## Stage Set for Volleyball State Tournament

With 397 teams entered, the matchups for the 46th Annual IHSAA Volleyball State Tournament were announced this evening for the first time via webstream at IHSAAtv.org.

Host sites will announce their respective playing schedules this week and the IHSAA will populate the MaxPreps.com tournament brackets that are also linked at IHSAA.org.

Sectional play begins on Tuesday, Oct. 10, and continues through Saturday, Oct. 14, at 64 sites across the four enrollment classifications.

Those sectional champions will advance to a four-team regional on Saturday, Oct. 21, to be followed by a single semi-state round on Saturday, Oct. 28. The four state championship matches at Ball State University's Worthen Arena are scheduled for Saturday, Nov. 4.

The four top-ranked teams in [today's polls from the Indiana High School Volleyball Coaches Association](#) headline this year's field.

In Class 4A, No. 1 Yorktown, last year's 3A state champion and now playing in the highest classification, will host Huntington North in Sectional 6. In Class 3A, top-ranked Fort Wayne Bishop Dwenger will meet Garrett in Sectional 22 played at Angola. In 2A, No. 1 Alexandria Monroe will play host to Frankton in the Sectional 40 opening match. And in Class A, top-ranked Lafayette Central Catholic drew Tri-Central in the Sectional 54 bye match played at Southwood.

Among the other state champions from a year ago, Class A's Fort Wayne Blackhawk Christian, now playing in Class 2A, will meet Bluffton in Sectional 36 at South Adams. Wapahani, 2A state champion the last two years and now playing in 3A, drew Hamilton Heights in Sectional 24 at Delta. And Indianapolis Cathedral, the defending champ in 4A, will face off against Indianapolis Arsenal Technical in the Sectional 10 opener at Lawrence North.

### **About the Draw**

To conduct the random drawing for the volleyball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in match one with the second ball representing the home team in match one. The third ball to come out is the visitor in match two and the fourth ball the home team in match two. That same method is followed through all 64 sectionals and 16 regionals.

### ***About the Indiana High School Athletic Association, Inc. (IHSAA)***

*The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 410 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.*
