8) APPROVE SENDING EXECUTIVE STAFF AND BOARD OF DIRECTORS TO NFHS 101st ANNUAL SUMMER MEETING
Commissioner Cox requested permission for the Executive Staff and the Board of Directors to attend the annual meeting of the National Federation of State High School Associations in Denver, CO, June 28 – July 2, 2020.

A motion for approval was made by Tim Grove; seconded by Jim Brown; motion approved 18-0.
9) BUILDING RENOVATION PHASE 2 PRESENTATION
Director of Broadcast Operations Heath Shanahan and Brad Lindau of S.A. Berg Company presented a proposal to remodel and repurpose the back area of the IHSAA building. No additional square footage is being added to the current facility but the construction would create permanent office space for the IHSAA Foundation, a studio for broadcast and content creation, a new conference room and an updated shipping and receiving area.

The proposal included a design layout as well as both construction and studio buildout costs. It was estimated the project would take approximately four months to complete.

The Executive Committee will vote on the proposal at the March meeting.

10) BASEBALL PITCH COUNT ADMINISTRATION
Assistant Commissioner Robert Faulkens reported on the administration of the pitch count rule.

All tournament series games beginning with the Sectionals will have an Official Scorer for each game. The Official Scorer will count pitches for both teams.

At the conclusion of each inning, the head coaches will meet at the plate and exchange pitch counts for both teams for the inning which was just concluded. If there is a discrepancy, the Official Scorer pitch count will be used. The Official Scorer will notify coaches when a pitcher reaches each pitch count threshold (36, 61, 81, 101 and 120).

At the conclusion of the game, both coaches will reconcile the pitch count for each pitcher on each team. Any discrepancies in pitch counts will be determined by the Official Scorer Pitch Count.

The responsibility for administering the pitch count remains with the Head Coach. The Pitch Count is a Participation Rule and not a game rule. Much like the quarter count in football and basketball. It is not the duty, or responsibility, of the Umpires, nor the Official Scorer, to administer the Pitch Count.

11) TRANSFERS
Assistant Commissioner Paul Neidig reported on transfers that have been ruled on for the period of June 1, 2019-Feb. 13, 2020 and, for comparison, the numbers from the same period a year ago.
