## Stage Set for Volleyball State Tournament

With 398 teams entered, the matchups for the 48th Annual IHSAA Volleyball State Tournament were announced this evening via webstream at IHSAAtv.org.

Host sites will announce their respective playing schedules this week and the IHSAA will populate the MaxPreps.com tournament brackets that will be linked at IHSAA.org.

Sectional play begins on Tuesday, Oct. 15, and continues through Saturday, Oct. 19, at 64 sites across the four enrollment classifications.

Those sectional champions will advance to a four-team regional on Saturday, Oct. 26, to be followed by a single semi-state round on Saturday, Nov. 2. The four state championship matches at Ball State University's Worthen Arena are scheduled for Saturday, Nov. 9.

The four top-ranked teams in the latest polls from IndianaPrepVolleyball.com headline this year's field.

No. 1 New Castle, winner of the last two Class 3A state championships and now playing in 4A, will host Richmond in Sectional 9. In Class 3A, top-ranked Evansville Memorial drew a bye and will await the Boonville-Gibson Southern winner in Sectional 32 played at Mt. Vernon. No. 1 Barr-Reeve, last year's Class A titlist and now playing in 2A, will play Linton-Stockton in the Sectional 47 at Forest Park. And in Class A, top-ranked Trinity Lutheran will host Crothersville in Sectional 62.

Among the other state champions from a year ago, Class 4A's Yorktown, ranked second this week, will meet Muncie Central in Sectional 9 at New Castle. A meeting of 4A's top two ranked teams could occur in the sectional semifinal match. And North Judson-San Pierre, the defending champ in 2A, will take on North Newton in the Sectional 34 opener at Rensselaer Central.

### **About the Draw**

To conduct the random drawing for the volleyball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in match one with the second ball representing the home team in match one. The third ball to come out is the visitor in match two and the fourth ball the home team in match two. That same method is followed through all 64 sectionals and 16 regionals.

### **About the Indiana High School Athletic Association, Inc. (IHSAA)**

*The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 412 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.*
