February 12, 2024

School Enrollments announced for 2024-25, 2025-26 Team Tournaments

The enrollment totals of IHSAA member schools which will be used in the next reclassification and realignment process this spring have been announced.

Those enrollment figures, the total of boys and girls in grades 9-12, were submitted by the schools to the Indiana Department of Education and are used to determine the classifications in the recognized team sports of baseball, boys and girls basketball, football, boys and girls soccer, softball, and volleyball, the next two school years.

The classifications for each school in each sport will be announced in the coming weeks with the new process for four-class sports (baseball, basketball, softball, and volleyball) being utilized. That plan, passed by the IHSAA Executive Committee last June, places the largest 20% of schools in Class 4A, the next 25% in Class 3A, the next 25% in 2A and the smallest 30% in Class 1A. Since 1997-98, the rule required distributing schools equally (25% each) among the four classes.

Football (six classes) and soccer (three classes) are not affected and will continue as they have in previous years.

Following that classification announcement, committee meetings made up of school administrators from around the state will be conducted to make the sectional assignments. Their final recommendations will be presented to the IHSAA Executive Committee for its approval in late April.

In the linked file below schools are arranged in alphabetical order on the left half of the document and by enrollment on the right half.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 411-member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-eds (unified flag football, unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
