Indiana High School Boys Track & Field State Progression of Records

Note: Beginning in 1980, all running events were conducted at metric distances. Records established prior to that year in non-metric events have been converted to their metric equivalents and are listed in the above chart. When these converted times are bettered in future state finals, the record holder for the English distance event will be maintained in the chart below under the Progression of Records category with the English event and record time. Events that are no longer contested at the state track and field meet also are listed below.

Gary Roosevelt's Memorable 1-2-3 Finish

Gary Roosevelt's Jeff Patrick (10.47), Glen Moore (10.64) and Don Young (10.67) finished 1-2-3 in the 100 meter final of the 1982 IHSAA Boys Track & Field State Finals. This is the only instance in state finals history where the same school swept the top three spots in an event as the Panthers would go on to claim the second straight of what would become nine consecutive team championships under Hall of Fame coach John Campbell.

Robert S. Hinshaw Mental Attitude Award

At the conclusion of the state finals, the IHSAA Executive Committee presents the Robert S. Hinshaw Mental Attitude Award to an outstanding senior participant in the boys track and field state tournament.

The recipient of this award, who was nominated by his principal and coach, must excel in mental attitude, scholarship, leadership and athletic ability in track and field.

The award is named in honor of the late Robert S. Hinshaw who gave unselfishly to the boys high school track program in Indiana as a participant, coach and as the IHSAA's first assistant commissioner from 1945-61.

Indiana Farm Bureau Insurance, IHSAA corporate partner, presents a \$1,000 scholarship to the school's general scholarship fund in the name of the recipient.
