October 14, 2016

IHSAAtv App Available for AppleTV

A new app is now available for AppleTV users to watch IHSAAtv.org productions of Indiana high school sports.

The app is for the newest AppleTV, version 4 that came out earlier this year and viewable in crystal clear HD.

"Blueframe Technologies, the official streaming partner of the IHSAA, has released an app for the AppleTV appliance running version 4.0 software," said Rick Vanderwielen of IHSAAtv.org. High school fans can watch IHSAAtv productions and those of its affiliates, in high definition live and on demand by downloading IHSAAtv via the AppleTV app store. Fans with older AppleTVs can log onto IHSAAtv.org with their iPhone or iPad to watch on their TV using the airplay feature."

Try it out for tonight's Hoosier Crossroads Conference championship game as Brownsburg visits Hamilton Southeastern. Jerry Baker and Mark Jaynes will call the game at 7 pm ET on IHSAAtv.org.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
