Basketball Classifications Announced for 2019-20, 2020-21

The Indiana High School Athletic Association announced today the new classifications for IHSAA member schools in girls and boys basketball for the next two school years.

The enrollment figures, the total of boys and girls in grades 9-12, were submitted by the schools to the Indiana Department of Education last fall and are used to determine the classifications in the sports of baseball, boys and girls basketball, football, boys and girls soccer, softball and volleyball.

Four schools that have joined the IHSAA membership in the last two years are not yet eligible to compete in IHSAA tournaments and are not included in the listing of schools. Trinity School at Greenlawn will be eligible in 2021-22, while Dugger Union, Evansville Christian and Illiana Christian will be eligible beginning in 2022-23.

One additional school - Lighthouse Christian Academy of Bloomington - will become eligible two years from now in 2020-21.

Also, per IHSAA By-Law, C-2-3c, any school has the option to play up one or more classes in any sport they choose for the two-year classification period by notifying the Association Office.

Tournament Success Factor points will be accumulated in softball and baseball in June at the conclusion of those respective state tournaments.

Sectional groupings for each sport (except for softball and baseball) will be announced at the end of this month following approval of the IHSAA Executive Committee. Softball and baseball sectional groupings will be released in August following the committee's first meeting of the new school year.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 410 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
