Girls, Boys Soccer State Tournament Pairings Announced

The pairings for the 28th Annual IHSAA Boys and Girls Soccer State Tournaments were drawn and announced this evening with 299 boys teams and 271 girls teams set for competition next week.

Both tournaments mirror each other beginning with 16 sectionals in each of three classes running Oct. 4-5. Regional semifinals will be played Oct. 13-14 with regional championships on Oct. 16, semi-states are Saturday, Oct. 23 at four sites with the winners advancing to the state championship matches on Oct. 29-30. The state finals will return to Michael Carroll Stadium at IUPUI in Indianapolis for the first time since 2018. Assignments will be made following the semi-state matches.

A new wrinkle to the tournament format is playing the regional semifinals mid-week instead of all on Saturday. Beginning this year, the winners of the odd-numbered sectionals will host a regional semifinal match on Wednesday (girls) and Thursday (boys) with all championship matches played at a pre-determined site on its traditional Saturday date.

In the most recent Indiana Soccer Coaches Association poll, the Class 3A, No. 1 and defending state champion Noblesville Millers girls team will take on home-standing Hamilton Southeastern in Sectional 8. The Class 2A top-ranked Indianapolis Bishop Chatard Trojans will host Indianapolis Washington in Sectional 26. And the Class A No. 1 Heritage Christian Eagles will take on host Triton Central in the opening match of Sectional 43.

In the boys coaches poll, the Fishers Tigers are the top-ranked team in Class 3A and will meet Hamilton Southeastern in the Sectional 8 opener at Noblesville. In 2A, the No. 1 Fort Wayne Canterbury Cavaliers drew the bye in Sectional 22 and will host the Tippecanoe Valley-Argos winner in the semifinal round. And the Park Tudor Panthers, the top team in Class A, will host University in the Sectional 40 bye matchup.

State tournament brackets, including dates and times for each match, will be uploaded later this week at IHSAA.org and MaxPreps.com.

About the Draw

To conduct the random drawing for the state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all sectionals and regionals to determine every team's placement in the bracket.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 407 member high schools - public, institutional, parochial and private – pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
