

Tournament Success Factor (Rule 2-5)

Reclassification of Schools in Team Sports

In Team Sports, when Schools are subject to reclassification, a School's reclassification shall be dependent on the School's previous tournament series success; the Commissioner may, however, determine that a School's previous tournament series success should be applied more often, or less often.

- a. Schools shall earn the assigned point values for the final level of the tournament series they achieve as follows:
 - (1.) Sectional Championship - One (1) point
 - (2.) Regional Championship - Two (2) points
 - (3.) Semi State Championship - Three (3) points
 - (4.) State Championship - Four (4) points
- b. Upon the conclusion of a Two (2) year reclassification and realignment cycle, Schools in Classes below the largest enrollment Class in a specific sport achieving Six (6) points or greater due to tournament series success shall move up to the next largest enrollment classification for the next Two (2) year reclassification and realignment cycle.
- c. After participation in a larger enrollment classification for Two (2) years, a School achieving a Two (2) year total tournament series success point value of One (1) point or below in a specific sport shall be placed in the classification immediately below the Enrollment classification the School occupied during the previous two (2) year cycle unless the Enrollment of the School dictates the same or higher classification previously occupied in that sport.
- d. After participation in a larger enrollment classification for Two (2) years, a School achieving a tournament series success point value of Two (2), Three (3), Four (4) or Five (5) points in a specific sport shall remain in the same classification in that sport for the next Two (2) years.
- e. After participation in a larger enrollment classification for Two (2) years, a School achieving a tournament series success point value of Six (6) points or greater in a specific sport shall move up to the next largest enrollment classification for the next Two (2) year reclassification and realignment cycle if their previous classification was below the largest enrollment Class in that sport.
