SUE ERICKSON OF INDIANAPOLIS TO BE HONORED WITH OUTSTANDING OFFICIALS AWARD

Each year, the Indiana High School Athletic Association honors an outstanding official in each sport during the State Finals Tournament.

Sue Erickson of Indianapolis is the recipient of the 2020-21 IHSAA Outstanding Volleyball Official Award in the state of Indiana.

Sue has been a licensed volleyball official for 33 years and is a member of the Fall Creek Officials Association.

Erickson continues to work as an on court instructor for summer leagues and clinics. Sue takes great pride and has a great passion for working with student athletes across the state of Indiana.

She has worked more than 16 Sectionals, eight (8) Regionals, two (2) Semi-States and three (3) State Finals matches during her career. She also serves as a Local Association Clinician and her favorite part of being an official is working with new, experienced, and veteran officials who aspire to continue in developing their officiating skills as a referee or as a line judge.

Sue is a 1977 graduate of Indianapolis John Marshall High School and studied Liberal Arts at Ball State University along with getting her certification as a CPR instructor and as an EMT.

Erickson was selected for this honor by a committee representing the official's associations. In Indiana there are 24 associations made up of more than 6,000 men and women who give up much of their personal time to assist in providing wholesome, worthwhile, and healthy activities for the student-athletes in our state. Statewide, there are more than 6,000 officials licensed by the IHSAA in 18 sports.

Something Interesting About You Personally or Professionally That People Might Not Know:
I grew up playing volleyball at our family cottage in Ontario, Canada with my family. My dad and uncles taught me how the game was played and as I got older, me and my siblings would play pretty much from sun up to sun down. We did not have boy's volleyball in high school but I tried out for the club team at Michigan State University and played for three seasons. That inspired me to have a career in coaching volleyball.
