Defending Individual State Champions

Four defending state champions return, including one looking for a third consecutive championship in two different events, highlighting this year's big event.

Will Modglin is looking for his third consecutive title in both the 200 Individual Medley and 100 Backstroke.

In last Saturday's sectional, the Zionsville senior swam a 45.53 in the backstroke, faster than the current state record of 45.80 set by Carmel's Wyatt Davis in 2020 and flirting with the national high school record of 45.34 set in 2012. Modglin will get his opportunity to re-write the record books beginning Friday and would become the seventh backstroker in state history with three or more titles.

Modglin is also gunning for a third straight in the IM with his seeded time of 1:47.55, second only to Carroll's Adam McCurdy's 1:47.32. He set the state record a year ago in 1:44.10 and with a win on Saturday afternoon, Modglin would become just the third individual to win the IM at least three times.

Should he win either race, he would become the first three-time state champion from Zionsville.

Matt Klinge of Harrison (West Lafayette) became the first Raider sophomore to win a state championship last year when he beat out the field in the 50 Freestyle. He's seeded first as a junior this weekend following a 19.74 performance in Saturday's sectional meet and just shy of the state record of 19.38 set by Carmel's Drew Kibler in 2018. Another win would make him the first two-time winner in school history.

And Carmel's **Sean Sullivan** returns as the defending champion in the 100 Freestyle and he sits atop the pack with a 44.18 sectional swim. The senior will attempt to become the first Greyhound to win the event in back-to-back years. Last year, he swam a leg on all three of Carmel's championship winning relay teams including leading off the national record-setting 200 Medley Relay team in 1:26.88.

Defending Team Champion

Top-ranked Carmel is the eight-time defending state champion, the longest string of state championships in the sport.

Coaching History

Carmel coach Chris Plumb, also the school's girls coach, has guided the Greyhound boys to their last 11 titles including the current string of eight in a row. Combined with his 17 girls titles, his 28 combined state championships is the most in state history. The next closest is former Carmel cross country and track coach Chuck Koeppen who won 23 between 1976 and 2008.
