Soccer, Volleyball Semi-State Matches Available via Pay-Per-View on IHSAAtv.org

This Saturday's semi-state matches in the IHSAA Boys & Girls Soccer State Tournament will be video-streamed exclusively in a pay-per-view model for the first time.

With COVID-19 still limiting attendance at different tournament venues, the IHSAA has partnered with select IHSAA Champions Network affiliates from around the state to stream all the live play-by-play action exclusively to its video portal at IHSAAtv.org. This also will allow spectators who are unable or uncomfortable attending in person to still watch the event.

The [12 soccer matches](#) (three at each of the four semi-state sites) are scheduled for this Saturday (Oct. 24) with the winning team in each game advancing to the state finals the following weekend.

Likewise, all volleyball semi-state matches on Oct. 31 and all football semi-state games on Nov. 20, also will be available through pay-per-view.

Live video access will be available for \$14.95 per game or \$19.95 for [access to all the soccer matches](#) that day. With an all-access purchase, viewers may be able to see up to four matches simultaneously. The same prices will be in effect for the volleyball and football semi-states.

Each game will also be available to purchase on-demand following its conclusion.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 410 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and track and field). A 19-person board of directors, elected by member school principals, governs the organization.
