ADDRESS TO
INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

E. C. Boyd

Young people desire and need physical exercise, mental stimulation, creative outlets, and social contacts. All these are a part of an adequate recreational program. From its beginning the Indiana High School Athletic Association has recognized the educational and physical value of games, sports and activities in which the play element predominates. Physical exercise rates high in any inventory of youth's activities. Therefore all schools today must have their gymnasiums, play grounds, ball fields, swimming pools, and tennis courts.

Although centering recognition upon the importance of competitive sports the I. H. S. A. A. has never lost sight of good school procedure in the conduct of athletic activities. Its rules and regulations fairly made and fearlessly enforced have never sought to interfere with the welfare of the whole school program. The Association is founded upon fair play. It has always stood for high standards of scholarship, good professional ethics, honesty, and integrity in all its activities.

The Association belongs to the schools and its rules are made by those who are governed by them. The democratic nature of the organization has fostered and maintained high morale and enjoys statewide respect. It is well, however, for the school men of Indiana to remember that they must be willing to endorse and defend their Association and its policies if they desire to maintain and continue the authority in the hands of those who are responsible for the whole school program. It is not enough for the school men to understand the aims, the policies, and the structure of the I. H. S. A. A. These must be made clear to your school, to your trustee, to your patrons, to your community, to the press and to your legislators. Once properly informed the citizens will support the I.H.S.A.A. because it stands for the best interest of its member schools, the high schools of Indiana.

In order to continue to maintain its high standard of service and usefulness your Association is currently endeavoring to plan for a more complete and worthwhile program for Indiana high school athletics—a program in which all phases of athletic activity are included and over emphasis of any one is discouraged. The athletic official and his problems are to receive more attention. The status of the girl athlete under the I. H. S. A. A. needs more examination and study. These and other problems are of immediate importance.

Let us hope that we, the administrators, the coaches, and the officers of the I. H. S. A. A. are able to think clearly enough to plan the future to the best interests of everyone concerned.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE THIRTY-FIFTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full; with the distinct understanding that the Board of Control reserves the right to readjust the scheme and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

SECTIONAL TOURNEYS

February 21, 22 and 23

The following bases were used in selecting sectional, regional and semi-final centers:

1. Location—geographical and with reference to schools desiring to participate.
2. Transportation facilities.
3. General conditions—attitude of local authorities, floors, seating capacities and entertaining facilities.
4. Rotation.
5. Success and satisfactory management of previous tourneys.
6. Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given below. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary.

of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team known as the first team and representing the High School, has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, February 23.
2. Entertainment for all teams will begin as follows:
   a. In 8 and 9 team tourneys,—5:00 P. M., Friday, February 22.
   b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, February 22.
   c. In 13, 14, 15 and 16 team tourneys,—5:00 P. M., Thursday, February 21, for teams playing on this evening and 8:00 A. M., Friday, February 22, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 21.
4. All tourneys will begin at 7:00 P. M., Thursday evening, February 21. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principal may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 19, (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as revenue tax, meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars ($100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars ($100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.
8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 5:00 p. m. Thursday, February 21. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.
9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.
10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school the week after the tourney.
Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a Manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries positively will close Friday, February 8. All entries must be in the I.H.S.A.A. office before 5 P.M. Friday, February 8. Do not mail entry blanks before January 31. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fee in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

1. Session ticket (All tourneys):
   Established Price $ .42
   Tax .08
   Total .50

2. Season ticket:
   a. Four-session tourney:
      Established Price $1.00
      Tax .20
      Total 1.20
   b. Five-session tourney:
      Established Price $1.25
      Tax .25
      Total 1.50
   c. Six-session tourney:
      Established Price $1.50
      Tax .30
      Total 1.80

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 18. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 18. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 5:00 P.M. Thursday, February 21. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used, if available.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All Principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

GOVERNMENT TAX—The tax on all tickets in all tourneys will be assumed and paid by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

SUGGESTIONS—Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close Friday, February 8, and can not be changed or received afterwards. An entrance fee of one dollar ($1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to I. H. S. A. A. office, 512 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

REGIONAL TOURNAYS

March 2

Each of the sixteen (16) Regional Tourneys will have four (4) teams and will play to a winner, according to the following assign-
ment. The winners in each of the sixteen (16) Regional Tourneys will constitute the teams in the semi-final tourneys according to assignment.

Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. These are due in the hands of the Commissioner on Monday, February 25, complete in every detail. If you desire to change your sectional tourney blank, send a definite telegram giving all data on or before this date. One entry fee covers all tourneys. The sectional entry blank will suffice for regional tourneys and will be used as made unless you instruct us otherwise on Monday, February 25.

DISTRIBUTION OF TICKETS—All tickets shall be handled by the Center School Principal according to the following scheme:

1. Season tickets only shall be sold prior to Saturday, March 2, 1946.

2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the I.H.S.A.A. Tickets distributed by Principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.

3. Press. (a) Each paper outside of the tourney center may be granted one ticket upon request prior to March 1.
   (b) Each paper in the tourney center and each paper in the city of a participating school may be granted four tickets upon request prior to March 1.
   (c) Papers outside of the state shall not be granted any tickets unless they have a large coverage in the state, and then the limit is given under (a).
   (d) School papers shall not be granted tickets.

4. Radio. Each station broadcasting the games may be granted four tickets upon request.

5. Complimentary tickets shall be confined to those directly connected with the tourney in some way. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the Principal and the Coach. A list of the complimentary tickets must be furnished the I.H.S.A.A., giving names, positions, numbers, etc.

6. The center school, if not a participant, shall receive ten percent of the number of tickets representing the actual seating capacity of the gymnasium.

7. Each of the schools in the Regional area that participated in a sectional tournament may secure twelve tickets, provided such are purchased and paid for not later than Saturday, February 23.

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the High School Principal not later than Monday, February 25:
   (a) One-half of the tickets remaining divided on a prorata basis.
   (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 19, 1945, for the school years 9, 10, 11 and 12.
(c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Wednesday, February 27, with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Principals have contracted with the Board to entertain twelve men (which must include the faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 A. M., Saturday, March 2, and continue, if necessary, to 8:00 A. M., Sunday, March 3. All competing schools are requested to ask for no longer entertainment than is necessary. (See Sectional Tourney statements.) The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as revenue tax, meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.

2. The Center High School shall receive two hundred dollars ($200).

3. The transportation shall be paid. (See sectional contract.)

4. The Center High School shall receive one hundred fifty dollars ($150).

5. The I. H. S. A. A. shall receive fifty per cent (50%) of the balance.

6. The remainder shall be divided as follows: (a) one-half pro rata among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 6:00 P. M. Friday, March 1. This hour and date are binding on all schools.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

CONDUCT OF PERSONS DURING STATE TOURNY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, Teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager with Robert S. Hinshaw, Assistant Commissioner, and Fred R. Gorman, Technical High School, as Assistants of this tourney. The phone numbers are as follows:

   Commissioner and Assistant Commissioner—FRanklin 1519
   Fred R. Gorman—Market 6331

Press reservations will be handled by Fred R. Gorman, Technical High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 16, 1945. In recent years all tickets were sold prior to this date. If the capacity of the house is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is estimated by Butler University at approximately 14,000.
2. Tickets will be sold only through the Principals of the High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to I. H. S. A. A., must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, February 25, to and including Wednesday, March 6, will be accepted if received not later than Thursday, March 7. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1946, and each High School Principal holding a modified membership in the I. H. S. A. A., must order tickets to five (5) percent of his High School enrollment as of September 19, 1945, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than two tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitations here placed. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No orders, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 25 to March 6, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in this order.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 11, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to I. H. S. A. A., 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.
7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 725 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 11. Twelve blocks of seats, immediately around the playing floor and with 125 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals, whose teams are represented, should contact the I. H. S. A. A. Office on Monday, March 11, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the I. H. S. A. A. Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

It is an exceedingly difficult job for the Board of Control to select one boy out of forty good boys as a recipient of this medal. All of these forty boys are not equal in mental attitude or in any other attitude. They are not equal in skill and performance. The large majority of the boys, however, are good boys and many of them could be chosen for the mental attitude award. In the choosing of one boy several good and deserving boys are left out.

The I. H. S. A. A. Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

Name of Boy.................................................. Date of Birth

Year in High School: (Check) First
Second ........................................... Third .................. Fourth ............

(Please use the following ratings below: (1) Excellent, (2) Very Good, (3) Good, (4) Fair, (5) Poor.)

1. Scholarship: 1st Year............................ 2nd Year
3rd Year.............................................. 4th Year

2. Attitude Throughout High School Career:
   a. Toward Athletics........................ b. Toward Team Mates
   c. Toward High School.................... d. Toward Coaching
   e. Toward Training........................ f. Toward Opponents

3. School Citizenship Throughout High School Career:

4. General Ranking, considering all points: (Check one)
   1 2 3 4 5 6 7 8 9 10

Signed: ................................. ..............................
By High School Principal          By High School Coach

The Principals and coaches of the four schools filed with the I. H. S. A. A. these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Robert Cripe, Flora High School, Flora, Indiana, was chosen unanimously by the Board of Control to receive The Arthur L. Trester Medal for Mental Attitude.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not true that the I. H. S. A. A. has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.
ROBERT CRIPÉ, Flora Trester Award Winner

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearey, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and thirteen (813) High Schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the Board members of the I. H. S. A. A. follows:

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1910. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been upheld as an ideal by the Association through the forty years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

On December 14, 1945 he took part in a boxing match at Indianapolis under the auspices of a professional promoter. The boy falsified his age in order to qualify. He was to receive money but it was retained for his license fee which he has not signed nor received. He wishes to re-enter school January 21, 1946.

Decision—William Tranbarger is declared ineligible under the Professionalism Rule because he has violated his amateur standing under the rules and regulations of the I. H. S. A. A. He may apply to the Board of Control for re-instatement as an amateur one calendar year after the date he is declared ineligible, provided he has been in school throughout the year.

X. SELECTION OF TOURNAMENT OFFICIALS
After giving consideration to the applications, recommendations and geographical locations, a sufficient number of officials, regular and reserve, were selected by the Board for the Sectional Tourneys. Regional, Semi-Final and Final Tournament selections were discussed and final action will be taken at the next Board meeting. The Board adjourned to meet again at 10:00 A. M., February 2, 1946.

E. C. Boyd, President
Robert S. Hinshaw, Assistant Commissioner
stated that they had no way of knowing how long the clock was stopped and that after consultation they decided that the score as recorded at the end of the game should stand.

Decision—The Board of Control ruled that if there was an error in timing, it should have been called to the attention of the officials and an adjustment made at that time (when the error occurred). The decision of the officials that the score should stand as it was when the game ended is upheld.

VI. LAFONTAINE

Frederick Arven lived with his parents and attended school at LaFontaine during the school year 1944-45. Near the close of the school year his parents moved to Marion, Indiana and he completed the school year at LaFontaine after which time he went to Marion to live with his parents. At the beginning of the school year 1945-46, he returned to LaFontaine and entered school and resided with his grandparents. Principal Hobart Black ruled that Frederick was ineligible to participate in inter-school athletics at LaFontaine because of undue influence since he was permitted to attend school there without a transfer or the payment of tuition. Other school officials of LaFontaine questioned the decision of Principal Black. They were invited to appear before the Board to discuss the case but failed to do so.

Decision—Principal Black’s decision that Frederick Arven is ineligible is upheld by the Board of Control.

III. SUMMER BASEBALL

The Western Division of the Northern Indiana High School Athletic Conference requested permission to continue its high school baseball schedule for four to six weeks after the schools close for summer vacation. The Commissioner was directed by the Board to inform officials of the Western Division of the Northern Indiana Conference that the I. H. S. A. A. has no rules or regulations whereby it can grant permission to high schools to carry on an inter-school athletic program during summer vacation.

IV. GREENCASTLE

Tommy Judy attended the Bainbridge schools as an eighth grade student during the school year of 1944-45. He was not promoted to high school at the end of the year. At the beginning of the school year 1945-46, he went to Greencastle to live with a sister and enrolled in the ninth grade in Greencastle High School. He participated as a member of the second team in basketball in nine games for Greencastle High School during semester one of this school year.

Decision—Tommy Judy was not promoted to the ninth grade in the regular manner and was, therefore, ineligible when he participated in inter-school basketball games for Greencastle. He is therefore, declared ineligible for all athletics until the end of the present school year. Greencastle High School is placed on probation until January 1, 1947. The principal of Greencastle High School is directed to inform the principals of all schools against whose teams Tommy Judy participated that he was ineligible.

V. ZIONSVILLE, LEBANON, SHERIDAN AND JACKSON CENTRAL

Principal George W. Davis of Zionsville reported that a ninth grade basketball tourney was held at Zionsville February 2, 1946. He stated that he and the other principals had no intention of violating any I. H. S. A. A. rule and that it was an oversight in fixing the date as February 2, 1946.

Decision—Zionsville, Lebanon, Sheridan and Jackson Central High Schools are placed on probation for one calendar year (until February 2, 1947) for violating the rule of the I. H. S. A. A. prohibiting tourneys after February 1 except the State Tourney Series.

The schedules for the Sectional, Regional, Semi-Final and Final Toursneys were drawn by the Board in the presence of representatives of The Indianapolis Star, The Indianapolis Times, The Indianapolis News, United Press, International News Service and Associated Press.

The Board discussed the matter of complimentary tickets to the State Basketball Final Tourney and authorized the Commissioner to distribute such tickets on a plan similar to the one used last year.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., March 15, 1946

I. CROMWELL—KENDALLVILLE

Just before the beginning of the final game of the Kendallville Sectional Basketball Tourney between Kendallville High School and Cromwell High School, it was discovered that Marion Wolf, a member of the Cromwell team, had not been officially certified by his high school principal, Arthur Loveless. He had participated in three games of the tourney in which Cromwell had defeated Rome City, Avilla and Shipshewana. He was ready to enter the final game against Kendallville when the error was discovered and he was removed from the team. Investigation by the I. H. S. A. A. disclosed that Principal Loveless had been careless in checking his official entry list and that Principal R. W. Tritch of Kendallville, who was in charge of the tourney, had used an unofficial list in checking the line-up of teams instead of using the official entry lists which were provided through the I. H. S. A. A. office. There was no evidence that Marion Wolf had any knowledge that he was not officially entered in the tourney.

Decision—Due to the negligence on the part of Principal Arthur Loveless of Cromwell and Principal R. W. Tritch of Kendallville, both high schools have been placed on probation in the I. H. S. A. A. until June 1, 1947.

II. ELEMENTARY SCHOOL ATHLETICS

V. STATE TRACK AND FIELD MEET

The Board directed the Commissioner and the Assistant Commissioner to proceed with plans for the I. H. S. A. A. Sectional and Final Meets in track and field events along the same plans as used last year.

VI.

The Board re-affirmed the I. H. S. A. A. policy with reference to post-season basketball playing which states that all students who participate in basketball after the local season has closed on teams other than their own high school teams within the school lose their own standing in all athletics until January 1 of next year and also jeopardize the standing of their school in the I. H. S. A. A. The Board believes that it is the duty and responsibility of the principal to warn all students and to declare ineligible all violators of the I. H. S. A. A. rules.

VII. I. H. S. A. A. FUNDS

The Board authorized the Commissioner to invest surplus funds of the I. H. S. A. A. in U. S. Government Securities and to report on the investments made at the next meeting.

I. STATE CROSS COUNTRY MEET

The Board decided to sponsor a State Championship Cross Country Meet to be held in Indianapolis Saturday, October 26, 1946. The State Association will provide a trophy for the winning team and individual medals for the first five participants to finish the race. Complete details for this meet will be announced in the September bulletin.

II. SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

The management, officiating and financial reports of these tourneys were checked and no reason was found to investigate any of these tourneys in addition to the checking that has been done already. All reports are on file in the I. H. S. A. A.

III. STATE FINAL BASKETBALL TOURNAMENT

The ticket orders, ticket sales, ticket distribution, finances and other important matters concerning the State Final Basketball Tournament Saturday, March 16, were examined carefully and considered correct by the Board of Control. The records on file in the I. H. S. A. A. show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number of tickets sold. The cash book and the bank book show the deposits for the tickets sold. The reports will be kept on file for the observation of any interested party.

IV. I. H. S. A. A. FUNDS

Due to the excessive premiums required for the purchase of U. S. Government Securities on the current market and also to the fact that surplus funds will be distributed by October 1, the Commissioner was instructed not to purchase any additional Government Securities for the time being.

V. MONEY DISTRIBUTION

The Board of Control voted to make a Special Distribution of I. H. S. A. A. funds to the member schools on or before October 1, 1946. The maximum amount to be distributed is not to exceed $100.00 per school. One-half of the sum distributed will be based on membership over the two-year period beginning with the last distribution made, October 1, 1944, and the other half will be based on sectional tourney participation in 1945 and 1946. Schools which do not qualify for the maximum amount will receive a check for a proportionate amount as determined by membership and sectional tourney participation over the two-year period.

Where two or more schools have consolidated within the two-year period, only one payment will be made and that to the school existing at the time of the distribution. Any school being discontinued during this period will not share in the distribution.

The next regular distribution of funds, according to the Constitution, must be made October 1, 1947 if funds are available for distribution at that time.

VI. LITTLE YORK

On February 7, 1946 Mr. R. H. Beldon, principal and coach of Little York High School, employed Ronald Bailey, a student of Scottsburg High School and a member of the school’s basketball squad, to officiate a basketball game between Little York High School team and the Alumni. Principal Beldon provided transportation to and from Little York for Ronald and paid him a fee of $4.00 for his services. Since he was a high school student, he was not eligible for approval as an official by the I. H. S. A. A. Principal Eugene Butler of Scottsburg immediately disqualified the student for athletic participation in his high school. Principal Beldon and Ronald appeared before the Board of Control April 6, 1946 to explain their part in this case. It was also brought out that two other officials, Max Bridgewater and Lee Garrett, also worked as officials in this game without I. H. S. A. A. approval cards.

Decision—Little York High School is suspended from membership in the I. H. S. A. A. until January 1, 1947. Ronald Bailey violated his amateur standing in the I. H. S. A. A. by accepting a fee for officiating in a high school contest, in addition to which he
officiated without an approval card. He is declared ineligible for all high school athletics for the remainder of his high school career with the privilege of applying to the Board of Control for reinstatement as an amateur after February 7, 1947, provided he does not further violate any amateur rules.

VII. RE-REGISTRATION OF OFFICIALS

The Board voted to re-register officials during the period July 1 to August 15, 1946 and to increase the registration fee for an approval card from $1.00 to $2.00. Present approval cards will be void after July 1, 1946.

X. INDIANAPOLIS NEWS

The Board considered a request by William F. Fox, Jr., of The Indianapolis News, to have the bonafide members of all varsity squads in each Indianapolis High School to select the school's outstanding athlete. Each athlete selected would receive a medal from The News and the student chosen the most outstanding high school athlete in Indianapolis together with his coach or director would receive a free trip at the expense of The News to a World Series Baseball Game or to the All-Star Football Game held annually in Chicago. It was the decision of the Board that such a plan would be contrary to the I. H. S. A. A. rules and regulations governing prizes and awards.

The Board of Control voted unanimously to fix the salary of the Commissioner at $6,200.00 per year beginning April 1, 1946 and the salary of the Assistant Commissioner at $5,000.00 per year beginning April 1, 1946. XII. HARRISON TWP. SCHOOL

Principal Richard R. Rea of Harrison Twp. High School, West Middleton, requested a ruling on the eligibility of Dean Timmons and Donald Rodgers, students of Harrison Twp. School so far as residence is concerned so long as they continue enrollment there and provided no undue influence is used to retain them in that school.
December 17, 1945. During the 1945 Christmas Holidays, he came to Shelbyville with his mother and enrolled in Shelbyville High School January 2, 1946. Soon after coming to Shelbyville, the mother was married to Mr. Al Curry. On January 3, 1946, Ditt's mother and stepfather went to Orlando, Florida, to reside. Milhon and the two boys were invited to appear before the Board of Control. At the hearing it was brought out that both boys had participated in a game of basketball at the Veteran's Hospital Gymnasium on or about March 13, 1946 after Marion High School had been eliminated in the I. 1. At the request of Principal Harold Johnson of Huntington, the Council reconsidered a proposal relative to girls' athletics which he had placed before the October, 1945 meeting of the Council. The proposal was passed to read as follows:

"It is hereby proposed that the present section in the rules and regulations on 'Girls' Athletics' in the Constitution (Pages 173-174 of the 1944 Handbook) be replaced by the following:

1. Girls' athletics are bound by the rules and regulations of the I. H. S. A. A. except for participation in Girls' Play Day programs.
2. Rules for girls' contests shall be those published for the National Section on Women's Athletics of the American Association for Health, Physical Education and Recreation.
3. Inter-school basketball games and tourneys are not recommended for girls.
4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.
5. Girls' basketball teams may not play in state or national tourneys.
6. Play Day program for girls:
   a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing, and social entertainment. Participation is on the basis of color or mixed teams chosen by lot and does not represent specific schools.
   b. Parents' and physicians' certificates are required for Play Days.
   c. Scholarship out of season, age and enrollment requirements are the same as for inter-school competition.
   d. Play Days shall be approved by the principals of the schools involved and certification given for the girls participating in them.
   e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in these sports in regular inter-school games."

2. Principal R. B. Miller presented the following proposal:

"In cities having more than one high school and where there is employed a full time director of physical education, that the girls' athletic activities within or between the high schools of the city be considered intra-mural competition." Amended to include county schools.

This proposal failed to pass.

III. The Indianapolis News had requested an expression of the attitude toward a post-season basketball game between the 1946
Basketball Championship Teams of Indiana and Illinois. The Council gave this matter considerable discussion and voted unanimously not to approve any post-season basketball games for member schools of the I. H. S. A. A.

IV. A request from the Vincennes Y. M. C. A. that high school students who were members of independent teams be permitted to continue such playing until the date of the State Final Basketball Tourney. The request was discussed at length but no action was taken.

V. REVISION OF CONSTITUTION AND BY-LAWS

The Committee on the revision of the Constitution and By-Laws of the I. H. S. A. A. reported on the progress made since the last meeting. The Committee was instructed to continue its work on the proposed revision in conjunction with the 1946 Board of Control. The Commissioner was authorized to call a meeting of the Athletic Council to consider the Committee's report when it is in form for submission to the Council as a whole.

I. H. S. A. A. ATHLETIC COUNCIL MEETING

Indianapolis, Ind., May 24, 1946

The Minutes of the last meeting were read and approved. It was decided to vote by voice or show of hands and that thirteen affirmative votes be required to pass a motion.

I. CONSTITUTION, BY-LAWS AND RULES

President Harold McSwane explained that the Council had been called into special session to act on the final report of the Committee on the revision of the Constitution, By-Laws and Rules of the I. H. S. A. A. The Committee was composed of E. V. Minniear, Chairman; J. W. O. Breck and Robert S. Hinshaw and had been appointed at a meeting of the Council held December 16, 1944. Chairman Minniear gave a resume of the work of the Committee and then presented the complete report with explanation of the important changes recommended. Except for a few minor corrections in wording, the Council voted only one change in the report. The Committee had recommended that beginning with the school year 1947-48, the beginning of the basketball season be changed from November 1 to November 15. The majority of the Council members felt that this change should not be made until all member schools had been given an opportunity to indicate their preference to their Council members. The November 1 date was retained for the present and the Council instructed the Board of Control to prepare a proposal that the basketball season begin November 15 starting with the school year 1947-48 and that this proposal be included in the list of proposals published in the official bulletin for action by the Council at the October meeting. The Council authorized the Commissioner to make any minor changes that might be necessary in editing the revised Constitution, By-Laws and Rules for publication. July 1, 1946 was fixed as the date for the revisions to become effective.

The Council adjourned to meet again during the week of the Indiana State Teachers Association at a time to be determined by the Board of Control.

A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual working of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting such contests.

Rule 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys’ teams and girls’ teams participate against each other in inter-school athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of $10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with each case therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I. H. S. A. A.

a. High School students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The I. H. S. A. A. expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I. H. S. A. A. is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High School students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school Principal on file in the I. H. S. A. A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the I. H. S. A. A. The purpose of the permit is to keep the Principal informed about his students.

f. The I. H. S. A. A. considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

g. The baseball season is defined as beginning and ending with the school year.

Rule 26. Pupils in schools having modified membership in the I. H. S. A. A. may participate on the following basis:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a Junior High School having modified membership may not compete on the team of a Senior High School.

c. Ninth grade pupils in Junior High Schools are not permitted to enter tourneys and meets in which more than two teams compete, except in playdays, etc., held in the city school system. This
exception shall not be interpreted as giving sanction to regular athletic tournaments and meets.

d. Schools having modified memberships may not use grade students, seventh and eighth grade, on their athletic teams in interschool games and contests.

e. Schools with modified membership may not compete with high schools who do not hold membership in the I. H. S. A. A.

Rule 27. A ninth grade student who is enrolled in a Junior High School without modified membership in the I. H. S. A. A., may compete on either the Junior High School or the Senior High School team, but not on both. Such Junior High schools may have teams using pupils of the seventh, eighth and ninth grades, depending on organization of the school. These teams may compete with similar teams from other schools not having modified membership.

c. Scholarship out of season, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools involved and certification given for the girls participating in them.

DIVISION V

ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the Principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each study for the preceding semester in school; average mark in each study from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tournaments and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular high School recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the I. H. S. A. A. Rules and By-Laws reading, "a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given." The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. Back work may be made up during the summer and counted toward eligibility, provided it is done in a regularly approved summer school or according to procedures approved by the State Department of Education. Such make-up work must be entered on the permanent record before the opening day of the following semester.

Rule 4. In each of the studies representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of
any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Rule 5. For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made up and counted toward eligibility during the summer provided it is done and becomes a matter of final record prior to the opening day of the next semester.

Rule 6. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section.

Rule 5. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

Rule 12. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the Principal of each High School files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

Rule 5. No High School student shall be eligible to participate in any inter-school contest under the rules of the I. H. S. A. QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control. 1. Q. What is a five-year man?
   A. Students who have been enrolled in High School for twenty or more days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

   A student who enters High School for the first time at the beginning of semester II of any school year, may be enrolled four times of twenty or more days each between December 1 and March 1 following this first semester of his enrollment, and he may be eligible for basketball for these four seasons provided he does not play in any game during his first semester of enrollment.

Participation in a sport in a school year counts as participation in that sport for one school year.

2. Q. May a student, who has been in High School four full years, but who has not participated in any athletics, participate in athletics?
   A. No. Enrollment rather than participation is the determining factor in such cases.

3. Q. Which is the determining factor in eligibility—enrollment or participation?
   A. Either one may cause ineligibility. Both are factors and must be considered.

4. Q. If a student changes High Schools, when is he eligible?
   A. He is just as eligible in the new school as he was in the old school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

7. Q. What is a semester?
   A. One-half of a school year constitutes a semester in the I. H. S. A., and parts of two semesters or a part of one semester does not make a semester in the I. H. S. A. A.

8. Q. When is a student eligible in school "A" if he withdraws from school "A," enters school "B" and later returns to school "A," his parents never changing their place of residence from the district of school "A"?

9. Q. May a student who changes high schools in order to have a home because of the death of his parents or guardian be eligible under the change of residence rule?
   A. The Board of Control may declare such students eligible upon presentation of the case, with all of the facts clearly stated. The information must include a letter from each of the high school principals involved, stating that the change of high schools was unavoidable.
10. Q. How can a student gain eligibility in a High School upon entering from another High School?
A. By his parents actually, legitimately and correspondingly changing their place of residence to the new High School district or by enrollment for one calendar year provided no undue influence is used.

11. Q. Does the twenty-day enrollment requirement mean school or calendar days?
A. School days.

12. Q. If a student fails in all subjects for a semester does this enrollment count as a semester?
A. Yes. Enrollment is enrollment and always counts as such.

13. Q. Is a student, who has been out of High School for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?

A. When he has been enrolled one calendar year in the new high school, unless there are clearly defined school districts.

15. Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?
A. By applying the requirements of the change of high school rule in the I. H. S. A. A. Constitution and By-Laws.

16. Q. Are legal guardians considered as parents in the I. H. S. A. A.?
A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

17. Q. Where should students attend high school?
A. They should attend the high school, if any, in the school district in which their parents live. Any variation requires an explanation and justification.

18. Q. When will a student, who changes high schools in a semester prior to a corresponding change of residence of his parents, become eligible in the new school?
A. At the time the parents actually complete a corresponding change of residence, provided no undue influence is attached to the situation.

   A. No. This would be considered professionalism.

H. S. A. A. has secured the consent of his superiors, the administrative head or heads of the school system, to take out said membership and that he, the Principal, is the administrative head not only in name but in fact of the inter-school athletic activities of the high school and of the students in the high school.

Wherever and whenever in the I. H. S. A. A. membership the conditions are found to be such that the High School Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. H. S. A. A. and has in fact removed itself from the membership in the Association.

The I. H. S. A. A. Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the High School Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. The proof that the High School Principal is the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school shall rest in all cases with the school officials concerned.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS
I. Junior and Senior High School Athletic Regulations
(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.
7. 8th and 9th grade students, or 8th and 9th grade students, are eligible for athletics. School or evaluated as well as his enrollment in the 9th year must be considered and required in the Senior High School.

8. A 9th grade student in a Junior High School not holding a modified membership, may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tournaments and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tournaments and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 3, Article II, reads: "Modified membership may be extended to any public high school offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tournaments in which more than two teams participate except in meets and tournaments in which only the teams from the high schools of the same city participate."

It must be clearly understood that a modified membership is a membership in the I. H. S. A. A. that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1. Q. What type of school may hold a modified membership?

2. Q. Is it necessary for a Junior-Senior High School, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?
   A. No. A full membership meets the requirements.

3. Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?
   A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

4. Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?
A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?
A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?
A. No. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball or softball during the summer?
A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

See Division V under Amateurism in the By-Laws.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

2.

Q. Is a student, who plays on an independent baseball or softball team during semester one, ineligible for high school baseball or softball during semester two?
A. Yes. Such a student is ineligible for baseball or softball for semester one and two, also, as baseball or softball is a school year sport.

3.

Q. If a student plays on an independent team in baseball or softball during the school year, does he make himself ineligible for both baseball and softball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

4.

Q. Are baseball and softball considered separate sports?
A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either baseball or softball.

5.

Q. May a school official or employee act as an agent between high school athletes and professional baseball?
A. No, they are violating the agreement between the National Federation of High Schools and Professional Baseball. (See Division IV under "Amateurism" Rule 4, of the I. H. S. A. A. By-Laws.)

(Baseball and Softball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.
f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

SUMMER SCHOOL WORK

1. Q. Does summer school work in a school other than his home school jeopardize the standing of a student?
   A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits.

2. Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?
   A. Work during the summer may be counted toward eligibility provided: (1) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

3. Q. When should a student receive a credit in a subject?
   A. A student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1. Q. May a High School schedule and play games during the week?
   A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

2. Q. May schools hold or sanction Sunday practices?
   A. The rule reading "There shall be no inter-school contests held on Sunday" includes games and practices as well as inter-school contests.

3. Q. May students, who are ineligible for the first team, play on teams of lower ranking?
   A. No. Ineligibility for one team means the same for all teams.

4. Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?
   A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a regularly licensed physician (M.D.) that he is again physically fit to participate in interscholastic athletics.

5. Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?
   A. No. Other than a recommendation that reasonable prices be made at all times for all games.

6. Q. Is a student, who is expelled from High School one semester, eligible for the following semester?
   A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.
7. Q. May a High School support a grade team in the same school system out of its athletic funds?
   A. Yes.

8. Q. May two or more High Schools combine to form one athletic team?
   A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

9. Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?
   A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

   "Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

10. Q. May the rules of a school be changed or special examinations be given in order to make students eligible?
    A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no special怜 and no favors for athletes.

11. Q. Does wrestling come under the rules of the I. H. S. A. A.?
    A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

12. Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana?
    A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the member High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

13. Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?
    A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook. Also read the sections governing Prizes and Awards.

14. Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"
    A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

15. Q. What is considered the school year?
    A. A school year covers all time from the first day to the last day of the school year, including vacations.

16. Q. Are tourney schedules drawn or arranged?
    A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control and no schedule has ever been arranged or "fixed."

17. Q. Does the Commissioner or the Assistant Commissioner have a vote in the Board of Control and in the Athletic Council?
    A. The Commissioner or the Assistant Commissioner is not a member of either group and has no vote in any of their deliberations.

18. Q. May a married student be considered eligible?
    A. No, see rule.
19. Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester?
A. No. Such student is a failure for his last semester in High School.

20. Q. How are the funds of the I. H. S. A. A. invested?
A. In U. S. Government Securities.

21. Q. How are these Government Securities protected?
A. Burglary and Robbery Insurance are carried on the bank vault box and the Commissioner and the Assistant Commissioner carry a Fidelity Bond.

22. Q. Who examines the financial books of the I. H. S. A. A.?
A. Ernst and Ernst, Public Accountants, the Board of Control and any High School Principal so desiring.

23. Q. Who audits the financial books of the I. H. S. A. A.?
A. Ernst and Ernst, Certified Accountants.

24. Q. How often is an audit made?
A. Annually. The same is printed in the annual Handbooks of the Association.

25. Q. Who is eligible for election to the Athletic Council?
A. Any bona fide faculty representative of a High School belonging to the I. H. S. A. A.

26. Q. How are Board of Control members selected?
A. By the members of the Athletic Council from their own membership.

27. Q. Do Board members represent districts?
A. Not necessarily. They represent enrollment classes of High Schools.

28. Q. Do Athletic Council members represent districts or classes?
A. They represent classes and districts.

29. Q. When and how may Principals submit proposals for the consideration of the Athletic Council?
A. Principals may submit such proposals at any time in a written way to the Commissioner who will submit them to the Athletic Council for consideration and action.

30. Q. What constitutes the use of undue influence in the I. H. S. A. A.?
A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:
1. Offer or acceptance of money or other valuable consideration.
2. Reduction or remission of regular tuition.
3. Waiving the requirement of legal transfers according to law.
4. Offer or acceptance of board, room or clothing.
5. Offer or acceptance of remuneration for work in excess of amount regularly paid for such service.
6. Free transportation.
7. Transportation by Coach, Principal, teacher or school official.
8. Offer of acceptance of school privileges or considerations not granted to other students.
9. Making home with Coach, Principal, teacher or school official.
10. Free rent or reduced rent for parents.
11. Offer or payment of moving expenses of parents.

31. Q. Why should a school be penalized because some person outside of school uses undue influence?
A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are...
the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

32.

Q. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?
A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

33.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?
A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

34.

Q. What steps should be taken in ineligibility cases?
A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

35.

Q. What constitutes a regularly employed teacher in the I. H. S. A. A.?
A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

36.

Q. Would a student jeopardize his eligibility status by participating in a bowling league in which cash awards, merchandise awards or certificates, or refund of fees are given?
A. Yes.

37.

Q. Do seniors have any rights and privileges in athletics not granted to other students?
A. No. In fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the I. H. S. A. A. in which their high school holds membership.

38.

Q. Do the rule requiring football practices to be held on the regular practice or play field under the direct supervision of the high school coaching staff prevent summer football camps for high school teams and players?
A. Yes.

39.

Q. Is it necessary for a high school to meet and maintain the policies, regulations and standards for the accreditation and classification of high schools in Indiana in order to be a member of the I. H. S. A. A.?
A. Yes.
STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

INDIANAPOLIS, INDIANA

August 31, 1946

The Indiana High School Athletic Association
Indianapolis, Indiana

September 17, 1946

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the period from November 15, 1945, to August 31, 1946, and have examined or tested accounting records of the Association and other supporting evidence by methods and to the extent we deemed appropriate.

The following comments relate to the scope and nature of our examination:

Cash on deposit at August 31, 1946, in the amount of $18,085.82 was reconciled to the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as evidenced by bank statements on file. Canceled checks returned by the bank for the year were compared with the record of cash disbursements. We examined invoices, expense reports, and other data supporting the recorded cash disbursements.

The recorded cash receipts and disbursements from the state final basketball tourney are stated as reported by the Commissioner to the Board of Control without independent examination of ticket sales and supporting expense data. We compared the recorded receipts from the sectional, regional, and semi-final tourneys, with signed reports filed by high school officials at the tourney centers. The receipts recorded as tourney entry fees and membership dues were reconciled with published lists of the number of tourney entrants and member schools.

We inspected the securities on hand at August 31, 1946. An appended schedule shows details of the securities owned at that date.

Insurance coverage at August 31, 1946, was as follows:

- L. V. Phillips, Commissioner: $40,000.00
- R. S. Hinshaw, Assistant Commissioner: 40,000.00
- Other employees: 2,500.00
- Burglary and robbery—safety deposit box: 151,000.00
- Public Liability—owners, landlords, and tenants: 20/100,000.00
- Depositors’ forgery bond: 10,000.00
- Workmen’s compensation: All employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us. On April 6, 1946, the Board of Control voted to make a special distribution of surplus funds to member schools on or before October 1, 1946, in the maximum amount of $80.00 to each school.

Opinion

In our opinion, the accompanying statement of cash receipts and disbursements presents fairly a summary of the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the period from November 15, 1945, to August 31, 1946.
