## **Baseball, Softball Classifications Announced for 2022-23, 2023-24**

The Indiana High School Athletic Association today announced the new classifications for IHSAA member schools in the sports of softball and baseball for the next two school years.

The enrollment figures, the total of boys and girls in grades 9-12, were submitted by the schools to the Indiana Department of Education last fall and are used to determine the classifications in all team sports.

Sectional groupings for the two sports will be announced later this fall following approval of the IHSAA Executive Committee.

Two provisional member schools that were approved for full membership in June – Purdue Polytechnic (3A) and Dugger Union (1A) - are now eligible to compete in state tournament events beginning this fall and are included in both sport's classifications.

Also, per IHSAA By-Law, C-2-3c, any school has the option to play up one or more classes in any sport they choose for the two-year classification period by notifying the Association Office.
