Fall Sport Sectional Alignments approved

At its monthly meeting earlier today, the IHSAA Executive Committee approved the sectional alignments for four fall sports.

The sectional alignments linked below will be used in the fall and take into account movement between classifications due to the Tournament Success Factor in each sport.

Boys and girls soccer sectionals begin Oct. 6, girls volleyball sectionals begin Oct. 14, and football sectionals begin Oct. 24.

Host sites for girls volleyball will be announced at the end of June.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 409-member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-eds (unified flag football, unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
