatal. That attacks upon the I. H. S. A. A. in the past have failed does not mean there will be safety in the future. Safety can be attained only through honest presentation of facts by the school men of this state.

Information contained in such articles as "School Athletic Policy," found in Bulletin No. 1, September 2, 1940, and "Informational Data," in Bulletin No. 2, October 3, 1940, is concise, clear, and fundamental. The constitution and by-laws found in this handbook explain the organization, responsibilities, powers, and ideals of the I. H. S. A. A. This and similar material is basic, factual information; and, where properly interpreted and presented to the press and to lay organizations, will create accurate understanding. Once informed, the citizens of Indiana will support the I. H. S. A. A. because it stands for the best ideals of its member schools. School men must not fail in the task of supplying this accurate information.

BASKETBALL

1940 State Championship Winner—Technical High School (Hammond).

Coach—Louis D. Birkett.

Detailed information regarding the Sectional, Regional, Semi-final and Final Tourneys in the State Championship Series of games may be found in the following pages.

ANNOUNCEMENT OF

SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL
BASKETBALL TOURNEYS, 1940

THE TWENTY-NINTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full.

SECTIONAL TOURNEYS

February 29 and March 1 and 2

The following bases were used in selecting sectional, regional and semi-final centers:

1. Location—geographical and with reference to schools desiring to participate.
2. Transportation facilities.
3. General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities.
4. Rotation.
5. Success and satisfactory management of previous tourneys.
6. Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The Board of Control reserves the right to readjust the scheme if conditions arise making changes necessary or advisable. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.
MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be assigned to tourneys having 13, 14, 15 or 16 teams. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the High School has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and those ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty member) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, March 2.
2. Entertainment for all teams will begin as follows:
   a. In 8 and 9 team tourneys, -5:00 P. M., Friday, March 1.
   b. In 10, 11 and 12 team tourneys, -12:00 Noon, Friday, March 1.
   c. In 13, 14, 15 and 16 team tourneys, -5:00 P. M., Thursday, February 26, for teams playing on this evening and 8:00 A. M., Friday, March 1, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 26.
4. All tourneys will begin at 7:00 P. M., Thursday evening, February 26. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 27, (2) transportation only, one round trip, may be paid in lieu of each night’s lodging. The transportation here considered shall be in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowance shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars ($100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars ($100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.

20
8. One-half of the sixth balance shall be divided on the basis of
season ticket sales in the local communities on or before 5:00 p.m.
Thursday, February 29. Season tickets sold after this hour and date
can not be counted in finding the share of any one school. Keep the
two lists separate at all times.
9. The Board of Control shall pass on all reports by the Center
School and all reports by the participating schools.
10. The Center School shall furnish a complete financial report to
the I. H. S. A. A. and to each participating school soon after the
tourney.

Note—The amounts provided for the Center School shall not be
divided among the participating schools as a bid for a tourney or in
payment for the support of these schools. The expenses of a man­
ger, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty
manager for each team (twelve in all) shall be admitted free to all
games.

ELIGIBILITY—The eligibility of each player must be certified by
the Principal of the School sending the team. Certificates must be
made on the regular blanks furnished by the Commissioner and all
data must be given as indicated. Entries will close Friday, February
16. These blanks should be sent between February 8 and 15. Do
not mail entry blanks later than February 15, 1940. Blanks mailed
according to these instructions should reach the I. H. S. A. A. office
in time to be accepted. All students must be eligible when they par­
ticipate as well as when they are certified, so entry blanks should
not be sent too early. Late entry blanks will not be accepted. The
Board of Control has so ruled.

ADMISSION FEE—The admission fees to all tourney games shall
be as follows:
Four-session tourneys—season ticket $1.00, session ticket 35 cents;
Five-session tourneys—season ticket $1.25, session ticket 35 cents;
Six-session tourneys—season ticket $1.50, session ticket 35 cents.

Tickets shall not be sold for more or less than the prices here
given. No more tickets shall be sold than the seating capacity of
the house will justify. Standing room shall not be sold or used.
All requirements of the State Fire Marshall and the City Fire
Marshall shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or
individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of sea­
son tickets shall be made among the competing schools based on dis­
tance, enrollment in High School and probable attendance from the
competing schools. Season tickets should be ready for distribution on

Monday, February 26. Much ticket information can be secured prior
to this date. Center Principals and participating Principals should
communicate with each other on Monday morning, February 26. This
responsibility is mutual. All Principals have duties in this matter.
Any unfair methods or prices higher than those mentioned in this
announcement should be reported to the Board of Control with evi­
dence. The division on season ticket sales shall be made on the basis
of such tickets being sold and paid for on or before 5:00 P.M. Thurs­
day, February 29. All schools must observe this provision. Season
tickets sold after this hour and date should not be credited to any
one school in the sharing and should be reported separately.

TYPE OF BALL—The molded type of basketball tanned in natural
leather color will be used.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A.
tourney provided the requirements in the I. H. S. A. A. rules and
regulations governing broadcasting are observed. The managers of
the stations and the Tourney Principals will have copies of these rules
and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those
provided by the I. H. S. A. A. shall not be distributed or sold at
any tourney, and no solicitation of advertisements shall be made. All
principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken
during the progress of the games. This ruling is meant to protect
the vision of the players.

SUGGESTIONS—Center Principals and participating Principals
should work with each other prior to the tourney, during the tourney
and after the tourney. A conference several days prior to the
tournament of all Principals would result in an agreement on all points
such as meals, lodging, transportation, rest rooms, seating, tickets,
reports, etc., etc. Agreements reached prior to tournaments prevent diffi­
culties during and after tourneys. Make and keep copies of all
agreements.

WARNINGS—Entries close Friday, February 16, and can not be
changed or received afterwards. An entrance fee of one dollar
($1.00) must accompany each entry blank. Special privileges will
not be granted to anyone. Send all entry blanks and checks to Ar­
thur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data
must be given on entry blank. Get all right the first time and on time,
but do not send blanks too early. Late entry blanks or incomplete
entry blanks can not be accepted.

FINAL TOURNEY

BUTLER FIELD HOUSE, INDIANAPOLIS

March 30

ENTRANTS—The four (4) winning teams of the Semi-final Tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to the sectional tourney scheme.

ENTRIES—Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. Certificates must be made on the regular blanks furnished by the Commissioner, and all data must be given as indicated. These are due in the hands of the Commissioner on Monday, March 25, complete in every detail. If you desire to change your Semi-final Tourney entry, send a definite telegram giving all data on or before this date. One entry fee covers all tourneys. The Semi-final entry blank will suffice for the State Tourney and will be used as made unless you instruct us otherwise on Monday, March 25.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: $48.00 for lodging, $48.00 for meals, $200.00 for bonuses, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The transportation mileage shall be considered the most direct and reasonable distance by automobile from the High School of the participating school to the Circle in Indianapolis.

ADMISSION FEE—The admission fee shall be $1.25 for a Season Ticket and 75 cents for a session ticket.

PRIZES—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual trophy. A medal, known as the "J. Gimbel Prize for Mental Attitude," will be given to the boy showing the best mental and moral qualities at the tourney. A trophy will be given to the runner-up team and individual medals to its team members. No other prizes shall be awarded.

CONDUCT OF PERSONS DURING STATE TOURNEY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney. While in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney. —Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager, and K. V. Ammerman, Broad Ripple High School,
and Fred R. Gorman, Technical High School, as Assistants, of this tourney. The phone numbers are as follows:

Commissioner—Riley 7270
Ammerman—Broadway 2408
Gorman—Cherry 2949

During the tourney the I. H. S. A. A. Field House Office will be at Gate 4.

Press reservations will be handled by Principal K. V. Ammerman, Broad Ripple High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

**Tickets**—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 30, 1940. In recent years all tickets were sold prior to this date. The price for a season ticket will be one dollar and twenty-five cents ($1.25) and such a ticket will entitle the purchaser to attend the games in the afternoon and evening sessions of the tourney. If the capacity of the house is not sold in season tickets, session tickets at 75 cents each will be sold on the day of the tourney.

2. Tickets will be sold only through the Principals of High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at prices higher than one dollar and twenty-five cents per season ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

a. Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, March 11, to and including Wednesday, March 20, will be accepted if received not later than Thursday, March 21, 1940. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

b. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1940, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to five (5) per cent of his High School enrollment as of September 18, 1939, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

c. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from March 11, to March 20, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in the order here given.

c. Incorrect orders are returned with instructions.

d. Orders will be filled by drawing the tickets as follows and in the order given: (1) Beginning with Section 9 and proceeding to the right around the first balcony in blocks with about 10% of each block in the front rows of the block; (2) Beginning with Section 1 and proceeding to the right around the bleachers, if there are available tickets, and (3) Beginning with Section 11 and proceeding to the right around the second balcony.

e. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in
the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 25, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to Arthur L. Trester, 812 circle tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Field House when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Field House.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Field House look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor having 650 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 25. Twelve blocks of seats, immediately around the playing floor and with 150 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 25, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms will be located in the east end of the Field House. Look for sign. A physician and a nurse will be available.

GIMBEL PRIZE FOR MENTAL ATTITUDE

In 1917 Jake Gimbel of Vincennes presented to the I. H. S. A. A. Board of Control a proposal to give a prize each year at the State Basketball tourney to the boy among the teams represented that showed the best mental attitude throughout the tourney. Mr. Gimbel did not have in mind the quality of the playing of any boy on any team, but did have in mind the qualities that belong to a real gentleman. He clearly recognized the mental and moral strain under which the players play during the tourney and he also recognized the numerous opportunities for the players to lose control of themselves and to do something not conducive to true sportsmanship.

The Board of Control accepted the proposal of Mr. Gimbel and the awarding of this prize known as the "Gimbel Prize for Mental Attitude" has been an annual affair, calling for much favorable comment. The prize and the things it represents are cherished by the players and schools of Indiana. The prize has meant much to real sportsmanship and self-control in the High Schools of the State and it is a prize sought for by all schools. The school to which the winner of this prize belongs claims the winner as their own and accordingly the whole school and the whole community are proud. In a number of cities similar prizes are being given to the players who show the best mental attitude within their own schools. The Gimbel prize and these other similar prizes have exalted in a very real sense the qualities belonging to a gentleman in the minds of our boys and girls.

The following boys have won the prize:

Claude Curtis .......... Martinsville .......... 1917
Ralph Esary .......... Bloomington .......... 1918
Walter Cross .......... Thortontown .......... 1919
Harold Laughlin .......... Bedford .......... 1920
Ralph Marlowe .......... Sandusky .......... 1921
Reece Jones .......... Vincennes .......... 1922
Maurice Robinson .......... Anderson .......... 1923
Philip Kessler .......... Richmond .......... 1924
Russel Walter .......... Kokomo .......... 1925
Richard Williams .......... Evansville (Central) .......... 1926
Franklin Prentice .......... Kendallville .......... 1927
Robert McCarness .......... Logansport .......... 1928
Emmett Lowrey .......... Technical (Indpls.) .......... 1929
Kenneth Young .......... LaPorte .......... 1930
Norman Cotton .......... Wiley (Terre Haute) .......... 1931
Jess McAnally .......... Greencastle .......... 1932
James Seward .......... Shortridge (Indpls.) .......... 1933
Arthur Gosman .......... Jasper .......... 1934
James Lyboult .......... Richmond .......... 1935
Steve Sitko .......... Central (Pt. Wayne) .......... 1936
Robert Menke .......... Huntingburg .......... 1937
Robert Mygrants .......... Hammond .......... 1938
Jim Myers .......... Bosse (Evansville) .......... 1939
Duane Conkey .......... Mitchell .......... 1940

These boys have been chosen by committees appointed by the management of the State Tourney and by the Board of Control. These
committees have made their choices by observing the boys and by consulting the officials. Only one boy can receive the prize each year, but several boys have been worthy each year. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

BASEBALL PLAYING
(Hard Baseball and Soft Baseball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the services of its High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers’ Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Louis D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A. March 1, 1904, and now there are eight hundred and six (806) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given and their terms are given.

The following are the names and addresses of those who have served on the Board of Control for the last fifteen years:

Principal Geo. W. Benton, Shortridge H. S., Indianapolis.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district, by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the Board of Control of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been held up as an ideal by the Association through the thirty-four years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title “Permanent Secretary,” established in 1906, was changed to “Commissioner of High School Athletics” in October, 1926, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.
MINUTES OF I. H. S. A. A. BOARD OF CONTROL MEETINGS

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, November 18, 1939.

TOURNEY DATES
The dates for the High School Basketball Tourneys for 1940 were set as follows:

- Sectional Tourneys: February 29, March 1 and 2
- Regional Tourneys: March 9
- Semi-final Tourneys: March 16
- Final Tourney: March 30

The date of the Final Tourney was postponed from March 23, 1940, to March 30, 1940, due to the fact that March 29, 1940, falls during Holy Week.

FRANKFORT
Principal Condon, Superintendent O'Bannon and Athletic Director Case were present to give information about the management and supervision of athletics in general in the Frankfort High School, and about the several games of basketball played under the direction of Director Case last summer and this school year.

Considerations were continued and final decisions in these matters were postponed until additional and satisfactory reports were filed by Superintendent O'Bannon, Principal Condon and Coach Case.

ELKHART
Principal Holdeman and Coach Veller were present to give information about the football game played at Fort Wayne on August 28, 1939, between a team coached by Mr. Veller and a team coached by Mr. Nulf of North Side High School, Fort Wayne. There were some high school students on the Elkhart team. Discussion regarding a basketball game played at Elkhart last summer was also held.

Considerations were continued and final decisions were postponed pending additional information.

SILVER CREEK (Sellersburg)
Principal McBride reported that he used Walter Wilkinson in a softball game with Corydon on Monday, September 18, 1939, when the boy was ineligible due to the change of high school rule in the I. H. S. A. A. The boy changed high schools from Henryville to Silver Creek without a corresponding change of residence of his parents.

Decision—Walter Wilkinson considered ineligible for any athletics in the Silver Creek High School until he has been enrolled one calendar year, and eligible at the end of one calendar year only if no undue influence in securing him as a student is attached to the case at any time.

FRANKLIN
Principal Garrison presented the question of counting a credit made in Physical Education as one of the three regular high school subjects required for eligibility in athletics in the I. H. S. A. A.

The Board of Control decided that it has no option in this matter as Section 1, Article IX under Scholarship in the I. H. S. A. A. Constitution excludes “Physical Training” as one of the three regular high school subjects required for eligibility.

HAMMOND
Principal A. L. Spohn asked about the participation of his swimming team in an exhibition called the “Aquatic Forum” sponsored by the Intercollegiate Swimming Coaches’ Association at Fort Lauderdale during the Christmas vacation.

The Board of Control calls attention to Section 2, Article VII in the I. H. S. A. A. Constitution reading as follows:

“All games, meets, tourneys and interscholastic athletic activities participated in by the high schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the high schools concerned or under the direct supervision, management and auspices of the I. H. S. A. A.

NOTE—This rule applies to games, meets, tourneys and interschool athletic contests within and without the state.”

This Section constitutes the answer of the I. H. S. A. A. to the question asked by Principal Spohn.

GREENFIELD
Editor John F. Mitchell, Jr., requested permission to give a trophy to the winner and probably to the runner-up team in the Sectional Basketball Tourney in Hancock County.

The Board of Control extends the regulation of many years’ standing for such basketball tourneys in the I. H. S. A. A. reading as follows:

“No prizes of any kind are to be awarded to any school or individual from any source.”

This regulation constitutes the answer of the Board of Control to the question asked by Editor Mitchell.

HARDINSBURG-GEORGETOWN
During a basketball game at Hardinsburg November 3, 1939, the lights went out about two or three minutes before the end of the fourth quarter, the score being 31-18 in favor of Hardinsburg at that time.
There was discussion and some sort of agreement or understanding between the Coaches that play would be resumed at or about 10:00 o'clock if the lights came on. At approximately 10:00 o'clock, the lights came on. The Hardinsburg team was on the floor ready to play. The Georgetown team (all or part) had dressed and were not ready to play.

Hardinsburg desired to finish the contest. Georgetown did not desire to finish the contest. The Referee instructed the teams to play ball, then forfeited the game to Hardinsburg because Georgetown refused to play.

**Decision**—The game stands as played, managed, officiated and scored, and counts as one of the twenty games permitted on the regular schedule of each team.

The attention of Principal Leslie and Coach Hedrick of Georgetown is called to the section in the I. H. S. A. A. Constitution, however, about the withdrawing of a team from an athletic contest. It is recognized that there were some mitigating circumstances connected with this case but the Board believes that this whole matter could have been handled better by the Georgetown school officials.

**SANDUSKY-MANILLA**

In a basketball game at Sandusky on November 10, 1939, one of the Manilla players accidentally broke his leg when he came in contact with the wall. At that time thirteen minutes of the game had been played. The visiting Coach and Principal requested that the game be stopped and re-played at a later date. The request was granted. The question concerns the counting of the partly played contest as a game in the I. H. S. A. A.

**Decision**—A game may be played between these same teams later in the season to take the place of the partly played contest of November 10, 1939, without counting the partly played contest as a game for either school.

**SUMMITVILLE-FAIRMOUNT**

Near the close of a basketball game on November 1, 1939, at Summitville, with the score 25 to 23 in favor of Summitville, Coach Paul Malaska of Fairmount sent a player on the floor without any attempt at proper substitution to *draw a foul*. The play continued with neither official seeing the sixth man on the floor and Fairmount made a field goal, tying the score. The scorers then told the officials, Referee Tom Baker and Umpire George Bender, about the sixth man on the floor. The officials called no foul for this violation because neither of them saw the sixth man on the floor. The evidence is in conflict as to whether or not the sixth man participated in the play of the game.

During the intermission Coach Malaska went on the floor without permission to talk to his players. A foul was called for this act. The Summitville boy made the goal but stepped over the line in throwing so the point did not count. Soon thereafter Fairmount made a field goal and the game ended.

---

**Decision**—The game stands as played, scored, managed and officiated but the attention of Coach Malaska, Principal Gilbreath and Superintendent Galey of the Fairmount High School is directed to the "Comments on the Rules" by Editor Oswald Tower in the 1939-1940 Basketball Rule Book reading as follows:

"Everyone will agree that the average basketball game produces enough fouls without adding thereto those infractions which result from deliberate attempts to draw fouls. Some coaches maintain that it is 'smart' basketball; yet an excess of fouls destroys interest, causes ill feeling, and places an additional burden upon Officials. It is not merely unethical and contrary to the spirit of fair play; fundamentally, it is an attempt to simulate a foul when none has occurred, in the hope of profiting thereby; it is deceit rather than an honest plan of offense. No coach who is worthy of his position will instil that attitude in his boys."

This quotation constitutes the opinion of the Board of Control in this case and indicates clearly the party at fault in the game under consideration.

**FROEBEL (Gary)**

Principal Charles Coons presented the case of Leo Lucas, and the particular question concerns the counting of the enrollment days of this boy as a high school student during the school year of 1936-1937. The boy enrolled in September, 1936, and withdrew from all of his classes except English and History January 7, 1937, making 18 days of enrollment between December 1 and March 1. The boy carried the English and History subjects until February 3, 1937, when he dropped out of school.

**Decision**—Leo Lucas considered a high school student enrolled in high school during the school year 1936-1937 until February 3, 1937, when he dropped out of school.

The Board adjourned to meet in the Whittenberg Room, Union Building, at Indiana University at 10:00 o'clock Saturday morning, November 25, 1939.

I. H. S. A. A. BOARD OF CONTROL MEETING
Bloomington, Indiana, November 25, 1939.

SUMMER AND OUT-OF-SEASON GAMES

The additional information on file about these contests was presented and considered but definite decisions were postponed until some requested information is secured. A summary of the hearings presented and considered but definite decisions already held was read and sanctioned as correct with a few changes. Several sections in the I. H. S. A. A. Constitution were read and discussed as to their bearing on the responsibility of the Principal in the Association.

MISCELLANEOUS CASES

Several cases were presented by the Commissioner involving eligibility, the giving of prizes, etc. The Commissioner was authorized to secure complete information, then handle the cases on the basis of the rules, regulations and policies of the I. H. S. A. A.

UNION CITY

Principal Austin Cole requested information about the eligibility status of Clarence Edward Longnecker, who entered the Union City High School from the Swanton, Ohio, High School at the beginning of the present semester. The following information appears in the certified school records for this boy:

(1) Enrolled both semesters of 1935-1936 in Foch High School, Detroit.

(2) Enrolled for some time in semester two, 1936-1937 in East Commerce High School, Detroit, and received full credits in Commercial Arithmetic, General Business, Penmanship and Spelling, and English Composition. The certified record shows 20 weeks, 6 recitations per week with grades of C, C, C and B in these subjects. The transfer blank from East Commerce High School carries this notation—"E 2/37 W 9/37." A letter from East Commerce High School says the boy was enrolled from 1/15/37 to 3/1/37 or 10 days between December 1, 1936, and March 1, 1937.

(3) Enrolled both semesters, 1937-1938 in Swanton, Ohio, High School.

(4) Enrolled semester one (except first week) and some time in semester two, 1938-1939, in Swanton, Ohio, High School. The certified record shows that the boy withdrew February 16, 1939. A letter from Swanton High School says that the second semester began January 18, 1939.

Decision—On the bases of past enrollments, credits received and failing grades, Clarence Edward Longnecker may be consid...
ELKHART

Coach Don Veller of the Elkhart High School used Cecil Bell and James Simons, students enrolled in the Elkhart High School last year and the present year, in a football game at Fort Wayne August 28, 1939.

Decision—The Elkhart High School placed on probation in the I. H. S. A. A. until June 1, 1940. The I. H. S. A. A. Board of Control calls attention to the spirit, purpose and wording of the football season rule which has been in the Constitution for years and to the policy of holding a member school responsible at all times for the acts of its athletic coaches and officials in all matters that concern the spirit, wording and purpose of the I. H. S. A. A. rules and regulations to which the Principal has subscribed for his high school. This responsibility evidently comes under the actual or apparent scope of the authority and supervision assumed for a high school by its officials when membership in the I. H. S. A. A. is requested and secured. The recently passed All-Star and similar contest rule by the Athletic Council places such games as here considered under the ban in the future and sets the penalties for schools and officials.

TRACK MEET DATES

Consideration was given to a change in the dates already set for track meets in 1940 but the dates were affirmed as set and announced in Bulletin No. 1 for the present school year.

SILVER CREEK (Sellersburg)

The Commissioner was instructed to notify Principal McBride that it would be necessary for him to present the cases of Walter Wilkins and John Seiferid to the I. H. S. A. A. for consideration upon the expiration of their present ineligibility.

OFFICE LEASE

The Board of Control authorized the extension of the lease on the present office rooms for one year from January 1, 1940.

STATE TOURNEY TICKETS

The long-standing policy preventing the allotment of State Tourney tickets to special groups other than to the High Schools in the membership was unanimously affirmed.

AUDIT BY ERNST & ERNST

Copies of this report for the year ended November 14, 1939, were distributed with the information that the complete report would appear in the 1939 Handbook of the I. H. S. A. A.

MISCELLANEOUS

The correspondence and settlements of a few cases were presented by the Commissioner and considered closed by the Board of Control.

NEW BOARD OF CONTROL ACTIONS

1. G. Warren Phillips was unanimously elected as President for the calendar year 1940.

2. The first meeting date of this new Board of Control was set for 10:00 o'clock Saturday morning, January 20, 1940. The Commissioner was instructed to prepare a contract form to cover his services for five years, the salary consideration to be determined at the next meeting.

The Board adjourned to meet at 10 o'clock Friday morning, December 29, 1939.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, December 29, 1939.

DISTRIBUTION OF SURPLUS

It was decided to distribute approximately $90,000.00, the amount authorized by the Athletic Council for distribution, as follows:

(1) Give each I. H. S. A. A. member school in 1939 one-half fifty percent of the amounts received by the member school in the 1932, 1935 and 1938 distributions, which covered five years, three years and three years respectively on the two bases of the annual membership and participation in a sectional basketball tourney.

(2) The Commissioner was instructed and authorized to make the distributions during the present school year, if possible, but if not possible, due to the amount of work involved, then to make the distributions not later than October 1, 1940.

EMPLOYMENT OF COMMISSIONER

The Board of Control unanimously voted to continue the present contract of Arthur L. Trestler as Commissioner of the I. H. S. A. A. until August 1, 1940, and to employ him for five (5) calendar years beginning August 1, 1940, at an annual salary of Seventy-five Hundred Dollars ($7500.00). The contracts in duplicate covering this agreement were signed by the Board of Control members and the Commissioner.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Indiana, January 20, 1940.

GARY

A letter from Director J. E. Gilroy protesting the action of the Board of Control in sending, for the second successive year, five Gary high schools to the Valparaiso sectional tourney was read and carefully considered. The tourney report of last year shows that the largest paid attendance in any session at Valparaiso was 2,057 and that the largest paid attendance in any session at Gary in 1937 was 2,262 and in 1938 was 2,261. The seating capacity at Gary is larger than at Valparaiso but either gymnasium can accommodate more persons than attended any of the last three years, according to the information filed by the school officials. Gary has a Regional Tournament and Valparaiso a Sectional Tournament for the present year. The expenses for the last three years run as follows: 1939—Valparaiso, $875.36; 1938—Gary, $1,043.44; and 1937—Gary, $1,117.01.

It was decided to make no change in the selection of Valparaiso as a sectional tournament center or in the assignment of the five Gary high schools to this tourney, as announced in the Tournament Bulletin.

PROFESSIONAL PLAYING AND AGREEMENTS

A letter from Mr. R. C. Kimmel, Louisville, Kentucky, was read and discussed. His question follows: "If an Indiana high school athlete were to sign a professional baseball contract, which would involve no money and which would become effective after he graduated from high school, would the mere signing of a post-dated contract affect the boy's high school eligibility?"

The Commissioner had written to Mr. Kimmel as follows: "We think high school students should belong to their high schools in athletics without any divided loyalty. We do not understand why it seems to be necessary to interfere with their high school work or with their loyalty to their high school. We are always sorry when persons outside of high school, or inside for that matter, cause high school boys to be ineligible for high school athletics. In addition, we are more than sorry when the high school career of a boy is harmed by anyone."

The Board of Control went on record in support of the long-standing policy of the I. H. S. A. A. in looking with disfavor on any propositions of reaching agreements or signing contracts with high school boys while they are in high school to play baseball on some team during their enrollment in high school or after they have finished high school. This statement holds for other sports, also.

PLAINFIELD

Trustee Johnson and Principal Girard reported on January 10, 1940, that they had just received a letter from W. T. King of Coatesville containing a letter from Mrs. Dora Cummins of Plainfield. The import of these letters was that influence and promises that had been used to bring about the change of residence of Mrs. Cummins from Aro to Plainfield last summer so that her son, John, would be eligible for athletics in the Plainfield High School. The names of Stuart Fletcher, Myron Hiatt, Charles Cutchell and Coach Henry Orner of Plainfield were mentioned in the letters or in the conversations. The evidence conflicts on some points but it is clear that the change of residence, the change of high schools, possible agreements, etc., were discussed with the boy and his mother. Coach Orner said that he made two visits to see Mrs. Cummins in her former home and that the change of residence was discussed. He also said that he told her emphatically that he could not offer her or John anything at all. The boy has participated in athletics at Plainfield.

Decision—1. Principal Girard and Trustee Johnson commended for their attitude and actions in reporting the case promptly and in investigating the whole matter carefully.

2. The visits and activities of Coach Orner and some outsiders at Plainfield in connection with the case considered irregular and not conducive to clean high school athletics.

3. The Plainfield High School placed on probation in the I. H. S. A. A. for one calendar year from the date of this decision, January 20, 1940.

4. John Cummins declared ineligible for all high school athletics for one calendar year from the date of this decision, January 20, 1940.

5. Principal Girard required to take the following steps at once:
   a. Send definite and explanatory letters to the opponent Principals in games in which John Cummins has participated, forfeiting the games won and requesting these Principals to notify the I. H. S. A. A. office as soon as they have heard from him.
   b. Send copies of his letters to the I. H. S. A. A. office.

EMERSON (Gary)—WASHINGTON (East Chicago)

On December 8, 1939, a basketball game between these two schools at Emerson (Gary) resulted in some difficulties. The evidence shows that Al Price of Emerson and Mat Tonkovich of Washington engaged in a fistike encounter near the end of the game. Immediately following the first encounter by the players mentioned there was a free-for-all by fans and players but the Principals have been unable to furnish the names of the participants or to take any actions against them. The Coaches removed all of their players from the game and finished the game with substitute players. Some handshaking and apologies were a part of the program.

Decision—1. Al Price of Emerson and Mat Tonkovich of Washington declared ineligible until the end of the period covering the next three successive first-team basketball games of each school.

2. Principal Spaulding requested, and the request is stressed, to take additional and more effective precautions to prevent such happenings in his athletic contests in the future.

3. File for future reference and guidance the correspondence in the case.
BASKETBALL TOURNEYS

The applications, recommendations, availability, records, qualifications, etc., of officials were carefully considered, and a sufficient number of officials were selected for the sectional, regional and semi-final tourneys with the understanding that no information would be made available until the contracts are consummated. The Commissioner was instructed and authorized to negotiate contracts and to make necessary adjustments in these selections if conditions necessitate some changes.

NATIONAL FEDERATION MEETING

It was agreed that the President of the Board of Control, the President of the Athletic Council and the Commissioner should attend at their discretion this meeting in St. Louis in February, with legitimate expenses paid by the I. H. S. A. A.

The Board adjourned to meet as follows:

1. Friday, February 23, 1940—10:00 A.M.
2. Saturday, March 30, 1940—Immediately after the afternoon game of the Final Tourney in the office at Gate 6 in the Butler Field House.
3. Upon call of the Commissioner in emergencies.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 23, 1940.

BASKETBALL TOURNEYS

1. Assignment of officials for all sectional tourneys was made.
2. Consideration was given to the regulation covering late attempts to enter the tourneys and the Commissioner was instructed to reject any and all late entries.
3. The long-standing policy of granting only twelve complimentary tickets to each school in the tourneys was sanctioned.
4. The long-standing policy of not granting blocks of State Tourney tickets to groups, clubs, etc., was sanctioned.
5. The drawing of schedules for the sectional, regional, semi-final and final tourneys was completed in the presence of representatives of the Indianapolis News, Indianapolis Times, Indianapolis Star, Associated Press, United Press and International News Service.
6. Officials for the regional, semi-final and final tourneys were discussed and instructions given to the Commissioner for final assignments.

BOWLING ASSOCIATION REQUEST

A request from President Roscoe Conkle, Indianapolis Bowling Association, asking the I. H. S. A. A. to waive its right under a lease to the Butler Field House for the holding of the State Final Basketball Tourney in 1942 so that the American Bowling Congress could be invited to hold its event there, was carefully considered. The Board authorized the Commissioner to reply to President Conkle that additional consideration would be given to this request upon assurance being given to the I. H. S. A. A. that facilities and accommodations be made available suitable for the holding of the basketball tourney and adequate to seat 15,000 spectators comfortably at some place other than Butler University.

INDIANA UNIVERSITY

Robert Meyer, Indiana Daily Student, Indiana University, requested the I. H. S. A. A. to ask the high schools to donate a percentage of the proceeds of at least one game of basketball to be used in the erection of a statue or memorial on the site of Old Assembly Hall at Indiana University, marking the place of the first State High School Basketball Tourney. This matter was thoroughly discussed and it was decided that the I. H. S. A. A. had no authority to ask the schools for such contributions.

HUNTINGTON

Principal Stephan reported that Paul White, formerly of New Haven and now of Franklin, failed to appear according to contract to officiate a game January 23, 1940. The Commissioner reported to the Board of Control that attempts to have Mr. White reach a settlement with Principal Stephan had failed of success at date.

The Board authorized the Commissioner to disbar Mr. Paul White as an official in the I. H. S. A. A. unless a satisfactory settlement with Principal Stephan is reached within a few days.

The Board adjourned to meet immediately after the afternoon game of the Final Tourney Saturday, March 30, 1940, at the Office, Gate 6, in the Butler Field House, and upon call by the Commissioner in an emergency.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Butler Field House, Indianapolis, Indiana, March 30, 1940.

GIMBEL PRIZE WINNER

After careful consideration and thorough discussion of the boys on the four teams in the Final Basketball Tournament, Duane Conkey of Mitchell was chosen as the winner of the Gimbel Prize for Mental Attitude in the 1940 Tournament.

STATE TRACK MEET

The Commissioner was instructed to secure the track and facilities of Technical High School, Indianapolis, for the State Track and Field Meet in 1940, if satisfactory arrangements can be made.
HEARING

It was decided to invite the Principals and Football Coaches of Hobart, Logansport, and Frankfort to the next meeting of the Board of Control to give evidence regarding the alleged participation of the schools in interschool football scrimmages prior to the opening of school last fall.

PRIZES AND AWARDS

The Commissioner was instructed and authorized to follow the regulations set out and adopted by the Board of Control in the minutes of their meeting under date of March 25, 1930.

ATHENAEUM TURNERS (Indianapolis)

The Athenaeum Turners, by their President Carl B. Sputh, requested permission to present an award to the player on each of the Indianapolis City High School teams who shows the best sportsmanship in basketball and football each year. The rules, regulations and policies of the I. H. S. A. A. were considered carefully in this connection and the Board of Control decided that the request could not be granted. It has been a long-standing policy of the I. H. S. A. A. to keep prizes, awards, etc., at a minimum, and to include only those that are given by and with the consent of the High School Principals concerned.

BOND PURCHASE

The Commissioner reported that he purchased on March 27, 1940, for the I. H. S. A. A. $30,000.00 par value, 2½%, United States Government Securities. The holdings of the I. H. S. A. A. have always been in United States Government Securities.

BOWLING REQUEST

The Commissioner reported that he had received no word from the Indianapolis Bowling Association since the action of the Board of Control, February 23, 1940.

The Board adjourned to meet at 10:00 o'clock Saturday morning, April 6, 1940.

FRED W. RANKIN, Acting Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 6, 1940.

BASKETBALL TOURNEYS

The Commissioner submitted a detailed report covering the tickets, finances and concessions of the Final Tourney. This report was considered correct and approved by the Board of Control. The reports (ticket, financial and other) of the sectional, regional and semi-final toursneys were presented and checked as correct by the Board of Control. All reports were filed for the consideration of any interested parties.

BASKETBALL TOURNEY SCHEME—1940-1941

After careful consideration of all factors of the several tourneys in the State Championship Series in past years, the Board of Control unanimously decided on the following scheme and dates for the tourneys in 1940-1941:

- Sectional — February 27-28 and March 1
- Regional — March 8
- Semi-final — March 15
- Final — March 22

TRACK

It was decided to arrange for 15 sectional meets and a final meet as last year. The Commissioner was authorized to accept suitable invitations for the sectional meets and to complete the arrangements for these meets and the final meet at Technical High School, Indianapolis. The provisions of last year were approved, except the item of entertainment in the final meet. It was decided to pay $1.00 for each actual contestant and one Coach from each school in the final meet located within 50 miles of Technical High School, Indianapolis, the schools in Indianapolis not sharing; to pay $2.50 for each actual contestant and one Coach from each school in the final meet located more than 50 miles from Technical High School, Indianapolis; and to furnish the noon meal on Saturday, the day of the meet, at Technical High School for the actual contestants and the Coach from each school represented in the final meet, the schools in Indianapolis sharing.

GOLF

Consideration was given to the place for holding this tournament by the Board of Control September 23, 1939. Additional information was secured and considered. It was decided, after considering other courses, to hold the Golf Tournament in 1940 at the Speedway Golf Course in Indianapolis as in past years.

PERU BASKETBALL TOURNEY

The Commissioner was instructed to invite the Superintendent, Principal and Coach of the Peru High School, the County Superintendent of Miami County, the Principal and Coach of Clay Township, Miami County, and other interested parties to the next meeting of the Board of Control to give information about the difficulties in connection with a game in the Peru Sectional Basketball Tourney.

BASKETBALL CLINICS

The Commissioner was authorized to employ Editor Oswald Tower of Andover, Massachusetts, to serve as discussion leader in two or three rules clinics in the latter part of next September, and to present a scheme for additional Clinics over the state.
HOBART-LOGANSPORT-FRANKFORT

These cases concerned the alleged participation in inter-school football scrimmages by the players of these schools under the supervision of the Coaches at Dunes Park, Gary, prior to the opening of school last fall. The following persons were present at the hearing: Supt. Reed Groninger, Principal Baird F. Cox, Director Clifford Wells and Coach Jim Puett of Logansport; Principal A. E. Condon, Coach Raymond Rohrbaugh, Assistant Coach C. H. Anderson and Assistant Coach Matthew Ronzone of Frankfort; and Principal R. A. Nuzum, Coach S. B. Todd and Assistant Coach Charles McDaniel of Hobart.

The Commissioner wrote to the three Principals on February 14, 1940, requesting definite and complete information about this alleged participation in inter-school football scrimmages prior to the opening of school. Each Principal replied by letter that an investigation had been made by interviewing the Coaches and some of the players and that the results of their investigations showed that no such scrimmages were held. Supt. Groninger made an investigation and it indicated that the football players did engage in inter-school scrimmages.

All of the men present at the hearing, with the exception of Assistant Coach Charles McDaniel, presented attitudes, information and evidence. After considerable questioning, and with varying degrees of hesitancy, Principal Nuzum, Principal Cox, Principal Condon, Coach Todd, Coach Puett and Coach Rohrbaugh plead guilty to the charge of participation by their high school football boys in inter-school scrimmages at Dunes Park prior to the opening of school last fall.

Soon after the three Principals received letters from the Commissioner dated February 14, 1940, regarding the alleged participation, Coach Rohrbaugh and Coach Puett made a visit to Coach Todd to discuss the whole matter. Upon direct questioning each of these Coaches admitted that the meeting was held to prevent, if possible, the correct information being given by themselves and the players. The evidence showed that each of the Coaches and some of the players knew that the scrimmages were violations of I. H. S. A. A. rules and regulations at the time they were held.

2. Hobart, Logansport and Frankfort High Schools forbidden to participate in inter-school, inter-institution, inter-group or any "inter"-football playing until the beginning of the school year 1941-1942.

3. The attempts made to conceal the facts by the Coaches, players or any other persons considered definitely out of line with the spirit and purpose of the I. H. S. A. A. and good school work. The statements of those who presented the facts as they were are appreciated.

G. WARREN PHILLIPS, Pres.
Board of Control to discuss some of the problems, needs, ramifications and possible remedies in connection with the numerous local, regional, state and national high school contests other than athletic contests. Careful consideration was given to the several factors in the present situations in the high schools of Indiana and it was the opinion of all that any solutions should be approached cautiously and with all factors in mind. The Board of Control indicated that any change of the I. H. S. A. A. toward an Activities Association instead would be one for the action of the Athletic Council first and later for the action of the entire membership of the I. H. S. A. A.

INTER-SQUAD FOOTBALL SCRIMMAGES

Under date of April 13, 1940, the Commissioner wrote letters to the High School Principals of Crawfordsville, Morocco, Huntington, Seymour and Sheridan asking if their schools took part in interschool or inter-squad football scrimmages at Camp Crosley last summer prior to the opening day of school. Each Principal replied promptly that his football squad did take part in such football scrimmages and that such was done without realization of any violation of an I. H. S. A. A. rule.

There was no attempt at concealment of the facts by any Principal, Coach or player in these cases. Each Principal clearly recognizes and admits the violations as he now understands the rules and regulations.

Decision

1. The Crawfordsville, Morocco, Huntington, Seymour and Sheridan High Schools placed on probation in the I. H. S. A. A. until January 1, 1941.
2. Attention of all schools directed to the policy of the I. H. S. A. A. designating a "scrimmage" of high school athletic teams or students with or against teams made up wholly or in part of players not belonging to the high school as a "game."

SUMMER ATHLETICS

The question regarding member schools of the I. H. S. A. A. continuing inter-school, inter-city, inter-club, etc., athletic games as high school teams during the summer months was considered carefully and it was decided that such athletic activities should not take place.

The I. H. S. A. A. has always permitted high school students to participate on non-high school teams as individuals during the summer months in sports not having definite seasons in the I. H. S. A. A., provided they do not violate their amateur standing in some way. This permission gives all boys the opportunity of athletic participation during the summer months when school is not in session.

BASKETBALL CLINICS

The Commissioner was authorized to arrange for these Clinics in accordance with the discussions of last meeting and today's meeting.

BASKETBALL RULES

Discussion was given to the optional use of smaller backboards and the optional use of four-foot end lines, but definite decisions were postponed until additional information and recommendations are secured from Principals and Coaches.

MISCELLANEOUS

Information was given by the Commissioner regarding several questions, situations and policies not requiring any actions at the present time.

The Board adjourned to meet promptly at 12:00 o'clock noon Saturday, May 18, 1940, at the Technical High School Cafeteria in Indianapolis.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., May 18, 1940.

BASKETBALL RULES

It was decided to use the standard 4'x6' backboards in the 1940-1941 State Championship Series of tournneys with the understanding that schools may use the smaller backboards in single games by mutual consent.

It was also decided to use the two-foot end lines behind the backboards in the 1940-1941 State Championship Series of tournneys with the understanding that schools may use the four-foot end lines in single games by mutual consent.

RULES CLINICS

Discussion was given to Clinics in basketball and football under the leadership of Editor Oswald Tower of Massachusetts in basketball on Friday and Saturday, September 20 and 21, 1940, and under the leadership of E. C. Krieger of Ohio in football on Saturday, September 7, 1940. The Commissioner was authorized to complete the arrangements for these Clinics.

REGULATION

The following regulation was adopted:

"In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the Principal of each high school voluntarily taking out a high school membership in the I. H. S. A. A. has secured the consent of his superiors, the administrative head or heads of the school system,
to take out said membership and that he, the Principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the I. H. S. A. A. membership the conditions are found to be such that the High School Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. H. S. A. A. and has in fact removed itself from the membership in the Association.

The I. H. S. A. A. Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the High School Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the High School Principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.”

The Commissioner presented information regarding some miscellaneous topics and cases. Following a discussion of these matters the Board of Control adjourned to meet at 8:00 o’clock Friday evening, September 6, 1940.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, September 6-7, 1940.

SURPLUS DISTRIBUTION

A complete report of the sale of bonds and the distribution of money among the members of the Association, according to the vote of the Athletic Council and directions of the Board of Control, was made and accepted.

FRANKFORT

A report of a conference with the Commissioner by Superintendent Wood, Principal Condor and Director Case was made and a copy of the Athletic Policy adopted by the Board of School Trustees of Frankfort stating in effect that the inter-school athletics of the Frankfort High School would be conducted according to the rules and regulations of the I. H. S. A. A. was read and filed.

STATE TOURNEY TICKETS

A request, signed by several Principals, that twelve tickets be allotted to each school was read and discussed with the understanding that additional consideration would be given to the matter when final arrangements are made for the tourney.

BASKETBALL CLINICS

The arrangements for the basketball clinics for the season were discussed. A list of the representatives and alternates selected by several associations of coaches and officials in the state was presented and suggestions were made about additional representatives as needed. It was decided to handle the remuneration of the official representatives according to the scheme of last year.

STATE TOURNEY BROADCASTING

The Commissioner reported that one Radio Station Manager had asked regarding the attitude of the I. H. S. A. A. toward a sponsorship by a cigarette firm. It was decided that such a sponsorship should not be sanctioned.

CHALMERS-BROOKSTON

The parents of William Peak moved last March to West Point Township, White County, having no high school. The boy finished the school year at West Point in Tippecanoe County. A statement is on file signed by the Trustees of West Point Township and Big Creek Township (Chalmers) reading in part as follows: “There exists an agreement between the Trustee of West Point Township and the Trustee of Big Creek Township that pupils living in the east section of West Point Township adjoining Big Creek Township be transferred to Big Creek Township School and transportation has been provided for same.” Principal Mutchler requested an opinion regarding the eligibility status of the boy should he enter the Brookston High School.

Decision—Since the parents of William Peak live in the section of West Point Township designated in the agreement signed by the Trustees, the Chalmers High School in Big Creek Township is considered the home high school of William Peak, as far as the I. H. S. A. A. is concerned, with athletic eligibility to be determined by Principal Lanman of Chalmers according to the rules and regulations of the I. H. S. A. A.

ALL-STAR GAME

An all-star game of basketball was played Friday night, August 16, 1940, in the Butler University Field House. The I. H. S. A. A. has a rule covering participation in the promotion, coaching, management, supervision and officiating of all-star games or similar contests by schools, school officials, teachers, coaches and approved officials of the Association. One part of the rule reads as follows: “Approved officials shall be suspended for promoting or officiating in such contests.”
Information reached the I. H. S. A. A. that (1) Director Paul Hinkle of Butler University directly participated in the game by coaching one of the teams and (2) Mr. John W. Head and Mr. Fred C. Koster, Jr., of Louisville, Kentucky, officiated the game that was
played Friday night, August 16, 1940. These three men were cor-
dially invited by letter under date of August 19, 1940, to meet with
the I. H. S. A. A. Board of Control at eleven o'clock Saturday morn-
ing, September 7, 1940. Mr. Head and Mr. Koster replied immedi-
ately that they could not attend the meeting. Copies of their let-
ters were sent to the members of the Board of Control. Director
Hinkle sent no letter in reply to the invitation letter, but did appear
for the meeting of the Board of Control. Director Hinkle testified
before the Board of Control that he knew about the I. H. S. A. A. rule prior to his participation in connection with the game in
question.

The I. H. S. A. A. has a well-established scheme for the approval
of officials in the Association and issues approval cards to applicants
meeting the requirements. Each of the men under consideration
submitted an application to the I. H. S. A. A. and signed a state-
ment reading in part as follows: "I am heartily in accord with the
policies of the I. H. S. A. A. to manage and promote clean, whole-
some amateur sports in the high schools of Indiana, and I shall co-
operate with the management of the I. H. S. A. A. at all times to
this end."

Careful consideration was given to the rule and the penalty for
its violation, and to the direct and admitted participation in the
game in question of Director Paul Hinkle, Mr. John W. Head and
Mr. Fred C. Koster, Jr., approved officials in the I. H. S. A. A.

Decision—Director Paul Hinkle of Butler University, Indi-
apolis, Indiana, Mr. John W. Head, Louisville, Kentucky, and Mr.
Fred C. Koster, Jr., Louisville, Kentucky, suspended as officials
in the I. H. S. A. A. and their approval cards considered can-
celled in the Association for the two calendar years immediately
following September 7, 1940, with the understanding that applica-
tion for re-instatement, if desired, may be made and will be
considered upon the expiration of the period of suspension pro-
vided the application is made in person to the I. H. S. A. A.
Board of Control.

DALE
The correspondence and data regarding Louis Lubbehusen was pre-
sented and discussed. The Board of Control sanctioned the state-
ments sent to Principal Loehr under date of July 8, 1940, by the
Commissioner and considered the enrollment of this boy in the Ob-
late School of St. Meinrad as high school enrollment, with his eli-
gibility status in athletics to be determined accordingly.

PENALTY POLICY
In their meeting of November 19, 1938, the Board of Control af-
irmed a long-standing policy of considering a student, who partici-
pates on his high school team when he is ineligible, not only inelig-
ible for the season but also ineligible for his next semester of en-
rollment as a penalty for playing on his high school team when
ineligible. This policy was unanimously re-affirmed by the Board of
Control.
The Board adjourned to meet at 10:00 o'clock Saturday morning.
September 28, 1940.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Ind., September 28, 1940.

Present: President G. Warren Phillips, Howard M. Hill, Claude
Miller, Fred W. Rankin, F. H. Croninger and Commissioner Arthur
L. Trester.

INDIANAPOLIS (Shortridge)
Mr. Battreall, father of Gene Battreall, presented information re-
garding the alleged participation of his son in basketball on a non-
high school team last season. Information was on file that the boy
did play on such a team and later played on the high school team.
Mr. Battreall said that the rule and the policy of the Board of Con-
trol, covering the penalty in cases in which players play on non-
high school teams then play on the high school team, were under-
stood and accepted by him, but that he was sure his son did not
participate in any scrimmage or game in basketball last season as
alleged.
The Board of Control instructed the Commissioner to write to
Principal Buck requesting him to make a careful check on the par-
ticipation of Gene Battreall in basketball, as alleged, on a non-high
school team last season, then file a report with the I. H. S. A. A.
covering his findings soon.

INDIANAPOLIS (Broad Ripple)
Julius Woods completed the 7th grade in the Lapel schools last
year and his parents moved into the Broad Ripple High School dis-
trict this year. The boy was enrolled as a special student and on
trial in the 9-B grade because of his age, size and retardation. Prin-
cipal Walker of Lapel wrote: "Julius Woods of Allisonville, for-
merly of Lapel, would have been in the 8th grade this year had he
continued here."

Decision—Julius Woods was not promoted to high school as a
regular student in the regular way, as far as the I. H. S. A. A.
is concerned, since he skipped the 8th grade work entirely. The
boy may be considered for eligibility in athletics at the end of
one school year provided he passes in three regular high school
subjects for each semester.

CHALMERS
William Peak attended West Point High School last year after his
parents moved into a school district having no high school. The
boy stayed with Principal Welch of West Point, working for his board and room. He also had an NYA job. The boy now lives with his parents.

**Decision**—William Peak may be considered eligible for athletics at Chalmers. The conditions under which he remained at West Point last year considered somewhat irregular and the Board of Control reserves the right to re-open this case at any time.

Louis Lubbehusen was enrolled in the Oblate School at St. Meinrad both semesters of 1936-1937 and until December 20 or 22, 1937-1938. He was enrolled in Dale High School 1938-1939 and 1939-1940. Principal Loehr did not accept any of the credits made by this boy in the Oblate School and used him in athletics during 1938-1939 and 1939-1940. The Board, considering the work done in the Oblate School as secondary school work, rules that the boy can not be considered eligible for additional athletics in high school and also places the Dale High School on probation in the I. H. S. A. A. until January 1, 1941, with an urgent request that Principal Loehr take immediate steps to assure the I. H. S. A. A. that all athletics in the Dale High School will be conducted under his immediate control and supervision.

**INDIANAPOLIS**

The question of the re-registration of Mr. H. W. Middlesworth, who has been officiating games in the I. H. S. A. A. without re-registration since July, 1937, was considered. Mr. Middlesworth had been invited to the meeting but wrote that he would be unable to attend. He sent a list of the high schools for whom he had officiated since he failed to re-register as an official in the I. H. S. A. A.

The question of re-registration was postponed until such time as Mr. Middlesworth can appear before the Board of Control at one of its regular meetings. The Commissioner was instructed to write to all of the high schools that used Mr. Middlesworth as an official when he was not on the approved list of officials in the I. H. S. A. A., requesting complete information and explanations.

**ETNA TOWNSHIP (Columbia City)**

This high school existed prior to the present school year when it was abandoned and the students enrolled in other high schools. In the distribution of money by the I.H.S.A.A., as of September 2, 1940, no check was sent to the “Principal of the Etna Township High School” because there was not then and is not now any such high school in existence.

**BETTER BUSINESS BUREAU (Indianapolis)**

Membership in this Bureau was considered and, although the Bureau was sanctioned as to merit and efficiency in its field of work, it was believed that the I. H. S. A. A. should not take membership in the Bureau since there are many similar associations and organizations over the state of a similar nature.

**MADISON**

Norman Smith participated in a softball game at Vevay on September 3, 1940, prior to the opening day of school. The team on which he played went on to win a tourny conducted by the Vevay Kiwanis Club and a prize of $50.00. Principal Salm says that his investigation shows that Norman Smith received none of this $50.00 or any other amount. A notarized statement by Manager Everett Scudder says that the boy received no money.

**Decision**—Norman Smith may be considered for eligibility in athletics with the understanding that the Board of Control reserves the right to re-open the case at any time.

**AUDIT**

The Board of Control instructed the Commissioner to employ Ernst & Ernst to make the annual audit of the Association for the year ending November 14, 1940.

**WOLCOTT**

Allen Brehmer attended the Wolcott High School last year and enrolled there this year. His parents moved into the southeastern part of West Point Township, White County, September 7, 1940, after school had begun at Wolcott.

**Decision**—Allen Brehmer may be considered for eligibility in athletics in the Wolcott High School with the understanding that the Board of Control reserves the right to re-open the case at any time.

**PROFESSIONAL BALL RELATIONSHIPS**

Several cases coming under this topic were discussed and the Commissioner was instructed to secure additional information.

The Board adjourned to meet at 7:00 P. M. Friday evening, October 18, 1940, upon call if it seems necessary to have a meeting at that time.

G. WARREN PHILLIPS, Pres.

**I. H. S. A. A. BOARD OF CONTROL MEETING**

Indianapolis, Ind., October 24, 1940.

**INDIANAPOLIS (Re-registration)**

Mr. H. W. Middlesworth failed to re-register as an official in the I. H. S. A. A. and worked some high school games when not on the approved list of officials. He was present and stated that he knew about the matter of re-registration at the time such was required, but through negligence did not re-register. He also told the
Board of Control that whenever he could not honor and respect the rules and standards of the I. H. S. A. A. he would return his approval card to the I. H. S. A. A.

The Board of Control authorized the Commissioner to permit Mr. Middleworth to re-register as an approved official on the basis of the above statements.

DALE

Charles Medcalf was taken to St. Louis by a baseball scout last summer and took part in some activities there in connection with the St. Louis Browns. The boy received his transportation, board and room. There was no agreement or contract.

Decision—This boy may be considered for eligibility in athletics with the understanding that the case may be opened by the Board of Control at any time. There is no doubt but that the boy came very near the border line of professionalism in the I. H. S. A. A. and it is recommended that such activities be eliminated in future situations of this type.

POSEYVILLE

Bob Wolf took part in some activities in connection with the Evansville Bees last summer and also went to Detroit and took part in some activities in connection with the Detroit Tigers. There was some money for services connected with these matters. There was no agreement or contract.

Decision—This boy may be considered for eligibility in athletics with the understanding that the case may be opened by the Board of Control at any time. There is no doubt but that the boy came very near the border line of professionalism in the I. H. S. A. A. and it is recommended that such activities be eliminated in future situations of this type.

CICERO

Keith Pickett, whose parents changed their place of residence between semesters, 1939-1940, remained in the Sheridan High School all of the second semester instead of changing high schools. The boy is now enrolled in the Cicero High School.

Decision—The boy can not be considered eligible in athletics in the Cicero High School until he has been enrolled one calendar year according to Section 1, Article IX, under Enrollment in the I. H. S. A. A. Constitution.

ZIONSVILLE

The correspondence and data were considered and it was decided to invite the Principal, Coach and the boy in the case to the next Board of Control meeting.

HUNTINGBURG

Albert Jeffers participated in a baseball game last summer under an assumed name. The boy is a Freshman and states that he was played under an assumed name by the manager of the team without his realization of the meaning of the whole situation.

Decision—The boy considered ineligible for all athletics for the present school year with the understanding that his case will be subject to consideration and action by the Board of Control in September of next year upon application by the boy and his Principal.

JAMESTOWN

Marion Pearson was enrolled in the Ladoga High School one year; in the Crawfordsville High School one year; and last year in a CCC Camp at Monoc. He is now enrolled at Jamestown and Mrs. Nina F. Jones, Director of Public Welfare, has filed the “Articles of Agreement” between her and Mr. Harry Hovernale regarding the home of the boy.

Decision—The boy may be considered for eligibility in athletics at Jamestown provided no undue influence is attached to the case by any person in school or out of school.

FRANKLIN

Robert Turk and Thomas Robinson were sent to the Putnamville State Farm and served their sentences there. They have now returned to their homes. The following statement is on file:

“We assume full responsibility for the conduct of Robert Turk and Thomas Robinson in any athletics in which they might participate. We feel that their conduct will in no way reflect discredit upon our high school or upon the I. H. S. A. A.

(Signed) Fritz Miller, Football Coach.
(Signed) R. W. Sheek, Superintendent.
(Signed) Paul C. Garrison, Principal.”

Decision—These boys may be considered for eligibility in athletics in the Franklin High School.

GRANDVIEW

The correspondence and data in this case were considered and it was decided to invite the Principal to the next Board of Control meeting.

TERRE HAUTE (Garfield)

Jimmie Walker lived with his stepfather and attended high school in Wheeling, West Virginia, last year. He is now enrolled in Garfield High School and living with a family who are not his relatives, but who are willing to keep him. An aunt of the boy living in Ohio offered the boy a home.

Decision—The boy can not be considered eligible for athletics in the Garfield High School until he has been enrolled one calendar year according to Section 1, Article IX, under Enrollment in the I. H. S. A. A. Constitution.
TERRE HAUTE (Gerstmeier)
The correspondence and data in this case were considered and it was decided to invite the Principal and the Coach to the next meeting of the Board of Control.

PUTNAMVILLE
This high school existed prior to the present school year when it was abandoned and the students enrolled in other high schools. In the distribution of money by the I. H. S. A. A., as of September 2, 1940, no check was sent to the “Principal of the Putnamville High School” because there was not then and is not now any such high school in existence.

WRESTLING AND SWIMMING
The Commissioner was instructed to negotiate with Purdue University and Indiana University to hold the Swimming Meet and the Wrestling Meet respectively at their universities under I. H. S. A. A. supervision on Friday and Saturday, February 21 and 22, 1941.

TRACK AND GOLF
It was decided to hold the Sectional Track Meets on Saturday, May 17, and the Final Meet on Saturday, May 24, 1941, and to hold the Golf Meet on Saturday, May 24, 1941.
The Board of Control adjourned to meet at 7:30 P.M. Friday, November 8, and at 9:30 A.M. Saturday, November 9, 1940.

G. WARREN PHILLIPS, Pres.

I. H. S. A. A. BOARD OF CONTROL MEETING
Indianapolis, Ind., November 8 and 9, 1940.

BASKETBALL TOURNAMENT ARRANGEMENTS
The tourney bulletin and arrangements of 1940 were reviewed and sanctioned for 1941 with the following understandings:
1. The selection of tourney centers and the assignment of schools to these centers to be made at a later date.
2. Apportionment of tickets:
   a. The 1940 schemes for sectional and regional tournaments sanctioned for 1941.
   b. A more definite scheme adopted for the semi-final tournaments—the details to appear in the tourney bulletin.
   c. Allocation of 725 season tickets to each of the four schools in the final tournament and 125 season tickets to each of the other twelve schools in the semi-final tournaments.
3. The insurance, concessions, complimentary tickets, help, schedules, contracts and miscellaneous arrangements to be handled by the Commissioner as handled in 1940.

REGULATIONS
1. Attendance and participation in practices or games in a school sponsored by a professional team, in try-outs for professional teams and/or in practices or games on professional teams, shall be considered a violation of the amateur rule in the I. H. S. A. A.
2. Inter-school games, meets, tournaments and athletic contests scheduled or played without the knowledge and approval of the Principals concerned or that seem to be scheduled and played in opposition to or in competition with games, meets, tournaments and contests as scheduled and approved by the Board of Control shall be considered violations and the school and players shall be subject to such penalties as the Board of Control may assign.
3. A student who enters school after the opening day of school in a semester but who participates on a non-high school team in a sport in the meantime shall be considered ineligible for that sport for that season in high school.

PHYSICAL EDUCATION BILL
House Bill No. 10606, now before the House of the Federal Congress, was discussed but no action was taken.

SECTIONAL TOURNAMENT DATES
February 26, 27 and 28, 1942, were set as the dates for the sectional basketball tournaments in that year.

ZIONSVILLE
During a baseball game between Zionsville and Advance at Zionsville Friday, September 13, 1940, Francis Weaver, a fan from Advance, made allegedly disparaging remarks about Harry Tischer, a player on the Zionsville team. The Tischer boy climbed over a fence and struck the Advance fan two or three times. The Zionsville boy participated in the remainder of the game and Principal Kincaid wrote as follows on September 24, 1940: “In order to give Harry some discipline though, we kept him out of athletics all last week.”
The boy played in baseball games September 27, October 1, October 4 and October 8, 1940, although the Commissioner had written to Principal Kincaid on September 25 as follows: “Frankly, this (ineligibility in athletics all of last week) does not appeal to me as being much of a penalty and it does not seem to be in line with the attitude you and your Coach expressed when you were in the office last week.”
Principal Kincaid, Coach Silver and Harry Tischer were present at the hearing.

Decision—Principal Kincaid requested to take immediate and effective steps to provide control of the fans at all games held under his supervision and to establish measures in his own school to prevent such happenings in the future.
Harry Tischer considered ineligible for any inter-school athletics until January 1, 1941.
TERRE HAUTE (Gerstmeyer)

Principal Stantz was present but Coach Wampler, although invited, was not present, for some reason not given to the Board of Control.

James Craig was used in two games of football this fall when he was ineligible. The boy enrolled in the Rankin High School outside of Terre Haute on September 5, 1940, and was never enrolled in the Gerstmeyer High School. The games in which this boy played have been forfeited and the boy has been considered ineligible for athletics in the Rankin High School for all of the present school year.

In seeking an explanation for this violation, it came out that Gerstmeyer High School has permitted ninth grade students in schools outside of Terre Haute, who intend to enter the Terre Haute High Schools the next year upon finishing the work offered in their own schools, to participate in athletic practices with these schools before they enroll therein. Principal Stantz stated that all of the Terre Haute High Schools followed this policy.

Decision—Principal Stantz requested to establish at once a definite and effective way of checking the eligibility of his students in athletics and to eliminate at once the practice of permitting students outside of Terre Haute to practice on his athletic teams and to confine his practices and games to his own students.

The I. H. S. A. A. has always permitted 9th grade students, enrolled in junior high schools within a city, to practice and play on the senior high school teams in the same city with the understanding that such students cannot play on both the junior high school team and the senior high school team during the same season.

A joint statement, signed by the Principals of the Terre Haute high schools, is required at an early date to the effect that the rules and regulations of the I. H. S. A. A., as they concern the points in the latter part of this decision, are understood and will be followed in the future. Principal Stantz is requested to extend this information to the other Principals and to secure and send the jointly signed letter to the I. H. S. A. A.

GRAINDVIEW

Principal Hendrickson was present and gave evidence regarding the use of Frank Therber when he was ineligible on account of age. Although the school records show conflicting dates regarding the date of birth of this boy, it seems that the data given by the boy each year were accepted without securing a birth certificate. The birth certificate shows that the boy was twenty years old November 1, 1939, and the boy has admitted, according to Principal Hendrickson, that he falsified his age in order to participate in athletics longer.

Decision—Principal Hendrickson required to check the eligibility of athletes more carefully and to take the following steps at an early date: Send definite and explanatory letters to the opponent Principal of contests in which the student participated when ineligible, forfeiting the points, games (except sectional tournay games) and honors won, and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

Some miscellaneous and routine matters were considered and settled.

The Board of Control adjourned to meet as follows:

1. At Purdue University, 9:30 A. M. Saturday, November 23, 1940.
2. In I. H. S. A. A. office the afternoon of Saturday, December 21, 1940, the newly elected Board of Control members to be invited.

G. WARREN PHILLIPS, Pres.

MINUTES OF I. H. S. A. A. ATHLETIC COUNCIL MEETINGS

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, December 16, 1939.

G. Warren Phillips, President of the Board of Control, opened the meeting due to a vacancy in the office of President of the Athletic Council.

E. V. Minniear was elected Chairman of the meeting.

The minutes of last meeting were approved without reading since members of the Council at that meeting had received copies of the minutes.

It was decided to require thirteen favorable votes to pass motions, and to elect members of the Athletic Council and the Board of Control. It was also voted to use the secret ballot in elections.

POSTPONED AMENDMENT

"No athletic contest shall be held with any high school of any outside state other than the states contiguous to Indiana."

This proposal as worded failed to pass but the consensus of opinion was that the I. H. S. A. A. should strive to discourage inter-sectional athletic contests involving the traveling of long distances.

AMENDMENT

Section 6, Article VIII of the Constitution was amended to read as follows:
ELECTIONS

Although the Council had decided to vote by secret ballot and the following elections were made by acclamation:

Athletic Council—E. V. Minniear, President for the calendar year 1940.

Board of Control—

Class 1—Howard M. Hill
Class 2—Claude Miller
Class 4—Fred W. Rankin
Class 5—F. H. Croninger

The President was instructed and authorized to appoint a committee of three to study and report to the Athletic Council as soon as convenient definite proposals regarding the seasons, the practice periods and the number of games and tournaments per season in basketball and football.

Note—President Minniear appointed Chairman L. V. Phillips, Robert Hinsaw and K. V. Ammerman on this Committee.

A letter was read from the President of the Indiana Catholic High School Athletic Association stating that under date of November 23, 1939, the I. C. H. S. A. A. "with little hesitation adopted the rules and regulations of the I. H. S. A. A. in toto" with the exception of the article on administration and legislation."

Discussion was given to some miscellaneous topics but no actions were taken.

The meeting adjourned.

E. V. MINNIEAR, Pres.

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Indiana, October 23, 1940.

The minutes of the last meeting were approved without a reading. Each member received a copy of these minutes soon after the last meeting.

It was decided to vote openly and to require the following favorable votes to pass motions.

The custom of leaving vacancies on the Council unfilled until the next election, December 1 to 9, was affirmed with the understanding that the person elected to fill vacancies should assume office upon election.

The proposals, as printed in Bulletin 1 and 2 for the present school year, were considered and discussed at length after the correspondence on file in the I. H. S. A. A. regarding them was read. The following affirmative actions were taken and ordered in effect at once, unless otherwise indicated:

I. Football

1. All practices by players or teams shall be limited to the period beginning August 20 and ending June 1 of each school year.
2. All inter-school games by players or teams shall be limited to the period beginning with the opening day of school and ending November 30 of each calendar year.
3. Practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.
4. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game.
5. The maximum number of inter-school games for any player or any team shall be ten.
6. The rules shall take effect on December 1, 1940.

II. Basketball

1. All practices by players or teams shall be limited to the period beginning with the opening day of the school year and ending with the close of the school year.
2. No inter-school basketball games shall be played by schools or students prior to November 1 of each year or after the beginning date of the sectional tournaments of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tournaments of the State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tournament or not later than the elimination of the school in one of these tournaments if earlier than this final tournament date. (This was passed by the Athletic Council December 16, 1939, and affirmed October 23, 1940.)
3. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game. (Effective upon passage.)

III. Definition of Game

Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

The Committee reporting on the proposals received by formal vote thanks the Athletic Council for their services.

The informational data in Bulletin No. 2, October 3, 1940, was considered in its many implications and ramifications. The data were considered correct and according to the I. H. S. A. A. rules, and future procedures based on these data were discussed and authorized.

It was decided to read in the Annual Meeting the article headed "School Athletic Policy" in Bulletin No. 1, September 2, 1940. Mr. Minniear, President of the Athletic Council, was selected to read the article after presenting it as having the sanction and approval of the Athletic Council in the handling of athletic activities in the I. H. S. A. A.

It was decided to print the lists of approved officials alphabetically as well as geographically as soon as thought practicable by the Commissioner.

The Athletic Council adjourned to meet at 10:00 o'clock Saturday morning, December 21, 1940.

E. V. MINNIEAR, Pres.

mean—"a passing grade in each of three regular high school
subjects having a full semester credit value and for which a
full semester credit is given." The combination of two sub­
jects, not excluded in this Section in the Constitution, whose

student in any High School, shall be permitted to participate in any
inter-high school contest as a member of another high school until
he has been enrolled in such high school for one calendar year, unless

the parents of such student actually change their residence to the
second school district. In the latter case, the student will be as el­

that the student pays or does not pay his tuition, has no
bearing on this section. (See undue influence rule.)

Section 2. No person, who has been enrolled as a student in an
institution of college standing, and has done work which may be
counted toward a degree in that institution, shall be eligible as a
member of any athletic team under I. H. S. A. A. rules in any game
with any other team, either within or without the State of Indiana.

for baseball until he has been enrolled thereafter twenty (20) or
more games or meets between December 1 and March 1 for four times.

(c) Any student, who has been enrolled twenty (20) or more days
between March 1 and June 1 for four times, shall be ineligible
for baseball and track, except a student who entered high school for the first
time during the second semester of a school year and who did not
participate in any game or meet during this second semester shall not be ineligible

**Remuneration**

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as and in return for their participation therein.

H. S. A. A.

H. S. A. A.

ARTICLE XIII
Definition of Game
Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

Interpretations
1. When a contest, official, game or decision is protested the game should be played as scheduled and the protest with evidence filed with the Board of Control for settlement later.
2. Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.
3. It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.
4. As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.
5. By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.
6. Mutual agreements to violate the rules of this association shall result in suspension of all schools concerned.
7. Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

13. A High School that is suspended or expelled from the I. H. S. A. A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired, at the termination of the suspension or expulsion, according to the Sections in the Constitution and the rules and regulations governing memberships.
14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in both schools.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

APPROVED OFFICIALS AND RE-REGISTRATION OF OFFICIALS

All approval cards and all re-registration cards issued prior to June 30, 1937 are void. A re-registration began on this date and Principals should not use officials in games whose names do not appear in the printed lists or who cannot show approval certificates issued later than June 30, 1937. Be sure to check all officials carefully and require identification in all doubtful cases. Read approval certificates carefully to know date issued, sports covered, etc.

5. Would a preliminary tourney and a final tourney count as one tourney or two tourneys?
A. Two tourneys.

6. May a High School have a complete schedule for the second team in any sport?

ENROLLMENT

(See Undue Influence Rule. It Takes Precedence.)

1.
Q. What is a five-year man?
A. Students who have been enrolled in High School for twenty or more days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

A student who enters High School for the first time at the beginning of semester II of any school year, may be enrolled four times of twenty or more days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment. A student, who enters High School for the first time at the beginning of semester II, may be enrolled four times of twenty or more days each between March 1 and June 1 following this first semester of enrollment, and he may be eligible in spring athletics for these four semesters, provided he does not participate in spring athletics during his first semester of enrollment. Participation in a sport in a school year counts as participation in that sport for one school year.

2.
Q. May a student, who has been in High School four full years, but who has not participated in any athletics, participate in athletics?
A. No. Enrollment rather than participation is the determining factor in such cases.

3.
Q. Which is the determining factor in eligibility—enrollment or participation?
A. Neither one. Both are factors and must be considered.
4. Q. If a student changes High Schools, when is he eligible?
A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

5. Q. What is considered enrollment in a semester?
A. Attendance for any length of time or enrollment that may be considered attendance for any length of time.

6. Q. When are students, who finish the work given in one High School, eligible in another High School?
A. Students finishing the work in a High School giving less than four years of High School work are just as eligible in a new High School as they were in the old High School.

7. Q. What is a semester?
A. One-half of a school year constitutes a semester in the I. H. S. A. A., and parts of two semesters or a part of one semester do not make a semester in the I. H. S. A. A.

8. Q. When is a student eligible in school "A" if he withdraws from school "A," enters school "B" and later returns to school "A," his parents never changing their place of residence from the district of school "A"?
A. When the student has been enrolled one calendar year, following his latest enrollment in "A," provided he is eligible in all other ways.

9. Q. How can a student gain eligibility in a High School upon entering from another High School?
A. By his parents actually, legitimately and correspondingly changing their place of residence to the new High School district or by enrollment for one calendar year provided no undue influence is used.

10. Q. Does the twenty-day enrollment requirement mean school or calendar days?
A. School days.

11. Q. If a student fails in all subjects for a semester does this enrollment count as a semester?
A. Yes. Enrollment is enrollment and always counts as such.

12. Q. Is a student, who has been out of High School for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?
A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

13. Q. If a student transfers from a private or parochial high school to a public high school in the same city or school district, when is he eligible?
A. When he has been enrolled one calendar year in the new high school.

14. Q. If a student transfers from a private or parochial high school located in one city or school district to a public high school in another city or school district, how is his eligibility determined?

15. Q. Are legal guardians considered as parents in the I. H. S. A. A.?

16. \[Q.\] Where should students attend high school?
\[A.\] They should attend the high school, if any, in the school district in which their parents live. Any variation requires an explanation and justification.

GAMES

1. \[Q.\] What is considered a game of basketball?
\[A.\] A game of any kind in the I. H. S. A. A. is an "inter" contest as distinguished from an "intra" contest. An "inter" scrimmage is a game. An admission fee is no part of a game and has no bearing one way or the other.

2. \[Q.\] May a member school of the I. H. S. A. A. schedule and play single games with teams and schools in Indiana not members of the I. H. S. A. A.?
\[A.\] Yes. Provided these teams and schools are not public High Schools and also provided the members of the I. H. S. A. A. observe all of the rules of the I. H. S. A. A.

\[A.\] There is no difference as far as the I. H. S. A. A. is concerned, as the same rules and regulations govern.

4. \[Q.\] If a "practice" game of basketball is played is it to be counted as one of the twenty games on the regular schedule?

5. \[Q.\] Does the omission of an admission charge make any difference as to the designation of a contest as a game?
\[A.\] Games are "inter"-contests or "inter"-scrimmages with or without admission charges.

6. \[Q.\] Is an alumni game considered a game?
\[A.\] Yes. Such must be counted as one of the games permitted on the regular schedule.

7. \[Q.\] What is considered an "inter" game or an "inter-scrimmage"?
\[A.\] Any game or inter-scrimmage in which a High School team or players play with or against students or players not belonging to the High School.

\[A.\] November 30 of each year.

9. \[Q.\] May a member school of the I. H. S. A. A. schedule and play single games with high schools of other states?
\[A.\] Yes, provided the high schools of these other states, if eligible for membership, are members in good standing in their state high school athletic associations. The Principal is obligated to check this matter carefully.

GIRLS' ATHLETICS

1. \[Q.\] Are girls, as well as boys, bound by the rules and regulations of the I. H. S. A. A.?
\[A.\] Yes. All students on all teams in High Schools belonging to the I. H. S. A. A. are bound by its rules and regulations.

PARTICIPATION.
1. Q. May a student play on any team other than a High School team?  
A. A student becomes ineligible in High School for the entire season of that sport in which he participates as a member of any team other than the High School team. There is an additional penalty for participation out of season as set out in the rules.  

2. Q. What is considered participation in a sport for a season?  
A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season.  

3. Q. May member schools play against non-public High School, College, Y. M. C. A. and independent teams?  
A. Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the I. H. S. A. A. and there must not be any public High School students on the opposing teams.

PRIZES AND AWARDS
1. Q. Is a High School permitted to give sweaters to athletes?  
A. Yes. The I. H. S. A. A. recommends that the giving of prizes, gifts, sweaters, etc., be kept within reasonable bounds at all times and that such as are given have a symbolic value only. All prizes should be given by the school. No more than one sweater in each major sport may be given to a High School student for participation in High School for the entire four years.

2. Q. May schools give awards to students for scholarship, sportsmanship and conduct?  
A. Such may be accepted from outside sources if sanctioned and administered by the High School Principal.

A. Yes. A professional in one sport is ineligible for all sports.

3. Q. Does a student become ineligible in all sports, if he plays on a team other than the High School team in one sport?
A. No. A student becomes ineligible only in the sport in which he participates as a member of a team other than the High School team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing out of season carries a penalty.

4. Q. Are High School students permitted to play on teams that split the gate receipts among the players including the High School students?
A. No. This would be considered professionalism.

RESPONSIBILITY

1. Q. Who is the responsible party in I. H. S. A. A. athletics?
A. In the execution of its powers and duties, as designated and authorized in the Constitution of the Indiana High School Athletic Association, the Board of Control presumes that the Principal of each high school voluntarily taking out a high school membership in the I. H. S. A. A. has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the Principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the I. H. S. A. A. membership the conditions are found to be such that the High School Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. H. S. A. A. and has in fact removed itself from the membership in the Association.

The I. H. S. A. A. Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the High School Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the High School Principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.

2. Q. Who is the proper official to sign contracts for games?

A student must MAINTAIN his work in order to be eligible—weekly, by grading periods and by the semester.

9.
Q. Is a "condition" or an "incomplete" considered a "pass" in the I. H. S. A. A.?

A. No. The I. H. S. A. A. has no such requirements, but such are strongly recommended.

13.

A. Provided he has passed in three regular High School subjects and his credits have been made a matter of final record in the Principal's office prior to the contest.

14.
Q. What constitutes scholarship eligibility?
A. In order to be eligible for a current semester a student must have passed in three regular High School subjects in his last semester of enrollment in any High School and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

15.
Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?
A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school work are not passing in their school work.

16.
Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?
A. Yes.

17.
Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?

I. Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.
2. The High School Principal in any high school belonging to the I. H. S. A. is considered the responsible party in athletics as far as the I. H. S. A. is concerned.
3. The I. H. S. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A.
4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.
5. The I. H. S. A. requests Principals having 9th grade students enrolled to confer and cooperate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.
6. The I. H. S. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.
7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. when participating in inter-school athletics.
8. A 9th grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.
9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 4, Article II, reads: “Modified membership may be extended to any public high school offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tourneys in which more than two teams participate except in meets and tourneys in which only the teams from the high schools of the same city participate.”
BASEBALL

1. Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball (hard or soft) during the summer?
   A. High school students may play independent baseball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.
   (Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

2. Q. Is a student, who plays on an independent baseball team during semester one, ineligible for high school baseball during semester two?
   A. Yes. Such a student is ineligible for baseball for semester one, also, as baseball is a school year sport.

3. Q. If a student plays on an independent team in either hard or soft baseball during the school year, does he make himself ineligible for both hard and safe baseball in high school?
   A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

4. Q. Are soft baseball and hard baseball considered separate sports?
   A. Yes, except that an official who is approved in “Baseball” may be considered eligible to officiate either soft baseball or hard baseball.

SUMMER SCHOOL WORK

1. Q. Does summer school work in a school other than his home school jeopardize the standing of a student?
   A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits. (See standards and requirements of State Board of Education.)

2. Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?
   A. Back work during the summer may be counted toward eligibility provided: (1) it be done according to the regular rules of the school and according to good school procedure (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal’s office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal. (See standards and requirements of State Board of Education.)

MISCELLANEOUS

1. Q. May a High School schedule and play games during the week?
   A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

2. Q. May students, who are ineligible for the first team, play on teams of lower ranking?
   A. No. Ineligibility for one team means the same for all teams.

3. Q. Are Parents and Physicians’ Certificates required in all sports?
   A. No. They are required in football, basketball, track and field, boxing, wrestling and swimming for all participants—boys and girls.

4. Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tournaments and meets held strictly under the supervision of the Board of Control?
   A. No. Other than a recommendation that reasonable prices be made at all times for all games.
6. Q. May a High School support a grade team in the same school system out of its athletic funds?
   A. Yes.

7. Q. May two or more High Schools combine to form one athletic team?
   A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

8. Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?
   A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

9. Q. May the rules of a school be changed or special examinations be given in order to make students eligible?
   A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

10. Q. Does wrestling come under the rules of the I. H. S. A. A.?
    A. Yes. All “inter” athletic participation comes under the I. H. S. A. A.
16. Q. Does the Commissioner have a vote in the Board of Control and in the Athletic Council?
   A. The Commissioner is not a member of either group and has no vote in any of their deliberations.

17. Q. May a married student be considered eligible?
   A. No, see rule.

18. Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester?
   A. No. Such student is a failure for his last semester in High School.

19. Q. How are the funds of the I. H. S. A. A. invested?
   A. In U. S. Government Securities.

20. Q. How are these Government Securities protected?
   A. Burglary and Robbery Insurance are carried on the bank vault box and the Commissioner carries a Fidelity Bond.

21. Q. Who examines the financial books of the I. H. S. A. A.?
   A. Ernst and Ernst, Public Accountants, the Board of Control and any High School Principal so desiring.

22. Q. Who audits the financial books of the I. H. S. A. A.?
   A. Ernst and Ernst, Certified Accountants.

23. Q. How often is an audit made?
   A. Annually. The same is printed in the annual Handbooks of the Association.

24. Q. Who is eligible for election to the Athletic Council?
   A. Any bona fide faculty representative of a High School belonging to the I. H. S. A. A.

25. Q. How are Board of Control members selected?
   A. By the members of the Athletic Council from their own membership.

26. Q. Do Board members represent districts?
   A. Not necessarily. They represent enrollment classes of High Schools.

27. Q. Do Athletic Council members represent districts or classes?
   A. They represent classes and districts.

28. Q. When and how may Principals submit proposals for the consideration of the Athletic Council?
   A. Principals may submit such proposals at any time in a written way to the Commissioner who will submit them to the Athletic Council for consideration and action.

29. Q. What constitutes the use of undue influence in the I. H. S. A. A.?
   A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:
   1. Offer or acceptance of money or other valuable consideration.
   2. Reduction or remission of regular tuition.
   3. Waiving the requirement of legal transfers according to law.
   4. Offer or acceptance of board, room or clothing.
   5. Offer or acceptance of remuneration for work in excess of amount regularly paid for such service.
   6. Free transportation.
   7. Transportation by Coach, Principal, teacher or school official.
8. Offer of acceptance of school privileges or considerations not granted to other students.
9. Making home with Coach, Principal, teacher or school official.
10. Free rent or reduced rent for parents.
11. Offer or payment of moving expenses of parents.

** Why should a school be penalized because some person outside of school uses undue influence? 
A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

**

31. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?
A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

**

32. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?
A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

**

33. What steps should be taken in ineligibility cases?
A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

November 14, 1940

The Indiana High School Athletic Association, Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1940, and have examined and tested accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The scope and nature of our examination are outlined in the following comments:

Cash on deposit at November 14, 1940, in the amount of $5,320.38 was reconciled with the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as shown by bank statements submitted for our inspection. The cash disbursements for the year were compared with canceled bank checks on file. In addition we examined invoices, expense reports and other data on file in support of the recorded disbursements. Test checks were also made of the recorded income from the sectional, regional and semi-final tournaments by an examination of a portion of the reports on file.

The income from the state final basketball tourney is stated as reported by the Commissioner without independent verification. The report from the Commissioner concerning the ticket sales and finances of the tourney was approved by the Board of Control at their meeting of April 6, 1940.

The United States Treasury bonds on hand at November 14, 1940, as shown by schedule included herein, were presented for our inspection. We accounted for the proceeds from interest coupons and traced the proceeds from the sale of bonds directly to bank deposits.

Insurance in force at November 14, 1940, as shown by policies examined, was as follows:

Larceny and Embezzlement Bond—A. L. Trester, Commissioner ........................................ $80,000.00
Burglary and Robbery-safe deposit box—each risk ........................................ 112,000.00
Public Liability—owners, landlords, tenants ........................................ 20/100,000.00
Workmen’s compensation and public liability ......... All Employees

On September 2, 1940, the Association distributed $80,008.00 to certain of its member schools. The amounts distributed to the 1939 member schools represented 50% of the amounts distributed to such
member schools in 1932, 1935 and 1938 and were based on annual membership and participation in sectional basketball tourneys. The amounts distributed were approved by the Board of Control at their meeting on September 6, 1940, and we did not further verify the amounts paid to the individual members.

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us.

Opinion

In our opinion, based upon our examination, the accompanying statement of cash receipts and disbursements correctly sets forth the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1940.

ERNST & ERNST,
Certified Public Accountants.
