Girls Basketball State Tourney reaches its Golden Milestone

The 50th year of the IHSAA Girls Basketball State Tournament is a celebration of athletes who have competed fiercely, fans who have supported passionately, and communities that have embraced the spirit of basketball in every corner of the Hoosier State and everywhere in between. This milestone is a tribute to the many players, coaches, families, and supporters who have made the tournament what it is today—a vibrant and integral part of Indiana's sports culture.

With that, the Indiana High School Athletic Association, Inc. proudly announces the pairings for a golden milestone - the 50th IHSAA Girls Basketball State Tournament *presented by the Indiana Fever and Indiana Pacers*.

Sectional games are scheduled to begin Tuesday, Feb. 4, and run through Saturday, Feb. 8 when 64 sectional championship teams will be crowned.

The regional is a single-game championship set for Saturday, Feb. 15, and the semi-state a two-game affair with the winner advancing to the state championship game.

Two regional championship games will be played back-to-back at the same site with the winners finding out their next opponent and host site the following day. The semi-state games – scheduled for Saturday, Feb. 22 - will be randomly drawn live and announced in a special pairings show via IHSAAtv.org.

The four state championship games that make up the State Finals will be played at Gainbridge Fieldhouse – the home of the Indiana Fever and Indiana Pacers - in downtown Indianapolis on Saturday, March 1.

About the Draw

To conduct the random drawing for the girls basketball state tournament, the IHSAA places ping-pong balls representing each school in each sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and 16 regionals.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 409-member high schools - public, institutional, parochial, and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 24 sports, 11 for girls, 11 for boys and two co-eds (unified flag football, unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
