Student Advisory Committee members announced for 2022-23

Eighteen high school student-athletes from across the Hoosier State will serve next school year as members of the 2022-23 IHSAA Student Advisory Committee (SAC).

Nine juniors will join nine seniors beginning their second year with the group which will receive hands-on leadership experience in various areas via several IHSAA-sponsored events as well as serve as a voice to the IHSAA staff.

Each year, the IHSAA receives nominations from school principals on behalf of student-athletes from IHSAA member schools. From that group of nominations, 20 are selected for interviews by members of the IHSAA Executive Committee and returning members of the SAC. From those interviews, nine incoming juniors are invited to join the group of nine returning seniors.

Student-athletes who will serve as part of next school year's committee include:

The SAC meets four times annually – twice each semester – and is responsible for hosting meetings with student peers at the Fall Area Principals Meetings; assisting with the awards ceremonies at IHSAA state championship events throughout the school year, planning and administering the annual IHSAA Student Leadership Conference and to engage

in and support the activities of Special Olympics Indiana including the Unified Track & Field and Unified Flag Football State Tournaments.

Other SAC functions include the development of an IHSAA Captain's Handbook which is posted to IHSAA.org as well as assisting in the creation of multiple public service announcements addressing good sporting behavior which will be utilized during 2022-23 state championships events.
