## Another Record Number of Schools Entered in Softball Tournament

For the second consecutive year, a record number of teams (379) – one better than 2017 - were drawn and placed into brackets this evening to set the stage for the 34th Annual IHSAA Softball State Tournament Series.

Sectional action runs May 21-26 with the 64 survivors moving into a one-game regional round on Tuesday, May 29. From there, 32 teams will square off in four-team semi-states on Saturday, June 2, with the four state championship games scheduled for Saturday, June 9, to be played for the first time at Purdue University's Bittinger Stadium in West Lafayette.

Host schools will announce playing schedules in the days to come which will then be added to the online brackets at MaxPreps.com.

Class 3A defending state champion **New Palestine**, also top-ranked in this week's [state coaches poll](#) from the Indiana Coaches of Girls Sports Association (ICGSA), will host Connersville in Sectional 27.

Other No. 1 teams include Class 4A **Center Grove** which will meet Franklin Community in the Sectional 13 bye game at Franklin Central. Class 2A No. 1 **Bremen** will take on Prairie Heights in Sectional 35 at Westview and Class A's **Tri**, last year's state runner-up, will host Randolph Southern in Sectional 56.

Among the other defending state champions, Class 4A's **Crown Point** will host Hammond Morton in the Sectional 1 opening game. **Indianapolis Scecina**, last year's 2A state champion now playing in 3A, will host Indianapolis Crispus Attucks in Sectional 26. **Tecumseh**, last year's Class A champion which is now playing in 2A and ranked second this week, will take on Tell City in the Sectional 48 opening game at Forest Park.

Also of note, **Tecumseh** continued to extend the state record with its 15<sup>th</sup> consecutive sectional championship a year ago with **Indianapolis Scecina** right behind with 14 straight and **Indianapolis Lutheran** with 11 straight.

### About the Draw

To conduct the random drawing for the softball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and eight semi-states.

**About the Indiana High School Athletic Association, Inc. (IHSAA)**

*The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.*
