### **REPORT OF NFHS SUMMIT AND LEGAL MEETING**

Commissioner Cox, Assistant Commissioner Kaufman and Attorney Bob Baker attended the two day event.

The NFHS Network was discussed heavily at the Legal Summit. Each state maintains 1% ownership of the network. The states contribute nothing to the model. The NFHS contributes 1.5 million. They would like all states to participate so that they can sell national advertising. The NFHS are asking for at least 26 states to commit before they initiate plans for the Network. The events are listed in three Tiers – Tier 1 is encumbered by the state association; Tier 2 is everything that the state association owns such as the state tournament series; Tier 3 is all regular season events. The NFHS Board of Directors voted to proceed with plans to bring this to a vote to the membership for approval at the Summer Meeting.

Commissioner Cox reported on topics discussed during the recent NFHS Summit and Legal Meeting. The significant presentation on unified sports and there was a teleconference with the Office of Civil Rights, and the requirements that are already in place for member schools. Broadcast rights specifically associated with the Gannett case were discussed as well. Catastrophic injury claims and the length and breadth of coverage by state associations were discussed. Appeals hearing similarities and differences across state associations were addressed.

A variety of legal issues were shared amongst state associations executive directors and association attorneys. Counsel Bob Baker addressed the special accommodation issue relative to the Office of Civil Rights. The OCR does not require member schools to create new programs, but requires schools to incorporate students into programs already in place.
