ADDRESS TO
INDIANA HIGH SCHOOL ATHLETIC
ASSOCIATION

President H. RALPH BEABOUT

The I.H.S.A.A. is purely a voluntary democratic organization in which the high schools exercise the right of choice of membership. The privilege and opportunity to belong to such an organization places upon the member schools the obligation of loyally and courageously supporting the rules and regulations of the organization.

The I.H.S.A.A. is not maintained for the purpose of imposing penalties for the violation of rules nor for the promotion of more and more athletic contests; but rather, for the purpose of assuring fair competition in athletics; of insisting that athletics be conducted upon the basis of good school procedure; and of viewing all athletic policies in the light of what is good for the whole school program.

It is not enough that member schools merely endorse the purpose and objectives of the I.H.S.A.A. The high school principals must be courageous enough to defend their association from attacks that may come from individuals or pressure groups who desire control for selfish reasons. Perhaps the best defense of our association comes about by each and every school administrator accepting as his responsibility the interpretation of the aims, policies and structure of the I.H.S.A.A. to his high school student body, to the community, to the press, and to other interested groups.

The Athletic Council, the Board of Control, the Commissioner and the Assistant Commissioner of Athletics welcome suggestions for the improvement of the organization at all times. The 800 member schools can and should participate in the direction of their own athletic activities by giving intelligent suggestions. The rules and regulations of this association have been made by majority vote and any of them may be changed in the same way. The morale of the I.H.S.A.A. has always been high and will continue to be high because of such active participation.

With the enthusiastic cooperation and the courageous support of the member schools, and with the intelligent planning of its representative bodies, I am confident that the I.H.S.A.A. will keep the elevated position it now holds.

HISTORY OF I.H.S.A.A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Peacoy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I.H.S.A.A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen High Schools belonging to the I.H.S.A.A., March 1, 1904, and now there are seven hundred ninety eight High Schools belonging. The membership has had a gradual growth through the years, and now includes almost all of the High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I.H.S.A.A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of former Board members of the I.H.S.A.A. follows:

of Control and the fifteen other members elected by the Principal's legislative body proposal calling for four members from each of the five (5) I.H.S.A.A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

The title “Permanent Secretary,” established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris E. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I.H.S.A.A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I.H.S.A.A. to manage and to foster High School athletics on a high plane has been upheld as an ideal by the Association through the forty-six years of the life of the I.H.S.A.A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I.H.S.A.A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I.H.S.A.A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grade and the High School.

PURPOSE OF I. H. S. A. A.

(Copied from Introduction to first printing of Constitution in 1904)

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE
INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "I. H. S. A. A.")

ARTICLE II

MEMBERSHIP

Section 1. Full membership in this Association shall be open to all public, private, parochial, and institutional high schools of the State offering and maintaining three or four years of high school work, provided they meet the requirements of the Association and also subscribe to its rules and regulations. A school to be eligible for membership in the I.H.S.A.A. must be accredited by the State Department of Education.

Section 2. Modified memberships may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests, tourneys and meets in which only the teams from the high schools of the same city participate, invitational basketball tournaments in which not more than four schools participate and in track meets where trial runs are not necessary.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Section 3. Any high school in the State may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents ($1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tourneys and meets, but not in any tourneys or meets conducted for the purpose of determining an official state championship in the I.H.S.A.A.

2. Associate members are bound by all rules and regulations of the I.H.S.A.A. with the exception that a student who changes schools without a corresponding change of residence on the part of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.

3. Associate members are not privileged to share in the distribution of tickets to I.H.S.A.A. championship tourneys and meets or in the distribution of I.H.S.A.A. surplus funds to member schools.

Section 5. Each member high school shall have one vote.

Section 6. The Board of Control shall be Judge of all memberships.

Section 7. A High School that is suspended from the I.H.S.A.A. shall be considered as not belonging to this Association and subsequent membership in the Association shall be secured, if desired at the termination of the suspension, according to the Sections in the Constitution and the rules and regulations governing memberships.

There shall be five classes of high schools in each I.H.S.A.A. district as follows:

Class I—Schools having enrollments of 1—75.
Class II—Schools having enrollments of 76—120.
Class III—Schools having enrollments of 121—250.
Class IV—Schools having enrollments of 251—300.
Class V—Schools having enrollments of 601—up.

b. The determination of the Class of any high school shall be based on the enrollment as certified in the latest September Annual Report required by the Division of Inspection of the State Department of Public Instruction.

c. The twenty-five district-class units shall at all times be entitled to representation in the Athletic Council of the I.H.S.A.A.

d. All elective terms for Athletic Council members shall be for five years, or for the remainder of an unexpired term in case of a vacancy.

e. Any faculty member from a high school in good standing in the I.H.S.A.A. may have his name submitted, not later than November 15 of each year, on a nominating petition signed by five high school principals in his district, at least two of whom shall be in his high school class, to the Commissioner of Athletics for election to the Athletic Council from the district in which his school is located. Such person shall be from the class of high school from which the selection is to be made in that particular year. The Commissioner shall send printed ballots listing all such names to all principals of high schools in good standing in that district who constitute the electorates in the said district. The person receiving the largest number of votes shall be declared duly elected by the Board of Control, who shall constitute the canvassing board. In case of a tie, the vote shall be held again, printed ballots listing only the names of those tied being sent out by the Commissioner, with a return date designated by the Board of Control.

f. Removal from an I.H.S.A.A. district, withdrawal from the teaching profession, resignation, suspension of his school, or a lapse in membership of his school in the I.H.S.A.A. shall constitute a vacancy to be filled in the manner hereinafter provided. A person elected to represent a certain class high school, who changes to a school of a different class or whose school changes from class to class due to a decrease or increase in enrollment, shall continue to serve out his term as long as he remains in his original district.

g. Vacancies in the Athletic Council may be filled by the Athletic Council, the appointees to serve until the successors chosen at the next annual election take office. Such persons must be from the same district and class High School as the member originally chosen.

h. The Athletic Council shall choose a Board of Control of five members from the membership of the Athletic Council. All five classes of high schools shall be represented on the Board of Control, except as hereinafter stated for members who change their high school class after being elected. No member of the Board of Control shall serve more than three years, unless re-elected by the Athletic Council. Expulsion of membership on the Athletic Council shall automatically terminate membership on the Board of Control. Temporary vacancies on the Board of Control may be filled by the Board of Control from the membership of the Athletic Council, but only until the next meeting of the Athletic Council, when the Athletic Council shall itself choose the successors.

Both the Athletic Council and the Board of Control shall choose their own presiding officer, who may or may not be the same individual.

i. No member of the Athletic Council shall be eligible for a longer term on the Athletic Council than the one he is serving until the expiration of his term.

a member of the Association from playing high schools outside of the
state nor from playing non-high school teams within the state, pro-
vided all players on the I.H.S.A.A. teams are eligible in every way and
also provided there are no high school students of Indiana on the op-
posing teams. No athletic contest shall be held with any such school
of another state that is not a member in good standing of its State

Rule 19. Withdrawal of a high school athletic team from an
inter-school contest will jeopardize the standing of the school in the
I.H.S.A.A.

the same season, the Board of Control after hearing both sides, shall
have authority to suspend the delinquent school from the Association.
Notification of such suspension shall be published in the papers with
cause therefor.

Rule 24. Pupils may be permitted to play on baseball and softball
teams other than teams representing their high school during the

The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A.

The purpose of the permit is to keep the Principal informed about his students.

f. The I.H.S.A.A. considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The date and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each study for the preceding semester in school; average mark in each study from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.
B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the I. H. S. A. A. Rules and By-Laws reading, “...a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week” is interpreted to mean “...a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given.” The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the studies representing the minimum requirement of work specified in Rule 1 above, the following shall govern: (a) for the current semester the average of the period grades up to the time of certification must be passing; (b) for the current or school grading period the average of the daily or weekly grades must be passing; (c) if the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work done and the credits be made a matter of final record in the Principal’s office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the High School Principal. In all other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records on the first time of certification.

Rule 6. A student who withdraws for the semester within the first 15 days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Rule 2. A student enrolled in one High School of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 3. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section.

Rule 4. The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an I.H.S.A.A. Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Rule 7. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 8. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an interschool athletic contest, shall not be considered as having had an opportunity to participate that semester.

In order to be eligible for athletic competition during any semester, a student must have entered some High School within the first fifteen (15) school days of the semester in which the contest occurs.

Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way.

A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the Principal of each High School files a statement with the Board of Control that the change was necessary and that no undue influence was attached to the case in any way.

except baseball during the summer vacation. (See Rule 4 following.)

Note—Any employee or school official of a member school who
acts as an agent or encourages any negotiations between a high
school student and representatives of Organized Baseball prior
to the student's graduation, is violating the Agreement between
the National Federation and Organized Baseball. Such action on
the part of any employee or school official may cause his school
to be suspended from the I. H. S. A. A. for a period of time to be
determined by the Board of Control.

Any evidence that a representative of Organized Baseball is
attempting to or has signed a student prior to graduation should
be reported to the I. H. S. A. A. at once. This is a violation of
the Agreement between the National Federation and Organized
Baseball, and the penalty for such action is under the jurisdoc-
tion of Organized Baseball.

Rule 5. No High School student shall be eligible to participate in
any inter-school contest under the rules of the I. H. S. A. A. If it
shall be shown that he or any member of his family is receiving any
remuneration, either directly or indirectly, to influence him or his
family to reside in a given school district in order to establish eligi-
bility on the team of said school, and any school permitting such
participation shall, upon satisfactory evidence, submitted to the Board
of Control, be suspended by them from membership in the I. H. S.
A. A. for a term of not less than one year. This rule shall not inter-
ference with the right of High School pupils to work during vacation or
during out of school hours in order to earn their way through High
School. It shall apply to the use of any funds created by gift or by
subscription with the intent of offering them or parts of them for
the free use of the player or any member of his family as an induc-
ment to get them to change their residence to the district of the
said school and to maintain residence therein.

Rule 6. Reinstatement of Amateur: A high school student, who
has violated his amateur standing according to the rules and by-
laws of the I. H. S. A. A. may apply to the Board of Control for re-

the date he was declared ineligible on account of the violation, pro-
vided he has been in school throughout the year.

J. Conduct—

Rule 1. Any student, whose conduct or character is such, in the
judgment of the Board of Control or his high school Principal, as to

out in the succeeding rules.

Rule 2. Inform the I. H. S. A. A. office definitely by giving the
name of the student, the cause of ineligibility, the list and scores of
contests in which the pupil participated when ineligible, how the error
was made and other particulars about the case.

Rule 3. Send definite and explanatory letters to the opponent
Principals of contests in which the student participated when ineligi-
able, forfeiting points, games and honors won, and requesting
these Principals to notify the I. H. S. A. A. office as soon as they
receive these letters.

Rule 4. Consider and so declare the student not only ineligible for
all athletics for the current semester, but also for all of his next
semester following. Note—The I. H. S. A. A. reserves the right to
request additional information and to make final decisions after a

DIVISION VI

Rule 1. The giving and receiving of awards and medals shall:
(a) be kept within reasonable bounds; (b) have symbolic value only,
and (c) be done by and with the consent and under the supervision of
the high school principals concerned.

Note—The giving and receiving of awards and with the con-
sent and under the supervision of the high school principals
concerned shall mean that the high school principal in each

of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article
may be given in each sport to a high school student for participation
in athletics in high school.

Note—The word "symbolic" shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term "symbolic" even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A.

Rule 4. Schools belonging to athletic conferences, or participating in tournaments and meets under the rules of the I. H. S. A. A., except in the championship series conducted by the I. H. S. A. A., may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, Dads' and Mothers' clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources.

Rule 8. Penalties for violations of the above rules shall be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the association and the interpretations of the several Boards of Control.

It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

   A. Students who have been enrolled in High School for more than fifteen (15) school days between September 1 and December 1, or between December 1 and March 1 or between March 1 and June 1 for four times are ineligible respectively, for football, basketball and spring athletics, with the following exceptions:

If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

A. Yes. Enrollment is enrollment and always counts as such.

10. Q. Is a student, who has been out of High School for a semester or more and who has played independent ball during that time eligible when he enters school at the beginning of a semester?

1. Under normal circumstances, a student is expected to attend high school in the district where his parents reside.

   A. There is no difference as far as the I. H. S. A. A. is concerned, as the same rules and regulations govern.  

4. Q. If a “practice” game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?

11. Q. May practice periods in one high school be counted as such in another high school in football and basketball where a student changes high schools?  
    A. Yes, provided definite proof of the practice periods are on file from the Principal of the school in which the practices were held.

    A. Yes.  

13. Q. Are practice periods in basketball and football required prior to the first game of the season or are they required of each student prior to his first game of the season of the sport?  
    A. Practice periods are required of each student prior to his participation in his first game in the sport, regardless of the time in the season.

    A. No.
Q. May students participate in inter-school contests after their school is closed?
A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their school in meets and tournies sponsored by the I.H.S.A.A.; (b) they may participate in scheduled contests where one of the two schools is still in season; (c) they may participate in a contest where both schools are closed provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

3. Q. Is the I. H. S. A. A. opposed to inter-school basketball games and tournies for girls?
   A. No, but they are not recommended. Special care should be used, however, in such games and tournies to know that girls are physically fit at all times.

4. Q. May men coach girls in athletic games?

5. Q. May girl's basketball teams play in state tournies or national tournies?
   A. No.
3. Q. What gifts, awards and prizes may athletes receive?

4. Q. May the sweater rule be evaded by giving coats, jackets or other gifts?
   A. No. This rule should not be evaded in spirit or intent.

        5. PROFESSIONALISM

1. Q. What constitutes professionalism in the I. H. S. A. A.?
   A. Accepting remuneration, directly or indirectly, for playing on athletic teams, officiating in athletic games or managing athletic teams, or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. See Division V under Amateurism in the I. H. S. A. A. By-Laws.

2. Q. If a student violates his amateur standing in one sport does he become ineligible for all sports?
   A. Yes. A professional in one sport is ineligible for all sports.

3. Q. Does a student become ineligible in all sports, if he plays on a team other than the High School team in one sport?
   A. No. A student becomes ineligible only in the sport in which he participates as a member of a team other than the High School team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball or football out of season makes a student ineligible for all sports until January 1 of the following year.

4. Q. Are High School students permitted to play on teams that split the gate receipts among the players including the High School students?
   A. No. This would be considered professionalism.

5. Q. Does a student who receives money for his services as a lifeguard or as a caddie jeopardize his eligibility status in high school?
   A. No, provided he merely receives reasonable and legitimate wages for services actually rendered.

6. Q. May a student, who has violated his amateur standing be re-instated?
   A. Yes. A high school student, who has violated his amateur standing according to the rules and regulations of the I. H. S. A. A. may apply to the I. H. S. A. A. Board of Control for reinstatement.
as an amateur in the association one calendar year after the date he
was declared ineligible on account of the violation, provided he has
been in school throughout the year.

The application shall be signed by the student and his high school
principal and shall certify that one calendar year has elapsed since
the student was declared ineligible and that the student has not
violated his amateur standing during that calendar year.

7.
Q. Should a reasonably definite line of demarcation be drawn be­
tween professional athletic activities and high school athletic ac­
tivities?
A. Yes. There seems to be no justifiable reason for a high school
student to participate in professional athletics and also in high school
athletics.

8.
Q. Should amateurism be defined by the I. H. S. A. A. for its
specific purposes or should the definitions of other organizations be
accepted in the association?
A. Amateurism should be defined by the I. H. S. A. A. for its
I. H. S. A. A. purposes. There is no definition of amateurism acceptable to
all organizations.

RESPONSIBILITY

1.
Q. Who is the responsible party in I. H. S. A. A. athletics?
A. In the execution of its powers and duties, as designated and
authorized in the Constitution of the Indiana High School Athletic
Association, the Board of Control presumes that the Principal of
each high school voluntarily taking out a high school membership
in the I. H. S. A. A. has secured the consent of his superiors, the
administrative head or heads of the school system, to take out said
membership and that he, the Principal, is the administrative head
not only in name but in fact of the inter-school athletic activities
of the high school and of the students in the high school.
Wherever and whenever in the I. H. S. A. A. membership the
conditions are found to be such that the High School Principal is
not the administrative head in name and in fact of the inter-school
athletic activities of the high school and of the students in the high
school, the Board of Control will consider that the member school
has broken its agreement with the I. H. S. A. A. and has in fact
removed itself from the membership in the Association.
The I. H. S. A. A. Board of Control will assess at its discretion
after a careful investigation has been made, the penalties deemed
necessary in all cases in which it is found that the High School
Principal is not the administrative head, in name and in fact, of
the inter-school athletic activities of the high school and of the stu-
dents in the high school. The proof that the High School Principal
is the administrative head, in name and in fact, of the inter-school
athletic activities of the high school and of the students in the high
school shall rest in all cases with the school officials concerned.

2.
Q. Who is the proper official to sign contracts for games?
A. The High School Principal always. He may delegate this
authority, but the Principal will be held responsible for contracts. It
is recommended that this authority be not delegated.

3.
Q. Who may manage a High School team?
A. A High School Principal or teacher authorized by him. Student
management is not permitted.

SCHOLARSHIP

1.
Q. May back work be made up and counted toward eligibility?
A. Yes. Back work cannot be made up, however, during a grad ­
ing period or semester for eligibility during that grading period or
semester. Special privileges should not be granted to athletes. (See
Summer School Work.)

2.
Q. Would a student, declared ineligible by one principal, be in­
eligible under another principal?
A. Yes. If the student is ineligible according to the rules of the
I. H. S. A. A. The I. H. S. A. A. has no jurisdiction unless its rules
are violated.

makes a High School graduate. (See exception under "Games" Ques­

Q. May an ineligible student practice with the regular team?
A. Yes. At home in regular practice, but ineligible students
should not appear in athletic suits at games.
5. Q. Does the I. H. S. A. A. have a passing mark for scholarship?
   A. No. The passing marks of the schools are usually honored, but the Board of Control reserves the right to check the validity of grades and credits and to act on their findings.

6. Q. Who is a post-graduate?
   A. A post-graduate is a student who has finished his High School work and has received his High School diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

7. Q. To determine eligibility, what constitutes the last semester?
   A. The last semester for any student is the last semester in which the student was enrolled in any High School for any length of time after the first fifteen (15) school days.

8. Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular High School subjects for this period?
   A. In order to be eligible at the end of any grading period in a semester, a student must have passed in three regular High School subjects for the current grading period and his average grade in each of the three regular High School subjects for all of the grading periods in that semester must be passing. A student must maintain his work in order to be eligible—weekly, by grading periods and by the semester.

9. Q. Is a "condition" or an "incomplete" considered a "pass" in the I.H.S.A.A.?
   A. No. The I. H. S. A. A. considers a "pass" to mean that all work has been done and has been made a matter of final record in the Principal's office, at the end of the grading period or semester.

10. Q. Is a student, who carries three regular High School subjects and one or more eighth grade subjects, considered a High School student?

11. Q. Is a student, who has made sufficient credits to graduate at the end of semester one, eligible for athletics during semester two?
    A. Yes. Provided he is eligible in all other respects and does not actually graduate at the end of semester one. Such a student must carry regular work during semester two.

12. Q. Are the same standards of eligibility required for intra-school games as for inter-school games?
    A. No. The I. H. S. A. A. has no such requirements, but such are strongly recommended.

13. Q. Is a student, who has been ineligible for a semester on account of scholarship, eligible for the night of the last day of the semester?
    A. Yes. Provided he has passed in three regular High School subjects and his credits have been made a matter of final record in the Principal's office prior to the contest.

14. Q. What constitutes scholarship eligibility?
    A. In order to be eligible for a current semester a student must have passed in three regular High School subjects in his last semester of enrollment in any High School and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

15. Q. Are any special regulations in force pertaining to discharged veterans?
    A. By action of the Athletic Council, May 23, 1947, all I.H.S.A.A. special regulations concerning discharged veterans were discontinued.

16. Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?
    A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school work are not passing in their school work.
17. Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?
A. Yes.

18. Q. If a student becomes ineligible at the end of a grading period in a semester when can he become eligible?
A. At the end of the next regular grading period in that semester, provided he passes in three regular High School subjects during the period and also provided his average in each subject for all grading periods of the semester are passing in a similar amount of work.

19. Q. When is a student, who intends to enter High School, eligible?
A. When he actually enrolls, provided all other requirements have been met.

20. Q. If a student becomes ineligible on Friday at the end of a grading period is he eligible for that night?
A. Yes. A student is eligible whenever he becomes eligible.

21. Q. If a student becomes eligible on Friday at the end of a grading period is he eligible for that night?
A. Yes. A student is eligible whenever he becomes eligible.

22. Q. When is a student maintaining his work during a semester?
A. When he is passing in three regular High School subjects during the current week, the current grading period, the last grading period and for all grading periods of the semester according to averages.

A. Yes, the books are considered closed at the end of the semester.

24. Q. If a student passes in three regular High School subjects during the last grading period of a semester but fails to earn credits in three regular High School subjects for the semester, will he be eligible at all for the next semester?
A. No.

A. Up to the first fifteen (15) school days of the semester, provided he was eligible when he withdrew.

26. Q. If a student is passing in three regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?
A. No. Such a student would not meet the requirement of passing in three regular high school subjects throughout his last semester of enrollment. (See exception, Rule 11, under "Enrollment").

27. Q. May a credit in "Physical Fitness" be counted toward eligibility in athletics?
A. Division V, Rule 2 under "Scholarship" in the I.H.S.A.A. By-Laws specifically excludes "physical training" as a subject to count toward eligibility in athletics. The Board of Control has ruled that "Physical Fitness" comes under the term "physical training" as used in this Division.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS
Junior and Senior High School Athletic Regulations
(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.
2. The High School Principal in any high school belonging to the I. H. S. A. is considered the responsible party in athletics as far as the I. H. S. A. is concerned.
3. The I. H. S. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A., with such explanations as may
be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student in a Junior High School not holding modified membership, may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A 9th grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

Junior and Senior High School Modified Membership Regulations

Modified memberships may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests, tourneys and meets in which only the teams from the high schools of the same city participate, invitational basketball tournaments in which not more than four schools participate and in track meets where trial runs are not necessary.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

Q. What type of school may hold a modified membership?
A. A High School offering and maintaining less than three years of high school work.

Q. Is it necessary for a Junior-Senior High School, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?
A. No. Full membership meets the requirements.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?
A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.
Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?

A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?

A. Yes. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball or softball during the summer?

A. High school students may play independent baseball or softball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

See Division V under Amateurism in the By-Laws.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I.H.S.A.A. are observed.)

2.

Q. Is a student, who plays on an independent baseball or softball team during semester one, ineligible for high school baseball or softball during semester two?

A. Yes. Such a student is ineligible for baseball or softball for semester one and two, also, as baseball or softball is a school year sport.

3.

Q. If a student plays on an independent team in baseball or softball during the school year, does he make himself ineligible for both baseball and softball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

4.

Q. Are baseball and softball considered separate sports?

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either baseball or softball.

5.

Q. May a school official or employee act as an agent between high school athletes and professional baseball?

A. No, they are violating the agreement between the National Federation of High Schools and Organized Baseball. (See Division V under "Amateurism" Rule 4, of the I.H.S.A.A. By-Laws.)

(Baseball and Softball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism," page 39.)

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.
e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

SUMMER SCHOOL WORK

1. Q. Does summer school work in a school other than his home school jeopardize the standing of a student?
   A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I.H.S.A.A. recommends summer school work of an approved type for students needing credits.

2. Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?
   A. Work during the summer may be counted toward eligibility provided:
      (1) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education
      (2) no more than two credits be given for work done during summer months
      (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired
      (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

3. Q. When should a student receive a credit in a subject?
   A. A student should pass and receive credit in a subject at the end of the semester in which the work is done. If it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1. Q. May a High School schedule and play games during the week?
   A. The I.H.S.A.A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

2. Q. May schools hold or sanction Sunday practices?
   A. The rule reading "There shall be no inter-school contests held on Sunday" includes games and practices as well as inter-school contests.

3. Q. May students, who are ineligible for the first team, play on teams of lower ranking?
   A. No. Ineligibility for one team means the same for all teams.

4. Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?
   A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school five consecutive days due to illness or injury must present to his Principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

5. Q. Does the I.H.S.A.A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?
   A. No. Other than a recommendation that reasonable prices be made at all times for all games.

6. Q. Is a student, who is expelled from High School one semester, eligible for the following semester?
   A. The I.H.S.A.A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are usually not athletic matters at all. All rules of the I.H.S.A.A. are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.
Q. May a High School support a grade team in the same school system out of its athletic funds?
A. Yes.

Q. May two or more High Schools combine to form one athletic team?
A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?
A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. I. H. S. A. A., is not eligible."

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?
A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

Q. Does wrestling come under the rules of the I. H. S. A. A.?
A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana?
A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I.H.S.A.A. must be held under the direct supervision, management and auspices of the member High Schools concerned, or under the I.H.S.A.A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"
A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance fails down.

Q. What is considered the school year?
A. A school year covers all time from the first day to the last day of the school year, including vacations. The I. H. S. A. A. considers the first day of school to be the day attendance is counted and teachers are paid.

Q. Are tourney schedules drawn or arranged?
A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control.

Q. Does the Commissioner or the Assistant Commissioner have a vote in the Board of Control and in the Athletic Council?
A. The Commissioner or the Assistant Commissioner is not a member of either group and has no vote in any of their deliberations.

Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester?
A. No. Such student is a failure for his last semester in High School.
Q. How are the funds of the I. H. S. A. A. invested?
A. In U. S. Government Securities.

Q. How are these Government Securities protected?
A. Burglary and Robbery Insurance are carried on the bank vault box and the Commissioner and the Assistant Commissioner carry a Fidelity Bond.

Q. Who examines the financial books of the I. H. S. A. A.?
A. Ernst and Ernst, Public Accountants, the Board of Control and any High School Principal so desiring.

Q. Who audits the financial books of the I. H. S. A. A.?
A. Ernst and Ernst, Certified Accountants.

Q. How often is an audit made?
A. Annually. The same is printed in the annual Handbooks of the Association.

Q. Who is eligible for election to the Athletic Council?
A. Any bonafide faculty representative of a High School belonging to the I. H. S. A. A.

Q. How are Board of Control members selected?
A. By the members of the Athletic Council from their own membership.

Q. Do Board members represent districts?
A. Not necessarily. They represent enrollment classes of High Schools.

Q. Do Athletic Council members represent districts or classes?
A. They represent classes and districts.

Q. When and how may Principals submit proposals for the consideration of the Athletic Council?
A. Principals may submit such proposals at any time in a written way to the Commissioner who will submit them to the Athletic Council for consideration and action.

Q. What constitutes the use of undue influence in the I.H.S.A.A.?
A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:
1. Offer or acceptance of money or other valuable consideration.
2. Reduction or remission of regular tuition.
3. Waiving the requirement of legal transfers according to law.
4. Offer or acceptance of board, room or clothing.
5. Offer or acceptance of remuneration for work in excess of amount regularly paid for such service.
6. Free transportation.
7. Transportation by Coach, Principal, teacher or school official.
8. Offer of acceptance of school privileges or considerations not granted to other students.
9. Making home with Coach, Principal, teacher or school official.
10. Free rent or reduced rent for parents.
11. Offer or payment of moving expenses of parents.

Q. Why should a school be penalized because some person outside of school uses undue influence?
A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athletic on teams in inter-school athletic competition profits by the use of undue influence.

Q. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?
A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I.H.S. A.A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

32.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?
A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

33.

Q. What steps should be taken in ineligibility cases?
A. In cases in which an ineligible student has been used in interschool athletics the following steps should be taken immediately by the High School Principal:
1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.
2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.
3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

34.

Q. What is considered the first day of school?
A. The first day of school is the first day on which attendance is counted and teachers are paid.

35.

Q. Do seniors have any rights and privileges in athletics not granted to other students?
A. No. In fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the I. H. S. A. A. in which their high school holds membership.

36.

Q. What constitutes a regularly employed teacher in the I. H. S. A. A.?
A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service, as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

37.

Q. Does the rule requiring football practices to be held on the regular practice or play field under the direct supervision of the high school coaching staff prevent summer football camps for high school teams and players?
A. Yes.

38.

Q. Is it necessary for a high school to meet and maintain the policies, regulations and standards for the accreditation and classification of high schools in Indiana in order to be a member of the I. H. S. A. A.?
A. Yes.

Since that time, the Board of School Trustees has been transferring high school students to the Converse (Jackson Township) High School. They now desire to transfer their students to Clay Township High School. A group, consisting of G. E. Laird, President of the School Board, E. Dale Front and W. R. Anker, School Board Members, D. L. Maple, Trustee of Clay Township and Gulford Gurtner, Principal of Clay Township High School, appeared before the Board of Control to inquire as to the residence eligibility status of Amboy students who may transfer from Converse High School to Clay Township High School, without any change of residence on the part of their parents.

Following a lengthy discussion concerning the questions involved, the Board of Control decided that no definite answer could be given until more information is filed on the details of this proposed transfer of students from Converse to Clay Township.

CENTRAL (FORT WAYNE)
Keith Mendenhall lived with his parents, Mr. and Mrs. Murray Mendenhall in Anderson, where he attended Anderson High School during the 1948-49 school year. After the close of school, the Mendenhall family moved to their farm home in Ohio, just across the state line from Allen County, Indiana. The family formerly occupied this home before going to Anderson in 1944, and the Mendenhall children attended Central High School, Fort Wayne, where Mr. Mendenhall was employed as basketball coach. Keith plans to enroll in Central High School at the beginning of the 1949-50 school year. Principal J. Wilbur Haney of Central High School desired a ruling on Keith's residence eligibility.

Decision—Keith Mendenhall is considered eligible as to residence in Central High School, Fort Wayne.

EARL PARK
Mr. and Mrs. Everett Mooy formerly lived at Chalmers where their son, Alin, attended high school until he enrolled at Earl Park High School March 2, 1949. Alin changed high schools because his parents moved from Chalmers to a farm in the northern part of Parish Grove Township, Benton County. According to information filed by John B. Tronein, Principal of Earl Park High School, it has been customary for a number of years for students who lived in this section of Parish Grove Township to attend Earl Park High School in Richland Township, instead of Freeland Park High School, which is in Parish Grove Township. Parish Grove Township does not furnish bus transportation to Freeland Park High School for the students living in this section of the township. They do, however, have bus service to Earl Park. Principal A. G. Winkelpleck of Freeland Park High School certified that the information filed by Principal Tronein is correct.
Decision—Alvin Mooy is considered eligible as to residence in Earl Park High School, provided no undue influence is connected with the case.

LOGANSPORT

Jack Brodbeck resided with his grandparents in Logansport, where he attended high school during the 1947-48 school year. At the beginning of the 1948-49 school year, Jack's grandfather was operating a grocery store in the city of Anderson. The grandparents left their home in Logansport to reside in a trailer in Anderson while the grandfather operated the grocery store. Jack also went to Anderson to be with his grandparents, and enrolled in Anderson High School in September, 1948. Later in the year, the grandfather decided to sell his store. Before the sale was completed, the grandmother and Jack returned to Logansport, where Jack re-enrolled in high school January 3, 1949. Principal J. H. Mertz of Logansport High School desired a ruling on Jack’s residence eligibility.

Decision—Jack Brodbeck considered eligible as to residence at Logansport High School.

Mrs. Ashley has tendered her resignation to take effect August 26.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 10, 1949

NOBLESVILLE

Early in June, Forest C. Page, who coached at Forest Lake High School in Minnesota last year, was employed to coach football, basketball and track at Noblesville High School. At the beginning of this school year, LaMar (Skip) Lee, a senior from Forest Lake High School, enrolled in Noblesville High School. He is described as a “triple threat” football player who had already earned three varsity letters in football at Forest Lake. His athletic record also shows that he had participated in basketball two years, track two years and baseball one year. When Principal J. B. Stephens of Noblesville requested a copy of LaMar’s transcript of credits and his athletic record, Superintendent B. C. Kuebler of Forest Lake protested LaMar’s eligibility at Noblesville on the grounds that Coach Page had been unethical in lending encouragement to the boy to enroll at Noblesville. Coach Page, Principal Stephens, LaMar Lee and his parents, Mr. and Mrs. Fred Lee, attended a hearing before the Board of Control, which had been requested by Principal Stephens in order to decide LaMar’s athletic eligibility at Noblesville. During a period of two hours of questioning the various witnesses separately, there was a great deal of conflicting evidence. The following is a summary of what appeared to be the facts which were finally disclosed to the Board of Control:

(1) LaMar’s parents, together with their three children, have been residing for some time in Forest Lake, Minnesota, where they own their home and operate a meat market.

(2) After it was known that Mr. Page would coach at Noblesville, Mr. and Mrs. Lee stated that they decided to leave Forest Lake to seek a warmer climate for the benefit of Mr. Lee’s health. They stated that they wanted to live in Indiana so that LaMar could attend Purdue University. They said that in driving through Indiana, when they came to Noblesville they decided it was the town in which they would like to locate. Mr. Lee also stated that it was his intention to purchase a grocery and meat market in Noblesville; to date he has purchased no business there.

(3) The Page family came to Noblesville early in August and first lived in rented rooms. LaMar also arrived in Noblesville about the same time and moved in a rented room in the same home with the Pages. Later, Mrs. Lee and a daughter, in the elementary grades,
arrived in Noblesville. They, together with LaMar, are now living in a furnished apartment. Mr. Lee and a younger son remained in the family home in Forest Lake, while Mr. Lee continued to operate his business.

(4) LaMar testified that he had never discussed the matter of his athletic eligibility at Noblesville with Coach Page. Later, he admitted that he had accompanied Coach Page and Mrs. Betty Palmer (sister-in-law of Coach Page) to Boonville, Indiana, where Mrs. Page's parents reside. This trip was made prior to LaMar's enrollment at Noblesville. He admitted that, while in Boonville, an effort was made to learn how he could become eligible as to residence at Noblesville. When Coach Page was questioned about this trip to Indiana, he first stated that such a trip had not been made. He later admitted that he had been to Boonville in LaMar's company, saying that he had not understood the first question.

(5) The evidence indicated that Mrs. Palmer, who also taught at Forest Lake last year, had been very active in getting LaMar to enroll at Noblesville.

(6) Mr. Lee stated that after he learned that there was a question regarding LaMar's residence eligibility, he had leased the Forest Lake home to Mrs. Palmer and her husband, and was planning to come to Noblesville with his younger son for residence with the remainder of the family.

(7) Before the close of the hearing, LaMar admitted, in the presence of his parents, Principal Stephens and Coach Page, that when first questioned, he had not given correct answers concerning his relationship with Coach Page in regard to his enrollment at Noblesville High School.

Decision—After giving full consideration to all the evidence presented, it was the unanimous opinion of the Board of Control that the Lee family did not make a bona fide change of residence from Forest Lake, Minnesota, to Noblesville, Indiana. It was also the unanimous decision of the Board that LaMar Lee had been unduly influenced by Coach Page and Mrs. Betty Palmer to enroll in Noblesville High School for the express purpose of competing in interschool athletics. LaMar Lee, is, therefore, declared ineligible for all interschool athletics for the 1949-50 school year. Principal J. B. Stephens is directed to have Coach Page acquaint himself with all I.H.S.A.A. eligibility rules immediately.

PHYSICAL EXAMINATION

The Christian Science Committee on Publications had requested the I.H.S.A.A. to approve a form whereby the parents of a member of the Christian Science faith could file a signed statement in lieu of a physician's certificate releasing the school from responsibility in the matter of the health or injury of an athlete. Since the approval of such a plan would necessitate a change in I.H.S.A.A. rules, the matter was referred to the October Meeting of the Athletic Council.

HOWE (INDIANAPOLIS)

James W. Robison, a ward of the Indianapolis Children's Bureau, lived in the home of Mr. and Mrs. Clifford D. Long in the Broad Ripple High School district and attended that school last year. On February 12, 1949, the Long family moved out of Indianapolis and James was placed in the home of Mr. and Mrs. Wilson Patterson, who live within walking distance of Howe High School. The Children's Bureau and Principal C. M. Sharp of Howe High School filed a request that James be considered eligible as to residence in Howe High School, since his attendance at Howe would save him several miles of travel each day, and would also save the Children's Bureau the expense of transporting him back and forth to Broad Ripple. The Principal of Broad Ripple High School also recommended that James be considered eligible at Howe.

Decision—James Robison considered eligible as to residence at Howe High School.

JEFFERSONVILLE

Harry Hinton, Jr., James Regan and Albert Hustedt, all of whom attended the Silver Creek High School last year, had indicated their intention to enroll at Jeffersonville on the opening day of school, Monday, September 12, 1949. Since questions had been raised in regard to both the residence eligibility and the use of undue influence in connection with their proposed enrollment at Jeffersonville, Principal Emory W. ThieS of Jeffersonville High School had requested that the parents be given an opportunity to explain the situation to the Board of Control. Principal Theiss, Coach Ed Denton, Mrs. Frances Aker (mother of Albert Hustedt), Mrs. Hortense Adams (mother of James Regan), Harry Hinton, Sr., and James Regan appeared before the Board of Control. All of those present took part in the explanations which were made to the Board of Control regarding the proposed changes in enrollment. Since the Board had not scheduled a hearing on these cases, no one was present to represent Silver Creek High School.

The Board of Control deferred action, pending information from Silver Creek school officials and a further investigation regarding any undue influence that may have been used by anyone connected directly or indirectly, with Jeffersonville High School in getting these three basketball players to transfer from Silver Creek to Jeffersonville High School.

KIRKLIN

Ragene Bogan and Ernest Jarrett reside in Clinton Township, Boone County. This township maintains no high school and Ragene and Ernest were transferred by the Township Trustee to Lebanon High School, where they attended during the 1948-49 school year. Due to a rearrangement of transportation facilities by the trustees of Clinton Township, these two students have now transferred to Kirklin High School. Principal Paul Newman of Lebanon High School informed the I.H.S.A.A. that it was his opinion that no undue influence was involved in any way in the transfer of Ragene and Ernest to Kirklin High School.

Decision—Ragene Bogan and Ernest Jarrett considered eligible so far as residence is concerned at Kirklin High School.
PLYMOUTH
Arthur Bohannon resided with his parents and attended Cherryvalle High School at Cherryvalle, Kansas, last year. Arthur's mother died during the year. Following the close of school, Arthur came to Plymouth to live in the home of his sister, Mrs. Lloyd Hindman. His father still maintains a home in Cherryvalle for himself and other members of the family. Principal H. R. Beabout of Plymouth has requested that Arthur be declared eligible for athletics at Plymouth under the unavoidable change of residence rule. Principal Howard Gill of Cherryvalle filed a statement on the case, but did not certify that it was necessary for Arthur to change his residence to Plymouth in order to have a home.

Decision—Arthur Bohannon considered ineligible as to residence at Plymouth High School for one calendar year from the date he enrolled there at the beginning of the current semester.

PETERSBURG- Winslow
Darrell Horstmeier resided with his foster parents, Mr. and Mrs. Pat Horstmeier in Winslow, where he attended high school last school year. During the second semester, Darrell's foster father died. Mrs. Horstmeier then disposed of the home in Winslow and left the community to reside with relatives at Consevaville. Darrell was provided a place to live in the home of Mrs. Irene Hodges in Petersburg. Mrs. Hodges is a sister of the foster father. Darrell completed the second semester of school at Winslow and then enrolled at Petersburg High School at the beginning of the current semester. Principal Lorel Coleman, Petersburg High School, asked that Darrell be considered eligible at Petersburg under the unavoidable change of residence rule. Principal Newton Thompson, of Winslow, stated to the Board of Control that Darrell's former home in Winslow no longer existed.

Decision—Darrell Horstmeier considered eligible as to residence in Petersburg High School.

ROMNEY
Clarence Wagner's parents moved from the New Richmond High School district to the Wea High School district. Clarence desired to attend Romney High School in an adjoining township. The township trustee declined to issue a transfer for Clarence to Romney because he had transportation facilities direct to his own high school at Wea.

Decision—Clarence Wagner is considered ineligible as to residence at Romney High School for one calendar year from the date he enrolled there this semester.

STRAUGHN
Stanley H. Rearick resided with his parents in Effingham, Illinois, where he attended high school during the 1948-49 school year. During the summer of 1949, Stanley's father was transferred by his employers to Straughn. The Rearick family was unable to secure a residence in the Straughn High School district and they are now residing in Cambridge City. They expect to move to Straughn as soon as a residence is available. Stanley enrolled as a sophomore in Straughn High School on September 2, 1949. Principal Harold Moody requested a ruling on Stanley's residence eligibility.

Decision—Stanley Rearick may be considered eligible for interschool athletics if and when his parents establish a bona fide residence in the Straughn High School district during this school year. Otherwise, he will be ineligible at Straughn High School for a period of one calendar year ending September 2, 1950.

WEST TERRA HAUTE
Donald Wedel resided with his mother in West Terra Haute, where he attended high school during the 1948-49 school year. During the summer of 1949, Donald and his mother moved to the city of Terra Haute, but Donald desired to complete his high school work at West Terra Haute, and has enrolled there again this year. Since the mother is unable to pay tuition, Superintendent G. E. Nicholson states that Donald is being educated in West Terra Haute without the payment of tuition. He requested the Board of Control to decide what effect this would have upon Donald's athletic eligibility.

Decision—Donald Wedel considered eligible as to residence in West Terra Haute High School, provided his tuition is not being remitted as an inducement for him to continue in school for athletic reasons.

Macy
John Jackson resided with his mother and stepfather at Deedsville, where he attended high school during the 1948-49 school year. In March 1949, the mother and stepfather were divorced. The mother left Deedsville and John went to live in the home of his father in Macy. He completed the school year at Deedsville. He enrolled in Macy High School at the beginning of the current semester. Principal L. L. Williams, of Deedsville, of Winslow, stated to the Board of Control that John did not have a home in Deedsville.

Decision—John Jackson considered eligible as to residence in Macy High School.

MEMBERSHIPS
(1) The application of White's High School at Wabash, for modified membership, was approved by the Board, effective at the beginning of this school year.

(2) The application of the Mater Dei West High School at Evansville, for full membership, was approved by the Board, subject to the inspection and certification of this high school by the State Department of Public Instruction.

The Board adjourned to meet again on September 30, at 2:00 P.M.

I.H.S.A.A. BOARD OF CONTROL MEETING
Indianapolis, Ind., September 30, 1949

The Minutes of the previous meeting were approved as written.
ANNUAL AUDIT

The annual audit of the I.H.S.A.A. finances by Ernst and Ernst, Certified Public Accountants, for the fiscal year ending August 31, 1949, was presented by the Commissioner to the Board of Control. The report indicated no irregularities in the finances of the Association. After careful examination of the audit, it was unanimously approved by the Board, with the understanding that it be published in full in the 1949 I.H.S.A.A. Handbook.

Ernst and Ernst, in a letter to the Board of Control, had recommended that the I.H.S.A.A. fiscal year be changed to end on June 30 instead of August 31 of each year. It was pointed out by the accountants that June 30 would be a better date since it would coincide with the change in members on the Board of Control. This will enable each Board to have an audit of the previous year’s accounts immediately after coming into office. The Board unanimously approved this recommendation and directed that, in the future, the annual audit of accounts would be made as of June 30 each year.

I.H.S.A.A. FINANCES

The Commissioner reported that the following disposition was made of $85,000 of U. S. Certificates of Indebtedness maturing October 1: $70,000 of the amount was used to purchase a 14% Certificate of Indebtedness coming due October 1, 1950; and the remainder was placed in the bank account to take care of the Special Distribution for October 1, 1949 and to defray current expenses.

JEFFERSONVILLE-SILVER CREEK

Principal Austin Walker of Silver Creek High School filed a formal protest concerning the eligibility of Harry Hinton, Jr., James Regan and Albert Hustedt, students who transferred from Silver Creek to Jeffersonville at the beginning of this school year. Principal Emory Theiss of Jeffersonville and Principal Austin Walker of Silver Creek had requested more time to secure evidence in this case. The Commissioner was instructed to notify both schools that a hearing would be scheduled as soon as they were ready to report their findings. The Commissioner’s office was also instructed to conduct an investigation of these eligibility cases and to invite to the hearing anyone who might have worthwhile information to place before the Board for consideration.

CENTRAL (EVANSVILLE)

Robert Newman lived with his grandparents in Spencer County and attended Rockport High School during the school year of 1948-49. Due to the serious illness and subsequent death of his grandmother, it was necessary for Robert to go to Evansville to live with his father. He enrolled in Central High School at the beginning of the present semester. Principal Dee Hand of Rockport High School certified to the circumstances under which Robert went to Evansville to live.

Decision—Robert Newman considered eligible at Central High School, so far as residence is concerned.

ROYERTON (MUNCIE)

Michael Manning lived with his parents in Muncie and attended Central High School during the school year of 1947-48. He enrolled in Central High School August 31, 1948 and attended one day, then withdrew for the remainder of the school year. During his last full semester of attendance at Muncie Central, he failed in two subjects. Prior to the beginning of the 1949-50 school year, he went to Royerton to live with his grandparents, and enrolled in Royerton High School at the beginning of the present semester. There was no change of residence on the part of his parents.

Decision—Michael Manning considered ineligible at Royerton during the present semester because of scholarship, and also ineligible under the residence rule for one calendar year beginning with the date he enrolled at Royerton this semester.

HUNTINGTON

Harvey Osmond lived with his parents during the 1948-49 school year in Andrews, where he attended high school. On September 6, 1949, Harvey enrolled in Huntington High School. His parents changed their residence from Andrews to the city of Huntington on September 22, 1949. Principal Johnson of Huntington High School desired to know Harvey’s eligibility status.

Decision—Harvey Osmond considered eligible at Huntington High School, so far as residence is concerned, beginning on September 22, 1949, the date on which his parents made their change of residence to Huntington.

ATTICA

Bruce Beckman lived with his parents in Michigan City, where he was enrolled in the ninth grade at Elston Junior High School during the 1948-49 school year. Due to the health of his mother, the home was closed during the summer of 1949 and Bruce went to Attica to live with relatives, and enrolled in Attica High School. Principal H. H. Anderson requested that Charles be considered eligible at Technical High School due to circumstances surrounding the case.

Decision—Bruce Beckman considered eligible, so far as residence is concerned, in Attica High School.
CLAY TOWNSHIP (BUNKER HILL)

The high school in the town of Amboy burned about four years ago. After the building burned, the Board of School Trustees of Amboy transferred all students to the Converse-Jackson School at Converse, until the end of the 1948-49 school year. Transportation was provided for these students by Jackson Township. Prior to the opening of the present school year, Amboy Board of School Trustees contracted with the trustees of Clay Township to transport Amboy students to the Clay Township High School at Bunker Hill. High School students were given a choice of attending either Clay Township High School or the Converse-Jackson Township High School. The latter school still provides transportation. In the opinion of the State Department of Education, there was no legal consolidation of the school corporation of Amboy with the Clay Township Schools. Following the opening of school, Principal Guilford Eurney of Clay Township High School asked for a ruling on the residence eligibility of Robert Myers and Lynn McClain, Amboy students who had transferred from Converse-Jackson High School to Clay Township High School without a corresponding change of residence on the part of their parents.

Decision—Robert Myers and Lynn McClain considered ineligible as to residence at Clay Township High School for one calendar year from the date they enrolled in that high school this school year.

WHEATFIELD

Principal Clarence E. Beck, of Wheatfield High School, asked that the Board of Control sanction an annual basketball tourney of the Kankakee Valley Athletic Conference to be held on January 5, 6 and 7, 1950.

Decision—The Board of Control gave sanction to the Kankakee Valley Athletic Conference Tourney to be held on January 5, 6 and 7, 1950, with the understanding that the following eight teams are to participate: DeMotte, Fair Oaks, Kankakee Twp., LaCrosse, Mt. Ayr, Remington, San Pierre and Wheatfield.

BASKETBALL TOURNEMENTS

The Board considered a number of problems in connection with arrangements for the 1950 State Basketball Championship Tourney Series, but no definite action was taken on any of these matters.

The Board voted to accept the invitation of Kokomo High School officials to attend the dedication of their new gymnasium on the evening of October 20, with the understanding that the Board would hold a meeting in Indianapolis beginning at 9:00 A.M. on Friday, October 21.

The Board adjourned to meet again on Friday, October 21, at 9:00 A.M.

R. B. Miller, President
L. V. Phillips, Commissioner

PHYSICAL EDUCATION MEETING

The Board granted this request, and authorized Commissioner Phillips to inform Dr. Weber that the sum of $50.00 would be forwarded to him upon receipt of an itemized statement of the expenses of the meeting.

JEFFERSONVILLE-SILVER CREEK

A total of eight hours was consumed in hearing testimony, which was taken in shorthand, regarding the Jeffersonville-Silver Creek case. The Board of Control decided that no action on the matter would be taken until the next meeting, at which time the testimony would be written out, so that the Board could consider carefully every phase of the evidence before arriving at a decision.

The Board adjourned to meet again at 9:00 A.M. October 28, 1949.

JEFFERSONVILLE-SILVER CREEK

Harry Hinton, Jr., James Regan and Albert Hustedt, all juniors in Jeffersonville High School, formerly resided in the Silver Creek High School district and attended school there during their freshman and sophomore years. All three had been members of the Silver Creek basketball team during the 1948-49 season. Hinton lived with his parents, Mr. and Mrs. Harry Hinton, Sr., while the other two boys lived with grandparents. Before the opening of school, Harry Hinton, Jr., moved with his parents to the city of Jeffersonville. James Regan and Albert Hustedt went to Jeffersonville, each to live with his mother and stepfather. The three boys enrolled in Jeffersonville High School on the opening day of school, September 12, 1949. Due to the widespread publicity concerning this matter, the I.H.S.A.A. requested Principal Emory W. Theis of Jeffersonville to
investigate the circumstances under which these boys moved to Jeffersonville.

On September 10, 1949, two days before Jeffersonville High School opened, Principal Theiss and Coach Edward G. Denton appeared before the Board of Control to discuss this case. At that time, the Board of Control suggested to Principal Theiss and Coach Denton that these boys were leaving Silver Creek High School and considering enrolling in Jeffersonville High School under circumstances which were being questioned, and which, if proved true, might jeopardize the standing of the Jeffersonville High School under the rules of the I.H.S.A.A. It was also suggested by the I.H.S.A.A. that Jeffersonville school officials, under the rules could immediately take the same position relative to the eligibility of these two boys that was eventually taken by the Principal and the Board of Education on October 10, 1949. This would have given Regan and Hinton an opportunity to return to Silver Creek with residence eligibility if they so desired.

Following the enrollment of Hinton and Regan in Jeffersonville High School, Principal Austin W. Walker of Silver Creek High School filed charges with the I.H.S.A.A. that Jeffersonville had used undue influence in connection with the transfer of Regan and Hinton to Jeffersonville. He exonerated Hustedt, so far as undue influence was concerned.

On October 10, 1949, Principal Theiss notified the I.H.S.A.A. by letter that he had declared Harry Hinton, Jr. and James Regan ineligible for athletics at Jeffersonville because they had come there under disciplinary action from Silver Creek High School. He further stated that this ineligibility would be permanent and that he would never again ask the Board of Control to consider their eligibility for participation on Jeffersonville High School athletic teams. The letter also said that he fully endorsed the action of Principal Walker and Coach Saylor of Silver Creek in the disciplinary measures that had been taken against Hinton and Regan. He enclosed a copy of the School Board Minutes fully endorsing his action.

On October 21, 1949, the following people appeared before the Board of Control on the charges of undue influence: from Silver Creek—Principal Austin W. Walker, Coach Donald Saylor and Earl C. Beul, Trustee. From Jeffersonville—Superintendent William F. Vogel, Principal Emory W. Theiss, Coach Edward Denton, three members of the School Board, Mr. Conn and Mr. Brummitt of the Varsity "F" Club, Ernest Smith, athletic treasurer; Lynn McCarty, ticket manager; Harry Hinton, Jr., Harry Hinton, Sr., James Regan, Jerry Bandy, Albert Hustedt, Edwin Coats and his father. All of the above were given an opportunity to make statements and present information, answer questions and file sworn statements and letters concerning the case. In addition to all of this material, the I.H.S.A.A. had on file numerous letters, both signed and unsigned, from persons in the two communities.

The Board of Control, after carefully considering and weighing all of the evidence and circumstances, was unanimously convinced of the following:

1. That Harry Hinton and James Regan had cast their basketball fortunes together and what affected one affected the other.
2. That Coach Denton did, on a number of occasions discuss—both with Harry Hinton, Jr., and his father—the matter of securing an athletic scholarship in college, provided the boy came to Jeffersonville and could be made eligible to participate on the Jeffersonville High School team, where he could be seen by more fans and more scouts.
3. That it was the intention of Regan to accompany Hinton to Jeffersonville also for the purpose of getting an athletic scholarship through Denton's assistance.
4. That Denton accompanied a well-known out-of-state college coach to Silver Creek last spring for the purpose of meeting and interviewing Harry Hinton, Jr.
5. That when James Regan went to Jeffersonville, before school opened, Coach Denton gave him employment on the high school football field and paid him in cash from his own personal funds.
6. As a further indication of Coach Denton's personal interest in these boys, he made determined efforts—both before and after the boys were declared ineligible—to arrange a joint meeting with Jeffersonville and Silver Creek school officials with the I.H.S.A.A. to get these boys out of Jeffersonville and back to Silver Creek with immediate eligibility and all charges dropped.

In the course of the investigation made by the I.H.S.A.A., the question of responsibility for the athletic program of Jeffersonville High School was fully considered. Members of the Board of Education and the Superintendent of Schools stated that the over-all administration of athletics in Jeffersonville High School was in the hands of an athletic council composed of the five members of the Board of Education, the Superintendent and the Principal. This council had conferred upon Coach Denton the title of "Athletic Coordinator" with the following duties: authority to recommend all members of the athletic staff, supervise the printing and distribution of all tickets to all athletic events, supervise the maintenance of all athletic facilities, to arrange schedules and employ officials in conjunction with the coaching staff, to supervise all athletic contests, and to be the sole purchasing agent for athletic equipment for Jeffersonville High School. While a printed copy of his duties stated that the Coordinator was to be responsible for athletics, this responsibility was revised to the Principal of the athletic program.

Decision—It is the unanimous decision of the Board of Control that Coach Denton did unduly influence James Regan and Harry Hinton, Jr., to transfer from Silver Creek to Jeffersonville High School.

2. It is also the unanimous decision of the Board of Control that the Principal of Jeffersonville High School is no longer re-
sponsible in fact for the high school's inter-school athletic program and therefore, according to the rules and regulations of the Indiana High School Athletic Association, this school has automatically severed its relations with the Indiana High School Athletic Association.

3. Jeffersonville High School is hereby suspended from the Indiana High School Athletic Association until March 1, 1950, with the understanding that on or after that date, this school may apply for readmission upon a probationary basis for a period of one year, and also with the understanding that Jeffersonville High School officials file with the Board of Control satisfactory proof that the responsibility for the interschool athletic program has been restored to the Principal in fact, as well as in name.

4. The Commissioner is directed to return to the Jeffersonville High School the 1949-50 membership fee.

5. The action of Jeffersonville High School in declaring Harry Hinton, Jr., and James Regan permanently ineligible at Jeffersonville High School is approved.

The Board adjourned to meet again at 9:30 A.M. Saturday, November 5, 1949.

MIDDLETOWN-LAPEL

Middletown and Lapel played a game of basketball at Lapel on December 9, 1949. According to information filed by the game officials, John F. Masariu and Kenneth Smock, the official score book showed the score at the end of the game as: Lapel 36, Middletown 35. This score was certified as being correct, and both of the officials signed the score book. Middletown school officials maintained that the official score book failed to credit a Middletown player with a free throw, and the score at the end of the regular time should have been: Lapel 36, Middletown 35.

JACKSON TOWNSHIP-PERRY CENTRAL

Near the close of a basketball game between Jackson Township High School and Perry Central High School, played at Advance on December 9, 1949, fighting broke out among the players, and the fans from both schools rushed onto the floor. Order was restored by school and game officials and the game was completed. In connection with this affair, the following persons appeared before the Board of Control: Principal Harold J. Caldwell, Coach Jack Bradford, players Robert Kinkaid and Robert Gregory, all of Jackson Township; Principal Noble Wallace, Coach Kenneth Recker and player Kent Gledenning, all of Perry Central. The two game officials, Byron Arnold and Roy King, had filed written reports. On order of the Board of Control, Robert Gregory had been withheld from competition since December 17.

Decision—After considering all of the evidence, both written and oral, the Board made the following decision: Perry Central and Jackson Township High School both placed on probation until June 1, 1950. Robert Gregory restored to eligibility status, and permission was granted for these two schools to play a regularly scheduled game of basketball, not Perry Central and Jackson Township High Schools, such as the one operated by Culver Military Academy, could become associate members in the I.H.S.A.A., with the privilege of scheduling single games and contests with member schools, without permission to enter I.H.S.A.A. championship tourneys and meets. Howe Military School, which now holds a full membership, had also notified the I.H.S.A.A. that such school would prefer to change its status to that of an associate member if such a classification were created.

CULVER

Officials of Culver Military Academy had filed a request that the membership rules of the I.H.S.A.A. be amended in such a way that boarding schools, such as the one operated by Culver Military Academy, could become associate members in the I.H.S.A.A., with the privilege of scheduling single games and contests with member schools, without permission to enter I.H.S.A.A. championship tourneys and meets. Howe Military School, which now holds a full membership, had also notified the I.H.S.A.A. that such school would prefer to change its status to that of an associate member if such a classification were created.

The Board directed the Commissioner to notify the officials of Culver and Howe Military Academies that any change in the membership rules of the I.H.S.A.A. would necessarily have to be an action of the Athletic Council. They were also to be advised that the Board
of Control would present their request to the Athletic Council at its
next meeting to be held May 27, 1950.

JEFFERSONVILLE

Principal Emory Theiss, of Jeffersonville High School (which is

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 21-22, 1950

Present: R. R. Miller, President, Otto Albright, H. C. Benedict,
S. M. Caldwell and Harry C. Wampler, Commissioner L. V. Phillips
and Assistant Commissioner Robert S. Hinshaw.

The Minutes of the previous meeting were approved as written.

DUPONT

On November 1, 1949, Principal V. R. Hooker of Dupont High
School requested the Board of Control to rule on the birth date,
so far as athletic participation is concerned, of Earl Clifford Moberly,
son of Esker and Entha Moberly.

This boy was born in Madison County, Kentucky. No official birth
record could be located in the records of the county nor the state
of Kentucky. A delayed birth certificate, issued by the Kentucky
State Department of Health on October 27, 1949 gave January 7,
1929 as the date of Earl Clifford's birth. School records show
that he had first entered school at Nicholasville, Kentucky, in
September 1938. He later attended grade school at Willmore,
Kentucky and at Zenas and Dupont in Indiana. The date of his
birth when he entered at Nicholasville and Willmore was given
as January 7, 1929. In 1942, he enrolled in the Zenas, Indiana,
grade school and gave his birth date as March 1, 1929. When
he first enrolled in the Dupont schools in 1944, he gave his birth
date as January 7, 1929. On sectional basketball entry blanks filed
by Dupont High School in 1947, 1948 and 1949, his birth date was
given as January 7, 1930. An investigation of this case required a large
number of letters and telephone calls, thus resulting in a long
delay in making a decision on the part of the Board of Control.

Decision—While there are conflicting statements relative to
the date of birth of Earl Clifford Moberly, it is the opinion of
the Board of Control that the preponderance of evidence indi-
cates that he was born January 7, 1929, and is, therefore, ineligible
for participation in inter-school athletics. This decision was made
with the understanding that in the event any additional valid
information is presented that would indicate a different date of
birth, reconsideration will be given to the case.

UNION MILLS

Joseph Merth resided with his mother and attended Hanna High
School. Near the close of last semester, Joseph's mother died,
making it necessary for him to change his residence to the Union
Mills High School district in order to have a home. Principal

in this case and recommended that Joseph be considered eligible
at Union Mills.

Decision—Joseph Merth is considered eligible as to residence
in Union Mills High School.

NORTH VERNON

Lawrence Joseph Olinger resided with his parents and attended
Hayden High School. Following the death of his mother, it was
necessary for him to change his residence to the home of a sister
in North Vernon in order to have a home. Principal H. L. Whitcomb
of Hayden High School filed a letter certifying to the facts in this
case.

Decision—Lawrence Joseph Olinger considered eligible as to
residence in North Vernon High School.

changes that had been made in Jeffersonville High School's athletic

understood that Assistant Commissioner Hinshaw be empowered to
act on any matters which might arise during the Commissioner's
absence.

TOURNEY OFFICIALS

The Board of Control selected a list of officials from which the
assignment of officials to sectional tourneys will be made. Lists
of regional, semi-final and final officials were prepared, with the understanding that changes be made, if desirable, before the time of assignment.

The Board adjourned to meet again on February 15 at 9 A. M.

ATTICA—PINE VILLAGE

In January, 1950, Lyle's parents moved into the city of Attica where his father has been employed since April, 1949. Lyle Jr. enrolled in Attica High School at the beginning of the present semester. Principal Oral Terrell, of Pine Village High School, questioned Lyle Jr.'s eligibility in Attica High School on the ground that undue influence had been used in getting the family to move to Attica. Principal R. C. Shafer, of Attica High School, filed statements from everyone mentioned by Principal Terrell as having possibly been connected in any way with the use of undue influence. All of these statements were to the effect that no undue influence had been used. Principal Otto Albright of Cayuga, a member of the Board of Control, made a personal investigation, both at Pine Village and at Attica, and talked with school officials, Lyle Jones Jr., his parents, and other parties who were concerned. Mr. Albright reported the results of his investigations to the Board of Control.

Decision—After carefully considering all of the evidence on file, the Board of Control decided unanimously that undue influence had not been used to get the Jones family to move to the city of Attica. Lyle Jones Jr. is, therefore, eligible as to residence in Attica High School.

NEW ROSS—NORTH SALEM

New Ross and North Salem High Schools played a game of basketball at New Ross on February 10, 1950. In the closing seconds, the score was tied at 33 all. According to a written report filed by Referee Earl A. Dose: "In the vicinity of the final gun sounding the end of the ball game, Mr. Harold Cordell (umpire) called a personal foul on a New Ross player. Due to all the noise I didn't hear Mr. Cordell blow his whistle and I learned of the foul when Mr. Cordell came over to me for the ball." Apparently the officials believed that the foul was committed before the game ended since no effort was made to check with the timer. The North Salem player made good his one free throw, the point was allowed by the officials and was recorded by the official scorekeeper, making the score North Salem 34, New Ross 33. As the officials were leaving the floor, the official timer, Mr. Gerald Brown, told them that the foul was called after the gun was fired. Mr. Brown then accompanied the officials to the dressing room, where the matter was discussed; after which the officials decided to reverse their decision and ruled that an overtime should be played. The official scorekeeper stated that it was ten minutes or more after the close of the game before he was directed to change the score on the official score book. Principal Harbison of North Salem pointed out by the time their coach and players were notified that an overtime must be played, they were dressed and ready to start home. North Salem declined to enter the overtime period, following which Referee Dose ruled that the game be forfeited to New Ross by a score of 2-0.

Decision—The rules of the I.H.S.A.A. and the contract under which this game was played require that the decisions of the officials be accepted as final. After reviewing all the evidence on file, the Board of Control officially ruled that, so far as this game is concerned, the final decision of the officials was made when they counted the free throw made after the gun sounded, making the score: North Salem 34, New Ross 33. The accuracy of the scorekeeper was not questioned. North Salem is, therefore, declared the winner by the score of 64-33.

JEFFERSONVILLE

By action of the Board of Control on October 28, 1949, Jeffersonville High School was suspended from the I.H.S.A.A. until March 1, 1950, with the understanding that this school could be reinstated on a probationary basis for a period of one year, provided Jeffersonville School officials filed with the I.H.S.A.A. satisfactory proof that the responsibility for the inter-school athletic program had been restored to the Principal in fact as well as in name.

On January 21, 1950, Mr. John Kell Long, President; and Dr. N. Isler, member of the Jeffersonville School Board, together with Superintendent William F. Vogel and Principal Emory W. Thelis, conferred with the Board of Control in regard to the reinstatement of Jeffersonville High School to membership in the I.H.S.A.A. beginning March 1, 1950. Principal Thelis had filed with the I.H.S.A.A. copies of actions taken by the School Board relative to their athletic program. These minutes showed that on November 5, 1949, the School Board had abandoned the former high school athletic council consisting of all school board members, the Principal and the Superintendent, and that a new athletic council had been created which consisted of the high school Principal, the Superintendent of Schools and the treasurer of the high school activities fund, with the high school Principal serving as chairman of the new council. It was also voted that this council should have full and complete control of the high school athletic program in fact as well as in name. It was further voted that the position of athletic coordinator of Jeffersonville High School be abolished at once. The School Board minutes of November 9, 1949, showed that Edward G. Denton submitted his resignation as athletic coordinator.
and head coach of basketball to take effect immediately with the stipulation that Mr. Denton was not resigning as a regular high school teacher. This resignation was unanimously accepted as presented. President Long and Dr. Isler assured the Board of Control that the above mentioned actions of the Jefferson School Board had been taken in good faith. They further agreed that, hereafter, the high school Principal would, in accordance with I.H.S.A.A. rules and regulations, be responsible for Jeffersonville High School's interschool athletic program in fact as well as in name. Superintendent William F. Vogel also assured the Board of Control that Jeffersonville High School's athletic program would be conducted in conformity with I.H.S.A.A. rules and regulations in the future.

Decision — The Board of Control accepts the actions of the Jeffersonville School Board on November 5 and 9, 1949, and statements made on January 21, 1950 by Mr. John Koll Long, President, Dr. N. C. Isler, members of the Jeffersonville School Board, and Superintendent William F. Vogel as having been made in good faith. The application of Jeffersonville High School for reinstatement to membership in the I.H.S.A.A. as of March 1, 1950 is hereby accepted with the understanding that:

1. This membership will be on a probationary basis until March 1, 1951.
2. When the current membership year expires October 1, 1950, the Board of Control may require from Jeffersonville School officials proof that their athletic program is being conducted in accordance with I.H.S.A.A. rules and regulations before membership is renewed for the 1950-51 membership year.
3. That no request be made by Jeffersonville High School for a reconsideration of the eligibility status of students involved in the violation of rules that led to the suspension of Jeffersonville High School from the I.H.S.A.A.

TOURNEY SERIES
1. Definite assignment of officials to all sectional tourneys was made.
2. All entry blanks had arrived on time and were, therefore, accepted by the Board.
3. The schedules for the sectional, regional, semi-final and final tourneys were drawn by the Board in the presence of representatives of The Indianapolis News, Star and Times; the United Press, International News Service and Associated Press.
4. Consideration was given to the possibility of a postponement of the tourneys due to a shortage of fuel. It was decided unanimously that the I.H.S.A.A. cooperate fully with State officials in regard to the matter. It was also voted that, in the event the tourneys were postponed, no interschool basketball games would be permitted during the period of postponement.

TRACK MEETS.
The Board of Control authorized the Commissioner's office to proceed with the plans for sectional, regional and state championship series in Track, along the lines used in last year's series.

P A O L I
On the evening of March 6, 1950, the Vocational Agriculture teacher of Paoli High School was conducting a series of intramural basketball games among boys enrolled in vocational agriculture courses in Paoli High School. During the evening, a boy not enrolled in any high school, came to the gymnasium and, according to Principal Merle Lamon, engaged in playing and scrimmage for some ten minutes with students of Paoli High School. Principal Lamon requested a decision from the Board in this case.
Action of Principal Lee was approved by the Board of Control.

Boys had assisted in the officiating, scoring and timing of some amateur basketball games. He stated that this work had been done entirely without remuneration.

Decision—It is the decision of the Board that such officiating, timing and scoring for teams that are purely amateur, where no remuneration is received would not affect athletic eligibility for high school participation.

East Chicago

In the I.H.S.A.A. sectional wrestling meet sponsored jointly by Roosevelt and Washington High Schools on February 11, 1950, the two schools sustained a deficit of $274.38. The Board of Control felt that this seemed an unjust burden for the sponsoring schools. The Board, therefore, authorized President R. B. Miller to confer with the Principals of the two sponsoring schools with a view to making a financial adjustment of the loss sustained by Roosevelt and Washington High Schools. President Miller is to report to the Board at the next meeting in regard to this matter.

I.H.S.A.A. Basketball Tournaments

The management, officiating and finances of all tourneys were checked, and no reason was found to investigate any of these tourneys. The records on file in the I.H.S.A.A. office for the State Final Tourney show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number sold. The cash book and the bank book show the deposits for the tickets sold. The report will be kept on file for the observation of any member school and the I.H.S.A.A. auditors.

Reports on the officiating of the various tourneys were examined and filed for the use of the Board of Control at the time officials are selected for the 1951 tourneys. The Commissioner reported that, in accordance with instructions given by the Board of Control on March 18, he had invested I.H.S.A.A. funds as follows: $100,000 in U.S. Certificates of Indebtedness: $80,000 at 1 1/2% due October 1, 1950; $10,000 at 1 1/2% due January 1, 1951 and $10,000 at 1 1/2% due July 1, 1951.

I.H.S.A.A. Championship Track Meets

The Board authorized the following track meets to be held in the 1950 Championship series: 16 sectionals on May 12 or 13, 4 regionals on May 20, and a State Final meet to be held in Indianapolis on May 27. It is understood that three contestants in the 440 yard race, four in all other events, and two half-mile and two mile relay teams will qualify from each sectional for regional participation. Three contestants in the 440 race, four in all other events, and two half-mile and two mile relay teams will qualify from each regional for state participation. Admission prices for the track meets are to be as follows (including federal tax): Sectionals: not less than 40c and not more than 60c; Regionals: 60c; State Final: 80c. The Board voted that the referee-starter for each meet be selected and assigned by the Board of Control.
The Board also voted the following:
1. To hold the trial events of the State Meet beginning at 10:30 A. M. May 27.
2. In the low hurdles race, the 200 yard distance (instead of the 180 yard distance as made optional by the 1950 Official Track Rules) will be used.
3. It was also the recommendation of the Board that the 180 yard distance be experimented with in local meets with a view to making recommendations for next year's meets.

**I.H.S.A.A. GOLF MEETS**

The Board decided that four sectional meets be held on May 20. From these four sectionals, the following will qualify for the State Meet, to be held on May 27:
- Sectionals having 1-4 participating teams—1 team to the State Meet.
- Sectionals having 5-8 participating teams—2 teams to the State Meet.
- Sectionals having 9-12 participating teams—3 teams to the State Meet.
- Sectionals having 13 or more participating teams—4 teams to the State Meet.

Note—Only teams posting a team score at the end of each sectional meet are considered actual "participating" teams.

Summer rules are to be used in the I.H.S.A.A. Golf Meets, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

The Commissioner's office was directed to set forth the details for the Track and Field Meets and the Golf Meets in the April Bulletin.

**REGISTRATION OF OFFICIALS**

The Commissioner reported to the Board of Control that the I.H.S.A.A. office has been experiencing considerable difficulty in getting officials to send in their dues by August 15 of each year in order to have their names included in the Officials' Directory. Following a discussion of this matter, the Board voted that, beginning with the 1950-51 year, a penalty of one dollar be assessed against any official who fails to pay his annual registration fee on or before August 15 of each year.

**OMER E. WARNERKE RESOLUTION**

WHEREAS, in the passing of Omer E. Warnerke, the I.H.S.A.A. has lost one of its outstanding leaders and

EAST CHICAGO

An I.H.S.A.A. sectional wrestling meet was sponsored jointly by Roosevelt and Washington High Schools of East Chicago. The Financial Report showed that these two schools had suffered a financial loss of $274.38. On April 1, 1950, the Board authorized President Miller to discuss this matter with the Principals of the two high schools with a view to the I.H.S.A.A. making an adjustment for the loss that had been sustained. As a result of the conference which President Miller held with Principal Dan Simon of Roosevelt and Principal Frank E. Cash of Washington, a recommendation was made that the I.H.S.A.A. reimburse each school to the amount of $125.00, which would partially cover the loss sustained.

Decision—The Board unanimously approved this recommendation and the Commissioner was directed to send each school an I.H.S.A.A. check for $125.00.

TOURNEY TICKET DISTRIBUTION

Several member schools had requested the Board of Control to revise the State Tournament ticket distribution plan in such a way that the ten players, the Principal and the Coach of every school in the state would be guaranteed a ticket. In view of the fact that the I.H.S.A.A. had also received several complaints from parents and students that tickets purchased by the schools for the 1950 State Final and Semi-final tournaments had not gone to the players, the Board directed the Commissioner to request principals who had petitioned for a new plan to file a report as to what disposition had been made of the tickets which their school received for the 1950 State Final and Semi-final tournaments.

ATHLETIC INJURY INSURANCE

The Board discussed the matter of continuing the blanket policy for athletic injury insurance for the school year 1950-51, with the Continental Casualty Company of Chicago. It was the opinion of the Board members that the present plan was operating satisfactorily. The Commissioner was requested to ask the company to have its new contract ready to present to the Board at the June meeting.

I.H.S.A.A. ANNUAL MEETING

The Board authorized the Commissioner to proceed with plans and to secure speakers for the I.H.S.A.A. Annual Meeting, to be held October 26, 1950.

I.H.S.A.A. 1950 HANDBOOK

The Board authorized the Commissioner’s office to proceed with the publication of the 1950 Handbook along the lines used in previous years.

ATHLETIC COUNCIL MEETING

Following a discussion in regard to proposals or recommendations that should be made by the Board of Control to the Athletic Council, it was decided that the following subjects should be listed for discussion and possible action at the May 27 meeting of the Council:

(1) Improvements in the present plan for the selection of I.H.S.A.A. basketball tournament officials.

(2) Recommendation that a committee be appointed by the Athletic Council for the purpose of clarifying I.H.S.A.A. rules as they apply to the athletic program of junior high schools and other schools holding modified membership in the I.H.S.A.A.

I.H.S.A.A. OFFICE

The Board authorized President R. B. Miller and the Commissioner to sign, in duplicate, a new lease with Klein and Kuhn, lessors of the Circle Tower, for the present space occupied by the I.H.S.A.A. office, for a period of three years beginning May 1, 1950, at a rental of $260.00 per month.

I.H.S.A.A. TRACK AND FIELD MEETS

The Board selected officials to serve as referee-starters in the 16 sectional and 4 regional track and field meets for 1950. The Board also voted to employ Hermon Phillips to act as Official Referee- Starter for the State Track and Field Meet to be held May 27 in Indianapolis. The following schedule of fees for referee-starters for I.H.S.A.A. track and field meets was adopted:

| Sectionals | $25.00 |
| Regionals  | $30.00 |
| State      | $40.00 |

The Commissioner’s office was authorized to make the assignment of officials for the sectionals and regionals.

It was decided that the members of the Board of Control would present the medals and trophies to the various winners at the State Track Meet.

The Board voted that a two-day meeting of the Board of Control would be held at South Shore Inn, Lake Wawasee, starting June 15, 1950. The Commissioner’s office was directed to make necessary arrangements for holding this meeting.

The Board of Control adjourned to meet again on May 27, at 11:30 A. M. in the Technical High School Cafeteria.

I.H.S.A.A. BOARD OF CONTROL MEETING

Indianapolis, Indiana, May 27, 1950

The Minutes of the previous meeting were approved as written.
ALBION-WOLCOTTVILLE

On November 25, 1949, Albion High School played a game of basketball with Wolcottville High School, at Wolcottville. Principal Earl F. Parker of Albion, states that, following the game, he told Wolcottville school officials that it was his opinion that, due to the unsportsmanlike incidents that occurred during the game, the two schools should discontinue athletic relations for a few years. Principal Parker further states that he contracted for another game to replace the Wolcottville game on his 1950-51 schedule. Following the publication of this schedule, Wolcottville notified Principal Parker that the game played at Wolcottville was the first on a two-year contract, the second game to be played at Albion on November 24, 1950. Principal Parker states that the fact that it was a two-year contract had been overlooked, and that their old contracts had previously been discarded.

Decision—Albion High School is directed to pay a forfeiture of $10.00 to Wolcottville High School. Albion school officials are hereby reprimanded for scheduling another game before having a definite understanding with reference to the contract with Wolcottville for a return game at Albion on November 24, 1950.

DECATUR CENTRAL-ZIONSVILLE

Principal Fred W. Rankin, of Decatur Central High School, protested the decision of Umpire Louis Mills in a baseball game between his school and Zionsville. The umpire had ruled that a Decatur Central player, after hitting a ball out of the park, had failed to touch home plate.

Decision—After considering all the information on file, and consultation with the secretary of the National Federation Baseball Rules, it was the unanimous decision of the Board that the ruling made by Umpire Mills should not be over-ruled.

I.H.S.A.A. BUDGET

Following a general discussion of the 1950-51 I.H.S.A.A. Budget, the Board directed the Commissioner to prepare a tentative budget similar to the one adopted for 1949-50, to be presented at the June meeting of the Board for final consideration and adoption.

DISTRIBUTION OF SURPLUS FUNDS

The I.H.S.A.A. Constitution requires that a distribution of surplus funds be made at least once in every three-year period. Since a regular distribution will be required on October 1 of this year, the Board directed the Commissioner’s office to present at the next meeting, a statement showing all I.H.S.A.A. funds on hand, together with an estimate of the amount that should be distributed to the member schools this year.

I.H.S.A.A. OFFICE

The Board voted to increase the salary of Miss Rachel Maddux $5.00 per week, and that of Mrs. Elsie Merrill $2.50 per week, to become effective July 1, 1950.
In addition to his own written statement, and in person before
the Board of Control, Principal Hobbs disavowed any undue influence
and filed statements by Lowell Collier, his son Don and others
involved in the rumors concerning undue influence. All these state-
ments emphatically denied any undue influence had been used. Mr.
Collier stated that he had traded his farm in Prairie Township with
the understanding that he give possession of the home by April 1
that there were not suitable living quarters on the new farm, and
it was necessary for him to find a home for his family else-
where. Persons involved in the rumors that a job had been offered
Mr. Collier emphatically denied that any such offer of employment
had been made. The evidence did not indicate that the Collier family
had rented a house at a lower than customary rental for the type of
property described. Don Collier's statement indicated that Coach
Irwin had questioned him on several occasions, during which Irwin
attempted to get him to say that the Collier family was not moving
to Sheridan voluntarily. He also said that Coach Irwin had sug-
gested that he continue to live in Prairie Township with relative
instead of moving with the family to Sheridan.

Decision—It was the unanimous decision of the Board that the
evidence on file at present does not substantiate any claims or
rumors that undue influence was used in this case. Don Collier,
therefore, may be considered eligible as to residence, with the
understanding that it is the obligation of Sheridan High School
to answer satisfactorily any and all charges of undue influence
in the event any member school files such charges in the future.

ASSOCIATE MEMBERSHIP

As directed by the Athletic Council at a meeting held May 27, 1950
the Board approved the following wording concerning "associate
membership for incorporation in the Constitution Rules and By-laws.
"Associate membership may be extended to any high school accen-
trated by the State Department of Education and operating strictly as a
boarding school, with the understanding that:
1. Associate membership shall extend the privilege of partici-
pating in single athletic games and contests and invitation
tournaments and meets, but not in any tournaments or meets conducted
for the purpose of determining an official state championship
in the I.H.S.A.A.
2. Associate members are bound by all rules and regulations
of the I.H.S.A.A. with the exception that a student who changes
schools without a corresponding change of residence on the
part of his parents is eligible as to residence immediately
provided there is no undue influence involved in any way.
3. Associate members are not privileged to share in the distrib-
tion of tickets to I.H.S.A.A. championship tournaments and meets or
in the distribution of I.H.S.A.A. surplus funds to member
schools."

REGULAR DISTRIBUTION OF SURPLUS MONEY

The I.H.S.A.A. Constitution orders a Regular Distribution over
a three-year period, and October 1, 1950, is the date required for the
next Regular Distribution.

After giving careful consideration to the amount of funds on hand,
the estimated expenditures during the coming year, and the need
for adequate reserve in the I.H.S.A.A. treasury, the Board of Control
set $100.00 as the maximum amount of surplus funds to be paid to
any member school in the Regular Distribution of Surplus Funds to be
made October 1, 1950.

Since there was a Special Distribution of Surplus Funds in 1948
and 1949, all the money to be distributed was earned during the
current year. It was decided to make this distribution according to
the following plan:
1. Seventy-five Dollars ($75.00) for participation in the 1950
   Sectional basketball tournament.
2. Twenty-five Dollars ($25.00) for membership in the I.H.S.A.A.
   during the membership year of 1949-50.
3. Any school sharing in the Regular Distribution must be a mem-
   ber in good standing and existing as a high school at the time
   of the Distribution.
4. No school shall receive credit for a year's membership unless
   it was a member of the I.H.S.A.A. on January 1, 1950.
5. A consolidation or combination of two or more high schools
   shall count as one school only in this Distribution. The one check
   for one share of money shall be sent to the Principal of the
   new or resulting high school.
6. Modified members shall share in the distribution on membership
   basis only.

The Commissioner was directed to prepare the checks and sell a
sufficient amount of securities to cover this October 1, 1950 Distribu-

I.H.S.A.A. BUDGET

Careful consideration was given to the Budget of Expenditures
recommended by the Commissioner for 1950-51. The Budget was
adopted as submitted. The Board gave approval to a few expendi-
tures in excess of the 1949-50 Budget. The Commissioner presented
a statement of receipts and expenditures over the past twelve months,
together with an itemized statement of government securities owned
by the I.H.S.A.A. at present.

STATE TRACK AND GOLF MEETS

The Commissioner presented detailed accounts of the receipts and
expenditures of the I.H.S.A.A. Championship Track and Golf Meets.
These reports were accepted and approved by the Board, which
directed that the reports be published in detail in the 1950 I.H.S.A.A.
Handbook.

ATHLETIC INJURY INSURANCE

The Continental Casualty Company submitted a blanket policy for
athletic injury insurance for the 1950-51 school year. President B.
B. Miller and the Commissioner were authorized to sign, for the
Board of Control, duplicate copies of the Master Contract with the
Continental Casualty Company.
COACHING SCHOOL
Assistant Commissioner Robert S. Hinshaw gave a report on the progress of plans for the Coaching School to be held at Indiana University August 7-10, 1950. He also reported on plans for holding official rules clinics in football and basketball similar to the clinics held for the past several years.

TOURNEY OFFICIALS
Following a lengthy discussion relative to the method of selecting basketball officials, several suggestions were made as to how the I.H.S.A.A. might secure better officials for its tourneys.

The Council adjourned to meet again on August 5, 1950 at 9:30 A.M.

Following a discussion concerning the matter of televising the 1950 I.H.S.A.A. basketball tourneys, the Council voted that the Board of Control be authorized to establish a policy relative to televising the tourneys.

Several matters, including the proselytizing of athletes and the problems connected with athletes in junior high schools and other modified I.H.S.A.A. memberships, were discussed at length, but no definite action was taken.

Following a lengthy discussion relative to basketball officiating in general, and the selection of I.H.S.A.A. tourney officials in particular, the Council recommended that the Board of Control and the Commissioner's office make every effort to improve basketball officiating.

I.H.S.A.A. BASEBALL TOURNEYS

The matter of an official I.H.S.A.A. baseball tourney was discussed at length. It was the opinion of the majority of the Council members that Indiana was not yet ready for an I.H.S.A.A. state championship tourney in baseball.

BASKETBALL TOURNEY FINANCES AND TICKET DISTRIBUTION

The Commissioner presented petitions and letters from Principals' organizations in Cass, Howard and Harrison counties, requesting that changes be made in the present plans for distributing sectional basketball tourney funds and state basketball tourney tickets. No action was taken since the Council members unanimously expressed themselves that the present tourney plans are, on the whole, working very satisfactorily.

I.H.S.A.A. TRACK MEETS

The Council unanimously voted that the Board of Control be directed to make a survey among all the schools sponsoring track as an inter-school sport, to determine the sentiment of the member schools relative to conducting the I.H.S.A.A. track and field championship meets with an A and B division, based on school enrollment. It is understood that the results of this survey are to be ready for presentation to the Council at the October meeting.

President Boyd appointed a committee, consisting of Phil N. Eskew, Chairman; S. M. Woodruff and Robert G. Jones to prepare a message of sympathy and send to Mrs. Omer E. Warneke. Mr. Warneke, until his recent death, was a member of the Council and a former member of the Board of Control.

The Council adjourned to meet again on October 25, at 7:00 P.M. at the Hotel Lincoln in Indianapolis, for a dinner meeting.

STATEMENT OF CASH RECEIPTS AND
DISBURSEMENTS
THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA
June 30, 1950

The Indiana High School Athletic Association
Indianapolis, Indiana

We have examined the statement of cash receipts and disbursements
of The Indiana High School Athletic Association for the period from
September 1, 1949, to June 30, 1950. Our examination was made in
accordance with generally accepted auditing standards, and accord-
ingly included such tests of the accounting records and such other
auditing procedures as we considered necessary in the circumstances.
The following comments relate to the scope and nature of our
examination:

Cash on deposit at June 30, 1950, in the amount of $8,868.24 was
reconciled to the amount reported directly to us by the Fletcher Trust
Company, Indianapolis, Indiana. The recorded cash receipts for the
period were reconciled with deposits as evidenced by bank statements
on file. Canceled checks returned by the bank were compared with the
record of cash disbursements. We examined invoices, expense reports
and other data supporting the recorded cash disbursements.

The recorded cash receipts and disbursements relating to the State
final basketball tourney are as reported by the Commissioner to the
Board of Control. We made no independent examination of ticket sales
and supporting expense data with respect thereto. We compared the
recorded cash receipts from the sectional, regional and semi-final
tourney with signed reports filed by high school officials at the
tourney centers. The recorded receipts from tourney entry fees and
membership dues were reconciled with published lists of tourney
entrants and member schools.

A schedule of securities on hand at June 30, 1950, is included herein.
The securities were presented for our inspection.

Insurance coverage at June 30, 1950, was as follows:
Larceny and embezzlement bond:
L. V. Phillips ........................................ $ 40,000.00
R. S. Hinshaw ........................................ 10,000.00
Other employees ...................................... 2,500.00
Burglary and robbery—safety deposit box ........... 200,000.00
Public liability—owners, landlords, and tenants 100/250,000.00
Depositor's forgery bond ................................ 10,000.00
Fire and extended coverage—contents ................ 5,000.00
Workmen's compensation ................................ All employees

The recorded minutes of meetings of the Board of Control and of
the Athletic Council were reviewed by us. On June 20, 1950, the Board
of Control voted to make a special distribution on October 1, 1950, of
surplus funds to member schools in amounts not to exceed $100.00 to
each school.

In our opinion, the accompanying statement of cash receipts and
disbursements presents fairly a summary of the recorded cash trans-
actions of The Indiana High School Athletic Association for the period
from September 1, 1949, to June 30, 1950.

### FOOTBALL

Each year finds a slight increase in the number of high schools in Indiana participating in football. In 1949, a total of 162 schools promoted an eleven-man program, ten played the eight-man game and eleven engaged in the six-man sport. A total of 183 member schools played football, and over 11,000 boys participated on a varsity, reserve or freshman squad. This is an increase of six schools over the 1948 season.

Attendance was about the same as in the previous year, except in those localities that installed lights. These schools showed a marked increase in attendance in practically every instance.

Several schools in smaller cities and large township high schools have indicated a desire to install football, provided finances and facilities can be arranged by those in charge of the athletic program.

There were many good teams over the state, and it is difficult to select representative teams from each section. The majority of sportwriters and radio commentators were of the opinion that Roosevelt of East Chicago probably was the outstanding high school team. The IHSAA does not sponsor a series of games to determine a champion, but each year does make an effort to recognize teams with outstanding records by carrying their pictures in the Handbook.

A request for squad pictures was made in the October 1949 Bulletin. The pictures that were submitted are shown on the following pages.

CROSS COUNTRY

Cross Country running is one of the fastest growing sport activities in Indiana high schools so far as interest and participation is concerned. Many schools have placed the sport in their fall athletic program and are using students not playing football but are interested in conditioning themselves for basketball and track.

Several schools with small enrollments are competing in the sport along with their fall baseball program. Many basketball and wrestling coaches in larger schools are insisting their athletes engage in a fall athletic activity before the winter season.

A number of high school athletic conferences over the state have assisted in giving emphasis to the sport by declaring a conference champion and adding points in determining the “All Sports” championship.

1949 I.H.S.A.A. SECTIONAL CROSS COUNTRY MEETS

The Sectional Cross Country Meets were held on October 25, 1949. These meets were conducted as an elimination series in order to select teams and individuals for the State Cross Country Meet.

Seven sectional centers were chosen over the state. The following bases were used in selecting these centers: School computing in cross country in 1949, travel distance, number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. A total of ninety-nine schools and 915 contestants were entered in the sectional meets. Schools were assigned by counties, and the accompanying plans placed the willingness on the part of high schools to make their facilities available for the promotion of these meets. WRESTLING

The Association sponsored a State Wrestling Meet this year for the first time since 1943. Due to the increased number of schools participating, it was decided to establish two sectionals with two qualifiers from each weight classification progressing to the State Meet.

Twenty schools entered one or more men in the sectionals. Forty of the schools qualified contestants for the State Meet.

The official rules as outlined in "The Intercollegiate Wrestling Guide for High School Wrestling" were used with some modifications agreed upon previous to the Meet.

Location of Sectional Meets, individual ranking and team scores were as follows:

BASKETBALL

The 1950 Indiana high school basketball tournament series established three attendance records and a new high in total receipts. Gross receipts for all tournaments were $679,518.13 topping the former record of $667,988 established last year.

New attendance records were set for Sectionals, Regionals and total tournament crowds. The sixty-four Sectionals, twenty-six of which were sell-outs, drew $99,992 exceeding last year's total by over 5,000. Regional attendance totaled 174,514 an increase of nearly 5,000. Total attendance for all tournaments was 1,282,884 as compared to last year's high of 1,269,228.

A total of 766 schools entered the Sectional tournaments this year with the following schools—Madison, Marion, New Albany and Jefferson of Lafayette making up the select four at the Butler fieldhouse. Only four eligible member schools failed to enter the tourney.

In the afternoon games at the Fieldhouse the Madison Cubs won over the Marion Giants 50-49 and Jefferson of Lafayette took the measure of New Albany 41-39 on a last second field goal in an overtime game that had been tied 37 all at the end of the regulation time.

In the night championship game Madison took an early lead over Jefferson, but the Broncos came back and tied it up 28 all at halftime. The Cubs pulled away in the last half and won by a score of 67-44 for their first state championship.

The championship games were televised for the first time and fifty radio stations carried a play-by-play account of the games. Members of the Madison state championship team are: Charles Renne, Stan Weber, Spence Schmaier, Buddy Bunton, Wayne Richey, Ed Cheatham, Maurice Lorenz, Don McCauley, and Ted Server; Coach Ray Eddy and Principal Connor K. Salm.

The Board of Control selected Pat Klein of Marion to receive the Arthur L. Trester Award for Mental Attitude.

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE THIRTY-NINTH ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tournaments and announces the plan in full; with the distinct understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tournaments if conditions arise making changes advisable or cancellations necessary.

1. GOVERNMENT TAX—The tax on all tickets in all tournaments will be assumed and paid for by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

2. TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used.

3. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

4. RADIO SERVICE—Stations in Indiana may broadcast I.H.S.A.A. tournaments provided the requirements in the "I.H.S.A.A. Rules and Regulations Governing Broadcasting" are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

5. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

6. SOUVENIR PROGRAMS—Souvenir programs, other than those provided by the I.H.S.A.A., shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All Principals should notify their business men now.

7. SUGGESTIONS—Sectional Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

8. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the I.H.S.A.A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every attempt will be made to choose none but fair, disinterested and competent men. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis News, Star and Times; Associated Press, International News Service and United Press, and no changes will be made in them.

9. All Saturday games in all tourneys will be 1:00, 2:15 and 8:15 p.m.

10. DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.
SECTIONAL TOURNEY CENTERS AND ASSIGNMENT

ADHERES—All competing players, one Coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

DATES TO REMEMBER

Mark these in red on your calendar

1. Sectional entry blanks should be mailed to the I.H.S.A.A. office between JANUARY 30 and FEBRUARY 7. No entry blanks will be accepted after 4 p.m. February 8.

2. Regional ticket orders must reach your REGIONAL CENTER PRINCIPAL between February 18 and 23.

4. State Tournament Ticket orders should be mailed to the I.H.S.A.A. Office between Thursday, February 16 and Friday, Feb. 24. Orders will not be filled if received after Saturday, February 25.

SEASONAL TOURNEYS

February 22, 23, 24 and 25

The following bases were used in selecting sectional, regional and semi-final centers:

1. Location,—geographical and with reference to schools desiring to participate.
2. Transportation facilities.
3. General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities.
4. Rotation.
5. Success and satisfactory management of previous tourneys.
6. Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 16 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

1. Entertainment for all teams in all tourneys will end not later than 10:00 p.m., Saturday, February 25.

2. In “One-site” tourneys, teams playing Wednesday or Thursday evening, February 22 or 23, are entitled to one extra round trip transportation and one extra meal. Entertainment for all teams begins on Friday as follows:
   a. In 8 and 9 team tourneys: 5:00 p.m.
   b. In 10, 11 and 12 team tourneys: 12:00 noon.
   c. In 13, 14, 15 and 16 team tourneys: 8:00 a.m.

3. All “one-site” tourneys will begin at 6:30 or 7:00 p.m. Thursday evening, February 23, except 14, 15 and 16 team tourneys, which will begin at 6:30 or 7:00 p.m. Wednesday, February 22. These tourneys will be seven session tourneys. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 or 9 team tourneys; and there will be no games Friday morning in 10 and 11 team tourneys. Printed schedules will be sent to each competing school by the Center Principal in time to arrange for making the trip.

4. Due to the variations of time schedules of “Two-site” and divided “One-site” tourneys, the time and entertainment schedules will be set up by the I.H.S.A.A. and sent to all Center Principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the Drawings.

5. The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Monday, February 20, (2) transportation only, one round trip, may be paid in lieu of each night’s lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging. (3) no more than the regular tourney allowances shall be paid for meals taken at home. (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank, to help defray expenses of the tourneys incurred by the Board of Control. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as revenue tax, meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.

2. The Center High School shall receive one hundred and fifty dollars ($150).

3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)

4. The lodging shall be paid.

5. The Center High School shall receive one hundred dollars ($100).

6. The I.H.S.A.A. shall receive one percent (1%) of the fifth balance.

   a. One-half of the sixth balance shall be divided pro rata among the participating schools, the Center School sharing.

   b. One-half of the sixth balance shall be divided among the participating schools on an enrollment basis.

8. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

9. The Center School shall furnish a complete financial report to the I.H.S.A.A. and to each participating school by Thursday, March 2.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the school sending the team. Certificates must be made on the Official Entry Blank furnished by the Commissioner and all data must be given as indicated. An Entry Blank marked “Your Duplicate” is enclosed for your convenience. Be sure to send only the “Official Entry Blank” to the I.H.S.A.A. Entries positively will close Wednesday, February 8. All entries must be in the I.H.S.A.A. office before 4:00 p.m., Wednesday, February 8. Do not mail entry blanks before January 30. All students must be eligible when they participate as well as when they are certified. It is advisable to mail the entry blanks early, as changes can be made by telephone, telegram or letter any time up to 4:00 p.m., Wednesday, February 8. Registered letters are not recommended, as they are a slow form of delivery. Regular or special delivery mailing is the most satisfactory. A postal card from this office will acknowledge receipt and correctness of your entry. The Board of Control has ruled that late entry blanks will not be accepted.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request prior to Friday, February 17.

2. Ten percent of the remaining tickets shall be divided pro rata among the competing schools.

3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction, September 20, 1949, or the third day of school, if the opening day is later than September 20.

Season tickets must be ready for distribution by Monday, February 20. No tickets shall be distributed until the Center Principal has received his copy of the draw. All ticket information should be secured prior to this date. The I.H.S.A.A. will furnish Center Principals with enrollments of all high schools participating in their tourneys. Season tickets unsold shall be returned by 12:00 noon on the day the tourney begins, except that in “two-site” tourneys, they shall be returned by 4:00 P.M. the day before the tourney begins if the tourney begins with a day session; and by 12:00 noon on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

Their telephone number is Franklin 1519. Fred E. Gorman, Vice-Principal of Technical High School, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the I.H.S.A.A. office. Requests must be filed not later than Thursday, March 9. An identification plan will be used for Press representatives, who must be properly accredited by their Managers at the time requests are made.
Tickets—All tickets will be handled by the I.H.S.A.A. office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 18, 1950. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is estimated by Butler University at approximately 14,940.

2. Each High School Principal, having a team entered in an I.H.S.A.A., Sectional Basketball Tourney for 1950, and each High School Principal holding a modified membership in the I.H.S.A.A., may order tickets to five (5) percent of his High School enrollment as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket, and no school shall be limited to less than four tickets. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitations here placed. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to I.H.S.A.A., must accompany each order. Tickets purchased can not be returned. Please do not send money. The limitations below must be observed as given:
   (a) Orders for tickets having official Post Office stamp marks on the envelopes from and including Thursday, February 16, to and including Friday, February 24, will be accepted if received not later than Saturday, February 25. Ticket orders mailed prior to February 16 will be returned for proper mailing. The I.H.S.A.A. reserves the right to check the mailing of all ticket orders and to act on their findings.
   (b) Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Tickets distributed by Principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.
   (c) All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota of tickets according to enrollment, whether or not they would accept and pay for any tickets that may be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only.

5. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

6. The method of filling ticket orders is a method entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in the same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

7. In order that all may know how ticket orders are filled, the following statements are made:
   a. Ticket orders from Principals are due any time from February 17 to February 25, inclusive. Post office stamp marks will determine.
   b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled.
   c. Incorrect orders are returned with instructions.
   d. The method of filling ticket orders is a method entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in the same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I.H.S.A.A. will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 950 seats to the block, will be reserved until
9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER MEDAL

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the I.H.S.A.A. Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Medal for Mental Attitude."

It is an exceedingly difficult job for the Board of Control to select one boy out of forty good boys as a recipient of this medal. All of these forty boys are not equal in mental attitude or in any other attitude. They are not equal in skill and performance. The large majority of the boys, however, are good boys and many of them could be chosen for the mental attitude award. In the choosing of one boy several good and deserving boys are left out.

The I.H.S.A.A. Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Medal for Mental Attitude.

The Principals and Coaches of the four schools filed with the I.H.S.A.A. these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams: In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

James Schooley of Auburn High School was chosen unanimously by the Board of Control to receive The Arthur L. Trester Medal for Mental Attitude.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not
true that the I.H.S.A.A. has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I.H.S.A.A. desires to be proud of them always.

The following boys have won the prize:

**TRACK AND FIELD**

Froebel of Gary repeated its performance of 1949 by winning the 1950 I.H.S.A.A. State Track and Field Championship Meet at Technical High School Field by scoring a total of 31 points. This is one more point than they gained in 1949.

Gary Roosevelt finished 10 points behind the champions for second place, and Anderson placed third with 19 1/2 points. Technical of Indianapolis was a close fourth, scoring 17 markers and North Side of Fort Wayne followed in fifth place with a point score of 16.

Froebel's Blue Devil foursome in the half-mile relay was responsible for the only new meet record of the day. The quartet finished in the good time of 1:30.7 for a new I.H.S.A.A. record.

A total of 51 schools with an entry list of 210 athletes participated in the meet. Forty schools scored in the meet.

The Sectional entry list totaled 266 schools and 3,367 athletes; a new record entry of contestants and schools.

Details concerning the assignment of schools, rules, regulations and results of all meets were as follows:

**SECTIONAL TRACK AND FIELD MEETS**

**THIRTY-FOURTH ANNUAL**

Friday or Saturday, May 12 or 13

The following bases were used in selecting centers:

1. Location—geographical with reference to schools desiring to participate; (2) Transportation accommodations; (3) General conditions—attitude of local authorities, tracks, fields, entertaining facilities, etc.; (4) Rotation.

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the plan if necessary. Entry blanks are necessary.

Due to inclement weather, golf teams along with other spring sport squads had a very difficult time practicing and scheduling meets. In the sectional meets fifty-seven schools were entered, which was a record entry.

Favorable weather the last part of the season and during the sectional matches was helpful and several low scores were posted by individuals and teams in the Sectionals. Shortridge of Indianapolis posted a 318, Marion was second with 319 and New Castle third with 323. Individual low scores were J. Grubb, Marion, 73; R. Holt, Kokomo, 77; G. Hamilton, Jefferson of Lafayette, 77; K. Wise, New Albany, 77.

A total of fifteen golf teams and four individuals qualified from the four I.H.S.A.A. Sectional Golf Championship Meets for the right to participate in the State Championship Meet.

Note—Each year some schools return their entry blanks, then fail to participate in the meets for some unknown reasons. The management makes all arrangements for these teams, and of course the arrangements are upset by the non-appearance of the entrants. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for some reason, after filing an entry blank, it becomes necessary to withdraw, please notify the I.H.S.A.A. office immediately.

Transportation—This will be an obligation of the participating school in each case.

Medal Play—The meets will be conducted as Medal Play and 18 holes will be played. Summer rules are to be used, unless it is decided by the manager of the meet and the Center Principal that the condition of the course makes the use of winter rules necessary.

Scoring—Each foursome or twosome will be made up of boys from different schools. The players will count and keep score for each other.
Teams—Each school may enter six (6) boys and the team must consist of four (4) of these six boys. The four players must be designated prior to the beginning of the tournament. A number less than four from a school cannot participate. Players should be listed on the entry blank according to team position.

QUALIFICATIONS FOR STATE MEET

Teams—Representation at the State Meet will be determined by the number of teams competing in that Sectional, as follows: Four or less, one team; five to eight, two teams; nine to twelve, three teams; thirteen or more, four teams.

Only schools posting a team score at the completion of a Sectional Meet are to be considered actual “participating” teams.

Individuals—Any one of the three low medalist players in sectional play, whose school posted a team score but did not qualify as a team for State Meet competition, is eligible to participate in the State Meet for low medalist honors.
