Boys Golf State Finals Preview

The defending state champion returns for another shot at glory and a new individual medalist is a certainty as the 78th Annual IHSAA Boys Golf State Finals begin Tuesday at The Legends Golf Club in Franklin.

All competitors will play 36 holes over the two-day event. A total of 15 teams have advanced five golfers each and 25 individuals have moved on without their squads for a total of 100 participants representing 38 different schools. Groups will be teeing off the Middle 9 course and the Road 9 course at 8 am ET / 7 am CT on Tuesday. The first round tee times and pairings are available here.

Westfield won its first boys golf state championship a year ago and the third-ranked Shamrocks captured their first regional title shooting a 299 at Battle Ground on Thursday.

Defending individual champion Adam Wood of Zionsville will not return so the door is open for a new champion to emerge which could be any of those fresh off regional titles.

Among them are Graham McAree of Hamilton Southeastern, Dylan Holsclew of Plainfield, Christian Fairbanks of Columbus North, Matt Meneghetti of Lake Central and Tyler Prentkowski of Glenn. The former three have advanced along with their teams while Meneghetti and Prentkowski will compete as individuals.

Westfield’s Timmy Hildebrand, Mishawaka Marian’s Michael Makris and Columbus North’s Michael VanDeventer each finished in last year’s top 10 and return as does Dylan Meyer of Evansville Central, the state runner-up two years ago.

Besides Westfield, six others return from last year’s field of 15 squads including runner-up Columbus North, the regional winner at Champions Point last Thursday. The No. 2 Bull Dogs will be making their fifth consecutive appearance in the state finals and should be in the hunt for their first state championship since 1934.

Top-ranked Hamilton Southeastern, which finished second to Yorktown on Friday at The Players Club will be aiming for its first state title.

Unranked NorthWood won the school’s first regional championship during competition at Stonehenge and will be making the trip to state for the first time as a team.

Eleventh-ranked Plainfield ended a 78-year drought of qualifying for state when it bested the field at Country Oaks on Thursday. The Quakers last put a team in the finals field in 1936.

Fans and media are invited to view the progress of the state finals by visiting GolfStat.com. The IHSAA will post the hole-by-hole scores for every player throughout the two days.
