Bobby Cox Spirit of Unified Mental Attitude Award

At the conclusion of the state finals, the IHSAA Executive Committee presents the Bobby Cox Spirit of Unified Mental Attitude Award to an athlete and partner competing in the state championship contest.

An athlete, who was nominated by their principal and coach, must excel in mental attitude, joy, courage, self-advocacy, and commitment during their time in high school.

A partner, who was nominated by their principal and coach, must excel in mental attitude, inclusive behavior, courage, advocacy, and commitment during their time in high school.

This award, established in 2020, is named in honor of Bobby Cox, who served as the Association's eighth commissioner from 2011 to 2020. His embrace of the Champions Together project led to the establishment of Unified Flag Football and Unified Track & Field as sponsored IHSAA sports.

A \$1,000 scholarship is presented to the school's general scholarship fund in the name of the recipients.
