## Volleyball Pairings Released for 43<sup>rd</sup> State Tournament

With 397 teams entered along with 5,592 participants, initial matchups for the 43<sup>rd</sup> Annual IHSAA Volleyball State Tournament were announced this morning.

Sectional play begins on Tuesday, Oct. 21, and continues through Saturday, Oct. 25, at 64 sites across the four enrollment classifications.

Those sectional champions will advance to a one-match regional on the home court of one of the participating teams on Tuesday, Oct. 28, to be followed by a four-team semi-state on Saturday, Nov. 1. The four state championship matches at Ball State University's Worthen Arena are scheduled for Saturday, Nov. 8.

The four top-ranked teams in last week's from the Indiana Coaches of Girls Sports Association and [IndianaPrepVolleyball.com](http://IndianaPrepVolleyball.com) headline this year's field.

In Class A, No. 1 Wes-Del will take on Daleville in Sectional 55 at Cowan. In Class 2A, top-ranked and defending state champion Providence drew into the bye match against town rival Clarksville in Sectional 46 at Henryville. In 3A, No. 1 Mishawaka Marian will host Jimtown in the Sectional 19 opener for the second year in a row. And in Class 4A, top-ranked Roncalli will face Center Grove, another top five team, in the bye match in Sectional 13 at Franklin Community.

Avon, the two-time defending Class 4A state champion, will take a 14-match tournament winning streak into its first round contest against Terre Haute North in Sectional 12 at Mooresville. In Class 3A, defending champ Brebeuf Jesuit will meet host New Palestine in the Sectional 26 opener. And defending Class A champion Barr-Reeve will take on rival and host Loogootee in Sectional 23.

### **About the Draw**

*To conduct the random drawing for the volleyball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in match one with the second ball representing the home team in match one. The third ball to come out is the visitor in match two and the fourth ball the home team in match two. That same method is followed through all 64 sectionals as well as the semi-state round.*
