## All-Sportsmanship teams announced for Fall Sports

With the November conclusion of the fall high school spring sports season, the IHSAA is pleased to announce the schools who achieved the state's highest sportsmanship numbers.

During the last school year, the Association began recognizing schools' sportsmanship and adherence to the principles of wholesome amateur athletics in this new way.

As part of the Association's continuing Sportsmanship/Leadership program, school administrators are able to monitor their score daily on the member schools-only myIHSAA website.

Those schools who have accumulated 100 points are recognized as "First Team All-Sportsmanship" and those with 95 points are recognized as "Honorable Mention All-Sportsmanship". These scores are based solely on deductions for the fall season so they will not reflect the ongoing total sportsmanship score for a school if the school engaged in activities to earn points through the sportsmanship program.

Seasonal Sportsmanship Awards recognize schools at the end of each season based on scores for an individual season. For example, fall sportsmanship scores are based solely on the fall sports regardless of what sportsmanship score will achieve during the winter and spring.

Points are deducted by contest ejections of players, coaches, administrators, and fans.

"We want to acknowledge and congratulate those schools who have exemplified sportsmanship as indicated by their sportsmanship scores," says IHSAA Assistant Commissioner Jane Schott, who administers the IHSAA sportsmanship program. "By recognizing schools at the end of season, we hope this encourages schools to celebrate those programs who show exemplary sportsmanship."

### **About the Indiana High School Athletic Association, Inc. (IHSAA)**

*The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 412-member high schools - public, institutional, parochial, and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 24 sports, 11 for girls, 11 for boys and two co-eds (Unified Flag Football, Unified Track and Field). A 19-person board of directors, elected by member school principals, governs the organization.*
