Girls Tennis State Tournament Pairings Unveiled

The sectional pairings for the 47th Annual IHSAA Girls Tennis State Tournament were revealed to an online audience via IHSAAtv.org this evening.

A total of 306 schools were drawn and placed into brackets for the team tournament which begins this Wednesday (May 18) and runs through Saturday (May 21). Host sites will announce dates and times for each match.

The 64 team sectional winners will advance to regional play May 24-25 at 16 sites. The regional champions will advance to semi-state play May 28 at Center Grove, Culver Academies, Homestead and Jasper. The eight-team state finals are scheduled for June 3-4 with state quarterfinal matches played at Carmel and Center Grove with the next day's semifinals and the state championship matches also at Center Grove in Greenwood.

Carmel is the top-ranked team according to the latest poll from the Indiana High School Tennis Coaches Association (IHSTECA), will host University in Sectional 57. Second-ranked Jasper will play host to Forest Park in Sectional 25. And third-ranked Columbus North will host archrival Columbus East in Sectional 18.

Munster, which drew the bye in Sectional 56, awaits the winner of the Calumet-Hammond Central first round match. The Mustangs hold the state's longest sectional championship string in the sport winning 44 years in a row. That mark is the second-longest active streak in the state in all sports trailing only Evansville Mater Dei's wrestling team which won its 46th straight sectional back in January.

State tournament brackets, including dates and times and results for each match, will be uploaded to IHSAA.org this week.

About the Draw
To conduct the random drawing for the state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the first placement in the first match with the second ball representing their opponent in that match. The third ball to come out is the third placement in the second match with the fourth ball their opponent in the second match. That same method is followed through all sectionals, regionals and semi-states to determine every team's placement in the bracket.

Schools Entered: 306 schools. 305 matches will be played over the three-week tournament.

About the Indiana High School Athletic Association, Inc. (IHSAA)
The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 407 member high schools - public, institutional, parochial and private – pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
