MESSAGE TO THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

By LEO J. COSTELLO, President
Board of Control

The Indiana High School Athletic Association has again emerged from "a baptism of fire" (the legal battle over Stevenson case)—emerged stronger, greater, than ever before. Through the courageous efforts of the past two Boards of Control, the Commissioner, L. V. Phillips, and the Assistant Commissioner, Robert S. Hinshaw, our Association has established itself as one of THE leaders among state high school athletic associations. A great deal of praise is due the Board of Control and the Commissioners, for their leadership, courage, and fortitude during the recent crucial test. Much commendation is also due the high schools throughout the State for their support of the IHSAA. Just as steel is tempered and made more durable through its contact with fire—so has the IHSAA been made stronger and more durable, and now rests on a more solid foundation than before.

The result of the past year points to a triumph of the ideals of the IHSAA—namely—clean athletics, fair competition, and a high standard of sportsmanship. The IHSAA should receive greater support than ever before. It will always receive the support of those who believe in fair play, fair competition—free from subterfuge.

The IHSAA has always regarded the athletic program as a definite part of our great educational system. It has proven that athletics is not divorced from scholarship or scholastic attainments. A definite standard of scholarship is required for participation in high school athletics. The highest honor that the IHSAA bestows upon an athlete—namely, The Tesnler Award, is partially based upon scholastic achievement.

The IHSAA belongs to all of the high schools in Indiana. It IS a voluntary organization. It IS a democratic organization. Its membership is composed of high schools from the entire state of Indiana. It is an association that tends to stimulate and promote participation in athletics. It is NOT ONLY an association that enforces rules and regulations, but one that provides various services to the high schools of the state.

Because the IHSAA has emerged a strengthened organization, let us consider this position as an acceptance of our ideals of fair play, fair competition, and a high standard of sportsmanship. It is for us, as members of the IHSAA, to re-dedicate ourselves to the task of upholding our ideals. It is a great satisfaction to know that the IHSAA has had the same type of vigorous leadership that resulted in its establishment some 57 years ago. An organization poorly led, poorly managed, and without a sound philosophy, would not have survived.

So, let us not relax in our efforts to maintain our high ideals, the sound philosophy, the high type of service that has brought our association to its highest pinnacle. Let us again urge all the member high schools in Indiana to give us added support, not only to maintain our present standards, but to help us build the IHSAA into an even greater organization than it is today.

HISTORY OF IHSAA

The first attempt to organize the high schools of Indiana in a single Association for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1908. At this time there was a conference of high school Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Pearcy, of Anderson, issued a call for a meeting of high school Principals interested in a State Athletic organization for December 5, 1908. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1908, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the IHSAA.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Edward D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) high schools belonging to the IHSAA, March 1, 1904, and now there are seven hundred ten (710) member high schools. The membership has had a gradual growth through the years, and now includes almost all of the high schools in the state. The peak membership of eight hundred twenty (820) was reached in 1942, the year that private, parochial and institutional schools were admitted to the Association.

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles of Marion was chosen by the Principals to be the first Permanent Secretary, Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff, South Bend, was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester from Alexandria to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the principals of his district.

In September, 1925, by a referendum vote the principals passed a legislative body proposal calling for four members from each of the five (5) IHSAA districts. The five members of the Board of Control, serving ex officio, and the fifteen other members elected by the high school principals, to represent the principals in a mail vote constituted this legislative body. Prior to this plan all legislation was done at the annual meeting or by referendum and mail. The Legislative Body of twenty members passed on all proposals submitted by the high school principals. It was the law making body of the Association. The plan was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The plan in full continued the five IHSAA districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the high schools, thus making the Athletic Council a body of twenty-five members representing all sizes of high schools and all districts of the state at all times and elected by the high school principals in the membership. A provision was included for the selection of a 5-man Board of Control from the membership of the Athletic Council by the members of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The title, "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics. Mr. Trester continued to serve as Commissioner until the date of his death, September 18, 1944. The Board of Control designated Superintendent Morris B. McCarty of Lafayette to serve as Acting Commissioner. In December, 1944, Principal L. V. Phillips of Vincennes was chosen Commissioner to take office January 1, 1945. The Board of Control was given authority to employ an Assistant Commissioner. Robert S. Hinshaw, Director of Athletics in Rushville High School, was chosen in November 1945 to take office December 10, 1945 to become the first Assistant Commissioner of Athletics for the IHSAA.

The primary purpose of the organizers of the IHSAA to manage and to foster high school athletics on a high plane has been upheld as an ideal by the Association through the fifty-seven years of the life of the IHSAA. New and advanced steps have been taken whenever conditions made them necessary. In the beginning, the Association concerned itself largely with track and football. As time went on it became increasingly evident that the IHSAA should assume the initiative for a well balanced athletic program to meet the needs of all schools and all students desiring to participate in athletics. The Association now sponsors football, baseball, cross country, basketball, swimming, wrestling, golf, tennis, softball and girls' play days. State championships are determined in cross country, swimming, wrestling, basketball, track and golf.
A study of the men who have served on the Board of Control through the years will show clearly that the activities of the IHSAA have been in good hands. The titles and addresses are given as they were when the men were Board of Control members. A complete list of former Board members follows:

CONSTITUTION OF INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

PREFACE

This revision of the Constitution, Rules and By-Laws, regulations, interpretations, questions and answers of the Indiana High School Athletic Association, is the result of the combined efforts of the Board of Control, Athletic Council and the revision committee.

Most of the material has been printed in the Handbook and official bulletins published each year. Principals, Coaches and other interested parties are requested to read all information contained herein, and observe the information published in all IHSAA bulletins. The Constitution, By-Laws and Rules printed in the annual Handbook may not be up-to-date at all times, due to legislation between printings.

The printed Constitution, Rules and By-Laws, together with the questions and answers, plus the information in current bulletins, will keep all responsible parties completely and officially informed.

PURPOSE OF IHSAA

"The purpose of this organization is the encouragement and direction of athletics in the high schools of the State. No effort has been made to suppress or even to repress the athletic spirit that is everywhere in evidence in our schools. On the contrary, this organization gives recognition to athletics as an essential factor in the activities of the pupil and seeks only to direct these activities into proper and legitimate channels."

CONSTITUTION OF THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

ARTICLE I

NAME

The name of this association shall be the "Indiana High School Athletic Association." (The abbreviation of this name is understood to be "IHSAA").

ARTICLE II

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the Principal to subscribe to all of the rules and regulations of the Association.

Any high school in the state may become a member of this Association by meeting the requirements, by subscribing to these rules and regulations, and by paying the annual dues of one dollar and fifty cents ($1.50) to the Commissioner on or before October 1 of each year. All memberships expire on October 1 of each year unless the annual dues are paid.

Section 4. Associate membership may be extended to any high school accredited by the State Department of Education and operating strictly as a boarding school, with the understanding that:

1. Associate membership shall extend the privilege of participating in single athletic games and contests and invitational tourneys and meets, but not in any tourneys or meets conducted for the purpose of determining an official state championship in the IHSAA.

2. Associate members are bound by all rules and regulations of the IHSAA with the exception that a student who changes schools without a corresponding change of residence on the part of his parents is eligible as to residence immediately, provided there is no undue influence involved in any way.

Rule 13. All inter-school football games by players or teams shall be limited to the period beginning with the opening day of school or September 1, if school is not in session and ending November 30 of each calendar year. Rule 17. No inter-school contests shall be played prior to the opening of the school year in the fall. (Exception, see Rule 18.)

Rule 18. There shall be no inter-school athletic contests played, or practices held on Sunday.

Rule 19. No games shall be played with high schools of this state not belonging to this Association unless such high school is not eligible for membership in the IHSAA. This rule does not prevent a member of the Association from playing high schools outside of the state nor from playing non-high school teams within the state, provided all players on the IHSAA teams are eligible in every way and also provided there are no high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Rule 20. Withdrawal of a high school athletic team from an athletic contest will jeopardize the standing of the school in the IHSAA.

Rule 22. Boys and girls shall not be permitted to participate in inter-schcool athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-schcool athletic games.

Rule 24. It is recommended that principals, in arranging for games, provide a forfeit of $10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control after hearing both sides, shall have authority to suspend the delinquent school from the Association. Notification of such suspension shall be published in the papers with cause therefor.

Rule 25. Pupils may be permitted to play on baseball and softball teams other than teams representing their high school during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA.

a. High school students must not play under assumed names, nor accept remuneration directly or indirectly for their playing.

b. Reasonable meals, lodging and transportation may be accepted by a student if such are accepted in service rather than money or in some other material form. The IHSAA expects all high school students to so conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the IHSAA is concerned.

d. A high school student who participates in a sport during a season on any team other than his high school team, becomes ineligible in that sport for the remainder of that season.

e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school principal on file in the Principal's office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-high school team and finally with the high school Principal. Note—Permission granted by a Principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the Principal informed about his students.

NOTE: It is not considered a violation of present IHSAA rules or a member school, during the summer vacation period, to sponsor a team composed entirely of its own students in such sports as baseball, softball, tennis, and golf. While an athletic contest conducted under this interpretation would be similar to that of other independent amateur organizations, it is recommended that participating schools, through their principals, mutually agree to abide by IHSAA rules except for such modifications as may be necessary.

f. The IHSAA considers that a high school is entitled to the high school students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the high school Principal in each case.

The baseball season is defined as beginning and ending with the school year.

Rule 26. All organized or formal wrestling practice by students or teams shall be limited to the period beginning November first and ending with the date of the State Final Championship Wrestling Tournament each school year.

Rule 27. There shall be no scheduled meets or tournaments before November 22nd each school year.

A student or team may participate in the following: (1) Fourteen inter-school dual meets and one tournament in addition to the State Tournament series, or (2) twelve dual meets and two tournaments in addition to the State Tournament series. Note: An interschool wrestling meet which involves three or more schools shall be considered a tournament. A tournament shall count as one match for students.

Rule 29. In dual meets, during the weigh-in period, each coach shall record the name of the student who is to wrestle in each weight classification. These students shall wrestle, unless, due to illness or other extenuating circumstances, they are unable to do so. Substitutions can be made only by mutual consent of the coaches. Penalty: Forfeiture of the match.

Rule 30. A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official score book, and he has appeared on the mat in uniform, willing to wrestle.

Rule 31. Pupils in schools having modified membership in the IHSAA may participate on the following bases:

a. The pupil must meet the eligibility rules of the Association in all respects.

b. Pupils in the ninth grade in a junior high school having modified membership may not compete on the team of a senior high school.

Rule 32. A ninth grade student who is enrolled in a junior high school without modified membership in the IHSAA, may compete on either the junior high school or the senior high school team, but not on both. Such junior high schools may have teams using organization of the school. These teams may compete with similar teams from other schools not having modified membership.

Rule 4. It is recommended that women coaches and officials be employed for girls' contests and Play Day programs.

Rule 5. Girls' basketball teams may not play in state or national tourneys.

Rule 6. Play Day program for Girls:

a. A Play Day is a meeting of more than two schools where the program consists of games, sports, folk dancing and social entertainment. Participation is on the basis of color or mixed team chosen by lot and does not represent specific schools.

b. Parents' and physicians' certificates are required for Play Days.

c. Scholarship, out of season participation, age and enrollment requirements are the same as for inter-school competition.

d. Play Days shall be approved by the principals of the schools concerned and certification given for the girls participating in them.

e. Girls who play on color or mixed teams in a Play Day program which may include swimming, archery, tennis, track, volleyball, basketball, softball, etc., do not make themselves ineligible for their own high school teams in those sports in regular inter-school games.

DIVISION V
ELIGIBILITY RULES

A. Certification of Eligibility—

Rule 1. The eligibility of all contestants shall be certified to by the Principal of the School in accordance with the rules hereby adopted. Such statements shall be exchanged by the principals, in writing, prior to the beginning of any contest.

Rule 2. In cases of disputes, the Principal must furnish the Board of Control the following data in regard to each contestant: The name and number of semesters of enrollment in high school; the number of years he has been a member of a secondary school athletic team; date and place of birth; average mark in each subject from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

B. Scholarship—

Rule 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week, exclusive of rhetoricals, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Military Science and Tactics may be accepted for scholarship eligibility, provided it is approved by the State Department of Education as a full-time, solid subject; that it may be counted toward graduation from high school; and that it cannot be substituted for required courses in physical education.

Interpretation—

The part of Rule 1, Division V, under Scholarship in the IHSAA Rules and By-Laws reading, “—a passing grade in each of three or more subjects requiring a minimum of fifteen regular high school recitations per week” is interpreted to mean—“a passing grade in each of three regular high school subjects having a full semester value and for which a full semester credit is given.” The combination of two subjects, not excluded in this Division in the By-Laws, which total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted.

Students enrolled in a regular high school course granting credit to the student for the preceding semester being obtained from the records in the last secondary school attended.

Rule 2. Students enrolled for the first time must comply with the scholarship requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Rule 3. In each of the subjects representing the minimum requirement two credits due to the fact that additional time and study are required to meet academic requirements, may count the grades in this course as equivalent to two subjects.
any grading period is below passing in any subject, the pupil is ineligible as far as that subject is concerned for the entire grading period.

Rule 4. Back work may be made up during the summer and counted toward eligibility provided: (a) it be done in a regularly approved summer school or according to procedures approved by the State Department of Education (b) no more than two credits be given for work done during the summer months (c) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (d) all work and credits be bona fide in every way and certified as such by the high school Principal. In any other cases, the record at the end of a semester shall be final. Deficiencies in one semester cannot be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure.

Rule 5. Passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

Rule 6. A student who withdraws for the semester within the first fifteen (15) days shall not be considered ineligible as to scholarship at the beginning of his next semester of enrollment, provided he was eligible when he withdrew.

Rule 7. Any student who carries at least fifteen hours of regular high school work is a high school student, provided such a student has been promoted to high school in the regular way and according to good school procedure.

C. Enrollment—

Rule 1. No student, who has been enrolled as a high school student in any high school, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew. (See Enrollment Q. and A. 12-4.)

Rule 2. A student enrolled in one high school of a city or school corporation shall not be eligible in another high school of the same city or school corporation until he has been enrolled in the other high school for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.

Rule 2. Students finishing the courses offered in high schools maintaining less than four years of high school work and transferring, are not bound by this section. (See Enrollment Q. and A. No. 6.)

Rule 4. The fact that a transfer has or has not been issued, or that the student pays or does not pay his tuition, has no bearing except when the omission of a transfer or payment of full tuition is done for the purpose of unduly influencing a student to enroll for athletic reasons. (See Undue Influence rule.)

Rule 5. No student who has transferred from another high school shall be certified for inter-school athletics until the principal has on file an IHSAA Athletic Transfer Blank, signed by the principal of the school from which the student transferred.

Rule 6. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under IHSAA rules in any contest with any other team, either within or without the State of Indiana.

Rule 7. Enrollment eligibility shall be limited to eight semesters with the understanding that a student who enrolls in the ninth grade for the first time at the beginning of semester two may choose either his first or ninth semester for enrollment eligibility. A mid-year student who participates in any sport during his first semester becomes ineligible for all sports during his ninth semester. Note: Not retroactive for midyear students enrolled prior to the 1956-57 school year.

Rule 8. Any student who has been enrolled more than fifteen (15) school days between September 1 and December 1 for four times, shall be ineligible for football.

Rule 9. Any student who has been enrolled more than fifteen (15) school days between December 1 and March 1 for four times shall be ineligible for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter fifteen (15) or more school days between December 1 and March 1 for four times.

Rule 10. A student who has participated in one or more inter-school athletic contests, and who is forced to withdraw for the semester during the first fifteen (15) school days because of a disability incurred in connection with athletics, shall not be considered as having participated for that semester. The disability shall be certified to by a physician licensed to practice medicine in Indiana.

Rule 11. Any student who has been enrolled more than fifteen (15) school days between March 1 and June 1 for four times, shall be ineligible for baseball, track, golf, tennis and other spring sports, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball, track, golf, tennis and other spring sports until he has been enrolled thereafter fifteen (15) or more school days between March 1 and June 1 for four times.

Rule 12. A student who withdraws for the semester within the first fifteen (15) days of school without having participated in an inter-school athletic contest, shall not be considered as having had an opportunity to participate that semester.

Rule 13. In order to be eligible for athletic competition during any semester, a student must have entered some high school within the first fifteen (15) school days of the semester in which the contest occurs.
Rule 14. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with residence eligibility in each school during enrollment therein.

A student who resides with his parents and attends high school in their residence district may remain as a student with eligibility in athletics in this high school even though his parents move to another school district, provided no undue influence is attached to the case in any way. (This rule is primarily to enable seniors to remain in the school in which they enrolled and remain eligible to compete in athletics when it is impractical for them to move with their parents.)

In every instance when the parents of an underclassman move, the principal must inform the parents of the IHSSA rule and if the athlete remains in the school after his parents move from the school district, it shall be the duty of the principal to check before he is certified for athletic eligibility. The principal shall report the circumstances and reasons why he remained in the school district on the form (Form J) prepared for that purpose. This report shall be sent to the IHSSA office and to the principal of the high school in the district to which the parents moved. A student is not eligible under this rule until his residence eligibility report has been reviewed by the IHSSA.

Rule 15. A student who, because of unavoidable circumstances such as the death of the parents or guardian, finds it necessary to change residence from one high school district to another in order to have a home, may be declared eligible by the Board of Control, provided the principal of each high school files a statement, with supporting evidence, with the Board of Control as proof that the change was necessary and that no undue influence was attached to the case in any way. If any action of a legal agency is to be submitted as evidence of unavoidable change of residence such action should be taken by the student's parent in the new school district.

Rule 16. Change of residence as used in these rules shall mean a bona fide move about which there is no question. If the case is that of a change of residence of parents, the change shall be definite and complete.

Rule 17. A student who becomes ineligible under the rules of another state cannot remove that ineligibility by transferring to an Indiana high school. Note: Questions in a case of this kind are to be referred to the Board of Control.

D. Participation

Rule 1. Any student of a high school who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Rule 2. A student, who has played in one or more interscholastic games in any season shall be regarded as having engaged in athletics for that season. (See Exception, Rule 10, under "Enrollment").

Rule 3. A student who has participated in an interscholastic contest any one semester when ineligible is ineligible the remainder of that semester and all of his next semester in school.

Rule 4. A high school student who participates for demonstration purposes, or otherwise, in a coaching school or clinic outside the State of Indiana becomes ineligible for inter-school athletics for a period of time as may be decided by the Board of Control.

E. Parents and Physician's Certificates

Rule 1. Previous to a student's first practice for any interscholastic athletic contest, he shall have on file in the Principal's office for each school year, a Parent and Physician's certificate of physical fitness, giving the written consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any interscholastic athletic contest by a physician licensed to practice medicine in Indiana.

Rule 2. Previous to the student's first inter-school participation, the principal shall certify to the IHSSA that the certificates required herein are on file in his office.

Rule 3. A student properly certified to participate in interscholastic athletic activities, who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury, must present his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in inter-scholastic athletics.

F. Undue Influence Rule

Rule 1. The use of undue influence by any person or persons to secure or retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for high school athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the high school in the IHSSA. By action of the Athletic Council and Board of Control this rule is interpreted to include any undue influence that may be exerted by anyone on a student who has not yet entered the ninth grade, to enroll in a high school other than his home high school or the one he ordinarily would be expected to attend or any school where he and/or his parents previously had filed a choice of subject matter card or other written evidence of preliminary enrollment or registration.

G. Post Graduates

Rule 1. Post Graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Rule 2. A student is a post graduate of a high school when he has completed the work required for graduation by that school and has received his diploma provided the school offers four years of work.

Rule 3. Students meeting requirements for graduation in three and one-half years in a high school with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the IHSSA.

H. Age

Rule 1. Students shall be ineligible for any interschool athletic competition upon reaching nineteen years of age; with the following exceptions: If the student's nineteenth birthday occurs on or after
August 15, he is eligible for fall sports; if the nineteenth birthday occurs on or after November 1, he is eligible for winter sports; if the nineteenth birthday occurs on or after March 1, he is eligible for spring sports. (This rule is effective for all students who have been enrolled in high school prior to May 23, 1959.)

Rule 1a. Students shall be ineligible for any interschol athletic competition upon reaching twenty years of age. (This rule is effective until August 15, 1963 for all students who have been enrolled in high school prior to May 23, 1958.)

I. Amateurism—

Rule 1. All contestants in the IHSAA must be amateurs.

Rule 2. Professionalism is defined in the IHSAA as accepting remuneration, directly or indirectly, for playing on athletic teams for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way. Any high school student who directly or indirectly signs a professional contract loses his amateur standing and immediately becomes ineligible for all interschol athletic sports.

Rule 3. A high school student shall be considered as violating his amateur standing if he participates in athletic activities, schools, tryouts, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport. This rule applies to all sports except baseball during the summer vacation. (See Rule 4 following.)

Rule 4. A high school student shall not be considered as violating his amateur standing if he participates, during the summer vacation, in baseball schools and clinics sponsored by professional major and minor league baseball clubs.

Note—Any employee or school official of a member school who acts as an agent or encourages any negotiations between a high school student and representatives of Organized Baseball is violating the Agreement between the National Federation and Organized Baseball. Such action on the part of any employee or school official may cause his school to be suspended from the IHSAA for a period of time to be determined by the Board of Control.

Any evidence that a representative of Organized Baseball is attempting to or has signed a student prior to graduation should be reported to the IHSAA as it is a violation of the Agreement between the National Federation and Organized Baseball, and the penalties for such action are under the jurisdiction of Organized Baseball.

Rule 5. High school students may participate in independent golf tournaments and meets during the summer vacation period without violating their amateur standing; provided they do not accept cash or merchandise prizes or the equivalent thereof. Medals or trophies may be accepted.

Rule 6. No high school student shall be eligible to participate in any interschool contest under the rules of the IHSAA, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the part of the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the Board of Control, be suspended from membership in the IHSAA for a term of not less than one year. This rule shall not interfere with the right of high school pupils to work during vacation or during out of school hours in order to earn their way through high school. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Rule 7. Reinstatement of Amateur: A high school student, who has voluntarily standing according to the rules and by-laws of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school principal, and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

J. Conduct—

Rule 1. Any student whose deportment or character is such, in the judgment of his high school principal or the Board of Control, as to reflect discredit upon his high school or upon the IHSAA, is not eligible.

K. Married Students—

Rule 1. Married students shall not be eligible for participation in interschool athletic competition.

Rule 2. Students who have been divorced or whose marriages have been annulled are bound by the above rule.

L. Ineligibility—

Rule 1. In cases in which an ineligible student has been used, the high school principal shall be held responsible and take action as set out in the succeeding rules.

Rule 2. Inform the IHSAA office definitely by giving the name of the student, the cause of ineligibility, the list and scores of contests in which the pupil participated when ineligible, how the error was made and other particulars about the case.

Rule 3. Send letters of notification and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting points, games and honors won, and requesting these principals to notify the IHSAA office as soon as they receive these letters.

Rule 4. Consider and so declare the student not only ineligible for all athletics for the current semester, but also for all of his next semester following. Note—The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.
DIVISION VI

PRIZES AND AWARDS

Rule 1. The giving and receiving of awards and medals shall (a) be kept within reasonable bounds; (b) have symbolic value only, and (c) be done by and with the consent and under the supervision of the high school principals concerned.

Note—The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons.

Rule 2. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Rule 3. Awards such as a trophy, metal football, metal basketball, metal track shoe or similar article of symbolic value only may be given in addition to the one award permitted in Rule 2, provided the cost of the award shall not be more than the cost of the award in Rule 2.

Note—The word “symbolic” shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term “symbolic” even if the award is duly inscribed. An inscription cannot validate such awards in the IHSAA.

Rule 4. Schools belonging to athletic conferences, or participating in tourneys and meets under the rules of the IHSAA, except in the championship series conducted by the IHSAA, may make awards to the winning school or winning participants, provided such awards are made within the bounds of Rules 1, 2 and 3.

Rule 5. Suitable awards may be given by such organizations as: service clubs, patriotic organizations, civic groups, dads’ and mothers’ clubs, and the sports department of a newspaper or radio station. No awards should be accepted which, in any way, advertise any firm or individual so far as commercial or business interests are concerned.

Rule 6. The Board of Control shall have the authority to designate, give and control the medals and trophies to be awarded to the schools and to the individuals on state championship teams in any sport, with the understanding that these be kept within the bounds of Rules 1, 2 and 3.

Rule 7. Awards, medals, recognitions, gifts, trips and honors shall not be accepted by players or schools from colleges, universities and higher institutions of learning or their alumni. High school athletes should be permitted to complete their high school careers without being molested by outside sources. The acceptance of travel expenses either directly or indirectly from a college as a prospective student-athlete shall be considered a violation of this rule.

Rule 8. Athletic equipment is considered as merchandise. Any student who attempts to evade the rule by “purchasing” a merchandise prize for a nominal or token sum will be considered as having forfeited his amateur standing in the IHSAA.

Rule 9. Penalties for violations of the above rule will be determined by the Board of Control after all the evidence and circumstances have been considered.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF THE IHSAA

In order that the rules and regulations of the IHSAA may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the IHSAA has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by high school principals, coaches, superintendents, teachers, school board members and others who are in control or manage athletics in their respective schools and communities. The answers have been given according to the rules of the Association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the IHSAA.

BASEBALL AND SOFTBALL

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the IHSAA provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing. (For information concerning the participation of high school students in schools and clinics sponsored by Organized Baseball, see Division V, Rule 4 under "Amateurism").

The IHSAA expects all high school students to conduct themselves at all times that they, their high school and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using high school boys on baseball teams. e. High school students, who play on baseball teams other than their high school teams during the school year, must have written permission of their high school principal on file in the principal's office prior to the participation. ---

Note: Permission granted by a principal to a boy to play baseball on a team other than his high school team during the school year makes the boy ineligible for the high school team in baseball. No permit can be issued to violate any of the rules of the IHSAA. The purpose of the permit is to keep the principal informed about his students.

2.
Q. May a student, who has been in high school four full years, but who has not participated in any athletics, participate in athletics?
A. No, enrollment rather than participation is the determining factor in such cases.

** * *

3.
Q. Which is the determining factor in eligibility—enrollment or participation?
A. Either one may cause ineligibility. Both are factors and must be considered.

** * *

4.
Q. If a student changes high schools, when is he eligible?
A. He is just as eligible in the new school as he was in the old
school, provided his parents actually, legitimately and correspondingly change their place of residence to the new school district and provided the student changes high schools at that time. Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have enrolled. If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue influence is used by any person to secure them as students or their parents as residents. See "undue influence" rule.

5.

Q. What is considered enrollment in a semester?
A. Attendance for any length of time or enrollment that may be considered attendance for any length of time. (See exceptions under "Enrollment" Division V, IHSAA By-Laws.)

6.

Q. When are students, who finish the work given in one high school, eligible in another high school?
A. Students finishing the work in a high school giving less than four years of high school work are just as eligible in a new high school as they were in the old high school. Students who complete the ninth grade in a junior high school in a school corporation that also maintains a senior high school are not considered eligible if they enroll in a high school outside that school corporation.

7.

Q. What is a semester?
A. One-half of a school year constitutes a semester in the IHSAA and parts of two semesters or a part of one semester does not make a semester.

8.

Q. Does the fifteen (15) day enrollment requirement mean school or calendar days?
A. School days.

9.

Q. If a student fails in all subjects for a semester does this enrollment count as a semester?
A. Yes, enrollment is enrollment and always counts as such.

10.

Q. Is a student, who has been out of high school for a semester or more and who has played independent ball during that time, eligible when he enters school at the beginning of a semester?
A. Yes, unless he violated his amateur standing in some way by playing on the independent team and provided he is eligible in all other ways.

11.

Q. Are legal guardians considered as parents in the IHSAA?
A. Legal guardians may be considered as parents if the guardianship papers issued by an authorized Court are submitted and approved, and if the student has been living with the guardian. The Board of Control reserves the right to check and act on the circumstances of a guardianship at all times.

12.

Q. If a student transfers from a high school located in one city or school district to a high school in another city or school district, how is his eligibility determined?
A. By applying the requirements of the change of high school rule in the IHSAA Constitution and By-Laws.

Following are some statements which will help to clarify the "Change of Residence Rule":

1. Under normal circumstances, a student usually attends high school in the district where his parents reside.
2. If the parents move to another school district, the student is eligible as follows: (a) if he changes schools at the same time parents change residence, (b) if parents change during a semester, the student may change at the end of that semester but no later and (c) student need not change schools at all, provided no undue influence is used to retain him there. A student not transferring who is an underclassman is not eligible until a "Residence Eligibility After Parents Move From District" form has been reviewed by the IHSAA.
3. A student who changes high schools without a corresponding change of residence by the parents is ineligible for one calendar year.—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.
4. If a student attends a high school outside his home high school district and subsequently returns to his home high school, he is ineligible for one calendar year.—but if the parents actually change their residence to the new district within the year, the student becomes eligible immediately.
5. A student who changes high schools because of unavoidable circumstances such as the death of a parent or guardian may be declared eligible by the Board of Control, provided the principal of each school concerned signs a statement that the change was unavoidable, in order that the student have a home. Each case is checked carefully before a decision is made by the Board of Control.
6. If a student changes schools because of an action by a legal agency taken before the change is made, a copy of such legal action may be filed with the IHSAA in connection with proof that the change of schools was unavoidable.
7. A student, whose parents are separated or divorced and reside in separate school districts, may choose residence with either parent with residence eligibility. Once his place of residence has been determined, either by order of the court, or mutual agreement of the parents, he cannot change residence to the home of the other parent without losing eligibility for one calendar year.

8. A student who has been enrolled in Indiana Boys’ School may return to his home high school with the same residence eligibility as when he left. Credits earned in the state school are considered the same as those earned in any other high school so far as eligibility is concerned.

9. It is the duty of the principal to check carefully the record of every student who transfers from another high school. The principal should also advise students who contemplate making a change of schools as to the rules of eligibility regarding change of residence.

10. No student who has transferred from another school is eligible until the principal has on file an IHSAA Athletic Transfer Certificate.

GAMES

1. Q. What is considered a game of basketball?
A. A game of any kind in the IHSAA is an “inter” contest as distinguished from an “intra” contest. An “inter” scrimmage is a game.

2. Q. May a member school of the IHSAA schedule and play single games with teams and schools in Indiana not members of the IHSAA?
A. Yes, provided these teams and schools are not high schools eligible for membership and also provided the members of the IHSAA observe all of the rules of the IHSAA. There should be no high school students on the non-member teams, except high school teams not eligible for membership.

3. Q. What is the difference between a preliminary game and a regular game?
A. There is no difference as far as the IHSAA is concerned, as the same rules and regulations govern.

4. Q. If a “practice” game of basketball is played is it to be counted as one of the eighteen games on the regular schedule?
A. Inter-“practice” games are regular games and must be counted as such. Intra-“practice” games are not counted as regular games. In fact, there are no such things as practice games in the IHSAA. There are practice games within the school only.

5. Q. Does the omission of an admission charge make any difference as to the designation of a contest as a game?
A. No, games are “inter”-contests or “inter”- scrimmages with or without admission charges.

6. Q. Is an alumni game considered a game?
A. Yes, such must be counted as one of the games permitted on the regular schedule.

7. Q. What is considered an “inter” game or an “inter-serimmage”?
A. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A “serimmage” by students with or against teams or players not belonging to their high school is considered a game.

8. Q. What date marks the end of the football season?
A. November 30 of each year.

9. Q. May football practices be held any time during the school year?
A. No, organized or formal football practices must be limited to the period beginning August 16 and ending November 30 of each school year.

10. Q. May a member school of the IHSAA schedule and play single games with high schools of other states?

11. Q. May practice periods in one high school be counted as such in another high school where a student changes high schools?
A. Yes, provided definite proof of the practice periods are on file from the principal of the school in which the practices were held.

12. Q. Must a boy, who has participated in football during the season, have ten days of organized practice in basketball before he is eligible to play in a game of basketball?
A. Yes.
Q. In what sports are ten days of practice required before a student is eligible to participate in an inter-school contest?
A. Football, basketball, track, cross country, swimming and wrestling.

Q. Is a game between the faculty members and the high school students of a high school considered an intra-mural game or inter-school game?
A. Intra-mural game.

Q. Is a game between the alumni and the high school students considered an intra-mural game or an inter-school game?
A. Inter-school game.

Q. Are "Donkey Basketball," "Skruball" or other similar games considered basketball in the IHSAA?
A. Yes, and all IHSAA rules are binding.

Q. May member schools participate in meets and tournaments in Indiana or in other states, in which more than two schools are entered, if one or more of these schools are non-members of their own state high school athletic association?
A. No.

Q. May students participate in inter-school contests after their school is closed?
A. Due to the great variation of time in which member schools close in the spring, (a) students may represent their schools in meets and tournaments sponsored by the IHSAA; (b) they may participate in scheduled contests where one of the two schools is still in session; (c) they may participate in a contest where both schools are closed, provided it was a regularly scheduled contest that was postponed because of weather conditions; and (d) graduating seniors may participate in contests according to the above conditions, even though they may have received their diplomas.

GIRLS' ATHLETICS
INDIANA LEAGUE OF
HIGH SCHOOL GIRLS' ATHLETIC ASSOCIATIONS

Purpose

Many girls in high school are interested in a more extensive program of physical education than can be provided in the regular physical education classes. This desire for a more extensive physical education program has led many high schools to organize some type of girls' athletic association. In 1931 the Indiana League of High School Girls' Athletic Associations was formed, with the purpose of stimulating the co-curricular phase of the high school girls' physical education program. Membership in the League is open to any high school in the state of Indiana. The League has the endorsement of the Indiana High School Athletic Association and the Division of Health and Physical Education of the Indiana State Board of Health.

The State League offers much to both physical education teachers and students. It provides opportunities for sponsors and students to exchange ideas, share problems, receive encouragement, and engage in a variety of learning activities. The enthusiasm generated through the enjoyment of learning and doing things with people of like interests is one of the main reasons the League is steadily growing.

Activities

Each organization carries on its own program of varied activities for which points are given. The purpose of awarding points is to encourage regularity of attendance and to furnish a uniform basis for awards, if a school desires to use awards. The Sponsor's Handbook explains the suggested point system.

The State League sponsors activities on both a state and a district basis. Each spring the League, with the co-operation of a state college or university physical education department as host, sponsors a Wall Plaque Winners' playday. Attending this playday is perhaps as great an honor as winning the wall plaque, for here outstanding girls from all over Indiana come together for a day of fun and sport. Each fall the League sponsors a State Leadership Camp—training girls and inspiring both girls and sponsors to be better leaders in their organization, school, and community. District activities include dance days, playdays, basketball clinics, and weekend camps—usually two or three such activities each year.

Q. Are girls bound by the rules and regulations of the IHSAA?
A. Yes, all students on all teams in high schools belonging to the IHSAA are bound by its rules and regulations. See Division IV of the By-Laws.

Q. May girls play basketball according to boys' rules?
A. No, girls must play according to rules published for the
Division for Girls and Women’s Sports of the American Association for Health, Physical Education and Recreation.

3. Q. Is the IHSA A opposed to inter-school basketball games and tourneys for girls?
   A. No, but they are not recommended. Special care should be used, however, in such games and tourneys to know that girls are physically fit at all times.

4. Q. May men coach girls in athletic games?
   A. Yes. It is recommended however that women coaches be employed for girls. This applies to athletic officials also.

5. Q. May girls’ basketball teams play in state tourneys or national tourneys?
   A. No.

JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provisions made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships.)

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The high school Principal in any high school belonging to the IHSAA is considered the responsible party in athletics as far as the IHSAA is concerned.

3. The IHSAA considers it the duty and responsibility of the senior high school principal or principals to extend the rules and regulations of the IHSAA with such explanations as may be necessary to all principals in the school system having 9th grade students enrolled and whose schools do not belong to the IHSAA.

4. A high school student is one who carries at least 15 hours of regular high school work, provided such a student has been promoted to the high school in the regular way and according to good school procedure.

5. The IHSAA requests principals having 9th grade students enrolled to confer and co-operate with the senior high school principal or principals regarding the participation of 9th grade students in inter-school athletics.

6. The IHSAA does not attempt to determine or classify junior high schools and senior high schools. The Association is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the IHSAA when participating in inter-school athletics.

8. A 9th grade student in a junior high school not holding modified membership, may participate on the junior high school team or in the senior high school team in a sport during the season, but he cannot participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the IHSAA.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The IHSAA has no jurisdiction over students below the 9th grade.

12. The IHSAA believes that 9th grade students belong in athletics to the schools, junior or senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc.

13. The IHSAA believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the junior high school rules and regulations in athletics required in the senior high school.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the junior high school or in the senior high school.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are permitted to enter tourneys and meets in accordance with rules provided for Modified Members. (See Article II, Section 2 of the Constitution.)

17. All IHSAA supplies and publications will be sent to junior high school principals upon request.

18. See modified membership regulations immediately following.
Junior and Senior High School Modified Membership Regulations

Modified membership may be extended to any high school accredited by the State Department of Education offering and maintaining less than three years of high school work with the understanding that such modified membership shall extend the privilege of participating in single athletic games, contests, tourneys, and meets with other modified members. Modified membership also shall permit teams from modified members composed of ninth and/or tenth grade students to compete against teams from full members composed of ninth and/or tenth grade students in single games, contests, tourneys and meets without special restrictions as to the number of teams entered, trial runs, or geographical location within the state.

Schools holding modified memberships are not eligible to enter teams in state tourneys or meets. It must be clearly understood that a modified membership is a membership in the Indiana High School Athletic Association that requires the principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

1. Q. What type of school may hold a modified membership?
   A. A high school offering and maintaining less than three years of high school work.

   A. No, full membership meets the requirements.

3. Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?
   A. No, schools holding modified or full memberships are required to use students in the 9th and 10th grades.

4. Q. May schools holding modified memberships compete with high schools who do not hold membership in the IHSAA?
   A. No, permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

5. Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?
   A. No, these students are not eligible for any teams in high schools holding any type of membership in the IHSAA.

6. Q. May a 9th grade student, who is enrolled in a junior high school participate on the senior high school team?
   A. No, if the junior high school holds a modified membership. Yes, if the junior high school does not hold a modified membership.

4. Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?
   A. Yes, this one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school or who is physically unable to practice for five consecutive days due to illness or injury must present to his principal a statement from a physician licensed to practice medicine in Indiana that he is again physically fit to participate in interscholastic athletics.

7.

Q. May a high school support a grade team in the same school system out of its athletic funds?
A. Yes, so far as the IHSAA is concerned.

10.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

11.

Q. Does wrestling come under the rules of the IHSAA?
A. Yes, all "inter" athletic participation comes under the IHSAA.

   A. Principals may submit such proposals at any time in writing to the Commissioner who will submit them to the Athletic Council for consideration and action.

28. Q. What constitutes the use of undue influence in the IHSAA?
   A. An all-inclusive answer for all time and under all conditions cannot be given, but the use of any of the following inducements may come under the rule:
   1. Offer or acceptance of money or other valuable consideration.
   2. Reduction or remission of regular tuition.
   3. Waiving the requirement of legal transfers according to law.

29. Q. Why should a school be penalized because some person outside of school uses undue influence?
   A. Usually a school is not penalized unless it is involved or uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence: An athlete that has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.
30. Q. Is it the duty of the IHSAA to prove that undue influence has been used?
A. No, the high school principal has agreed to conduct his athletic activities according to the rules and regulations of the IHSAA. When there is a question, it is the duty of the high school principal to meet the question. He cannot certify that his students are eligible unless he knows that they are eligible.

31. Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?
A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

32. Q. What steps should be taken in ineligibility cases?
A. In cases in which an ineligible student has been used in interschool athletics the following steps should be taken immediately by the high school principal:
1. Inform the IHSAA office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The IHSAA should be informed as to how the error was made.
2. Send definite and explanatory letters to the opponent principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these principals to notify the IHSAA office as soon as they receive these letters.
3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The IHSAA reserves the right to request additional information and to make final decisions after a careful investigation has been made.

33. Q. What is considered the first day of school?
A. The first day of school is the first day on which attendance is counted and teachers are paid.

34. Q. Do seniors have any rights and privileges in athletics not granted to other students?
A. No, in fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the IHSAA in which their high school holds membership.

35. Q. What constitutes a regularly employed teacher in the IHSAA?
A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service, as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

36. Q. Does the rule requiring football practices to be held on the regular practice or play field under the direct supervision of the high school coaching staff prevent summer football camps for high school teams and players?
A. Yes.

A. Yes.

A. Playing in a part of one game or contest in a sport constitutes participation in that sport for that season. (See exception, Division V, under "Enrollment."
3. **Q.** May member schools play against College, Y. M. C. A. and independent teams?
   **A.** Yes, in single games, but not in tourneys, meets and leagues. In single games the member schools must obey all of the rules of the IHSAA and there must not be any high school students on the opposing teams.

   **A.** Yes. IHSAA rules and regulations govern inter-school athletics only.

   3. All prizes and awards should be limited in number and confined to those reasonable in price and having symbolic value only. Cash or merchandise prizes or awards are not permitted. Awards or prizes of any kind which may be construed as advertising for any individual or firm are not permitted.
   4. Purposes should be critically studied so that commercial interests, proselyting interests and interests foreign to good school procedure may be eliminated.
   5. Principals shall be expected to know and to execute the rules, regulations and policies to the best of their ability according to their wording and spirit since the giving and receiving of awards shall be done by and with the consent and under the supervision of the principal in each high school.
   6. No awards should be made by a “secret committee” of any outside organization, without the knowledge and consent of the high school principal as to the recipient.

   *

**PROFESSIONALISM**

1. **Q.** What constitutes professionalism in the IHSAA?
   **A.** Accepting remuneration, directly or indirectly, for playing on athletic teams, officiating in athletic games or managing athletic teams, or playing, officiating or managing under assumed names.    *

2. **Q.** If a student violates his amateur standing in one sport does he become ineligible for all sports?
   **A.** Yes, a professional in one sport is ineligible for all sports.
3. Q. Does a student become ineligible in all sports, if he plays on a team other than the high school team in one sport?
A. No, a student becomes ineligible only in the sport in which he participates as a member of a team other than the high school team, unless he violates his amateur standing or some general rule of the association and then he becomes ineligible in all sports. Playing basketball out of season makes a student ineligible for all sports until January 1 of the following year. Playing football out of season makes the student ineligible for all sports until the following November 30.

   * * * *

4. Q. Are high school students permitted to play on teams that split the gate receipts among the players including the high school students?
A. No, this would be considered professionalism.

   * * * *

5. Q. Does a student who receives money for his services as a lifeguard or as a caddie jeopardize his eligibility status in high school?
A. No, provided he merely receives reasonable and legitimate wages for services actually rendered.

   * * * *

6. Q. May a student, who has violated his amateur standing be re-instated?
A. Yes, a high school student, who has violated his amateur standing according to the rules and regulations of the IHSAA may apply to the Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

   The application shall be signed by the student and his high school principal and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated amateur rules during that calendar year.

   * * * *

7. Q. Should a reasonably definite line of demarcation be drawn between professional athletic activities and high school athletic activities?
A. Yes, there seems to be no justifiable reason for a high school student to participate in professional athletics and also in high school athletics.
SCHOLARSHIP

1. Q. May back work be made up and counted toward eligibility?
   A. Yes. Back work cannot be made up, however, during a grading period or semester for eligibility during that grading period or semester. Special privileges should not be granted to athletes. (See Summer School Work.)

2. Q. Would a student, declared ineligible by one principal, be ineligible under another principal?
   A. Yes, if the student is ineligible according to the rules of the IHSAA. The IHSAA has no jurisdiction unless its rules are violated.

3. Q. May a student, who receives his high school diploma, be eligible afterwards?
   A. No, the granting and acceptance of a high school diploma makes a high school graduate. (See exception under "Games" Question and Answer No. 18.)

4. Q. May an ineligible student practice with the regular team?
   A. Yes, at home in regular practice, but ineligible students should not appear in athletic uniforms at games.

5. Q. Does the IHSAA have a passing mark for scholarship?
   A. No, the passing marks of the schools are usually honored, but the Board of Control reserves the right to check the validity of grades and credits and to act on their findings.

6. Q. Who is a post-graduate?
   A. A post-graduate is a student who has finished his high school work and has received his high school diploma. Students who have completed sufficient work to receive a diploma, but who continue in school until commencement, must be considered eligible or ineligible according to all other rules of eligibility, such as age, time in school, participation, work carried, etc.

7. Q. To determine eligibility, what constitutes the last semester?
   A. The last semester for any student is the last semester in which the student was enrolled in any high school for any length of time after the first fifteen (15) school days.

8. Q. At the end of the second grading period in a semester, is a student eligible if he makes passing grades in three regular high school subjects for this period?
   A. In order to be eligible at the end of any grading period in a semester, a student must have passed in all regular high school subjects for the current grading period and his average grade in each of three regular high school subjects for all of the grading periods in that semester must be passing. A student must maintain his work in order to be eligible—weekly, by grading periods and by the semester.

9. Q. Is a "condition" or an "incomplete" considered a "pass" in the IHSAA?
   A. No, the IHSAA considers a "pass" to mean that all work has been done and has been made a matter of final record in the principal's office, at the end of the grading period or semester.

10. Q. Is a student, who carries three regular high school subjects and one or more eighth grade subjects, considered a high school student?
    A. Yes, a student who carries fifteen hours of regular high school work is a high school student, providing such a student has been promoted to high school in the regular way.

11. Q. Is a student, who has made sufficient credits to graduate at the end of semester one, eligible for athletics during semester two?
    A. Yes, provided he is eligible in all other respects and does not actually graduate at the end of semester one. Such a student must carry regular work during semester two.

12. Q. Are the same standards of eligibility required for intra-school games as for inter-school games?
    A. No, the IHSAA has no such requirements.
13. Q. Is a student, who has been ineligible for a semester on account of scholarship, eligible for the night of the last day of the semester?
   A. Yes, provided he has passed in three regular high school subjects and his credits have been made a matter of final record in the principal's office prior to the contest.

14. Q. What constitutes scholarship eligibility?
   A. In order to be eligible for a current semester a student must have passed in three regular high school subjects in his last semester of enrollment in any high school and he must be maintaining a similar amount of work for the current semester. This statement for semesters holds good for grading periods of the semester also.

15. Q. Are any special regulations in force pertaining to discharged veterans?
   A. By action of the Athletic Council, May 23, 1947, all IHSAA special regulations concerning discharged veterans were discontinued.

16. Q. If a student misses school for a few weeks in order to work is he eligible during this time and when he returns?
   A. This is a school problem and must be answered by the consideration whether regular school work to the extent of fifteen hours is being maintained or not. Usually students who miss school are not passing in their school work.

17. Q. If a student becomes ineligible on account of scholarship at the end of a semester, does this make him ineligible for one whole semester afterwards?
   A. Yes.

18. Q. If a student becomes ineligible at the end of a grading period in a semester when can be become eligible?
   A. At the end of the next grading period in that semester, provided he passes in three regular high school subjects during the period and also provided his average in each subject for all grading periods of the semester are passing in a similar amount of work.

19. Q. When is a student, who intends to enter high school, eligible?
   A. When he actually enrolls, provided all other requirements have been met.

20. Q. If a student becomes ineligible on Friday at the end of a grading period is he eligible for that night?
   A. No, a student is ineligible whenever he becomes ineligible.

21. Q. If a student becomes eligible on Friday at the end of a grading period is he eligible for that night?
   A. Yes, a student is eligible whenever he becomes eligible.

22. Q. When is a student maintaining his work during a semester?
   A. When he is passing in three regular high school subjects during the current week, the current grading period, the last grading period and for all grading periods of the semester according to averages.

23. Q. If a student fails to pass in three regular high school subjects during the last grading period of a semester but earns credits in three regular high school subjects for the semester, will he be eligible at the beginning of the first grading period of the next semester?
   A. Yes, the books are considered closed at the end of the semester.

24. Q. If a student passes in three regular high school subjects during the last grading period of a semester but fails to earn credits in three regular high school subjects for the semester, will he be eligible at all for the next semester?
   A. No.

25. Q. How long may a student be enrolled in a semester then drop out without the semester being counted under the Scholarship Rule?
   A. Within the first fifteen (15) school days of the semester, provided he was eligible when he withdrew.
26. If a student is passing in three regular high school subjects when he drops out during a semester, may he be considered eligible under the Scholarship Rule at the beginning of his succeeding semester of enrollment?
A. No, such a student would not meet the requirement of passing in three regular high school subjects throughout his last semester of enrollment. (See exception, under "Enrollment.")

***

27. May a credit in "Physical Fitness" be counted toward eligibility in athletics?
A. Division V, under "Scholarship" in the IHSAA By-Laws specifically excludes "physical training" as a subject to count toward eligibility in athletics. The Board of Control has ruled that "Physical Fitness" comes under the term "physical training" as used in this Division.

SUMMER SCHOOL WORK

1. Does summer school work in a school other than his home school jeopardize the standing of a student?
A. No, provided the work is accepted by the State Department of Education and the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the IHSAA recommends summer school work of an approved type for students needing credits.

***

2. If a student fails to pass in three regular high school subjects during semester two, may he count work done in summer school toward eligibility?
A. See Division V.

Decision—Donald BearRunner is considered eligible as to residence at Angola High School.
IRELAND HIGH SCHOOL—HAROLD LENTS
This student is from a broken home. During the 1958-59 school year he resided with relatives and attended Odon High School. This year he is residing at Ireland where he is now enrolled in Ireland High School. An investigation made by Principal K. H. Jensen of Odon indicated that Harold could have remained in Odon with the same home he had last year. Principal Jensen did not file a statement to the effect that the change was unavoidable in order that Harold have a home.

Decision—When Harold Lents enrolled at Ireland without a change of residence on the part of those with whom he resided at Odon he made himself ineligible as to residence for one calendar year from the date of enrollment at Ireland.

MULBERRY HIGH SCHOOL—LARRY RAY PEEK
During the 1958-59 school year this boy resided with his mother and stepfather and attended Coal City High School. This year he is living with grandparents and is enrolled in Mulberry High School. Reason given for change was that he did not get along with his stepfather. No evidence was filed to show that his home at Coal City no longer exists.

Decision—Larry Ray Peek has made himself ineligible as to residence at Mulberry High School for one calendar year, beginning on the date of his enrollment this semester.

The Board approved the additional coverage now available through Blue Cross and Blue Shield Insurance for all IHSAA office employees.
Decision—While the proof is not absolutely positive that this boy contracted his disability in connection with athletics, it was the unanimous opinion of the Board of Control that in view of the physician's statement he should be given the benefit of any doubt. James Stewart, therefore, should not be charged with a semester of enrollment or season of participation provided he does not enter school during the remainder of the current semester.

GOODLAND HIGH SCHOOL—LELAND VERTRISS BURTON

During the 1958-59 school year this boy was enrolled in Wadena High School. This year he is residing in the Goodland District where he is now enrolled in school. He enrolled at Southwestern at the beginning of the present semester.

2. The awards are to be provided by a private business firm.

INDIANA SCHOOL FOR THE BLIND—SANCTIONS

It has been the policy of the IHSAA to sanction participation in interstate meets to a radius of 100 miles. 1960 CHAMPIONSHIP BASKETBALL TOURNAMENT SERIES

Invitations for the 1960 sectional basketball tournament sites were checked along with recommendations filed by a number of principals. **SEYMOUR-STEVENSON COURT CASE**

On October 4, 1958, the Board of Control ruled Billy Joe and Frank Stevenson, transfer students from Joppa, Illinois, ineligible for the period of their enrollment in Seymour High School under the undue influence rule. On January 27, 1959, the Jackson Circuit Court issued a temporary restraining order prohibiting the IHSSA and Seymour High School from enforcing the decision of October 4, 1958. A change of venue was taken to the Lawrence Circuit Court where a special judge was assigned to the case.

IHSSA attorneys moved for dismissal of the complaint on the grounds that the court lacked jurisdiction over the actions of a voluntary, unincorporated association, such as the IHSSA, so long as the association did not act in violation of the rules approved by its member schools. The IHSSA was overruled by the lower court whereupon a writ of prohibition was sought in the State Supreme Court requesting the special judge and Lawrence Circuit Court be prohibited from taking further action in the case.

On November 18, 1959, the Supreme Court of Indiana rendered its decision. After reviewing a number of precedents from similar cases throughout the country, the Court said, in part:

"We believe the foregoing authorities are decisive of the question before us and that the right of plaintiffs under the Indiana Constitution and statutes to go to the public schools and receive education and training cannot properly be said to include interscholastic sports and games, viz: inter-school basketball as may be engaged in between picked teams of various public, private and parochial schools constituting the membership of relator Athletic Association.

As the rule and order of the Indiana High School Athletic Association in question have not been shown to be invalid in any respect, said association is entitled to enforce the same as against its members including the Shields High School without interference by the courts, and it necessarily follows that respondent court is without jurisdiction to entertain the injunction suit brought by plaintiffs attempting to restrain said Athletic Association and the other defendants therein.

The temporary writ of prohibition is now made permanent."

**LANDIS, J.

ROBBITT AND JACKSON, JJ., concur;

ACHOR, C. J., not participating because of illness;

Bell, Harold Bell Ruel Steele and Robert Mellen for the excellent manner in which they had represented the IHSSA in the Stevenson case.

Approval was given for the IHSSA to cooperate with the National Federation of State High School Athletic Associations for the publication and distribution of the court records in the Stevenson Case to other state high school athletic associations.

The Board of Control adjourned to meet again in Indianapolis, on December 12, at 9:30 a.m., in the IHSSA Office.

Referee Benecke reported that near the end of the game he ejected an Albany player because of a flagrant foul whereupon Coach John Bright (Albany) came on the floor using unsportsmanlike language and shoved Referee Benecke. Coach Bright then proceeded to the dressing room accompanied by the Albany players. Principal George L. Welch (Albany) stated that he ordered the players to return and complete the game, which they did.

Reports were filed by the two principals, the referees and Coach Bright. Later Coach Bright sent a written apology to Referee Benecke.

Decision—1. Coach John Bright is severely reprimanded for his conduct at the DeSoto—Albany game.
2. Albany High School is placed on probation until June 1, 1960, with a warning that further misconduct on the part of Coach Bright may result in a period of suspension, not to exceed one year, for the school.

SIDNEY—SILVER LAKE BASKETBALL GAME
Sidney and Silver Lake played a game of basketball, November 20, 1959, at Silver Lake. The referees were Robert J. Hurd, Milford; and Richard J. Miller, South Whitley. Silver Lake won the game.

Written reports on this game were filed by Referee Hurd and the principals of the two schools concerned.

Referee Hurd described the contest as a ragged game. He expressed alarm at the type of sportsmanship displayed by the Sidney players. When a flagrant foul was called on a Sidney player, a fan from that school kicked a Silver Lake player. The fan was escorted from the gymnasium. Referee Hurd said the officials were not threatened, but in his opinion the contest was on the verge of becoming a "free-for-all".

Decision—Sidney High School is placed on probation until June 1, 1960, with a warning that further unsportsmanlike conduct on the part of Sidney fans and players may result in the suspension of the school for a period not to exceed one year.

NATIONAL ALLIANCE FOOTBALL RULES COMMITTEE

IHSAA FINANCES
The Commissioner reported that U. S. Treasury Bills in the amount of $38,000.00 would be due during the current month. The Board directed that this sum be used as follows: (1) Payment of fees to Bell & Bell, Indianapolis; Ruel H. Steele; and Robert Mellen, Sr., Bedford; for services in connection with the Stevenson Court Case. (2) Deposit to the IHSAA checking account a sufficient amount to meet current estimated expenses until March 1, 1960. (3) Reinvest the remainder in U. S. Treasury Bills.
ANNUAL MEETING

In compliance with a request from the Indiana State Teachers Association approval was given to hold the IHSAA Annual Meeting, Friday morning, October 28, 1960.

TOURNEY FILES

In order to provide filing space for current material approval was given to discard records and correspondence, more than five years old and no longer considered necessary to keep on file.

PLEASANT MILLS HIGH SCHOOL

Referee James Stein of Fort Wayne had reported that during the half time of the Monroeville-Pleasant Mills basketball game, November 25, 1959, at Pleasant Mills, Principal G. W. Vizard, of the home school, came to the officials’ room and severely criticized Stein’s officiating during the first half.

The Board directed the Commissioner to inform Principal Vizard that any further action of this kind on his part might result in the old and no longer considered necessary to keep on file.

BASKETBALL TOURNAMENTS

The Board reviewed the work done at previous meetings on the 1960 State Championship Basketball Tourney series. Final approval was given for the location of sites, ticket prices, number and pay of officials, distribution of quota orders and complimentary tickets, approval of two-site and divided one-site tourneys, time schedules and other details necessary to the conduct of the entire tourney series. The Commissioner was directed to sign definite contracts in duplicate with all tourney center principals, to prepare the tourney bulletin for distribution to the member schools and the press, radio and television, setting forth all details in connection with the conduct of the tourney. The Commissioner’s office was authorized to make minor adjustments which may be necessary in publishing the tourney bulletin.

Approval was given for the employment of Fred R. Gorman of Indianapolis to assist in the distribution of state tickets and to employ, assign and supervise necessary help for conducting the state tournament. It is understood that Mr. Gorman is to receive $400.00 as remuneration for his services.

The Board of Control adjourned to meet again on January 9 and 10, 1960, at 9:30 a.m. (Indianapolis time) in the IHSAA Office.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, January 9 & 10, 1960

The minutes of the previous meeting were approved as written.

IHSAA FINANCES

The Commissioner reported the following transactions in securities during the month of December, in accordance with instructions given at the last meeting: Of the $85,000.00 due in Treasury Bills, $40,000.00 was reinvested in U.S. Treasury Bills, due March 24, 1966. The balance was deposited to the IHSAA checking account for current expenses and to pay attorneys’ fees and court costs in connection with the Stevenson Case.

STEVENSON VS. IHSAA—COURT CASE

This case covered a period of some ten months. It originated in the Jackson Circuit Court where a temporary restraining order was issued January 27, 1959, prohibiting the IHSAA enforcing eligibility rules against two Seymour students, Billy Joe and Frank Stevenson. On motion of the IHSAA, the case was venued to the Lawrence Circuit Court where a special judge was chosen to preside over the case.

Following numerous appearances before the Lawrence Circuit Court, resulting in a series of rulings adverse to the Association, IHSAA attorneys presented the case to the State Supreme Court in the form of a petition for a Writ of Prohibition preventing the lower court and presiding judge taking further action on the ground that jurisdiction over the subject matter was lacking. A temporary writ of prohibition was issued August 13, 1959. The case ended November 18, 1959, when the Supreme Court issued a decision upholding the position of the IHSAA and making the temporary writ of prohibition permanent.

The Indiana decision is generally considered to be the most definite and clear cut ever handed down by a high court on a case of this kind in the United States.

Four well known and capable attorneys were retained by the Board of Control to represent the IHSAA. Because there was no legal precedent in Indiana involving the IHSAA, the attorneys spent much time and effort in analyzing and briefing court cases and legal opinions in other states throughout the country. The case required numerous consultations, preparations of briefs, appearances and arguments before the circuit court and finally the presentation of briefs and arguments before the Supreme Court.

The Commissioner reported that in accordance with previous instructions, attorney fees had been paid as follows:

Robert Mellen (Bedford)—paid in full—$3,000.00
Ruel W. Steele (Bedford)—paid in full—3,000.00
Bell & Bell (E. H. & Harold)—partial payment—2,500.00
Balance due Bell & Bell—7,000.00

It is understood that payment in full will be made to Bell & Bell, immediately.

In addition to the above, the IHSAA has paid court costs and other incidental expenses in the amount of $458.26.

MEDORA HIGH SCHOOL—DENNIS PHILLIPS

This boy’s parents are divorced. The father has remarried. Last year Dennis resided with his father and stepmother in North Vernon, where he also attended high school. Due to difficulty within the
family, the father, along with Dennis and a daughter, established residence in Medora in May, 1959. Dennis enrolled in Medora High School in September, 1959. In October, 1959, there was a reconciliation between the father and stepmother and the father returned to North Vernon. Dennis and his sister are residing with grandparents in Medora.

Decision—It is the unanimous opinion of the Board of Control that the father of Dennis Phillips made a bona fide change of residence to Medora. Also that it is now necessary for Dennis to reside with the grandparents in Medora in order to have a home. Dennis, therefore, is considered eligible as to residence at Medora High School.

NORTHERN INDIANA CONFERENCE WRESTLING MEET
Principal Rupert T. Ferrall, South Bend Central, requested permission to schedule the 1960-61 Northern Indiana Conference Wrestling Meet over two weekends with the understanding that it count as only one meet.

Since the present rule regarding tournaments that extend into a second week is limited to basketball, Principal Ferrall’s request was granted.

TELEVISION
1. Permission was granted to televise the final session of the IHSAA State Wrestling Meet at Southport, February 28, 1960, provided satisfactory arrangements can be made with the sponsor and the television station.

2. The Board of Control went on record as being unanimously opposed to televising any scheduled basketball game during the season where it appeared that such television would adversely affect the attendance at other high school basketball games scheduled for the same date.

STATE SWIMMING AND WRESTLING MEETS
Plans for conducting the State Championship Swimming and Wrestling Meets were approved. The Commissioner’s office was authorized to make adjustments in assignments to sectional wrestling centers provided the number of entries necessitated such adjustments.

ANNUAL MEETING
The Commissioner was authorized to proceed with plans, including the selection of a speaker, for the IHSAA Annual Meeting scheduled for October 28, 1960. Preference was expressed for Reverend Bob Richards as a speaker provided his services are available.

NATIONAL ALLIANCE FOOTBALL RULES COMMITTEE AND MEETING OF STATE HIGH SCHOOL EXECUTIVES
President Albright, Board Member Crawley, the Commissioner and the Assistant Commissioner reported on the meetings of the National Alliance Football Rules Committee and the State Executives of High School Athletic Associations, held in Indianapolis, January 3-6, 1960. They stated that they were most favorably impressed by the work being done by the two groups. All stated that they had received many compliments from visitors from other states on the arrangements made by Indiana for holding the meetings.

BASKETBALL TOURNEYS
1. The Board selected a tentative list of officials to be used in the tournament series, and Articles of Agreement are to be mailed by the Commissioner to this list of officials.

2. The Board approved the plan used last year in which the IHSAA cooperated with the Indiana Broadcasters’ Association in the allotment of space to the various stations in the state for broadcasting the final tournament.

3. The Commissioner was authorized to handle complimentary tickets under the same general plan as used in previous years.

4. The Board voted to continue the same amount of liability and compensation insurance that has been in effect for the past several years. The maximum coverage under this policy is $250,000.00 each person and $500,000.00 each accident with $5,000.00 property damage.

5. The Commissioner was authorized to confer with the center principal at each tourney site where television stations are located to determine amount of guarantee to be posted for television rights. It is understood that only the championship game of the sectional, regional and semi-state and all games of the final tournament will be available for television.

6. The Board approved the filming of the 1960 State Basketball Tournament with the understanding that only silent prints be made.

7. All requests from center principals for adjustment in time schedules in terms of Central Standard Time were granted.

8. It was agreed that the plan used in 1959 for the pairings and release of the schedules to the press would be used again this year. The pairings are to begin at 7:00 a.m. CST, February 17, 1960, with immediate release to the Indianapolis News, Times and Star and the Associated Press and United Press International.

BLOCK DRAWINGS FOR FINAL TOURNAMENT TICKETS
9. The drawings for blocks of seats at the State Final Tournament for the four schools in the tournament and the twelve other semi-state schools were made, with the following results:

Final Tournament Schools:
School No. 1 drew Block No. 1 School No. 3 drew Block No. 2

The names of the schools will be arranged alphabetically by cities as soon as they are known, then numbered in this order—and the plan automatically operates.

The Board of Control adjourned to meet again in Indianapolis, February 6, at 9:30 (Indianapolis Time).
of Edinburg Coach, Don Holloway, who was trying to unscramble players on the floor. A Franklin fan struck and also tore the clothing Franklin, January 22, 1960, with Walter Frye, Jr. (Greencastle) and the following occurred: (Franklin) and William Henry Reeves (Edinburg) and the referees, Glen T. Bonsett (Hanover) officiating.

An investigation uncovered the above information as to the violations of eligibility rules. Principal O. A. Haltom had failed to get prior to participation in athletics. He had also neglected to file with the IHSAA a letter certifying that the boy had filed a parent’s certificate with the school. Donald's academic and athletic records from Bloomington High School will include 150 copies to be sold to the National Federation of State High School Athletic Associations.

SMITHVILLE-STINESVILLE—DONALD ALTOP

Donald Altop resided with his mother and attended Bloomington High School during the 1958-59 school year. He failed to pass in three subjects during the second semester. Without a change of residence on the part of his mother, he enrolled in Stinesville, September 4, 1959, and participated as a member of the interschool baseball team in the fall of 1959. Principal O. A. Haltom had failed to get Donald’s academic and athletic records from Bloomington High School prior to participation in athletics. He had also neglected to file with the IHSAA a letter certifying that the boy had filed a parent’s and physicians’ certificate with the school.

On October 14, 1959, Donald enrolled in Smithville without a change of residence on the part of the mother. On January 20, 1960, Principal Louis A. Chuckney requested a clarification of Donald’s eligibility. An investigation uncovered the above information as to the violations of eligibility rules.

Decision—Donald Altop is ineligible on several counts, the penalties for which will run concurrently. His eligibility in this case ends October 14, 1960, which is one calendar year from the date he enrolled at Stinesville during the present school year, without a corresponding change of residence by the parent.

Stinesville is placed on probation in the IHSAA for one calendar year ending February 6, 1961, for gross negligence in applying eligibility rules in this case.

FRANKLIN HIGH SCHOOL.—EDINBURG HIGH SCHOOL

Edinburg and Franklin were engaged in a basketball game at Franklin, January 22, 1960, with Walter Frye, Jr. (Greencastle) and Glen T. Bonsett (Hanover) officiating.

According to written reports filed by Principals Max Wiesman (Franklin) and William Henry Reeves (Edinburg) and the referees, the following occurred:

With four seconds of the final quarter remaining, with Franklin leading 43-41, a foul was called and a scruffle developed among the players on the floor. A Franklin fan struck and also tore the clothing of Edinburg Coach, Don Holloway, who was trying to unscramble the players. Fans from both schools swarmed on to the floor; pushing, shoving and using abusive language.

Both coaches rushed their players to the dressing rooms for protection. Police, Civil Defense personnel and school officials, after a period estimated as twenty minutes, succeeded in restoring order. Officials of both schools and the referees held a conference and decided not to complete the game, although it would have been possible for Edinburg to have tied or won the contest. Apologies were exchanged and the schools agreed to continue athletic relations. No legal action was filed against the Franklin fan who roughed up Coach Holloway.

Decision—Franklin, as the host school, is charged with major responsibility for this disgraceful affair because of failure to maintain order and to take legal action against the fan who roughed up Coach Holloway. Edinburg also must assume a portion of the blame because their fans joined in the fracas on the floor.

Franklin High School is placed on probation in the IHSAA for a period of one calendar year, ending, February 6, 1961. Edinburg High School is placed on probation in the IHSAA until June 1, 1960.

Both schools are warned that similar unsportsmanlike conduct on the part of their fans in the future will result in a period of suspension not to exceed one calendar year, as may be determined by the Board of Control.

Referees Frye and Bonsett are reprimanded for giving their approval to end the game before the allotted time had elapsed. They are further reprimanded for not reporting a case of this importance to the IHSAA in writing immediately and without waiting for written requests from the IHSAA.

PROTESTS ON OFFICIATING

Several schools had filed protests on the officiating at recent basketball games. These protests, along with statements from the officials concerned, were considered by the Board of Control.

Decision—It was the unanimous opinion of the Board of Control that all the protests were concerned with judgment decisions and not subject to protest. Adverse reports may be filed by a school on the judgment decisions of an official, but not protests.

Attention is directed to Division II, Rule 9, page 32 of the 1959 Handbook which reads as follows: “In all contests the decisions of the officials are considered final and binding.”

UNAVOIDABLE CHANGE OF RESIDENCE

Kenneth Martin of Bremen High School and David Briggs of Orland High School were ruled eligible as to residence under the unavoidable change of residence rule. Statements from the schools concerned were on file.

PIKE TOWNSHIP HIGH SCHOOL (MARION COUNTY)

Principal Edwin White of Pike Township reported that Steve Lentz and Mike Coy inadvertently had been used in three invitational basketball tourneys although the rules permit participation in only two such tourneys.
Decision—Steve Lentz and Mike Coy are ineligible for further participation in interschool basketball for the remainder of the current season.

WINSLOW HIGH SCHOOL—JACKIE MORTON

Jackie Morton first enrolled in Winslow High School in the fall of 1956. Because of the necessity to work he had been irregular in enrollment by semesters. Principal W. Newton Thompson requested a clarification on enrollment eligibility in the case. After reviewing Jackie's record the Board of Control ruled that he is eligible as to enrollment until the end of the present semester.

EAST CHICAGO WASHINGTON HIGH SCHOOL—TOURNEY SANCTION

Washington, East Chicago, had requested sanction for a holiday tourney with five Lake County schools, one from LaPorte County and one from Vigo County. The rules require IHSAA sanction for an invitational basketball tourney of more than four schools, all of which are not from the same county. The obvious purpose of such a rule is to prevent sponsoring large invitational basketball tourneys with schools from throughout the state being invited to participate. Because this proposed tourney included more than four schools, one of which is 165 miles distance, sanction was not given by the Board of Control.

BASKETBALL TOURNEYS

1. The Board reviewed work done at previous meetings on tourney officials. Tentative approval was given to a list of officials to be assigned for work in the eighty-five tourneys from the sectionals to the final tourney. It was understood that changes may be made prior to the drawing of the schedules, February 17, 1960.
2. It was decided to present the "Star Spangled Banner" by trumpet at the final tourney.
3. The Board decided to make no changes in the manner in which tourney officials dress. The same regulations used in 1959, are to remain in effect.
4. The Commissioner reported that due to an increase in rates on liability insurance, the 1960 premiums would increase (estimated) $634.96 based on last year's figures.

The Board of Control adjourned to meet again in the IHSAA Office, February 16, 1960, at 2:30 p.m.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, February 17, 1960

The minutes of the previous meeting were approved as written.

PERU HIGH SCHOOL—MISSISSINEWA HIGH SCHOOL

This case resulted from a basketball game between Peru and Mississinewa February 6, 1960, at Peru and officiated by Wayne Cripen (Kokomo) and Tom Dean (Wabash). The final score was Mississinewa 76—Peru 71. Written reports were filed by Principal Earl Delph (Peru) Principal L. W. Meyer (Mississinewa) and the referees. A digest of these reports indicated the following:

1. Peru players engaged in rough tactics during the game.
2. One Peru player was ejected from the game for unsportsmanlike conduct.
3. Peru coach Robert Biddle was penalized for coming on to the floor to protest a decision.
4. Peru fans were very critical of the officiating and threw coke cups, popcorn bags and other debris on the playing floor.
5. Peru players, still in uniform, addressed vulgar remarks to visiting fans as they left the gymnasium.
6. Principal Meyer stated that lighted cigarettes and firecrackers were tossed into the Mississinewa bus as the players were entering the bus for the return trip.
7. The Peru student body sent a letter of apology to the Mississinewa student body.
8. Earlier reports that the officials were escorted out of the city seem to have been erroneous.

Decision—Peru High School is emphatically warned that further unsportsmanlike conduct such as occurred in connection with this game will be considered cause for the suspension of the school's membership in the IHSAA for a period not to exceed one calendar year.

Coach Robert Biddle is severely reprimanded for going on the floor to protest a decision by the officials.

REDKEY HIGH SCHOOL—GARY BROWN

Redkey and Berne engaged in a basketball game February 12, 1960, at Berne with Virgil Hoeppner and Norman Moser, both of Woodburn, officiating. The final score was Berne 74—Redkey 56. Reports on this game were filed by both principals and both referees. In a statement signed by the referees, they said that when the final foul was called on Redkey player Gary Brown he argued with Referee Hoeppner for which he was given a technical foul. Before leaving the floor he pledged Berne player James Hill, knocking out four false teeth. The Berne principal stated that in addition to the loss of the teeth, the boy suffered injuries to the mouth and nose for which he was treated by a physician.

The referees also reported that Redkey coach Don Selvey displayed unsportsmanlike conduct, for which he was warned during the game.

Decision—After giving very careful consideration to this case, it was the unanimous decision of the Board of Control that the deliberate act of a player in slugging an opponent thereby causing bodily injury cannot be condoned. Redkey High School therefore is ordered not to use Gary Brown in interschool basketball during the remainder of the 1959-60 school year.

Redkey High School is warned that further unsportsmanlike conduct on the part of the coach or players will be considered cause
for suspension of the school’s membership in the IHSAA for a period not to exceed one calendar year.

SPRINGS VALLEY HIGH SCHOOL—DBOUIS HIGH SCHOOL
These two schools played a game of basketball February 16, 1960, at Dubois with Charles Fouty (Terre Haute) and Lowell Willis (Sullivan) officiating. The final score was Dubois 69—Springs Valley 58.

A small group of Springs Valley adult fans seated at the end of the floor, heckled the officials in unsportsmanlike language during the game.

Immediately following the game this group surrounded Referee Fouty on the floor, pushed him around while using threatening and abusive language. Referee Fouty was rescued by local police and Principal A. J. Kreitzer of Dubois. The referees and Principal Kreitzer reported the case by telephone to the Commissioner. A State Police man escorted the referees out of town.

Principal Jesse E. Pitts of Springs Valley reported to the Board of Control (in session) that school officials were taking immediate action to control their small group of trouble making adult fans at athletic events both at home and away. He stated that a copy of the actions taken would be published in the local newspaper. Also that a copy would be filed with the IHSAA.

Principal Pitts was informed that failure to take appropriate and effective action would be considered cause for suspending Springs Valley High School from membership in the IHSAA for a period not to exceed one calendar year.

TRACK AND GOLF MEETS

The Commissioner’s office was given approval to proceed with plans for the 1960 state championship Track and Golf Meets.

BASKETBALL TOURNEYS

1. All 694 entry blanks, having been filed on time, complete in every detail, were accepted.

2. Final approval was given to the list of officials selected to work the tourneys.

3. In the presentation of trophies and awards for the state tournament, it was decided to follow the same plan as has been in effect for several years. The President will award the championship trophy and the presentation of the other awards is to be determined by lot among the other Board Members.

4. It was decided that the selection of the Trester Award Winner would be made according to the same plan as used in previous years. This includes ratings of players by the principals and coaches and observations by Board members both at the semi-state and state tourney.

5. The Commissioner was authorized to employ help to conduct the state tourney.

6. The schedules for the sectional, regional, semi-state and state tourneys were drawn by the Board of Control in the presence of representatives of the Indianapolis News, Times and Star and the Associated Press and United Press International. Immediately after the first schedule was drawn, the office staff started typing and checking copies for the press. These copies were made available to the news media for immediate release.

7. The Commissioner’s office was authorized to invest surplus funds received from the tourneys in United States Government securities with the understanding that the Commissioner will report to the Board of Control on these investments at the next meeting.

IHSAA OFFICE

The Commissioner was given permission to attend the Golden Anniversary of the Texas Interscholastic League at Austin, Texas, May 5, provided he found available time to make the trip.

The Board adjourned to meet again, March 18, at 3:00 p.m. in the IHSAA Office.

Otto Albright, President
L. V. Phillips, Commissioner

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, March 18 & 19, 1960

The minutes of the previous meeting were approved as written.

ADAMS CENTRAL HIGH SCHOOL—BERNE HIGH SCHOOL

Center Principal Herman E. Frantz of the Adams Central Sectional reported the following: Immediately following the Adams Central—Berne game, a fan from Berne raced onto the floor and grabbed Referee Gene Butts. Officers rescued Referee Butts and charged of disorderly conduct were filed against the fan who had been warned about disorderly conduct during the previous session. No report has been received as to the final disposition of this case in the court.

F. J. REITZ HIGH SCHOOL (EVANSVILLE)—LARRY HALL

Referee Leland Terrell reported that immediately following the Reitz-Lincoln game in the Evansville sectional tourney, he was kicked very hard on the back of his leg by Larry Hall, a member of the Reitz team. Principal Nell V. Pierce of Reitz High School made an investigation which confirmed Referee Terrell’s report.

Decision—Larry Hall is to be considered by F. J. Reitz High School as being ineligible for participation in interschool athletics for the remainder of the 1960-61 school year.

LAWRENCEBURG HIGH SCHOOL—VERSAILLLES HIGH SCHOOL

On March 7, 1960, Principal Forest G. Waters (Versailles) reported on what he termed an “Unfortunate incident” in connection with the Lawrenceburg—Versailles game in the Connersville Regional Tourney, March 5.

In part, Principal Waters wrote, “—Immediately following the final buzzer, Lawrenceburg No. 33, Jim Sturgeon, struck Versailles No. 3, Larry Curry, in the face with his fist knocking him to the floor.—”
On the same date Superintendent H. P. Harrison of Lawrenceburg Consolidated High School addressed a letter to Principal Waters in which he said in part, "—Please accept my apology for the very un-sportsmanlike conduct of one of our players, James Sturgeon." Later in the same letter he said, "I investigated the report yesterday and find that neither our coach nor assistant coach saw the blow struck. However, the player admits his action."

On March 7, Superintendent Harrison also wrote the Commissioner a letter in which he said, "The player, James Sturgeon, has admitted his unsportsmanlike conduct."

Superintendent Harrison did not request a hearing before the Board of Control. Neither did he indicate that disciplinary action of any kind had been taken by the school against James Sturgeon.

Because Superintendent Harrison had certified in writing, not once, but twice, that James Sturgeon had admitted this very serious violation of good sportsmanship, the Board of Control did not consider it necessary to hold a hearing in this case.

Decision—James Sturgeon is to be considered by Lawrenceburg Consolidated High School as being ineligible for participation in interschool athletics during the remainder of the 1959-60 school year.

SHELBYVILLE HIGH SCHOOL—CHAMPIONSHIP RINGS

Shelbyville won the state basketball championship in 1947. That year the principal and coach did not receive championship rings. A request was made by the school to purchase rings for the 1947 principal and coach. Permission was granted.

FOOTBALL JAMBOREE

A Committee representing the South Central Athletic Conference to request permission for some of its members to engage in a football jamboree next fall after some of its members had played a scheduled game appeared before the Board. The Committee was informed that the Board of Control was not authorized to set aside a rule, and that the proper method is to file a proposal with the Athletic Council. The Committee indicated that a proposal would be filed.

ALL-STAR GAME

In accordance with a long standing policy of the IHSAA, the Board of Control decided to take no action regarding requests for sanction of any all-star athletic event where no high school student or school personnel is used. It is the unanimous opinion of the Board that the IHSAA has no jurisdiction over such events.

TELL CITY HIGH SCHOOL

Near the close of the 1958-59 basketball season Tell City fans contributed a sum of money purportedly to be used for the benefit of the basketball coach or coaches. A hearing was held on this matter, June 13, 1959, at which time Tell City School officials and coaches agreed that no part of these funds would be accepted by the coaches. Under date of March 14, 1960, Principal Hugh Thrasher filed an accounting of the funds with the IHSAA.

IHSAA BOARD OF CONTROL MEETING

Indianapolis, Indiana, April 2, 1960

The minutes of the previous meeting were approved as written.

CHAMPIONSHIP BASKETBALL TOURNEY SERIES

The management, officiating, and finances of all tourneys were checked. It is understood that all details concerning the tourneys from the sectionals through the finals will be audited by an independent auditor with complete reports published in the 1960 IHSAA Handbook. A brief summary will also be printed in the April issue of the Bulletin.

Ratings filed by the participating schools on the officiating will be kept on file for the benefit of the Board of Control in selecting officials for the 1961 tourneys.

IHSAA FINANCES

The Commissioner reported that $180,000.00 (maturity value) in the U. S. Treasury Bills had been purchased and deposited in the safety vault of the American Fletcher National Bank and Trust Company. Also that $40,000.00 in U. S. Treasury Bills which came due March 24, 1960, had been reinvested in Treasury Bills.

TRACK AND FIELD MEETS

Final approval was given to sites selected for the 1960 IHSAA Track and Field Meets. Approval was given to a list of applicants from which the Commissioner's office is to assign referee-starters for sectional and regional meets. Walter Thurston was selected to serve as Referee- Starter for the 1960 State Track and Field Meet.
to be held May 21, and Norman Dunlap was chosen as assistant starter. It is understood that where necessary some schools may be transferred to a different sectional when the total number of entries at each site is known.

The Board of Control approved the selection of Technical High School track and cafeteria facilities for the Meet. C. F. Dagwell was chosen as a representative of the IHSSA to select help and make the necessary arrangements at the field.

GOLF MEETS
Sites for sectional golf meets were chosen. It was voted to allow a sum of $20.00 to each sectional center school to pay a referee-starter and scorer. The amount to each to be determined by the Center Principal.

Fred Keesling was chosen as the IHSSA representative for the State Meet. Coffin Golf Course was selected as the site for the meet.

ST. JOSEPH'S HIGH SCHOOL (SOUTH BEND)

The rules state that a school may participate in a football jamboree not later than the second calendar day prior to the first scheduled game. The school asked what would be considered the second calendar day. It was the decision of the Board of Control that September 1, would be the latest date St. Joseph's High School could participate in a jamboree this year.

LEAP YEAR BIRTHDATE
Lowell High School has a student who was born February 29, 1944. His nineteenth birthday will occur in 1963, a non-leap year. The school requested a ruling in this case as to eligibility under the age rule for participation in spring athletics in 1963. The Board ruled that in a case of this kind, the student may consider March 1, as his birthdate in so far as participation in spring athletics is concerned.

LAWRENCEBURG HIGH SCHOOL—JAMES STURGEON
On March 18, 1960, the Board of Control ruled James Sturgeon, a senior in Lawrenceburg High School, ineligible for further inter-school athletics because of what was termed very unsportsmanlike conduct in striking Larry Curry, a Versailles basketball player, at the Connersville Regional Tourney.

Superintendent H. P. Harrison of Lawrenceburg had requested permission to appear before the Board along with James Sturgeon and Coach G. E. Bateman to discuss this case. James Sturgeon frankly told the Board that he had been very unsportsmanlike in his conduct. No new evidence was presented in the case.

Decision—Because the penalty assessed against James Sturgeon was the same as that in other cases of a similar nature, it was decided that no exception be made in this case. Principal Forest Waters (Versailles) a member of the Board of Control did not participate in this decision.

The Board of Control adjourned to meet again in the IHSSA Office, May 7, 1960, at 9:30 a.m.

IHSSA BOARD OF CONTROL MEETING
Indianapolis, Indiana, May 7, 1960

The minutes of the previous meeting were approved as written.

STATE CHAMPIONSHIP TRACK AND FIELD MEET
a. The Commissioner reported that 409 schools, with a total of 5,207 participants, had filed entry forms for the 1960 Track and Field Championship Series. Five schools, Evansville Lincoln, Gary Tolleston, Mooreland, Montpeller and New Carlisle, failed to get their entries to the IHSSA Office before the deadline, 4:00 p.m. April 28.

b. In addition to the regular rental fee of $300.00 for use of the Technical High School Field on May 21, 1960, approval was given for the payment of special police, guards, parking lot help, etc. These men had formerly been paid by Technical High School.

c. It was agreed that the five members of the Board of Control, in addition to serving as the Games Committee, would present individual awards. It was also agreed that the Commissioner present the championship trophy to the winning school.

MUNCIE CENTRAL HIGH SCHOOL—LYNN SHERMAN

Lynn Sherman enrolled in Muncie Central High School, February 15, 1960, as a transfer student from Corning Free Academy, South Corning, New York. He resides in the home of an uncle who teaches in Muncie Central High School.

Principal John Paul Huffman requested a ruling on Lynn's residence eligibility under the unavoidable change of residence rule. A written statement indicated that Lynn's change to Muncie was his own decision and not because of having a home.
Decision—Lynn Sherman is ineligible as to residence at Muncie Central High School for one calendar year beginning February 15, 1960.

INDIANAPOLIS WASHINGTON HIGH SCHOOL—JAMES W. SIMMONS

James W. Simmons resided with relatives in the Ben Davis District and attended Ben Davis High School. In December, 1959, the home in which he resides was discontinued. At that time, James moved to the Indianapolis Washington District. He continued in school at Ben Davis without notifying school officials of his change of address. In March, 1960, Ben Davis officials learned of the change and requested James to pay tuition as a non-resident. James withdrew and enrolled in Indianapolis Washington, March 22, 1960.

Decision—James W. Simmons is considered ineligible as to residence for one calendar year beginning March 22, 1960.

BUTLER HIGH SCHOOL—REFEREE TED BUTZ

Principal L. E. Lowe, Butler High School appeared before the Board of Control in regard to the manner in which a contract between his school and Referee Ted Butz of Fort Wayne was cancelled.

According to the information before the Board, Athletic Director John A. Reed (Butler) sent Referee Butz a contract signed by Principal Lowe to officiate a basketball game between Butler and Angola without first getting Angola’s approval. When Director Reed learned that Angola would not approve Referee Butz, he requested and received a cancellation of the contract with Butz on the pretext that the date of the game had been changed. No change in the date was ever made. Referee Butz learned, through the press that the game was played on the date originally scheduled. He informed the IHSAA of the manner in which his contract had been handled and requested that necessary action be taken to correct this situation.

After an investigation, the IHSAA recommended to Principal Lowe that Butler pay Referee Butz the $10.00 forfeiture according to the contract. This he declined to do, but instead made a request to appear before the Board.

Principal Lowe informed the Board that prior to the investigation he did not know of the manner in which Director Reed had secured the cancellation from Referee Butz. Also he stated, in a prepared statement to Board of Control Members, that Director Reed had erred twice by first sending a contract without approval of the competing school and secondly that he misrepresented the reason for cancellation as the date of the game had not been changed.

At the close of the hearing Principal Lowe agreed to send Referee Butz $10.00 immediately. The Board of Control reminded Principal Lowe of his responsibility for his school’s athletic program in accordance with the rules of the IHSAA. Regardless of the delegation of duties, the final responsibility belongs to the principal. He was advised also to supervise carefully all contractual relations connected with the athletic program and to insist that carbon copies of correspondence concerning contracts be filed in his office.

FINANCES

U. S. Treasury Notes in the amount of $20,000.00, paying 3½% interest, are due and payable May 15, 1960. The Board approved exchanging these notes for a new issue of Treasury Notes at 4% interest and due in five years.

ATHLETIC INJURY INSURANCE

Mr. Fisk Landers (Indianapolis), representing Mutual of Omaha, appeared before the Board in connection with athletic injury insurance for 1960-61. He explained that a small increase would be necessary in the premium on some types of policies due to losses sustained by the Company during the past three years (on IHSAA athletic injury insurance). The largest of these changes is $1.00 on the all sports policy, including football.

The Board voted to renew the contract with Mutual of Omaha. The President and Commissioner were authorized to sign the contract on behalf of the IHSAA.

IHSAA OFFICE

Approval was given for two weeks vacation, with pay, for Miss Betty Sizelove and Mrs. Paul Ashley, regular office employees. Authorization was also given for the employment of extra help during the summer when regular employees are on vacation and also to assist in reregistration of officials and other duties.

PRINTING COURT RECORD—STEVenson CASE

The Board approved an agreement whereby the National Federation of High School Athletic Associations would pay for the printing of 200 copies of court records on the Stevenson Court Case, with the understanding that the National Federation gets 100 copies for distribution to other state athletic associations. The remaining 100 copies would be for the IHSAA. Authorization was given for the IHSAA to order an additional 50 copies to be printed.

PROPERTY TAX EXEMPTION

The Commissioner was authorized to sign and file with the Auditor of Marion County Form 5 requesting property tax exemption on IHSAA office furniture and fixtures under the provisions of Sections 2 and 5, Chapter 354, Acts 1959.

The Board of Control adjourned to meet again on May 21, 1960, at 11:30 a.m. at Technical High School.

JUNE BOARD OF CONTROL MEETING

Plans were outlined for the last meeting of the Board for the current fiscal year to be held at French Lick, Indiana, June 11, 12, & 13, 1960. It was understood that the wives of the Board Members, Commissioner and Assistant Commissioner were to be invited to the meeting as guests.

French Lick, Indiana, June 11-13, 1960

The minutes of the previous meeting were approved as written.

TRACK AND GOLF MEET FINANCIAL STATEMENTS

Financial statements of the 1960 IHSAA Track and Golf Meets were submitted by the Commissioner and approved by the Board of Control and ordered published in the 1960 Handbook.

BUDGET AND FINANCES

Careful consideration was given to the estimated expenditures recommended by the Commissioner for 1960-61, and were adopted as submitted. The Board gave approval to a few expenditures in excess of the 1959-60 estimated expenditures. The Commissioner presented a statement of receipts and expenditures over the past twelve months together with an itemized statement of government securities owned by the IHSAA at present. It is understood that an independent audit will be made by Ernst and Ernst, Accountants, soon after July 1. Results of this audit will be presented at the next meeting of the Board of Control and published in the 1960 Handbook. The Commissioner was authorized to deposit with the American Fletcher National Bank and Trust Company of Indianapolis, for exchange or credit to the account of the IHSAA, such securities as may come due. Since a portion of the funds is to be used for current expenses, authority was given to sell and deposit to the account of the Association securities as needed to keep a safe balance in the bank. It is understood that all transactions in securities are to be reported to the Board of Control at the next meeting following such transactions.

The Commissioner reported that U. S. Treasury Bonds, due November 15, 1960, @ 2 1/2%, were exchanged on June 9, 1960, for U. S. Treasury Notes, due May 15, 1964, @ 3 3/4%. The Board authorized the Commissioner to pay salary and other current bills a few days in advance of June 30, in order that these checks may be cleared through the bank before the beginning of the new fiscal year, July 1.

SPECIAL DISTRIBUTION OF SURPLUS FUNDS

After giving careful consideration to the amount of funds on hand, estimated expenditures during the coming year, and the need for adequate reserve in the IHSAA treasury, the Board set $140.00 as the maximum amount of surplus funds to be paid any member school in the special distribution to be made October 1, 1960. Because there was a regular distribution in 1959, all the money to be distributed was earned during the current year.

It was decided to make this distribution according to the following plan:
1. One hundred five dollars ($105.00) for participation in the 1960 Sectional Basketball Tourney.
2. Thirty-five dollars ($35.00) for membership in the IHSAA during the membership year, 1959-60.
3. Any school sharing the special distribution must be a member in good standing and existing as a high school at the time of the distribution.
4. No school shall receive credit for a year's membership unless it was a member of the IHSAA on January 1, 1960.
5. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The check for one share shall be sent to the principal of the new or resulting school.

OFFICIALS, FILMS, COACHING SCHOOLS AND CLINICS

Assistant Commissioner Hinshaw gave three reports to the Board of Control. The first covered the year's activities in connection with the registration and approval of officials for the various sports. The second dealt with the cost of the IHSAA film service and the extent to which the films are used by member schools and other organizations. The third covered coaching schools and rules clinics for the various sports.
SALARIES OF COMMISSIONER AND ASSISTANT COMMISSIONER

The Board of Control unanimously voted to increase the salary of Commissioner L. V. Phillips from $18,500.00 per annum to $19,250.00 per annum, effective for the period, August 1, 1960 through, July 31, 1964. It was understood that the present agreement between Commissioner Phillips and the Board of Control will continue in full force and effect through, July 31, 1960. Terms of the agreement were put into writing and signed by all members of the Board of Control and L. V. Phillips.

The Board of Control unanimously voted to increase the salary of Assistant Commissioner Robert S. Hinshaw from $14,000.00 per annum to $14,750.00 per annum, effective for the period, August 1, 1960 through July 31, 1964. It was understood that the present agreement between Assistant Commissioner Hinshaw and the Board of Control will continue in full force and effect through, July 31, 1960. Terms of the agreement were put into writing and signed by all members of the Board of Control and Robert S. Hinshaw.

DATES FOR IHSAA TOURNAMENTS AND MEETS

Approval was given for dates of IHSAA tournaments and meets through the 1964-65 school year with the understanding that adjustments could be made in these dates if unforeseen circumstances should make such action necessary or advisable. All dates will be published in the 1960 September Bulletin.

ANNUAL MEETING

The Commissioner reported that plans had been completed for the IHSAA Annual Meeting to be held at the Indianapolis Manual High School Auditorium at 10:00 a.m., October 28, 1960. Jesse Owens of the Illinois Youth Commission was approved as the principal speaker.

IHSAA OFFICE

Consideration was given to the advisability of replacing some of the older furniture in the IHSAA Office with the understanding that recommendations regarding this matter be submitted at a later meeting.

NATIONAL FEDERATION MEETING-LOOKOUT MOUNTAIN, TENNESSEE

President H. T. McCullough and Board President Otto Albright reported in detail on the 1959 Annual Meeting of the National Federation of State High School Athletic Associations held June 28-July 2, at Lookout Mountain, Tennessee. Both were highly complimentary of the work being done by the National Federation. Each stated that in his opinion Indiana ranks among the very top state high school athletic associations.

Both men gave interesting summaries of the meetings attended especially where the discussions included court cases in other states.

PROPOSALS—None filed.

COMMITTEE ON TENNIS

Secretary C. H. Englehardt of the South Central High School Athletic Conference had filed a letter on behalf of the Conference requesting that a Committee be appointed to explore the possibilities of holding a state championship tennis tournament. After considerable discussion concerning the matter, President McCullough was authorized by unanimous vote of the Council to appoint such a committee to make a survey and report to a later meeting.

President McCullough appointed the following named Athletic Council Members: Harold S. Johnson, Chairman; Marion Crawley; and Herman F. Keller.

DISCUSSION TOPICS

The following topics were discussed, but no action was taken:

1. The undue influence rule
2. The Stevenson (Seymour) court case
3. The change of residence rule
4. The problem of errors made by principals in filing entry blanks for IHSAA tournaments and meets.

The Athletic Council adjourned to meet again in Indianapolis, at 6:00 p.m., May 21, 1960.

Skillman, Class 2; Leo Costello, Class 3; Harry Stoneburner, Class 4; and Harold Johnson, Class 5. The Council elected Judson Erne as its president for the year, 1960-61.

PROPOSALS:

FOOTBALL JAMBOREES

"A member school may participate in a football jamboree after ten days of practice by the team and players even though school may not be officially in session." (Submitted by the South Central Conference.) Proposal tabled.

TRACK AND CROSS COUNTRY

A committee on track be appointed at the May meeting of the Athletic Council to study recommendations by the Indiana Track Coaches Association for changes in the conduct of track and cross country meets with the understanding that the committee make a report to the October meeting of the Athletic Council." (Submitted by Principal James Conover, Terre Haute Garfield) Unanimously approved. President McCullough appointed Lester M. Parker, Chairman; and Judson Erne and Norman Hubner to serve on the committee.

WRESTLING

(Submitted by Northern Indiana Athletic Conference)

Part 1—"A student shall be considered as having engaged in a bout if he has officially weighed in and his weight has been recorded in the official score book. A school may weigh in more than one contestant in any weight, and the regulation in regard to having engaged in a required bout shall apply to all."

The present IHSAA rule reads as follows: (Division III, Rule 30, 1959 IHSAA Handbook, page 38)

"A student shall be considered as having engaged in a bout if he has officially weighed in, his name has been recorded in the official score book, and he has appeared on the mat in uniform willing to wrestle."

Part 2—"A student must have weighed in a minimum of six times for interschool dual meets to be eligible for the IHSAA series of tournaments."

The present rule reads as follows: (December, 1959, IHSAA Bulletin, page 11, rule 5)

"A student must have wrestled in a minimum of six interschool dual meets or tournaments in his qualifying weight classification to be entered in that weight division for the IHSAA tournament series."

During discussion of these proposed changes in wrestling, Chairman H. T. McCullough of the IHSAA Wrestling Committee reported that the Committee had recommended no change be made in the qualifications for a student to enter IHSAA championship wrestling meets.

These proposals on wrestling were tabled by unanimous vote.

TENNIS CHAMPIONSHIP

Chairman Harold S. Johnson of the Tennis Committee reported on a recent survey to determine whether schools sponsoring interschool tennis desired a state championship in that sport. Seventy-six of eighty-seven schools returned the questionnaire with the following results: Fifty-seven favored and nineteen opposed a state championship. Sixty-one schools indicated they would participate if a state championship is established. Fifteen said they would not participate. Thirty-eight schools preferred to have the meet in the spring while nineteen preferred the fall. Several principals qualified their answers by indicating participation would depend on the amount of school time, if any, required to hold the meet.

The report was referred to the Board of Control for further consideration.

STEVENSON CASE

The Indiana Supreme Court rendered its decision since the last meeting of the Council; therefore, President Albright and the Commissioner gave a final report on the Stevenson vs. IHSAA Court Case. This included implications of the decision, court costs and attorney's fees, and plans to publish court records to be used by the National Federation for distribution to all other state athletic associations.

117
PARTICIPATION BY INELIGIBLE STUDENTS

When an ineligible student participates in an interschool athletic contest, Division V, Section L, Rule 4, applies. It states, "Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following." Some principals have expressed the opinion that the penalty is too severe on the student.

Following considerable discussion the Athletic Council voted to continue this rule as presently written.

The Athletic Council adjourned to meet again at 6:00 p.m., October 26, 1960.

AND OTHER FINANCIAL INFORMATION

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

June 30, 1960

Board of Control,
The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of The Indiana High School Athletic Association for the year ended June 30, 1960, and the statement of securities owned at June 30, 1960. Our examination included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We reconciled the balance of cash on deposit June 30, 1960, to the amount reported directly to us by the American Fletcher National Bank and Trust Company, Indianapolis, Indiana. Our examination included reconciliation of recorded cash receipts for the year with deposits as evidenced by bank statements on file. Cancelled checks returned by the bank were compared with the record of cash disbursements, and the cash disbursements were supported by examination of invoices, expense reports, and other data. Securities owned by the Association at June 30, 1960, were presented for our inspection.

In our opinion, the accompanying statements of cash receipts and disbursements and securities owned present fairly the recorded cash transactions of The Indiana High School Athletic Association for the year ended June 30, 1960, and the securities owned by the Association at June 30, 1960.

FOOTBALL
In the sixteen football conferences over the state, twelve schools repeated as champions or co-champions. Eight of these schools retained individual crowns won the previous season. Four squads had to be satisfied with co-championships.
Several schools reported undefeated seasons. They were: Oak Hill 7-0, Columbus 10-0, Huntington 10-0, Indianapolis Cathedral 10-0, South Bend Central 10-0, Indianapolis Washington 8-0-1, Rockport (8 man) 8-0. The past few years conference and city championships have created considerable interest in the pigskin game. A large number of schools are now playing a full ten-game schedule.
During the 1959 season, 224 schools reported they were engaging in eleven-, eight-, or six-man football, which is an increase of eight schools over 1958. This is about the average increase over the past four-year period. The consolidation of schools has had a bearing on the expansion of this phase of the interscholastic sports program.
Many jamborees are now being played over the state prior to the opening game of the season. Four-team affairs seem to be more popular. There is some sentiment that the opening date for scheduled football games should be not earlier than the first Friday in September.
The Association does not sponsor a series of games to determine a champion, but each year honors teams with outstanding records by carrying their pictures in the Handbook. If a print was submitted, these squad pictures may be found following the list of high schools participating in the sport.

CROSS COUNTRY

The fourteenth running of the IHSAA state cross country championship meet saw Anderson repeating its habit of winning cross country crowns by posting a score of 156 for first place. The Indians have now won eight times and were co-champions in 1946. In 1958 they placed second.

Indianapolis Shortridge, the champs of 1953 and 54, gained the second spot with a score of 171. Elkhart placed third with 185, defending champion Muncie Central finished fourth with 240 and Calumet Twp. nosed out Indianapolis Cathedral for fifth with 241. Anderson runners with a well-balanced performance placed runners in the following team positions: 20th, 21st, 24th, 37th and 54th.

Tim Bagby of Chesterton, running in his fourth state meet, outdistanced a record field of 214 athletes representing 45 schools for a South Grove course record of 9:48.2. Thomas Hinkle of Washington Catholic came in second; Jack Armstrong, Michigan City, finished third; Henry King, Ft. Wayne Central, placed fourth and Charles Umbarger, Elkhart, the 1958 champion and making a bid for his second straight win, could do no better than fifth.

In the eight sectional meets, 212 schools were entered with 2153 athletes. This was a new record field for sectional competition. A total of twenty-nine schools qualified full teams for the state meet. Sixteen other schools had seventeen individual representatives. Starting the race were 214 contestants with 212 finishing.

SECTIONAL CROSS COUNTRY MEETS
THIRTEENTH ANNUAL

(These rules are reprinted from the September 1959 Bulletin)

The sectional cross country meets will be held this year on Tuesday, October 20, 1959, after 3 p.m. These meets are conducted as an elimination series in order to select teams and individuals for the state cross country meet.

Eight sectional centers have been chosen over the state. The following bases were used in selecting these centers: schools competing in cross country in 1958, travel distance number of teams in that area, and a willingness on the part of high schools to make their facilities available for the promotion of these meets. The Board may find it necessary to alter this plan and add more centers if a greater number of schools enter than is anticipated. Representation to the state meet will be determined by the number of teams competing in each sectional meet.

Schools have been assigned by counties, and the accompanying plan gives the Center Principals and the counties assigned to each center.

Official entry lists are necessary and accompany this bulletin to the principal.
ASSIGNMENT OF SCHOOLS TO CENTERS BY COUNTIES

ANDERSON—(David L. Adams, Principal) Blackford, Delaware, Fayette, Franklin, Grant, Hamilton, Henry, Howard, Jay, Madison, Randolph, Tipton, Union and Wayne.

FORT WAYNE NORTH SIDE—(O. Dale Robertson, Principal) Adams, Allen, DeKalb, Huntington, LaGrange, Miami, Noble, Steuben, Wabash, Wells and Whitley.

HOBART—(Harold Moody, Principal) Lake (schools located north of U. S. Road 30)

INDIANAPOLIS TECHNICAL—(C. L. McClintock, Principal) Bartholomew, Brown, Dearborn, Decatur, Hancock, Jefferson, Jennings, Johnson, Marion, Ohio, Ripley, Rush, Shelby and Switzerland.

JASPER—(Claude Miller, Principal) Clark, Crawford, Daviess, Dubois, Floyd, Gibson, Harrison, Jackson, Knox, Lawrence, Martin, Orange, Perry, Pike, Posey, Scott, Spencer, Vanderburg, Warrick and Washington.

VALPARAISO—(King Telle, Principal) Benton, Jasper, Lake (schools south of U. S. Road 30), LaPorte, Newton, Porter and White.

MANAGEMENT—The management of these meets rests solely with the Board of Control. Responsibility for local arrangements has been delegated to the center principals. All meet officials will be selected by the center principals, except the referee-starter, who will be assigned by the Board of Control.

The meet must be held Tuesday afternoon, October 20 after 3 p.m. unless previous arrangements have been made by the center principal. The center principal shall notify all participating schools and the IHSAA office by Friday, October 16, as to the time and place of holding the meet. The center principal shall arrange a program for his meet from the list of entries sent to him by the Commissioner. Team positions at the start are to be drawn by lot.

OPEN CONTEST—These meets are open to all members of the IHSAA except to schools holding modified or associate memberships. A school may certify twelve students, with no more than seven participating as a team for the championship. Schools that do not enter a team may enter one or more students to compete for the individual awards.

Note: Each year some schools file entry blanks, then fail to participate in the meet. You are requested not to file an entry blank unless you fully intend to enter a sectional meet. If for any reason, after filing an entry blank, it becomes necessary to withdraw, please notify the IHSAA office and the Sectional Center Principal immediately.

ENTERTAINMENT—The center principal shall provide adequate dressing rooms, lockers and shower facilities for all contestants.

EXPENSES—There will be no entry fee. Traveling expenses, meals and lodging are to be paid by the competing schools.

ELIGIBILITY—The eligibility of each player shall be certified to the principal of his school. The official entry list must be used, and all data given. Entries positively will close Monday, October 12. The entry lists must be in the hands of the Commissioner, complete in every detail, by 4 p.m. on that date. Twelve students may be certified for the meet, with seven or less participating on the day of the meet.

LENGTH OF COURSE—The course must be approximately two miles in length. If possible, it should be laid out on rolling terrain.

SCORING—All competitors who complete the race shall be ranked and tallied in accordance with their placement at the finish. Individuals are ranked and tallied in the placement column, but their position is dropped and not recorded in the team scoring column. The team score shall be determined by totaling the points scored by the first five finishing contestants on each team. The team which scores the lowest number of points will be the winner. It is considered a tie event if two or more teams score the same number of points. Individual ties shall be decided by lot.

RULES—Each contestant shall wear numbers on both the front and back of his shirt. The rules of cross country running as found on pages 30 and 66 in the 1959 National Alliance Edition of the Track and Field Rules shall govern—with the exception of the length of course.

PRIZES—Suitable ribbons will be presented by the IHSAA to the members of the teams qualifying for the state meet, provided they finish the race. The first five individual winners will receive ribbons.

QUALIFICATIONS FOR STATE MEET—Representation at the state meet will be determined by the number of teams competing* in that sectional, as follows: Seven or less, one team. Eight to fourteen, two teams, Fifteen to twenty-one, three teams. Twenty-two or more, four teams. The first five individuals to finish shall be eligible for the state meet regardless of their team position.

* A school must have five or more boys finishing the race to be a team competing in that sectional.
STATE CROSS COUNTRY CHAMPIONSHIP MEET

The Fourteenth Annual State Championship Cross Country Meet will be held on Saturday morning, October 31, 1959, at 11 a.m. on the South Grove golf course, located at 18th Street and E. Riverside Drive in Indianapolis.

ENTRANTS—The individual winners and the qualifying teams from each of the sectional cross country meets (held on October 20) will be eligible to compete in this meet.

MANAGEMENT—The management of this meet rests solely with the Board of Control. Officials in charge will be selected by the Board of Control.

ENTRIES—Entries will be limited to the students certified by the principal for the sectional meets.

ENTERTAINMENT—A lunch allowance of $1.25 for each actual participant and one coach from each competing school will be paid by the IHSAA.

LENGTH OF COURSE—A course two miles in length is planned over a rolling terrain.

RULES—The rules as outlined for the sectional meets will be in force.

SCORING—(See Sectional.)

PRIZES—The IHSAA will award the winning school a trophy, and individual medals to members of the teams finishing first, second and third. Only actual contestants will be eligible for awards. Medals of gold, silver or bronze will be awarded to the individual winners of first, second, third, fourth or fifth place in the race.

ADMISSION—There will be no admission charge. Coaches and spectators will be restricted to roped areas and will not be allowed on the course during the race.

REGISTRATION—All contestants must be checked in at the South Grove Club House by the coach or principal. The check-in office will be open at 9:00 a.m. on Saturday, October 31. All teams must be checked in by 10:00 a.m. in order to complete arrangements for the meet. Principals, or their representatives, are responsible for the proper registration of their teams on time. Correct expense accounts must be filed at the time of registration. Expense statements will be mailed all participating schools before the meet. Principals are responsible for the statements. (See Entertainment.)

WRESTLING

Competing in its fourth season of wrestling, Indianapolis Wood won the IHSAA state championship for the first time by scoring 32 points before 2500 cheering fans at the Southport gymnasium. Southport was second with 27 points and Indianapolis Broad Ripple placed third with 24. Defending state champion Indianapolis Shortridge scored 22 for fourth. Anderson was fifth with 21 and Bloomington came in sixth with 20 points.

The champions won two individual championships when McGrone heavyweight pinned Strieter of LaPorte and Moore finished strong over Ashman of Southport in the 127 pound class. Indianapolis Broad Ripple had two individual champs in Atkinson 145 pound division and Herald in the 120 class. McGrone of Wood and Muncie Central's Barnett 103 division champ were the only 1959 winners to come through again this year.

Conward Bivens of Anderson 165 class was selected as the outstanding wrestler of the meet by a vote of the coaches. Bivens defeated Jeter of Shortridge, last year's state champ, in the afternoon match. Bivens is a football player and a junior.

The same elimination plan was used as last year. Eight sectional sites were established with first and second in each weight classification advancing to the regional. First and second place regional winners from each weight division competed in the state meet. A total of 73 schools entered sectional competition. This was 5 more schools than entered in 1959.

### SWIMMING

Defending champion Columbus won the IHSSA swim championship in the Purdue University Fieldhouse pool by a wide margin. The champs scored 79 points, Muncie Burris came in second with 56 points and New Albany scored 29. These two schools reversed their final positions of last year.

The champs won five individual events and one relay in posting their wide margin of victory. During the meet six state records were broken, and the Bulldog swimmers accounting for five of them. Claude Thompson of Columbus was a double winner by gaining the first in the 50 yard free style and 100 yard free style. In both events he established new state meet records. Another double winner was Wayne Thompson of Columbus in the 200 yard individual medley and a new state meet record time in the 100 yard breast stroke. Larry Schulhof of Muncie Burris led the field in the 100 yard butterfly and a new state record. Columbus won the 200 medley relay in state meet record time. Lafayette Jefferson captured the 200 yard free style relay.

Twenty-two schools competed in the meet this year which was an increase of three over 1959. A total of 282 contestants entered the eleven event program. This was 25 more athletes than last year.

The first half of the 50th annual state championship game saw East Chicago Washington leading Muncie Central one point at the first quarter 17-16 and retaining that advantage at the half time 38-37. During the third quarter the Senators gained a 5 point advantage and led 52-47. In the last half the team from the Calumet region pulled away for a 74-59 victory and their first state championship.

Muncie’s Bearcats were a heavy favorite to capture the championship, having 28 straight victories to their credit and undefeated in season’s play. Outstanding rebounding and a .429 shooting percentage turned the trick for the Senators. They came into the tourney with only 2 defeats. Jim Bakos of Washington who did not start, turned the tide by leading his teammates with 14 rebounds out of 50 captured by the champions.

In the first afternoon game Muncie Central ran away from the Bloomington Panthers and dropped them from the running 102-66. The Bearcats superb shooting of 44 out of 88 attempts for a .500 shooting percentage was the difference. Ron Bonham of the Bearcats hit 15 of 32 attempts and dropped in 10-11 from the charity stripe for 40 points. The 102 point total was the most ever scored in the state finals. Bonham’s 40 points was a new individual record for state final play.

East Chicago Washington reached the championship game by defeating Fort Wayne Central in the second afternoon game 62-61. With the score tied 59-59 Dawkins hit a lay up with 23 seconds to go and a free throw with 7 seconds on the clock. Fort Wayne’s T. C. Williams closed the scoring with a bucket in the last second of play.

Neither team led by more than four points in the nip and tuck contest. The lead changed hands 18 times and the score was tied 12 times. Washington led at half time 21-20, following a 15-13 first period. Fort Wayne outscored East Chicago 17-15 during the third quarter for a 44-44 tie.

Percentage wise both teams were about even with Fort Wayne leading in the rebounding department 48-45. East Chicago had the advantage in shooting with a .364 to the Tigers .329. Fort Wayne made 13 errors and the Senators 12.

A total of 694 schools entered state championship play. This was 16 less than in 1958 which was due to many consolidations. Inclement weather during sectional play no doubt held down attendance which was down about 11,000. The paid attendance was 1,497,674. Gross receipts were up for a new record $1,000,159.70. This was due to a slight increase in ticket prices for all tourneys except the sectionals.

The Board of Control unanimously selected Robert Carroll of East Chicago Washington as the winner of the Arthur L. Trestler Award for Mental Attitude.

ANNOUNCEMENT OF STATE BASKETBALL TOURNER SERIES

THE FIFTIETH ANNUAL

These rules are reprinted from the January 1960 Bulletin.

The Board of Control has completed the details for the State Championship Basketball Tournaments and announces the plan in full, with the understanding that the Board of Control reserves the right to readjust the plan and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

IMPORTANT INFORMATION CONCERNING SECTIONAL, REGIONAL, SEMI-STATE AND STATE TOURNÉY

1. TYPE OF BALL—The molded type basketball, natural tan or orange has been legalized for the State Championship Series.

2. PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

3. RADIO SERVICE—Stations in Indiana may broadcast IHSAA tourneys provided the requirements in the “IHSAA Rules and Regulations Governing Broadcasting” are observed. Station managers and Center Principals will have copies of these rules and regulations.

4. PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games, except where photographers use speed light cameras. This ruling is meant to protect the vision of the players. Photographers desiring to take pictures shall make previous arrangements with the management of the tourney. The number of photographers and their locations shall be determined by the Center School management.

5. SOUVENIR PROGRAMS—Souvenir programs other than those provided by the IHSAA shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. Neither the Board of Control nor the Commissioner’s Office will approve the distribution of such material at any tourney. Any one claiming to have such approval should be reported to the IHSAA office immediately. All principals should notify their business men now.

6. SUGGESTIONS—Sectional Center Principals and participating principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference of all principals, several days prior to the tourney, would result in an agreement on all points such as meals, transportation, rest rooms, seating, tickets, reports, etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

7. MANAGEMENT—The exclusive control of all these tourneys rests solely with the Board of Control according to the IHSAA Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board of Control, and every effort will be made to choose only fair, disinterested and competent men. All schedules and assignment of officials will be made and distributed by the Board.
All schedules will be drawn by lot by the Board of Control, and no changes will be made in them. Representatives of the press will be invited.

8 TIME SCHEDULE—The Board of Control has ruled that all tournaments must be scheduled on Central Standard Time. Master schedules will be mailed to all center principals soon. A center principal, for administrative reasons, may request an adjustment in the schedule for his center provided such request is based on Central Standard Time and complies with the Attorney General's opinion issued September 23, 1957. Approval for any change is at the discretion of the Board of Control.

THIS WRITTEN REQUEST MUST BE FILED NOT LATER THAN JANUARY 11.

9. DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools enter the tournaments with this understanding. Give this information to your students and fans now.

10. PRIVILEGES—Ten competing players, one coach and one faculty manager for each team (12 in all) shall be admitted free to all games.

11. WARM UP PERIOD—There shall be at least ten minutes allowed between games for warm up practice. During a session, this period shall start with the ending of the previous game.

12. NUMBERING OF SHIRTS—In order for a school to be eligible to enter the sectional tourney, all players' shirts must be properly numbered according to Rule 3, Section 4 of the Official Basketball Rules.

SECTIONAL TOURNIES
February 24, 25, 26 and 27

The following bases were used in selecting sectional, regional and semi-state centers:

1. Invitations filed by the principals. (2) Locations considered but not necessarily the determining factor. (3) Transportation facilities. (4) General conditions—atmosphere of local authorities, floors, seating capacities and entertaining facilities. (5) Rotation. (6) Success and satisfactory management of previous tournaments. Many schools have been assigned by counties but there are a number of exceptions which are clearly indicated. Some changes were made to equalize the number of participating teams resulting in better balanced schedules or the use of less school time. The name of your county locates your center unless assigned otherwise. The plan arranged is to have no less than 8 teams and no more than 14 teams in each tourney, and the assignment of all schools is given in the list which follows. The number of schools that probably will enter the tourneys is indicated. No doubt those numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tournaments according to assignment. Entry blanks are necessary. An entry blank is enclosed.

*All semi-final and final games of two-site tourneys will be played at the site indicated by an asterisk (*).

MANAGEMENT—Two officials will be assigned to tourneys having 8 teams; three officials to tourneys having 9, 10, 11, 12 and 13 teams; four officials to 14 team tourneys and four officials to each two-site tourney. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney.

TOURNEY REQUIREMENTS—A high school shall not be considered eligible for entering an IHSAA sectional basketball tourney in any year unless the team known as the first team and representing the high school has played eight (8) interscholastic games during that season before filing an entry blank. Schools holding modified membership are not eligible to enter.

ENTERTAINMENT—Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team's game. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the coach and a faculty manager) from each competing school according to the following plan:

1. Transportation—All schools are entitled to one-round trip mileage allowance each day the tourney is in session.

2. Meals—All schools are entitled to one meal for each day the tourney is in session.

3. Due to the variations of time schedules of “Two-site” and “One-site Two-Bracket” tourneys, the time schedules, entertainment schedules and admission prices will be set up by the IHSAA and sent to all center principals concerned. It will be the obligation of the Center Principal to send copies to all schools in his sectional area. The time schedules of all tourneys will be published as usual at the time of the drawings.

4. No lodging shall be paid.

Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools.

EXPENSES—An entrance fee of one dollar ($1.00) for each team must accompany the entry blank. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

184

ONE-SITE TOUREYNS:

Season ticket:
   a. Four-session tourney………………………………...$2.00
   b. Five-session tourney………………………………...2.50
   c. Six-session tourney………………………………...3.00

185
Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets.

ONE-SITE TWO-BRACKET AND TWO-SITE TOURNEYS:
Due to the variation in the number of sessions, season ticket prices shall be established by the Board of Control through the IHSAA office and the Center Principal.
No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. All requirements of the State and City Fire Marshals shall be met in all tourneys.

DISTRIBUTION OF TICKETS—The following plan for the division of sectional tourney tickets was adopted by the Board of Control:

1. Deduct from the total number of tickets available, twelve tickets for each competing school, press and complimentary tickets. Each Athletic Council Member and each Ex-Board member shall be granted two tickets to the sectional in their area upon request by Thursday, February 18.

2. Ten percent of the remaining tickets shall be divided equally among the competing schools. (Every school regardless of enrollment, has a certain "must" list; such as assistant coaches, trainers, student managers, cheerleaders, etc. This allotment is intended primarily for this use.)

3. The remaining ninety percent shall be divided among the competing schools on the basis of enrollment of each participating school as certified to the State Department of Public Instruction. September 15, 1959, or the third day of school if the opening day is later than September 15.

No tickets shall be distributed until the Center Principal has received his copy of the draw. Season tickets must be ready for distribution by Friday, February 19. All ticket information should be secured prior to this date. The IHSAA will furnish Center Principals with enrollments of all high schools participating in their tourney. Season tickets unsold shall be returned by 9:00 a.m. on the day the tourney begins, except that in "two-site" and "one-site two bracket" tourneys, they shall be returned by 4:00 p.m. the day before the tourney if the tourney begins with a day time session; and by 2:00 a.m. on the day of the tourney if the tourney begins with an evening session. The Center Principal is under no obligation to accept the return of tickets after these hours, unless previous arrangements have been made with him.

WARNINGS—Entries close at 4:00 p.m., Wednesday, February 16, and cannot be changed or accepted afterward. An entrance fee of one dollar ($1.00) must accompany each entry blank. Special privileges will not be granted. Send all entry blanks and checks to IHSAA, 812 Circle Tower, Indianapolis. All data must be given on entry blank. Get all data right the first time and on time, but do not mail blanks before February 1. Late or incomplete entry blanks cannot be accepted. Be sure to send only the "Official Entry Blank" to the IHSAA.

REGIONAL TOURNEYS MARCH 5
Each of the sixteen (16) regional tourneys will have four (4) teams and will play to a winner, according to the following assignment. The winners in each of the sixteen (16) regional tourneys will constitute the teams in the semi-state tourneys according to assignment.

ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These teams may or may not be made up of the same men who participated in the sectional tourneys. The sectional entry blank will suffice for regional tourneys and will be used as made, unless you instruct the IHSAA office otherwise on Monday, February 29. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, February 29. (Ask for Miss Szelove who has charge of making the changes.)

DISTRIBUTION OF TICKETS—All tickets shall be distributed by the Center School Principal according to the following plan:

1. Season tickets only shall be sold prior to Saturday, March 5.

2. Each Center Principal will be required to keep on file the full names and addresses of all ticket purchasers prior to the open sale, together with the number of tickets purchased by each and shall make a complete report to the IHSAA. Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of the high school.

3. Press
   (a) Each paper within the regional district but outside of the tourney center may be granted one ticket upon request not later than Saturday, February 27.
   (b) Each daily paper in the tourney center and each daily paper in the city of a participating school may be granted 3 tickets upon request not later than Monday, February 29.
   (c) Papers outside of the state shall not be granted tickets unless they have a large coverage in the state, and then the limit is given under (a).
   (d) School papers shall not be granted tickets.

4. Radio. Each station broadcasting the games may be granted 3 tickets upon request not later than Monday, February 29.

5. Complimentary tickets shall be confined to those directly connected with the tourney. Each participating school is entitled to twelve complimentary tickets for the use of its ten players, the principal and the coach. Each Athletic Council member and each Ex-Board member may be granted two tickets to the Regional in his area upon request prior to Saturday, February 27. A list of the complimentary tickets must be furnished the IHSAA giving name, position and number of tickets.

6. The Center School, if not a participant, shall receive five percent of the number of tickets representing the actual capacity of the gymnasium.

7. Schools entered in a sectional tourney may secure twelve tickets to the Regional Tourney in their area. Orders must reach the Regional Center Principal between February 20 and 25. All principals should use the Regional Ticket Order enclosed with this bulletin, and should attach a check in the proper amount, sending the order and remittance TO THE REGIONAL CENTER PRINCIPAL IN THEIR AREA.

8. Each participating school may secure tickets at this stage as follows, provided they are purchased and paid for by the high school principal not later than Monday, February 29.
   (a) One-half of the tickets remaining divided on an equal basis.
   (b) One-half of the tickets remaining divided on an enrollment basis, the enrollment being that submitted to the Inspection Office of the State Department of Public Instruction September 15, or the third day of school, if the opening day is later than September 15, for the school years 9, 10, 11 and 12.
   (c) If one or more of these participating schools do not purchase all of the tickets allotted to them, then these tickets shall be apportioned to the other participating schools and the center school, if not a participant, on the two bases mentioned in (a) and (b).

9. All tickets remaining at this stage shall be placed on open sale on Thursday, March 8, 9:00 a.m., with the understanding that all sales shall be guarded to insure fairness to all.

ENTERTAINMENT—The Regional Center Schools have contracted with the Board to entertain twelve men (which must include the coach and a faculty manager) from each competing school. Entertainment will begin, if necessary, at 9:00 a.m. Saturday, March 5, and continue, if necessary, to 8:00 a.m. Sunday, March 6. All competing schools are requested to ask for no longer entertainment than is necessary. The Center Schools have contracted to make settlement out of the receipts of the tourneys according to the following plan and in the following order:

1. All legitimate expenses, such as meals, rooms, officials, etc., except for transportation, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center School.
The expenses of a manager, if any, belong to the Center School and not to the Tourney.

2. The Center High School shall receive two hundred dollars ($200).

3. The transportation shall be paid. (See sectional transportation allowance)

4. The Center High School shall receive one hundred fifty dollars ($150).

5. The IHSAA shall receive fifty per cent (50%) of the balance.

6. The remainder shall be divided as follows: (a) one-half equally among the participating schools and (b) one-half on the basis of season tickets sold and reported by the participating schools in the local communities on or before 4:00 p.m. Friday, March 4. This hour and date are binding on all schools. In the distribution of receipts, all tickets purchased according to the provision under “Distribution of Tickets,” Item 7, shall be credited to the winner of the sectional in which the school purchasing the tickets is located.

7. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

8. The Center School shall furnish a complete financial report to the IHSAA and to each participating school by Wednesday, March 9.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated and the tickets shall be printed with the following information on them:

1. Session ticket: $1.25

2. Season ticket: $2.00

Tickets shall not be sold for more or less than the prices listed. Season tickets only shall be sold prior to the opening session of the tourney. Any remaining seats may be sold as session tickets. No more tickets shall be sold than the seating capacity of the gymnasium will justify. Standing room shall not be sold or used. STATE TOURNEY
BUTLER FIELD HOUSE, INDIANAPOLIS
March 19

ENTRANTS—The four (4) winning teams of the semi-state tourney shall constitute the participants in the State Tourney. The schedule will be drawn by lot by the Board of Control according to sectional tourney plan.
ENTRIES—One entry fee covers all tourneys. Twelve men may be certified but no more than ten men may be in uniform and eligible to compete in any one game. Teams are limited to ten men in any one game. These men must be designated to the official scorer prior to the team’s game. These teams may or may not be made up of the same men that participated in the other tourneys. The semi-state entry blank will suffice for the State Tourney and will be used as made, unless you instruct the IHSAA office otherwise on Monday, March 14. If you desire to make any substitutions in your entry blank, wire or telephone the IHSAA office, giving complete data on Monday, March 14.

ENTERTAINMENT—Twelve men will be entertained on each team (which must include the coach and a faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: $500.00 for meals and lodging and $500.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Four cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The mileage shall be considered the most direct and reasonable distance by automobile from the high school of the participating school to the Fieldhouse in Indianapolis.

ADMISSION FEE—The admission fees will be as indicated and the tickets will be printed with the following information on them.

1. Session ticket: $3.75
2. Season ticket: $10.00

AWARDS—The winning school will be awarded a shield, cup or similar trophy and each member of its team an individual award. A trophy will be given to the runner-up team and individual awards to its team members.

The Arthur L. Trester Award for Mental Attitude will be presented to the athlete, who in the opinion of the Board of Control, shall qualify for this award.

CONDUCT OF PERSONS DURING STATE TOURY—The IHSAA endeavors to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, and instructs principals, superintendents, coaches, teachers, parents and communities that the receipt of tickets by their high school principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.

TIME OF GAMES—12:00, 1:15 and 7:15 p.m. (C.S.T.)

MANAGEMENT—The Board of Control has designated the Commissioner as Manager with Robert S. Himshaw, Assistant Commissioner, as Assistant Manager of this tourney. Their telephone number is Melrose 7-1519. Fred R. Gorman, Indianapolis, will assist with the arrangements for the tourney at the Fieldhouse.

Press and Radio reservations will be made directly to the IHSAA office. Requests should be filed not earlier than February 18 and not later than Thursday, March 10. An identification plan will be used for press representatives, who must be properly certified by their managers at the time requests are made.

Tickets—All tickets will be handled by the IHSAA office according to the following plan:

1. Season tickets only will be sold prior to Saturday, March 19. In recent years all tickets were sold prior to this date. If the capacity of the Fieldhouse is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity is estimated at approximately 14,943.

2. Each high school principal having a team entered in an IHSAA Sectional Basketball Tourney for 1960, and each high school principal holding a modified membership in the IHSAA, may order tickets to four (4) percent of his high school enrollment not exceeding 1000 students. Principals whose high school enrollments exceed 1000 may order 4% of the enrollment to 1000 and one (1) additional ticket for each 50 students, or fraction thereof, over 1000 enrollment. The enrollment shall be the same as submitted to the Inspection Office of the State Department of Public Instruction, September 15, 1959, for grades 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket and no school shall be limited to less than four tickets. Post graduates shall not be counted. Principals should carefully observe the limitations as outlined. If there are questions, ask them now. All enrollments will be checked with the report herein mentioned. Be sure you are right. A chart giving the enrollments with ticket allotments will be printed on the reverse side of the ticket order blank.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount payable to the IHSAA must accompany each order. Tickets purchased cannot be returned. Please do not send cash. The limitations below must be observed as given:

(a) Orders for tickets having official postmarks on the envelopes from and including Thursday, February 18, to and including Friday, February 26, will be accepted if received not later than Saturday, February 27. Ticket orders mailed prior to February 18 will be returned for proper mailing. The IHSAA reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Principals are obligated to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each principal will be required to keep on file the full
names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes.

Tickets distributed by principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

6. All tickets remaining unsold after the high school principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the principals of the 64 sectional tourney winning schools if ordered by them. Principals should state on their order blank, ordering their quota tickets according to enrollment, whether or not they would accept and pay for any tickets that cannot be distributed to them if they are sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than those remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be only a few or no tickets so remaining. None are guaranteed. Tickets purchased cannot be returned.

7. In order that all may know how ticket orders are filed, the following statements are made:

a. Ticket orders from principals are due any time from February 18 to February 26, inclusive. Postmark will determine mailing date.

b. Upon receipt of ticket orders in the IHSAA office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filed.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is entirely by lot and the plan automatically assigns the seats. The location of seats of any particular school depends upon date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about twenty percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Fieldhouse when they choose in any session, but they cannot re-enter until the next session. The Fieldhouse will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The IHSAA tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must remain seated in their own seat during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found on each floor at each end of the Fieldhouse.

7. Tickets will indicate the Gate, Ramp, Section, Row and Number. As you approach the Fieldhouse look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the west side of the playing floor and two blocks in the middle on the east side of the playing floor, having 1000 seats to the block, will be reserved until Monday, March 14, for the four schools whose teams are in the tourney. Twelve blocks of seats, immediately around the playing floor with 25 seats to the block, will be reserved for the other twelve schools participating in the semi-state tourneys. The high school principals, whose teams are represented, should contact the IHSAA office by Monday, March 14, about these tickets or they will be sold to other eligible schools. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the east end of the Fieldhouse. Look for the sign. A tourney physician and a nurse will be available during the tourney.

10. Principals are asked to instruct all ticket holders to refrain from smoking in the Fieldhouse. This precaution is taken for the benefit of the players and the safety of the spectators.

THE ARTHUR L. TRESTER AWARD

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. In 1944 it was known as the IHSAA Medal for Mental Attitude. In 1945 the Board officially named the award "The Arthur L. Trester Award for Mental Attitude."

The IHSAA Board of Control used the following data card this year to assist them in selecting the winner of The Arthur L. Trester Award for Mental Attitude.

The Principals and Coaches of the four schools filed with the IHSAA these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few boys on the winning teams have received the award but it is not true that the IHSAA has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the IHSAA desires to be proud of them always.

TRACK AND FIELD
Gary Roosevelt, a pre-meet favorite, became a five-time winner of the IHSAA State Track and Field championship by scoring 40 points. The Panthers won their first state meet in 1951. Roosevelt scored five firsts and accounted for two of the three new state meet records. They won both relays and scored in eight of the thirteen events to fulfill advance publicity.

Elkhart won the high jump, pole vault and mile run. These three firsts, with other places, gained them the runner-up spot with 22 points. Third place in team scoring went to Indianapolis Wood when they picked up 17 points. The fourth position was won by Indianapolis Shortridge by posting a team score of 15. Other teams scoring in double figures were Muncie Central and Fort Wayne North Side with 14 each.

Three new state meet records were established during the afternoon. Theus of Roosevelt was clocked in 48.9 in the 440 breaking the old record of 49.1. Bagby of Chesterton hit the tape in 1:56.5 to crack the 880 mark of 1:56.6. Roosevelt's mile relay runners accounted for the third record with a 3:23.4 to eliminate Froebel's mark of 3:24.7.

Other outstanding marks were made by Davis of Indianapolis Wood with a 9.9 in the 100. Umbarger of Elkhart ran the mile in 4:20.5. Elkhart's Miller cleared 6 feet 4 inches in the high jump and Nettles of Muncie Central covered the low hurdles in 19.3.

The track was not fast due to rain a few hours before the meet. A strong cross wind at times was a handicap to the runners. A crowd of three thousand watched the meet despite threatening weather conditions.

A total of 409 schools entered 5207 athletes in the sectional meets. This is a gain of 33 schools and 281 athletes over the 1959 entry list.

SECTIONAL TRACK AND FIELD MEETS
FOURTY-FOURTH ANNUAL
Friday or Saturday, May 6 or 7
(These rules are reprinted from the April 1960 Bulletin)

The following bases were used in selecting centers:

Schools have been assigned by counties, and the accompanying plan gives the Centers and the counties assigned to each Center. The name of your county locates your Center. The Board reserves the right to readjust the assignments. Entry blanks are necessary.

GOLF

The state golf championship traveled north again this year with LaPorte winning its first IHSAA state meet. The Slicers chalked up a 72-hole score of 318. A strong wind and a light rain kept the scores higher than expected. LaPorte team members and scores included Mike Purvis, 77; Bill Regnier, 78; Frank Harrell, 80, and Fred Henock 83.

Placing second was Lebanon with a score of 323. Indianapolis Broad Ripple finished a close third, taking 324 strokes. Fourth position went to Fort with a 325 and in fifth came Elkhart 329.

Ronald Frantz, Indianapolis Broad Ripple, and Tom Thomas, University Bloomington, one of the individual qualifiers finished with a six over par 76 for low medalist honors. Three players tied for the third spot with a score of 77. They were Jack Shaw Lebanon, George Ferguson, Indianapolis Broad Ripple, and Mike Purvis of LaPorte.

The four sectional meets attracted 119 schools, an increase of 9 schools over 1960. Eighteen schools qualified teams for the state meet and four other schools sent five sectional low medalists. A total of 77 players competed.
