Boys Tennis State Tournament Pairings Revealed

The sectional pairings for the 56th Annual IHSAA Boys Tennis State Tournament were revealed to an online audience via IHSAAtv.org this evening.

A total of 291 schools were drawn and placed into brackets for the team tournament which begins Tuesday (Sept. 27) and runs through Saturday (Oct. 1). Host sites will announce dates and times for each match.

The 64 team sectional winners will advance to regional play Oct. 4 and 5 at 16 sites. The regional champions will advance to semi-state play Oct. 8 at Center Grove, Culver Academies, Homestead, and Jasper. The eight-team state finals are scheduled for Oct. 15 and 16 with state quarterfinal matches played at Carmel and Center Grove, and the semifinals and state championship match at Carmel.

The Harrison (West Lafayette) Raiders, the top-ranked team in this week's poll from the Indiana High School Tennis Coaches Association (IHSTeCA), will face McCutcheon in the semifinals of Sectional 56 played at West Lafayette.

The six-time defending state champion and second-ranked Carmel Greyhounds will host Guerin Catholic in a Sectional 53 first round match.

The third-ranked Zionsville Eagles, last year's state runner-up, will meet Western Boone in the Sectional 4 opener played at Lebanon.

The Munster Mustangs, currently ranked No. 23, will host Illiana Christian in the Sectional 64 opening round. The Mustangs own the state's longest sectional championship string in the sport winning 41 years in a row. That mark is the third-longest active streak in the state in all sports trailing only the 46 consecutive titles won by Evansville Mater Dei's wrestling team and Munster's girls tennis team, which has won 45 straight years.

State tournament brackets, including dates and times and results for each match, will be uploaded to IHSAA.org this week.

About the Draw

To conduct the random drawing for the state tournament, the IHSAA places ping-pong balls representing each school in each sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the first placement in the first match with the second ball representing their opponent in that match. The third ball to come out is the third placement in the second match with the fourth ball their opponent in the second match. That same method is followed through all sectionals, regionals and semi-states to determine every team's placement in the bracket.

Schools Entered: 291 schools. 290 matches will be played over the three-week tournament.
